**PROXY STATEMENT  
for  
ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON May 29, 2015**

**INTRODUCTION**

**General**

This Proxy Statement is being furnished to the stockholders of Papa Murphy's Holdings, Inc., a Delaware corporation ("Papa Murphy's" or the "Company"), as part of the solicitation of proxies by the Company's board of directors (the "Board of Directors" or the "Board") from holders of the outstanding shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), for use at the Company's annual meeting of stockholders (the "Annual Meeting") to be held at 9:00 a.m. Pacific Time, on May 29, 2015, and at any adjournments or postponements thereof. At the Annual Meeting, stockholders will be asked to vote on the following matters: the election of three Class I directors to serve until the 2018 annual meeting of stockholders and until their successors are elected and qualified, the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 28, 2015, and any other business that may properly come before the meeting or any adjournments or postponements of the meeting.

A Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy materials, including this proxy statement and our 2014 Annual Report, is first being mailed to stockholders of Papa Murphy's on or about April 16, 2015. The Notice also provides instructions on how to vote over the Internet, by mail or by telephone. If you receive a Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request these materials.

**Solicitation, Voting and Revocability of Proxies**

The Board of Directors has fixed the close of business on April 1, 2015 as the record date for the determination of the stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). Accordingly, only holders of record of shares of Common Stock at the close of business on the Record Date will be entitled to vote at the Annual Meeting, with each such share entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the Record Date, 16,943,654 shares of Common Stock were outstanding. The presence, in person (through online participation) or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting.

All proxies properly submitted in time to be counted at the Annual Meeting will be voted in accordance with the instructions contained therein. The Board of Directors does not know of any matters other than those described in the Notice of Annual Meeting that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will vote the shares represented by the proxy upon those matters as determined by a majority of the Board of Directors.

Stockholders who execute proxies retain the right to revoke them at any time prior to the exercise of the powers conferred thereby by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, Corporate Secretary, Papa Murphy's Holdings, Inc., 8000 NE Parkway Drive, Suite 350, Vancouver, Washington 98662, or by participating in the Annual Meeting and voting your shares electronically at the Annual Meeting. All valid, unrevoked proxies will be voted at the Annual Meeting.

## QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Although we encourage you to read the enclosed Proxy Statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you might have about the Annual Meeting.

**Q: Why are we providing these materials?**

**A:** Our Board of Directors is providing these proxy materials to you in connection with our Annual Meeting, which will take place on May 29, 2015. Stockholders are invited to participate in the Annual Meeting and are requested to vote on the proposals described in this Proxy Statement.

**Q: What information is contained in these materials?**

**A:** The information included in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of directors and our most highly paid officers, and other required information.

**Q: What proposals will be voted on at the Annual Meeting?**

**A:** There are two proposals scheduled to be voted on at the Annual Meeting:

- the election of three Class I directors to serve until the 2018 annual meeting of stockholders and until their successors are elected and qualified (Proposal No. 1); and
- the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 28, 2015 (Proposal No. 2).

We will also consider other business that properly comes before the Annual Meeting.

**Q: How does the Board of Directors recommend that I vote?**

**A:** Our Board of Directors recommends that you vote your shares “**FOR**” the election of the Board's nominees for election to the Board of Directors as Class I directors, and “**FOR**” the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 28, 2015.

**Q: What shares owned by me can be voted?**

**A:** All shares of the Company's Common Stock owned by you as of the close of business on April 1, 2015, which is the Record Date may be voted by you. You may cast one vote per share of Common Stock that you held on the Record Date. These shares include shares that are: (1) held directly in your name as the stockholder of record, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

**Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?**

**A:** Most stockholders of the Company hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

### *Stockholder of Record*

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC (“AST”), you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company as described below under “How can I vote my shares without attending in the Annual Meeting?” or to vote electronically at the Annual Meeting.

### *Beneficial Owner*

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and you are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from your broker or other nominee authorizing you to vote your shares at the Annual Meeting. Your broker or nominee has sent you instructions for how you can direct the broker or nominee to vote your shares. You may vote your shares by Internet or by telephone as described below under “How can I vote my shares without attending the Annual Meeting?”

