What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our Directors and certain of our executive officers, corporate governance, and certain other required information.

Where is the Annual Meeting?

The Annual Meeting will be held at the Teaneck Marriott at Glenpointe located at 100 Frank W. Burr Blvd., Teaneck, NJ 07666. The telephone number at that location is +1 (201) 836-0600.

Can I attend the Annual Meeting?

You are invited to attend the Annual Meeting if you were a stockholder of record or a beneficial owner as of the Record Date. Admission will begin at 8:30 A.M. Eastern Time on the date of the Annual Meeting, and you must present valid picture identification such as a driver's license or passport and, if asked, provide proof of stock ownership as of the Record Date. The use of mobile phones, pagers, recording or photographic equipment, tablets and/or computers is not permitted at the Annual Meeting. The meeting will begin promptly at 9:00 A.M. Eastern Time. Stockholders may request directions to the Teaneck Marriott at Glenpointe in order to attend the Annual Meeting by calling +1 (201) 329- 7334 .

What matters am I voting on?

You will be voting on:

- the election of two Class I Directors to serve until the 2017 annual meeting of stockholders and until their successors are duly elected and qualified;
- a proposal to ratify the selection of PricewaterhouseCoopers LLP ("PwC") as our independent registered public accounting firm for our fiscal year ending June 30, 2015; and
- any other business as may properly come before the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

Our Board of Directors recommends a vote:

- " **FOR** " the election of Daniel M. Bendheim and Sam Gejdenson as Class I Directors; and
- " **FOR** " the ratification of the selection of PwC as our independent registered public accounting firm for our fiscal year ending June 30, 2015.

Who is entitled to vote?

Holders of our Class A common stock and Class B common stock as of the close of business on the Record Date may vote at the Annual Meeting. As of the Record Date, there were 17,442,953 shares of our Class A common stock outstanding and 21,512,275 shares of our Class B common stock outstanding. Our Class A common stock and Class B common stock are entitled to 1 and 10 votes per share, respectively. In deciding all matters at the Annual Meeting, each eligible stockholder of Class A common stock will be entitled to one vote for each share of our Class A common stock held by him or her on the Record Date and each eligible stockholder of Class B common stock will be entitled to ten votes for each share of our Class B common stock held by him or her on the Record Date. We do not have cumulative voting rights for the election of Directors.

Registered Stockholders . If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Street Name Stockholders . If shares of our common stock are held on your behalf in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of those shares held in "street name," and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this proxy, we refer to stockholders who hold their shares through a broker, bank or other nominee as "street name stockholders."

How many votes are needed for approval of each proposal?

- *Proposal No. 1:* The election of Directors requires a plurality vote of the shares of our Class A common stock and Class B common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon, voting together as one class, to be approved. “Plurality” means that the nominees who receive the largest number of votes cast “for” are elected as Directors. As a result, any shares not voted “for” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. You may vote “for” or “withhold” on each of the nominees for election as a Director.
- *Proposal No. 2:* The ratification of the selection of PwC requires the affirmative vote of a majority of the shares of our Class A common stock and Class B common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon, voting together as one class. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “against” the proposal. Broker non-votes will have no effect on the outcome of this proposal.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our amended and restated bylaws and Delaware law. The presence, in person or by proxy, of a majority in voting power of all issued and outstanding shares of our Class A common stock and Class B common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withheld votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

How do I vote?

If you are a stockholder of record, there are two ways to vote:

- by completing and mailing your proxy card; or
- by written ballot at the Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning an instruction card, or by telephone or on the internet. However, the availability of telephone and internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy by:

- returning a later-dated proxy card before the Annual Meeting;
- notifying the Corporate Secretary of Phibro Animal Health Corporation in writing, which notification must be received prior to the Annual Meeting, at Phibro Animal Health Corporation, Glenpointe Centre East, 3rd Floor, 300 Frank W. Burr Blvd., Ste 21, Teaneck, NJ 07666; or
- completing a written ballot at the Annual Meeting.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board of Directors. Thomas G. Dagger and Richard G. Johnson have been designated as proxies by our Board of Directors. When proxy cards are properly dated,

validly executed and returned, the shares represented by such proxy cards will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors as described above. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the SEC, we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about September 24, 2014 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the internet to help reduce the environmental impact of our annual meetings of stockholders.

