

CHARTER OF THE COMPENSATION COMMITTEE
of the
BOARD OF DIRECTORS
of
AKEBIA THERAPEUTICS, INC.

Effective February 26, 2015

The Board of Directors (the “Board”) of Akebia Therapeutics, Inc. (the “Company”) hereby sets forth the authority and responsibilities of the Compensation Committee (the “Committee”) as described below, subject to amendment by the Board from time to time:

Section 1. STATEMENT OF PURPOSE

- 1.1. The purpose of the Committee is to:
- (a) oversee the Company’s compensation philosophy generally;
 - (b) seek to ensure that compensation decisions both represent sound fiscal policy and enable the Company to attract and motivate qualified personnel;
 - (c) advise the Board regarding, and facilitate the Board’s oversight of, the compensation of the Board, the Company’s Chief Executive Officer (“CEO”) and other executives of the Company who are Vice President level or above and report directly to the CEO (“Executives”); and
 - (d) oversee the Company’s management resources, succession planning and management development activities.
- 1.2. The Committee shall engage in regular and meaningful contact throughout the year with the Board, other committee chairpersons, members of senior management and other key Committee advisors, as applicable, to strengthen the Committee’s knowledge of sound compensation and human resources policies.

Section 2. ORGANIZATION

- 2.1. Independence. The Committee will be comprised of two or more directors as determined by the Board and each such committee member will satisfy the independence requirements of The NASDAQ Stock Market (“NASDAQ”) (regardless of whether shares of the Company’s common stock are listed on that exchange). In addition, to the extent required by the Board, each member of the Committee shall qualify as an “outside director” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, and shall be a “non-employee director” within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Committee may avail itself of any phase-in compliance periods available to the Company that are afforded by applicable NASDAQ rules or applicable law.
- 2.2. Election and Removal. The members of the Committee shall be elected by the Board, on the recommendation of the Nominating and Corporate Governance Committee, to serve until their successors are elected. The chairperson of the Committee (the “Chairperson”) shall be appointed and removed in accordance with the Bylaws of the Company. The Board

may remove other members of the Committee from such Committee at any time, with or without cause. In the event that the removal or resignation of a Committee member, or any other occurrence which renders a member unable to discharge his or her duties with the respect to the Committee, causes the number of members then serving on the Committee to be fewer than two, the Board shall promptly designate a successor.

- 2.3. Subcommittees. The Committee may form and delegate authority to subcommittees, each consisting of one or more of its members, with such powers as the Committee shall from time to time confer. Each subcommittee shall report any material updates from its meetings to the Committee.

Section 3. DUTIES AND RESPONSIBILITIES

The following are the duties and responsibilities of the Committee (in addition to any others that the Board may from time to time delegate to the Committee):

- 3.1. Executive Compensation. The Committee shall review and recommend for approval by the independent directors of the Board the individual and corporate goals and objectives relevant to Executive compensation and shall evaluate the performance of each Executive in light of those goals and objectives. Based on this evaluation, the Committee shall review and recommend for approval by the independent directors of the Board Executive compensation, including salary, bonus and incentive compensation, deferred compensation, perquisites, equity compensation, benefits provided upon retirement, severance or other compensation upon termination of employment and any other forms of Executive compensation. No Executive shall be present during voting or deliberations on such Executive's own compensation or the compensation of such person's superiors.
- 3.2. CEO Compensation. The Committee shall annually review and recommend for approval by the independent directors of the Board the CEO's compensation based on the Committee's evaluation of the CEO's performance. If applicable, in evaluating and determining the CEO's compensation, the Committee shall consider the results of the most recent stockholder advisory vote on executive compensation ("say on pay vote") required by Section 14A of the Exchange Act. The Committee will deliberate and vote on the CEO's compensation outside the presence of the CEO.
- 3.3. Plan Recommendations and Approvals. The Committee shall make recommendations to the Board regarding the adoption of new incentive compensation plans and equity-based plans, as well as the Company's 401(k) plan, and administer the Company's existing incentive compensation plans and equity-based plans, including reviewing and approving stock option grants and outside valuations of the common stock of the Company underlying such grants; provided that only the Board may authorize any grants made to Executives. To the extent permitted by applicable law, stock exchange rules, the provisions of a specific equity-based plan and the authority delegated by the Board, the Committee may delegate to one or more Executives who are officers of the Company ("Officer") the power to grant options or other equity awards, and amend the terms of such awards, pursuant to such equity based plan to employees of the Company. Such Officer may not be empowered to grant options or other equity awards, or amend the terms of such awards, to Executives, and his or her power shall be limited to the parameters set forth in the applicable resolutions adopted by the Committee and the Board.

- 3.4. Employment and Other Agreements. The Committee shall review any employment, severance or change-in-control agreement proposed to be entered into between the Company and any Executive, and shall recommend such agreement to the Board for approval.
- 3.5. Director Compensation. The Committee shall review and recommend to the Board the compensation paid to non-employee Directors for their service on the Board and on its committees. In making its recommendations, the Committee shall give due consideration to what is customary compensation for directors of comparable companies and any other factors it deems consistent with the policies and principles set forth in this Charter and the Company's Corporate Governance Guidelines.
- 3.6. Filings. The Committee shall:
- (a) if applicable, review and discuss with Company management the "Compensation Discussion and Analysis" (the "CD&A") required to be included in the Company's filings with the Securities and Exchange Commission (the "SEC") and, based on such review and discussion, in the case of CD&A proposed to be included in the Company's annual proxy statement or Annual Report on Form 10-K, recommend to the Board of Directors whether such CD&A should be included in such proxy statement or annual report, as the case may be; and
 - (b) prepare the annual compensation committee report for inclusion in the Company's annual proxy statement as required by the rules of the SEC.
- 3.7. Non-Executive Compensation and Benefits Plans. The Committee shall review and recommend to the Board the general design and terms of any significant non-executive compensation and benefits plans including, as relevant, incentive compensation and bonus programs.
- 3.8. Succession Planning. The Committee shall oversee the maintenance and presentation to the Board of management's plans for succession to senior management positions in the Company, including the position of CEO.
- 3.9. Annual Committee Self-Evaluation. The Committee shall conduct an annual performance assessment relative to the Committee's purpose, duties and responsibilities outlined herein, report to the Board on the results of such evaluation and make any appropriate recommendations to further enhance the Committee's performance. The Committee's performance evaluation shall be conducted in such manner as the Committee deems appropriate.
- 3.10. Annual Charter Review. The Committee shall review and assess the adequacy of this Charter periodically, and at least annually, and recommend to the Board any necessary amendments. Any changes to this Charter must be approved by the Board and communicated in writing.
- 3.11. Reporting to the Board. The Chairperson shall regularly, and whenever so requested by the Board, report all material activities of the Committee to the Board, with recommendations to the Board as the Committee deems appropriate.
- 3.12. Generally. The Committee shall perform such other duties as may be required by law or requested by the Board or deemed appropriate by the Committee. The Committee shall

discharge its responsibilities, and shall assess the information provided to the Committee, in accordance with its business judgment.

The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any independent legal, accounting or other advisors.
- 4.7. Compensation Consultant.