**Q: How can I vote my shares in person at the Annual Meeting?**

**A:** This year's annual meeting will be held entirely online to allow greater participation. Stockholders may participate in the annual meeting by visiting the following website: [www.virtualshareholdermeeting.com/FRSH](http://www.virtualshareholdermeeting.com/FRSH). To participate in the annual meeting, you will need the 16-digit control number included on your Notice, on your proxy card or on the instructions that accompanied your proxy materials. Shares held in your name as the stockholder of record may be voted electronically during the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record also may be voted electronically during the Annual Meeting.

However, even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance (as described below) so that your vote will be counted if you later decide not to attend the Annual Meeting.

**Q: How can I vote my shares without attending the Annual Meeting?**

**A:** To vote your shares without attending the meeting, please follow the instructions for Internet or telephone voting on the Notice. If you request printed copies of the proxy materials by mail, you may also vote by signing and submitting your proxy card and returning it by mail, if you are the stockholder of record, or by signing the voter instruction form provided by your bank or broker and returning it by mail, if you are the beneficial owner but not the stockholder of record. This way your shares will be represented whether or not you are able to attend the meeting.

**Q: Can I change my vote?**

**A:** Attendance at the Annual Meeting alone will not cause your previously granted proxy to be revoked. You may change your proxy instructions at any time prior to the vote at the Annual Meeting. You may accomplish this by entering a new vote by Internet, by telephone, by delivering a written notice of revocation to the corporate secretary of the Company, by granting a new proxy card or new voting instruction card bearing a later date (which automatically revokes the earlier proxy instructions), or by participating in the Annual Meeting and voting your shares electronically at the Annual Meeting.

**Q: How are votes counted?**

**A:** You may vote "**FOR**" or "**WITHHOLD**" authority to vote for each nominee for election as a director. If you vote your shares without providing specific instructions, your shares will be voted "**FOR**" each nominee for election to the Board of Directors. If you vote to "**WITHHOLD**" authority to vote for any nominee for election as a director, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be counted and will have no effect in determining whether the nominee is elected. If a quorum is present, our Amended and Restated Bylaws, as amended to date (the "Bylaws"), provide that directors are elected by a plurality of the votes cast by the shares entitled to vote. Abstentions and broker non-votes (as described below) are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the determination of whether a plurality exists with respect to a given nominee.

You may vote "**FOR**" or "**AGAINST**" or "**ABSTAIN**" from voting when voting on the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 28, 2015. If you vote your shares without providing specific instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. If you choose to "**ABSTAIN**" from voting on the ratification of the appointment of Moss Adams LLP, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be counted and will have no effect in determining whether the proposal is approved.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, brokers have discretion to vote these shares on routine matters but not on non-routine matters. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given.

Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares "**FOR**" routine matters while expressly noting that the broker is not voting on non-routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy card that the broker is not voting on a matter, whether routine or non-routine. The ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 28, 2015 is considered a routine matter, so unless you have provided otherwise, your broker will have discretionary authority to vote your shares on that proposal. However, the election of three Class I directors to serve until the 2018 annual meeting of stockholders and until their successors are elected and qualified is considered a non-routine matter, so unless you have provided instructions to your broker with respect to such proposal, your broker will not have authority to vote your shares on that proposal and your shares will constitute broker non-votes. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum but are not counted for purposes of determining the number of votes cast for, or entitled to vote on, a proposal.

**Q: What is the quorum requirement for the Annual Meeting?**

**A:** The quorum requirement for holding the Annual Meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person (through online participation) or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum.

**Q: What is the voting requirement to approve the proposals?**

**A:** In the election of the directors, the three persons receiving the highest number of “**FOR**” votes at the annual meeting will be elected. Any other proposal requires the affirmative “**FOR**” vote of a majority of the total voting power of those shares of common stock present in person (through online participation) or represented by proxy and entitled to vote on that proposal at the annual meeting.

**Q: Who are the proxyholders and what do they do?**

**A:** The two persons named as proxyholders on the proxy card, Ken Calwell, our Chief Executive Officer, and Mark Hutchens, our Chief Financial Officer, were designated by our Board of Directors. The proxyholders will vote all properly tendered proxies (except to the extent that authority to vote has been withheld) and where a choice has been specified by you as provided in the proxy card, it will be voted in accordance with the instructions you indicate on the proxy card. If you vote your shares without providing specific instructions regarding each of the proposals, your shares will be voted “**FOR**” each proposal.