How are proxies solicited for the Annual Meeting?

Our Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker or other nominee holds shares of our common stock on your behalf.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our “routine matters”. Our sole “routine matter” is Proposal 2, the proposal to ratify the selection of PwC as our auditor for the fiscal year ended June 30, 2015. Your broker will not have discretion to vote on the election of Directors, which is a “non-routine” matter absent direction from you.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to such Current Report on Form 8-K as soon as they become available.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Phibro or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Who will serve as inspector of elections?

The inspector of elections will be Thomas G. Dagger, who is the Senior Vice President, General Counsel and Corporate Secretary of Phibro Animal Health Corporation.

PROPOSAL ONE — ELECTION OF CLASS I DIRECTORS

General

Our Board of Directors may establish the authorized number of Directors from time to time by resolution. Our Board of Directors is currently comprised of eight members who are divided into three classes with staggered three-year terms. A Director serves in office until his respective successor is duly elected and qualified or until his earlier death or resignation. Our amended and restated certificate of incorporation authorizes our Board of Directors to fill vacancies on our Board of Directors until the next annual meeting of stockholders at which the Directors of the class in which such vacancy occurred will be elected. Any additional directorships resulting from an increase in the authorized number of Directors would be distributed among the three classes so that, as nearly as possible, each class would consist of one-third of the authorized number of Directors. Your proxy cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

Nominees

Two Class I Directors have been nominated for election for a three-year term expiring at our 2017 annual meeting. Our Board of Directors has approved and nominated **Daniel M. Bendheim** and **Sam Gejdenson** for election as the two Class I Directors. The term of office of each person elected as a Class I Director will continue until such Director’s term expires in 2017, or until such Director’s successor has been duly elected and qualified.

Mr. Hanau is qualified to serve on our Board of Directors due to his extensive international business and management experience as an investor, advisor and board director.</p>

Vote Required

The election of Directors requires a plurality vote of the shares of our Class A common stock and Class B common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon, voting together as one class, to be approved. “Plurality” means that the nominees who receive the largest number of votes cast “for” are elected as Directors. As a result, any shares not voted “for” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. You may vote “for” or “withhold” on each of the nominees for election as a Director.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE CLASS I NOMINEES NAMED ABOVE.

PROPOSAL TWO — RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee (“Audit Committee”) has selected PwC , an independent registered public accounting firm, to audit our consolidated financial statements for our fiscal year ending June 30, 2015. During our fiscal year ended June 30, 2014, PwC served as our independent registered public accounting firm and our Board has previously selected PwC to serve as our independent registered public accounting firm for the fiscal quarters ended September 30, 2014, December 31, 2014 and March 31, 2015. A representative of PwC will be present at the Annual Meeting to make a statement if they desire to do so. They will also be available to answer appropriate questions from stock holders.

Notwithstanding the selection of PwC and even if our stockholders ratify the selection, our Audit Committee, in its discretion, may select another independent registered public accounting firm at any time during our fiscal year if our Audit Committee believes that such a change would be in the best interests of Phibro Animal Health Corporation and its stockholders. At the Annual Meeting, our stockholders are being asked to ratify the selection of PwC as our independent registered public accounting firm for our fiscal year ending June 30, 2015. Our Audit Committee is submitting the selection of PwC to our stockholders because we value our stockholders’ views on our independent registered public accounting firm and as a matter of good corporate governance.

If our stockholders do not ratify the selection of PwC, our Board of Directors may reconsider the selection.

