2U, Inc. CEO and Co-founder Chip Paucek to Present at the Pacific Crest 12th Annual Emerging Technology Summit

LANHAM, Md., Feb. 22, 2017 /PRNewswire/ -- 2U, Inc. (NASDAQ: TWOU), today announced that CEO and co-founder Christopher "Chip" Paucek will present at the Pacific Crest 12th Annual Emerging Technology Summit on March 1, 2017. 2U is a leading provider of cloud-based software-as-a-service technology fused with technology-enabled services that enables leading nonprofit colleges and universities to deliver high-quality degree programs online.

Paucek will present on Wednesday, March 1 at 2:30 p.m. Pacific Time at the Park Central Hotel in San Francisco. A live webcast of the presentation will be available at investor.2u.com. An archive of the webcast also will be available for 90 days following the live presentation.

About 2U, Inc. (NASDAQ:TWOU)

2U partners with leading colleges and universities to deliver the world's best online degree programs so students everywhere can reach their full potential. Our Platform, a fusion of cloud-based software-as-a-service technology and technology-enabled services, provides schools with the comprehensive operating infrastructure they need to attract, enroll, educate, support and graduate students globally. Blending live face-to-face classes, dynamic course content and real-world learning experiences, 2U's No Back Row® approach ensures that every qualified student can experience the highest quality university education for the most successful outcome.