**Q: What does it mean if I receive more than one Notice?**

**A:** You may receive more than one Notice. For example, if you hold your shares in more than one brokerage account, you may receive a separate Notice for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one Notice. To ensure that all of your shares in each account are voted, you must vote in accordance with the Notice you receive for each account.

**Q: How can I revoke my proxy?**

**A:** You may revoke your proxy at any time before it is voted at the Annual Meeting. In order to do this, you may do any of the following:

- enter a new vote by Internet or by telephone following the instructions in the Notice;
- sign and return another proxy card bearing a later date;
- provide written notice of the revocation to the Company’s Corporate Secretary, Papa Murphy’s Holdings, Inc., 8000 NE Parkway Drive, Suite 350, Vancouver, Washington 98662, prior to the vote at the Annual Meeting; or
- participate in the meeting and vote your shares electronically at the meeting.

**Q: Where can I find the voting results of the Annual Meeting?**

**A:** We will announce preliminary voting results at the Annual Meeting and publish final results in the Company’s Current Report on Form 8-K within four business days after the Annual Meeting.

**Q: What happens if additional proposals are presented at the Annual Meeting?**

**A:** Other than the proposals described in this Proxy Statement, Papa Murphy’s does not expect any additional matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders will vote your shares on any additional matters properly presented for a vote at the Annual Meeting in the manner directed by a majority of the Board of Directors.

**Q: Who will count the vote?**

**A:** Broadridge Financial Solutions, Inc. has been appointed to act as the inspector of elections and will tabulate the votes.

**Q: Is my vote confidential?**

**A:** Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, either within the Company or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by the Board of Directors.

**Q: Who will bear the cost of soliciting votes for the Annual Meeting?**

**A:** The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. The solicitation of proxies or votes may be made in person, by telephone or by electronic communication by the Company’s directors, officers, and employees, who will not receive any additional compensation for these solicitation activities. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to the beneficial owners.

**Q: What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?**

**A :** *Stockholder Proposals*

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2016 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than December 19, 2015. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Papa Murphy's Holdings, Inc.,  
Attention: Corporate Secretary  
8000 NE Parkway Drive, Suite 350  
Vancouver, Washington 98662  
(360) 260-7272

Our Bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our Bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our notice of meeting (or any supplement thereto), (ii) otherwise brought before the annual meeting by or at the direction of our Board of Directors, or (iii) brought before the annual meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our Bylaws. To be timely for our 2016 annual meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

- not earlier than January 30, 2016; and
- not later than February 29, 2016.

If we hold our 2016 annual meeting of stockholders more than 30 days before or more than 70 days after the one-year anniversary of the Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or
- the 10th day following the day on which public announcement of the date of such annual meeting is first made by the Company.

*Nomination of Director Candidates*

You may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and appropriate background and biographical information and should be directed to our Corporate Secretary in writing at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board of Directors and Corporate Governance—Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our Bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our Bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our Bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

*Availability of Bylaws*

A copy of our Bylaws may be obtained by accessing our filings on the website of the Securities and Exchange Commission (the "SEC") at [www.sec.gov](http://www.sec.gov). You may also contact our Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

## **Director Independence**

Our Common Stock is listed on the Nasdaq Stock Market. Under the rules of the Nasdaq Stock Market, independent directors must comprise a majority of a listed company's board of directors by the first anniversary of the company's initial listing. In addition, the rules of the Nasdaq Stock Market require that, subject to specified exceptions, each member of a listed company's Audit, Compensation, and Nominating and Corporate Governance committees be independent by the first anniversary of the company's initial listing. Under the rules of the Nasdaq Stock Market, a director will only qualify as an "independent director" if, in the opinion of the listed company's board of directors, the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To qualify as independent directors, Audit Committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act of 1934, as amended (the "Exchange Act") and the listing requirements of the Nasdaq Stock Market, and Compensation Committee members must also satisfy the independence criteria set forth in Rule 10C-1 under the Exchange Act and the listing requirements of the Nasdaq Stock Market.