Fees Paid to the Independent Registered Public Accounting Firm

The following table presents fees for professional audit services and other services rendered to Phibro by PwC for our fiscal years ended June 30, 2014 and 2013.

Fees for fiscal 2014 also consisted of professional services rendered in connection with our Registration Statement on Form S-1 related to our IPO completed in April 2014.
- (2) Audit-Related Fees consist of fees for professional services for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under “Audit Fees.” These services include accounting consultations concerning financial accounting and reporting standards.

Auditor Independence

In our fiscal year ended June 30, 2014, other than those listed above, there were no professional services provided by PwC that would have required our Audit Committee, or prior to February 2014, our Chief Financial Officer, to consider their compatibility with maintaining the independence of PwC.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Pursuant to our Amended and Restated Audit Committee Charter, our Audit Committee is required to pre-approve all audit and non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair the public accountants' independence. Prior to February 2014, all audit services were approved by our Audit Committee and all material non-audit services performed by our independent registered public accounting firm were approved by our Chief Financial Officer. In February of 2014, our Audit Committee began pre-approving all such services. All Audit Fees paid to PwC for the fiscal years ended June 30, 2013 and June 30, 2014 were pre-approved by our Audit Committee. All material non-audit fees paid to PwC for our fiscal year ended June 30, 2013 were pre-approved by our Chief Financial Officer. Our Chief Financial Officer pre-approved 100% of Audit-Related Fees paid to PwC for our fiscal year ended June 30, 2014. Our Audit Committee preapproved 10.7% of Tax Fees paid to PwC for our fiscal year ended June 30, 2014 and our Chief Financial Officer pre-approved 89.3% of Tax Fees paid to PwC for our fiscal year ended June 30, 2014. Our Chief Financial Officer pre-approved 100% of All Other Fees paid to PwC for our fiscal year ended June 30, 2014.

Vote Required

The ratification of the selection of PwC requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon, voting together as one class. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote "against" the proposal. Broker non-votes will have no effect on the outcome of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP.

CORPORATE GOVERNANCE**Controlled Company**

BFI controls a majority of the combined voting power of our outstanding Class A common stock and Class B common stock. As a result, we are a “controlled company” under the NASDAQ stock market (“NASDAQ”) corporate governance standards. As a controlled company, exemptions under the standards free us from the obligation to comply with certain corporate governance requirements, including the requirements:

- that a majority of our Board of Directors consists of “independent directors,” as defined under the rules of the NASDAQ;
- that we have, to the extent applicable, a corporate governance and nominating committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities;
- that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities; and
- for an annual performance evaluation of the nominating and governance committees and compensation committee.

Since we have availed ourselves of the “controlled company” exception under the NASDAQ rules, we do not have a Corporate Governance and Nominating Committee and our Compensation Committee is not composed entirely of independent directors. These exemptions do not modify the independence requirements for our Audit Committee, and we have complied with the requirements of Rule 10A-3 of the Exchange Act and the rules of NASDAQ which require us to have an audit committee comprised of at least three members all of whom are independent.

Structure of Our Board of Directors

Our business and affairs are managed under the direction of our Board of Directors. Our Board of Directors currently consists of eight members. The total number of Directors who constitute our Board of Directors may be set by resolution of our Board of Directors. Mr. Jack C. Bendheim serves as Chairman of our Board of Directors and our President and Chief Executive Officer.

Our Board of Directors is divided into three classes with staggered terms. Directors in a particular class will be elected for three-year terms at the annual meeting of stockholders in the year in which their terms expire. As a result, only one class of Directors will be elected at each annual meeting of stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each Director’s term continues until the end of such three-year term and until his or her successor shall have been duly elected and qualified, or until his or her earlier death, resignation, removal, disqualification or retirement. Mr. Daniel Bendheim and Mr. Gejdenson are Class I Directors whose initial terms expire at this Annual Meeting. The Class I Directors are current nominees for election for a term expiring at our 2017 annual meeting. Mr. Carlson, Ms. Malanoski and Ms. Wrenn serve as Class II Directors whose initial terms expire at the 2015 annual meeting. Mr. Jack C. Bendheim, Mr. Corcoran and Mr. Hanau serve as Class III Directors whose initial terms expire at the 2016 annual meeting.

