**FIVE9, INC.
NOMINATING POLICY**

Process for Evaluating and Selecting Potential Director Candidates

The Nominating and Governance Committee (the “*Committee*”) is responsible for (1) identifying individuals qualified to become members of the Board of Directors (the “*Board*”) of Five9, Inc. (the “*Company*”), and (2) recommending that the Board select the director nominees for the next annual meeting of the Company’s stockholders or a special meeting of the Company’s stockholders, or to fill a vacancy on the Board. The Committee is also responsible for periodically assessing, developing and communicating with the full Board concerning the appropriate criteria to be utilized in evaluating potential director nominees.

Minimum Qualifications for Director Nominees

The Committee has established the following minimum criteria for evaluating prospective board candidates:

- Reputation for integrity, strong moral character and adherence to high ethical standards.
- Holds or has held a generally recognized position of leadership in community and/or chosen field of endeavor, and has demonstrated high levels of accomplishment.
- Demonstrated business acumen and experience, and ability to exercise sound business judgments and common sense in matters that relate to the current and long-term objectives of the Company.
- Ability to read and understand basic financial statements and other financial information pertaining to the Company.
- Commitment to understand the Company and its business, industry and strategic objectives.
- Commitment and ability to regularly attend and participate in meetings of the Board, Board committees and stockholders, number of other company boards on which the candidate serves and ability to generally fulfill all responsibilities as a director of the Company.
- Willingness to represent and act in the interests of all stockholders of the Company rather than the interests of a particular group.
- Good health, and ability to serve.

- For prospective non-employee directors, independence under applicable Securities and Exchange Commission (“*SEC*”) and stock exchange rules, and the absence of any conflict of interest (whether due to a business or personal relationship) or legal impediment to, or restriction on, the nominee serving as a director.
- Willingness to accept the nomination to serve as a director of the Company.

Other Factors for Potential Consideration

The Committee will also consider the following factors in connection with its evaluation of each prospective nominee:

- Whether the prospective nominee will foster a diversity of backgrounds, skills, perspectives and experiences.
- For potential audit committee members, whether the nominee possesses the requisite education, training and experience to qualify as “financially literate” or as an audit committee “financial expert” or equivalent standard under applicable SEC rules, as applicable.
- For incumbent directors standing for re-election, the incumbent director’s performance during his or her term, including the number of meetings attended, level of participation, overall contribution to the Company, number of other company boards on which the director serves, and any changed circumstances affecting the individual director that may bear on his or her ability to continue to serve on the Board.
- The composition of Board and whether the prospective nominee will add to or complement the Board’s existing strengths.

Process for Identifying, Evaluating and Recommending Nominees

The Committee initiates the process by preparing a slate of potential candidates who, based on their biographical information and other information available to the Committee, appear to meet the criteria specified above and/or who have specific qualities, skills or experience being sought (based on input from the full Board).

- *Outside Advisors.* The Committee may engage a third-party search firm or other advisors to assist in identifying prospective nominees.
- *Stockholder Suggestions for Potential Nominees.* The Committee will consider suggestions of nominees from stockholders. Stockholders may recommend individuals for consideration by submitting the materials set forth below to the Company addressed to the chair of the Committee at the Company’s address. To be timely, the written materials must be submitted within the time permitted for

submission of a stockholder proposal for inclusion in the Company's proxy statement for the applicable meeting.

The written materials must include: (1) all information relating to the individual recommended that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (2) the name(s) and address(es) of the stockholders making the nomination and the amount of the Company's securities that are owned beneficially and of record by such stockholder(s); (3) appropriate biographical information (including a business address and a telephone number) and a statement as to the individual's qualifications, with a focus on the criteria described above; (4) a representation that the stockholder of record is a holder of record of stock of the Company entitled to vote on the date of submission of such written materials, and (5) any material interest of the stockholder in the nomination.

The Committee will evaluate a prospective nominee suggested by any stockholder in the same manner and against the same criteria as any other prospective nominee identified by the Committee from any other source.

- *Nomination of Incumbent Directors.* The re-nomination of existing directors should not be viewed as automatic, but should be based on continuing qualification under the criteria set forth above.
- *Management Directors.* The number of officers or employees of the Company serving at any time on the Board should be limited such that, at all times, a majority of the directors is "independent" under applicable SEC, stock exchange or over-the-counter market rules.

After reviewing appropriate biographical information and qualifications, first-time candidates will be interviewed by at least one member of the Committee and by the Chairman of the Board.

Upon completion of the above procedures, the Committee shall determine the list of potential candidates to be recommended to the full Board for nomination at the annual meeting or special meeting or to fill any vacancy.

The Board of Directors will select the slate of nominees (or in the case of a vacancy, select such nominee) only from candidates identified, screened and approved by the Committee.