We completed our initial public offering in May 2014 and, as a result, we have relied and continue to rely on the exemption provided in Section 10A-3(b)(1)(iv) of the Exchange Act. This exemption provides, in part, that a minority of the members of our Audit Committee may be exempt from the independence requirements of the Exchange Act for one year from the date of effectiveness of our initial registration statement. Accordingly, our Audit Committee is currently made up of a majority, but not entirely, of independent directors, but we expect our Audit Committee to be made up entirely of independent directors on or before May 1, 2015. We have determined that the fact that our Audit Committee is made up of a majority, but not entirely, of independent directors does not materially and adversely affect the ability of the Audit Committee to act independently and to satisfy the other requirements of the SEC and the Nasdaq Stock Market.

Under NASDAQ Rule 5615(b)(1), we are permitted to phase in our compliance with (i) the independent compensation committee requirements set forth in NASDAQ Rule 5605(d) and (ii) the independent nominations committee requirements set forth in NASDAQ Rule 5605(e)(1)(b). Accordingly, our Compensation Committee and our Nominating and Corporate Governance Committee are each currently made up of a majority, but not entirely, of independent directors, but we expect each of our Compensation Committee and our Nominating and Corporate Governance Committee to be made up entirely of independent directors on or before May 1, 2015. We have determined that the fact that our Compensation Committee and our Nominating and Corporate Governance Committee are each made up of a majority, but not entirely, of independent directors does not materially and adversely affect the ability of these committees to act independently and to satisfy the other requirements of the SEC and the Nasdaq Stock Market.

Our Board of Directors has undertaken a review of the independence of each director and nominee and considered whether any director or nominee has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors has determined that John Shafer, L. David Mounts, Jean M. Birch, Rob Weisberg and Jeffrey B. Welch are “independent directors” as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq Stock Market.

### **Board Leadership Structure and Oversight of Risk Management**

The Board maintains a separation between the roles of Chief Executive Officer and Chairman of the Board. Mr. Calwell has served as the Company’s President and Chief Executive Officer since December 2011, and Mr. Barr has served as the Chairman of the Board of Directors since October 2009. Although the Company’s Bylaws do not mandate this leadership structure, the Board believes that the separation of these two leadership positions promotes more active participation in establishing priorities of the Board, while affording the Chief Executive Officer the ability to focus more clearly on the day-to-day operational aspects and requirements of the Company’s business. We do not have a lead independent director, but our independent directors bring experience, oversight and expertise from outside of our Company.

The Board believes that overseeing how management manages the various risks we face is one of its most important responsibilities to our stakeholders. We face risk in many different areas, including business strategy, financial condition, product development, competition for talent, operational efficiency, quality assurance, supply chain management, reputation, intellectual property and trade secrets, among others. The Board believes that, in light of the diverse and often interrelated nature of the risks our Company faces, oversight of risk management is ultimately the responsibility of the full Board, which provides oversight of the Company’s risk assessment and monitoring processes. While our Board is ultimately responsible for risk oversight, our Board committees assist our Board in fulfilling its oversight responsibilities in certain areas of risk. Our Audit Committee assists our Board in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures and legal and regulatory matters that may have a material impact on the Company’s financial statements. Our Audit Committee also discusses with our management, the head of our internal audit function and our independent auditor any significant risks or exposures and the Company’s policies and processes with respect to risk assessment and risk management, and assesses the steps management has taken to monitor and control such risks. Our Nominating and Corporate Governance Committee assists our Board in fulfilling its oversight responsibilities with respect to corporate governance. Our Compensation Committee reviews the Company’s compensation policies and practices for executives, management employees and employees generally to assess whether such policies and practices could lead to excessive risk taking behavior and the manner in which any risks arising out of the Company’s compensation policies and practices are monitored and mitigated. To facilitate oversight of risk management by the Board and its committees, our executive officers who are responsible for risk management work directly with the Board or the relevant committee of the Board responsible for particular types of risks.

### **Board Meetings and Committees**

During the fiscal year ended December 29, 2014, our Board held four meetings (including regularly scheduled and special meetings). Each director attended at least 75% of the aggregate of (i) the total number of meetings of our Board held during the period for which he has been a director and (ii) the total number of meetings held by all committees of our Board on which he served during the periods that he served.

Although we do not have a formal policy regarding attendance by members of our Board at annual meetings of stockholders, we encourage, but do not require, our directors to attend.

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our Board of Directors are described below. Members will serve on these committees until their resignation or until otherwise determined by our Board of Directors.