Director Independence

Because BFI controls a majority of the combined voting power of our outstanding Class A common stock and Class B common stock, we are a controlled company under the NASDAQ corporate governance standards. As a controlled company, we are exempt from the requirement under NASDAQ Rule 5605(a)(2) that a majority of our Board of Directors consists of “independent directors,” as defined under such rules. Nevertheless, our Board of Directors has reviewed the independence of the current members of the Board of Directors in accordance with the independence requirements of the applicable NASDAQ rules and has determined, based upon information provided by each Director concerning his or her background, employment and affiliations, that Mr. Corcoran, Mr. Gejdenson, Mr. Hanau, Ms. Malanoski and Ms. Wrenn are “independent directors” under the relevant NASDAQ rules.

Board Leadership Structure

Mr. Jack C. Bendheim serves as our President and Chief Executive Officer and our Chairman of the Board. Our Board of Directors has carefully considered its leadership structure and believes at this time that Phibro and its stockholders are best served by having one person serve in all of these positions. We believe that combining the roles fosters accountability, effective decision-making and alignment between interests of the Board of Directors and management. Mr. Bendheim also is able to use the in-depth focus and perspective gained in his executive function to assist our Board of Directors in addressing both internal and external issues affecting Phibro.

Our Board of Directors has determined not to appoint one independent Director to serve as lead independent director at this time. Our independent Directors meet in regularly scheduled executive sessions without non-independent Directors and at other times as necessary. We believe that our Board which is comprised of a majority of independent Directors is highly independent, empowered and engaged. Our Board of Directors recognizes that depending on future circumstances, other leadership models may become more appropriate. Accordingly, our Board of Directors will continue to periodically review its leadership structure.

Meetings of the Board of Directors

During our fiscal year ended June 30, 2014, the Board of Directors held five meetings and each Director attended at least 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he or she has been a Director and (ii) the total number of meetings held by all committees of our Board of Directors on which he or she served during the periods that he or she served.

Although we do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of stockholders, we encourage, but do not require, our Directors to attend.

Board Committees

Our Board of Directors has two standing committees: an Audit Committee and a Compensation Committee. Each of the committees reports to the Board of Directors as they deem appropriate, and as the Board of Directors may request. The composition, duties and responsibilities of these committees are set forth below. In the future, our Board of Directors may establish other committees, as it deems appropriate, to assist it with its responsibilities.

Audit Committee

The Audit Committee is responsible for, among other matters: (1) appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm; (2) discussing with our independent registered public accounting firm their independence from management; (3) reviewing with our independent registered public accounting firm the scope and results of their audit; (4) approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm; (5) overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual consolidated financial statements that we file with the SEC; (6) reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements; (7) establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters; and (8) reviewing and approving related person transactions.

Our Audit Committee consists of E. Thomas Corcoran, Sam Gejdenson and Carol Wrenn. Our Board of Directors has affirmatively determined that Mr. Corcoran, Mr. Gejdenson and Ms. Wrenn meet the definition of “independent directors” for purposes of serving on an Audit Committee under applicable SEC and NASDAQ rules, and we fully comply with these independence requirements. In addition, our Board of Directors determined that Mr. Corcoran qualifies as our “audit committee financial expert,” as such term is defined in Item 407 of Regulation S-K. During our fiscal year ended June 30, 2014, the Audit Committee held five meetings (including regularly scheduled and special meetings), and each member of the Audit Committee attended at least 75% of the total number of meetings held by the Audit Committee during the periods that he or she served on the Audit Committee.

Our Board of Directors has adopted a written charter for the Audit Committee, which is available on our corporate website at www.pahc.com. Our website and the information contained thereon are not part of this proxy statement .

