CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS; WHERE TO FIND MORE INFORMATION

Certain items in this presentation may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as “may,” “will,” “expect(s),” “could,” “should,” and “continue” and similar expressions are intended to identify such forward-looking statements. While we believe that any forward-looking statements are based on reasonable assumptions, such statements are subject to the risks detailed in our most recent Annual Report on Form 10-K and other public filings and we can give no assurance that the expectations can be obtained. Factors that could cause actual results to differ materially from our expectations include, but are not limited to, delays in the acquisition, development and construction of real properties, changes in economic conditions generally and the real estate and securities markets specifically. Such forward-looking statements speak only as of the date of this presentation. We expressly disclaim any obligation to release publicly any updates or revisions to any forward-looking statements.

Additional information about our performance, including definitions and reconciliations of non-GAAP financial measures used herein, can be found in our Quarterly Earnings and Supplemental Disclosure for the second quarter of 2014 and our Form 10-K, Form 10-Q, and other public filings available in the Investor Relations section of our website at dividendcapitaldiversified.com. The information in this presentation should be considered in conjunction with the more detailed information about our operating results and total return contained in these filings.