#### *Audit Committee*

Our Audit Committee consists of L. David Mounts, John Shafer and Yoo Jin Kim. L. David Mounts is the chair of our Audit Committee. Our Board has affirmatively determined that L. David Mounts qualifies as an “audit committee financial expert” as such term has been defined by the SEC in Item 407(d)(5) of Regulation S-K.

Our Audit Committee is responsible for, among other things, assisting the Board’s oversight of:

- our internal financial reporting and compliance with our disclosure controls and procedures;
- the qualifications, engagement, compensation, independence and performance of our independent registered public accounting firm;
- our independent registered public accounting firm’s annual audit of our financial statements and any engagement to provide other services;
- the performance of our internal audit function;
- our legal and regulatory compliance; and
- the application of our codes of business conduct and ethics as established by management and the Board.

Our Audit Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing requirements of the Nasdaq Stock Market. A copy of the charter of our Audit Committee is available on our website at [www.PapaMurphys.com](http://www.PapaMurphys.com) in the Corporate Governance section of our Investor Relations webpage. During 2014, our Audit Committee held four meetings.

Our Compensation Committee is responsible for, among other things:

- assisting the Board in discharging its responsibilities regarding compensation of our executive officers;
- reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer and evaluating our Chief Executive Officer’s performance in light of those goals and objectives;
- reviewing and determining the compensation of our Chief Executive Officer and other executive officers;

- providing oversight of our compensation policies, plans and benefit programs including reviewing and administering all compensation and employee benefit plans, policies and programs; and

- producing, approving and recommending to the Board, reports on compensation matters required to be included in our annual proxy statement or annual report.

Our Compensation Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing requirements of the Nasdaq Stock Market. A copy of the charter of our Compensation Committee is available on our website at [www.PapaMurphys.com](http://www.PapaMurphys.com) in the Corporate Governance section of our Investor Relations webpage. During 2014, our Compensation Committee held three meetings.

#### ***Nominating and Corporate Governance Committee***

Our Nominating and Corporate Governance Committee consists of John Shafer, John Barr and L. David Mounts. John Barr is the chair of our Nominating and Corporate Governance Committee. Our Board has affirmatively determined that John Shafer and L. David Mounts each meet the definition of an “independent director” for the purposes of serving on the Nominating and Corporate Governance Committee under applicable NASDAQ rules.

Our Nominating and Corporate Governance Committee is responsible for, among other things:

- recommending to the Board for approval the qualifications, qualities, skills and expertise required for Board membership;
- identifying potential members of the Board consistent with the criteria approved by the Board and selecting and recommending to the Board the director nominees for election at the next annual meeting of stockholders or to otherwise fill vacancies;
- evaluating and making recommendations regarding the structure, membership and governance of the committees of the Board;
- developing and making recommendations to the Board with regard to the Company’s corporate governance policies and principles; and
- overseeing the annual review of the Board’s performance.

Our Nominating and Corporate Governance Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing requirements of the Nasdaq Stock Market. A copy of the charter of our Nominating and Corporate Governance Committee is available on our website at [www.PapaMurphys.com](http://www.PapaMurphys.com) in the Corporate Governance section of our Investor Relations webpage. During 2014, our Nominating and Corporate Governance Committee held three meetings.

In 2014, the Company engaged Elliot Associates, Inc. to assist in developing and introducing qualified candidates to serve on the Board.

#### **Corporate Governance Guidelines and Code of Business Ethics and Conduct**

Our Board has adopted Corporate Governance Guidelines. These guidelines address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, our Board has adopted a written code of business ethics and conduct that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A current copy of the code is posted on our website at [www.PapaMurphys.com](http://www.PapaMurphys.com) in the Corporate Governance section of our Investor Relations webpage. Any amendments to our code of conduct, or any waivers of its requirements for which disclosure is required, will be disclosed on our website promptly following the date of such amendment.