Compensation Committee

The Compensation Committee is responsible for, among other matters: (1) reviewing key employee compensation goals, policies, plans and programs; (2) reviewing and approving the compensation of our Directors, chief executive officer and other executive officers; (3) reviewing and approving employment agreements and other similar arrangements between us and our executive officers; and (4) administering our stock plans and other incentive compensation plans, if any.

Our Compensation Committee consists of Mr. Gejdenson, Mr. Jack C. Bendheim and Mr. Hanau. As a controlled company, we are exempt from the requirements under the NASDAQ rules that require that we have a compensation committee that is composed entirely of independent directors. Nevertheless, our Board of Directors has affirmatively determined that Mr. Gejdenson and Mr. Hanau meet the definition of “independent directors” under applicable NASDAQ rules. During our fiscal year ended June 30, 2014, the Compensation Committee held two meetings, and each member of the Compensation Committee attended at least 75% of the total number of meetings held by the Compensation Committee during the periods that he or she served on the Compensation Committee.

Our Board of Directors has adopted a written charter for the Compensation Committee, which is available on our corporate website at www.pahc.com . Our website and the information contained thereon are not part of this proxy statement.

The Compensation Committee regularly reviews our executive compensation program to ensure that compensation is closely tied to aspects of our performance that our executive officers can impact and that are likely to have an impact on stockholder value. On an annual basis, our Compensation Committee evaluates the performance of our Chief Executive Officer and makes recommendations with regard to his compensation to our Board for approval. Our Chief Executive Officer annually reviews the performance of our executive officers, including the named executive officers (other than himself), with our Compensation Committee and makes recommendations to our Compensation Committee with regard to each executive officer’s compensation (other than himself). Our Compensation Committee considers such recommendations and then makes its own recommendations with regard to each executive officer’s compensation (other than the Chief Executive Officer) to our Board for approval. Our Compensation Committee annually evaluates the compensation of our directors in light of their duties and makes recommendations with regard to their compensation to our Board for approval.

Corporate Governance Guidelines

Our Board of Directors has documented the governance practices followed by Phibro by adopting the Corporate Governance Guidelines (the “Corporate Governance Guidelines”). The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to the Board’s responsibilities, the Board’s operations, Director qualifications and the Board’s composition, Director access to management and independent advisors, Director compensation, Director continuing education, executive succession planning and retention, the Board’s annual self-evaluation and stockholder access to the Board. The Corporate Governance Guidelines are available on our corporate website at www.pahc.com . Our website and the information contained thereon are not part of this proxy statement.

Considerations in Evaluating Director Nominees

Our Board of Directors is responsible for screening and recommending nominees for election as Directors, including nominees recommended by stockholders of Phibro. When making recommendations regarding nominees to the Board, the Board of Directors will consider advice and recommendations from stockholders, management, and other s as they deem appropriate, and will also take into account the performance of incumbent Directors in determining whether to recommend them to stand for reelection at the annual meeting of stockholders. Phibro seeks Board members who have skills, experience and backgrounds that are relevant to the key strategic and operational issues that they will oversee and approve. Director candidates are typically selected based on their integrity and character, sound, independent

judgment, track record of accomplishment in leadership roles, as well as their professional and corporate expertise, skills and experience. Some of the factors that the Board of Directors will take into consideration when evaluating Director candidates include: (i) the independence, judgment, strength of character, reputation in the business community, ethics and integrity of the individual; (ii) the business or other relevant experience, skills and knowledge that the individual may have that will enable him or her to provide effective oversight of Phibro’s business; (iii) the fit of the individual’s skill set and personality with those of the other Board members so as to build a Board that works together effectively and constructively; and (iv) the individual’s ability to devote sufficient time to carry out his or her responsibilities as a Director in light of his or her occupation and the number of boards of directors of other public companies on which he or she serves. While the Board of Directors does not have a formal diversity policy related to the evaluation of nominees to the Board, diversity is a factor considered when identifying prospective nominees.