#### **Considerations in Evaluating Director Nominees**

Our Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the appropriate criteria that directors are required to fulfill (including experience, qualifications, attributes, skills and other characteristics) in the context of the current make-up of the Board and the needs of the Board given the circumstances of the Company. In identifying and screening director candidates, the Nominating and Corporate Governance Committee considers whether the candidates fulfill the criteria for directors approved by the Board, including integrity, objectivity, independence, sound judgment, leadership, courage and diversity of experience (for example, in relation to finance and accounting, international operations, strategy, risk, technical expertise, or policy-making). Directors must be prepared to devote the time required to prepare for and attend Board meetings, and fulfill their responsibilities effectively. Other than the foregoing, our Board has not approved other stated minimum criteria for director nominees, although our Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, to be our and our stockholders’ best interests. The Nominating and Corporate Governance Committee reviews each candidate’s qualifications, including whether a candidate possesses any unique skills or competencies not already represented on the Board, as well as general qualities and skills desirable in members of the Board, including factors relating to diversity, skills, occupation, experience in the context of the Company’s various businesses, products and technologies, the needs of the Board and perceived chemistry in working with incumbent members of the Board of Directors. Share ownership is viewed as beneficial, as is prior public company board service and CEO experience. A knowledge of the pizza business and marketing, sales, strategy and other corporate management skills sets are perceived positively. All nominees for the Board of Directors must have a reputation for integrity, honesty and adherence to high ethical standards and be prepared to commit significant time to Board and committee responsibilities.

The Company does not have a formal policy with respect to the consideration of diversity (broadly construed) in identifying director candidates. However, the Nominating and Corporate Governance Committee does consider diversity in identifying and reviewing director nominee candidates, which reflects the Committee's goal of achieving a balanced and diverse Board of Directors with members whose skills, occupation, background, identity and experience complement each other and, together, contribute to the Board's effectiveness as a whole.

### **Director Nomination Procedures**

The Nominating and Corporate Governance Committee serves as the nominating committee responsible for seeking qualified candidates to serve on the Board and recommending them for the Board's consideration. In recommending candidates for election to the Board, the Nominating and Corporate Governance Committee will consider nominees recommended by directors, officers, employees, stockholders and others, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials and internal discussions as well as interviews with potential nominees. Upon selection of a qualified candidate, the Nominating and Corporate Governance Committee recommends the candidate for consideration by the full Board of Directors.

The Nominating and Corporate Governance Committee values the input of stockholders in identifying director candidates. The Nominating and Corporate Governance Committee considers recommendations for Board candidates submitted by stockholders using the same criteria it applies to recommendations from its own committee members, directors and members of management. Stockholders wishing to propose director candidates for consideration by the Nominating and Corporate Governance Committee may do so by writing to the Corporate Secretary of the Company and providing the information specified in Article I, Section 1.10 of the Bylaws, including the candidate's name, biographical information and qualifications. The Bylaws also permit stockholders to make nominations for the election of directors, if such nominations are made pursuant to timely notice in writing to the Company's Secretary. To be timely for our 2016 annual meeting of stockholders, notice must be delivered to the Company's Secretary at the principal executive offices of the Company not earlier than January 30, 2016 and not later than February 29, 2016. If we hold our 2016 annual meeting of stockholders more than 30 days before or more than 70 days after the one-year anniversary of the Annual Meeting, then notice of a director nomination that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or
- the 10th day following the day on which public announcement of the date of such annual meeting is first made by the Company.

Each director's term continues until the election and qualification of the director's successor, or the director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three (3) classes so that, as nearly as possible, each class will consist of one-third (1/3) of our directors. #### **CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

We describe below the transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, nominees for director, executive officers or holders of more than 5% of our outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities, had or will have a direct or indirect material interest.

### ***Stockholder's Agreement***

In connection with our initial public offering, we entered into a stockholder's agreement with Lee Equity. The stockholder's agreement granted Lee Equity (or one or more of its affiliates, to the extent assigned thereto), individually or in the aggregate, the right to initially designate four directors to serve on our Board of Directors. Under the terms of the stockholder's agreement, within one year of the offering, our Board of Directors will increase its size to a total of nine directors and Lee Equity (or one or more of its affiliates, to the extent assigned thereto) will have the right to designate two directors to serve on our Board of Directors. So long as Lee Equity (or one or more of its affiliates, to the extent assigned thereto), individually or in the aggregate, owns (i) 20% or more of the voting power of the issued and outstanding shares of our Common Stock, Lee Equity will be entitled to designate two director nominees or (ii) 10% or more (but less than 20%) of the voting power of the issued and outstanding shares of our Common Stock, Lee Equity will be entitled to designate one director nominee, in each case, to serve on our Board of Directors at any meeting of stockholders at which directors are to be elected to the extent that Lee Equity does not have a director designee then serving on the board of directors. Lee Equity's initial director designees were Benjamin Hochberg, Yoo Jin Kim, Thomas H. Lee and Achi Yaffe.