Risk Oversight

Our Board of Directors is currently responsible for overseeing our risk management process. The Board of Directors focuses on our general risk management strategy and the most significant risks facing us, and ensures that appropriate risk mitigation strategies are implemented by management. The Board of Directors is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions. Our Board of Directors has delegated to the Audit Committee oversight of our risk management process.

Our management is responsible for day-to-day risk management. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

We have adopted a written Code of Business Conduct and Ethics (“Code of Business Conduct”) which applies to all of our Directors, officers and other employees, including our principal executive officer and principal financial officer. In addition, we have adopted a written Code of Ethics for the Chief Executive Officer and Senior Financial Officers (“Code of Ethics”) which applies to our principal executive officer, principal financial officer and other designated members of our management. (1) The principal position reflects the listed individual's current title. Prior to our IPO, Mr. Bendheim was our Chairman of the Board and President and Mr. Carlson was our Chief Executive Officer.

(2) Messrs. Bendheim and Carlson also serve on the Board of Directors, but they receive no compensation for such service on the Board of Directors.

(3) Represents the annual stock-based compensation expense recognized for financial reporting purposes in accordance with ASC 718, rather than an amount paid to or realized by the Named Executive Officer. The expense is based on the aggregate grant date fair value of the option grants. Fair value was determined by application of the Black-Sholes option-pricing model with no discount for estimated forfeitures. Key assumptions include risk free rate of return, expected life of the option, expected stock price volatility and expected dividend yield.

(4) Change in Nonqualified Deferred Compensation represents the year-over-year change in valuation for the Pension Plan, the Retirement Income Plan, the Executive Income Plan and the Deferred Compensation Plan, as applicable.

(5) The table below sets forth information regarding all other types of compensation to our Named Executive Officers for the fiscal years ended June 30, 2014 and 2013.

Narrative Disclosure to Summary Compensation Table

Employment Agreements

We entered into an employment agreement with Jack C. Bendheim on March 12, 2008, which was amended and restated on March 27, 2014, whereby Mr. Bendheim will serve as Chairman of the Board of Directors, President, and, as provided in the 2014 amendment, Chief Executive Officer of Phibro. Pursuant to Mr. Bendheim's employment agreement he receives a base salary of \$1,890,000, which is subject to

periodic review and adjustment by Phibro, and a target bonus opportunity of 50% of his base salary. The range of the bonus may be from 50% to 150% of the target bonus, which equates to 25% to 75% of Mr. Bendheim's base salary, if the minimum threshold performance targets are satisfied, based on performance relative to goals as determined by our Compensation Committee. There is zero payout if minimum thresholds are not met. Mr. Bendheim receives a bonus of 50% of his base salary if the targets are 100% satisfied. Mr. Bendheim's salary and bonus are subject to adjustment with the approval of the Compensation Committee of the Board of Directors, with Mr. Bendheim abstaining. Such employment is "at will," subject to termination by either party, provided that Phibro shall provide 180 days' written notice prior to terminating Mr. Bendheim without "cause" (as defined below). Upon termination of employment or upon request, Mr. Bendheim will be entitled to Phibro's subscription rights for tickets to a New York sports team. Pursuant to the terms of Mr. Bendheim's employment agreement, we make payments for his family's legal, audit, and tax services, and payments for members of his family for non-full time employment and consulting arrangements and medical and other insurance coverage up to an aggregate maximum cost of \$450,000 per annum.