In furtherance of our amended and restated certificate of incorporation, the stockholder's agreement provides that Lee Equity and its affiliates have no obligation to offer us an opportunity to participate in business opportunities presented to Lee Equity or its affiliates, even if the opportunity is one that we might reasonably have pursued (and therefore may be free to compete with us in the same business or similar businesses), and that neither Lee Equity nor its affiliates will be liable to us or our stockholders for breach of any duty by reason of any of these activities unless, in the case of any person who is a director or officer of our Company, the business opportunity is expressly offered to the director or officer in writing solely in his or her capacity as an officer or director of our company. Lee Equity, as part of a privately negotiated sale of 10% or more of its shares, may assign all or any portion of its rights under the stockholder's agreement to any transferee. The stockholder's agreement will terminate upon the written request of Lee Equity or at such time as Lee Equity owns less than 10% of our Common Stock.

For so long as Lee Equity owns 10% or more of the voting power of the outstanding shares of our Common Stock, Lee Equity will be granted access to some of our customary non-public information and members of our management team and shall have the ability to share this material non-public information with any potential purchaser of our Common Stock that executes an acceptable confidentiality agreement with us, which will involve a prohibition on trading on material non-public information.

The stockholder's agreement also obligated us to pay the costs and expenses included in connection with the preparation, negotiation, and execution of the stockholder's agreement and provides that Lee Equity will be reimbursed for its costs and expenses in connection with enforcing its rights and remedies under and pursuant to the stockholder's agreement.

The stockholder's agreement also provides that, so long as Lee Equity owns 25% or more of the voting power of the outstanding shares of our Common Stock, the following actions by us require the prior written approval of Lee Equity:

- any issuance of our equity securities or any of our subsidiaries other than the granting of options or shares of Common Stock to members of our management or the issuance of shares of Common Stock in connection with the exercise of such options;
- the declaration or payment of non-pro rata dividends or other non-pro rata distributions in respect of our capital stock or any non-pro rata repurchase of our equity securities;
- incurrence of indebtedness for borrowed money (other than indebtedness incurred under our revolving credit facility existing as of the date of the stockholder's agreement or in connection with the refinancing of our then existing indebtedness) in excess of 4.5 times leverage;
- entering into any change in control transaction;
- any investment in, or the acquisition or disposition of, any assets or entity (other than investments in wholly owned subsidiaries) in each case in excess of \$25.0 million, or the entry into any material joint ventures, partnerships or similar arrangements;
- any adoption of a new equity-based incentive plan, any increase in the maximum number of shares of Common Stock available to participants in our existing equity-based incentive plans or a material change to the vesting schedule or the termination of any of our existing equity-based incentive plans;
- any material increase in the salary of our Chief Executive Officer (other than for standard cost of living adjustments) and any material changes to the bonus structure applicable to our Chief Executive Officer as in effect as of the date of the offering;
- specified amendments to our organizational documents in a manner that would be adverse to Lee Equity;
- any material change to our business of being the owner and/or franchisor of stores and restaurants that sell or serve pizza and other food items; and
- any change to the number of directors serving on our Board.

Lee Equity has the right to assign any of its governance rights to its affiliates or to a third party in connection with the sale by Lee Equity of 10% or more of the issued and outstanding shares of our Common Stock.

### ***Advisory Services and Monitoring Agreement***

In May 2014, we terminated an advisory services and monitoring agreement with Lee Equity, pursuant to which agreement Lee Equity had provided us monitoring and advisory services, including financial, managerial and operational advice in connection with day-to-day operations, such as the development and implementation of strategies for improving our operating, marketing and financial performance, as well as such other services that we agreed, and we paid an annual fee of \$500,000 to Lee Equity. ## **Project Pie**

### ***Our Investment***

Between December 2013 and January 2015, Project Pie Holdings LLC (“PPH”), our indirect, majority-owned subsidiary, purchased Series A Convertible Preferred Units (the “Series A Units”) of Project Pie, LLC (“Project Pie”) a fast casual custom-pizza restaurant chain, for an aggregate purchase price of \$4.5 million, paid in cash. Each Series A Unit is convertible at PPH’s option into one common unit of Project Pie. On a fully diluted basis, this investment represents approximately 45% of all issued and outstanding Project Pie common units. In 2015, PPH’s parent company, PMI Holdings, Inc., made a loan to Project Pie in an aggregate principal amount of \$250,000. Beginning in December 2016, the board of managers of Project Pie may request additional capital funding from PPH up to an aggregate value of \$5.0 million in \$500,000 increments, and PPH may, at its option and in its sole discretion, provide such additional capital funding, which would be accomplished through purchase of additional Series A Units. PPH also has the right to purchase common units from other members following the completion of Project Pie’s audited financial statements for fiscal year 2015 in an amount that would increase PPH’s ownership of all common units to 51% on a fully diluted basis. Similarly, following the completion of Project Pie’s audited financial statements for fiscal year 2017, PPH will have the right to purchase all of the common units of Project Pie from other members, subject to specified exceptions. PPH also has various preemptive and registration rights with respect to Project Pie’s securities as well as consent and voting rights with respect to specified significant matters, including various change of control transactions, issuances of new equity securities, various matters related to operations and the incurrence of significant debt. In addition, PPH may designate two members of Project Pie’s board of managers, which at this time are John Barr, our Chairman, and Yoo Jin Kim, one of our directors and a partner at Lee Equity. Mr. Barr serves as chairman of Project Pie and chairman of the Project Pie board of managers.

### ***Relationship with Our Chairman***

We own 89% of the equity interests in PPH, and John Barr, our Chairman, owns the remaining 11%. In November 2013, Mr. Barr provided \$550,000 in debt financing to Project Pie bearing interest at 6% (the “Bridge Note”). Project Pie used a portion of the proceeds of the PPH investment in Series A Units to repay the Bridge Note.

Mr. Barr is party to an employment agreement, effective as of January 1, 2014, with Project Pie pursuant to which he serves as Project Pie’s chairman in an executive capacity. The employment agreement has an initial term ending December 31, 2016, and may be extended for an additional twelve-month period upon terms mutually agreeable between Mr. Barr and Project Pie. Under the terms of his employment agreement, Mr. Barr received a base salary of \$100,000 for 2014 and was entitled to a base salary of \$150,000 for 2015 and \$200,000 for 2016, however, Mr. Barr has waived his salary for 2015 and 2016. Mr. Barr’s base salary for future periods may be reviewed and increased annually at the discretion of the Project Pie board of managers based on Mr. Barr’s performance and the performance of Project Pie. Mr. Barr also will be eligible to participate in any benefits plans offered by Project Pie on the same basis as other senior executives of Project Pie. In addition, Mr. Barr may be entitled to specified payments if he is terminated by Project Pie without cause.

### **Employment Agreements**

We have entered into an employment agreement with each of our NEOs as well as other executive officers. See “Executive Compensation—Employment Agreements.”

### **Policies for Approval of Related Person Transactions**

In connection with our initial public offering, we adopted a written policy relating to the approval of related person transactions. A “related person transaction” is a transaction or arrangement or series of transactions or arrangements in which we participate (whether or not we are a party) and a related person has a direct or indirect material interest in the transaction. Our Audit Committee reviews and approves or ratifies all relationships and related person transactions between us and (i) our directors, director nominees or executive officers, (ii) any 5% record or beneficial owner of our Common Stock or (iii) any immediate family member of any person specified in (i) and (ii) above. The Audit Committee reviews all related person transactions and, where the Audit Committee determines that the transactions are in our best interests, approves or ratifies the transactions.

As set forth in the related person transaction policy, in the course of its review and approval or ratification of a related party transaction, the Audit Committee will, in its judgment, consider in light of the relevant facts and circumstances whether the transaction is, or is not consistent with, our best interests, including consideration of various factors enumerated in the policy.

Any member of the Audit Committee who is a related person with respect to a transaction under review will not be permitted to participate in the discussions or approval or ratification of the transaction. However, such member of the Audit Committee will provide all material information concerning the transaction to the Audit Committee. Our policy also includes specified exceptions for transactions that need not be reported and provides the Audit Committee with the discretion to pre-approve various transactions.