If Mr. Bendheim's employment terminates due to death or disability, his estate shall be entitled to receive the Accrued Benefits (defined as earned but unpaid base salary, reimbursements of previously incurred business expenses, and any other payments, benefits, or fringe benefits provided for under applicable compensation arrangements or benefit, equity or fringe benefit plans or programs) and six months of continued base salary payments. Upon a termination due to disability, he shall also be entitled to receive continued health care coverage for one year. Upon a termination without "cause" or voluntarily by Mr. Bendheim, he shall be entitled to receive (i) the Accrued Benefits and (ii) continuation coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") for a period of 18 months, provided that Phibro will not provide such coverage to the extent that it would incur excise taxes under the nondiscrimination provisions of Patient Protection and Affordable Care Act of 2010 ("PPACA"). "Cause" is defined as Mr. Bendheim's (i) willful or repeated failure to substantially perform his duties to Phibro (other than a failure resulting from complete or partial incapacity due to physical or mental illness or impairment), (ii) material and willful violation of a federal or state law or regulation applicable to the business of Phibro or that adversely affects the image of Phibro, (iii) commission of a willful act that constitutes gross misconduct and is injurious to Phibro, or (iv) willful breach of a material provision of the employment agreement. Mr. Bendheim will be required to sign a customary release prior to receiving any benefits in addition to the Accrued Benefits. Mr. Bendheim is also bound by customary noncompete, nonsolicitation, nondisparagement, intellectual property, and cooperation provisions, which generally apply during employment and thereafter (with the noncompete and nonsolicitation provisions applying during employment and the one-year period thereafter). Mr. Bendheim's employment agreement also includes an arbitration clause for the settlement of all disputes arising therein.

We entered into an employment agreement with Gerald K. Carlson in May 2002, amended in March 2008, December 2009 and December 2011, whereby Mr. Carlson formerly served as our Chief Executive Officer. We further amended Mr. Carlson's employment agreement on March 27, 2014 to provide among other things, that his title would change to Chief Operating Officer. Pursuant to Mr. Carlson's employment agreement he receives a base salary of \$578,000, which is subject to periodic review by Phibro, and a target bonus opportunity of 50% of his base salary.

Mr. Carlson's employment agreement provides that upon death, his estate shall receive the Accrued Benefits (as defined in Mr. Bendheim's employment agreement), and upon a termination for disability, he shall receive the Accrued Benefits and continuation of health and life insurance benefits for a period of one year. Upon a termination without "cause" (defined substantially the same as in Mr. Bendheim's employment agreement) or by Mr. Carlson for any reason, he shall be entitled to receive (i) the Accrued Benefits, (ii) a lump sum payment of any earned but unpaid annual bonus from the most previous fiscal year, (iii) a pro rata portion of his annual bonus (based on actual results and payable when bonuses are generally paid), (iv) an amount equal to two-thirds his annual base salary paid over eight months, and (v) continuation of COBRA coverage for a period of 18 months, provided that Phibro will not provide such coverage to the extent that it would incur excise taxes under the nondiscrimination provisions of PPACA. If Mr. Carlson's employment is terminated without cause or by him for "good reason" in the six-month period following a "change in control" (as defined therein), he will receive, in addition to the benefits described in the preceding sentence but in lieu of continued base salary payments for eight months, a lump sum payment

equal to one year's base salary and 50% of the target bonus amount for the year in which termination occurs. "Good Reason" is defined in Mr. Carlson's employment agreement as (i) a material adverse change in his duties, responsibilities or authority (including status, office, title, reporting relationships or working conditions), or (ii) a relocation of his principal place of employment more than 50 miles from Teaneck, New Jersey without his consent; provided, that in both cases, Mr. Carlson must notify us within 90 days of either such occurrence and we shall have 30 days to cure such occurrence. Mr. Carlson's amended and restated employment agreement will also include a modified Section 280G cutback provision such that if any payments provided therein are determined to be "parachute payments" as defined by Section 280G of the Internal Revenue Code (the "Code"), such payments shall be reduced so that no excise tax shall be imposed by Section 4999 Code, but only if such reduction would result in a higher after-tax payment as compared to the payment amount Mr. Carlson would retain after paying all applicable taxes, including the excise tax imposed by Section 4999 of the Code. Mr. Carlson will be required to sign a customary release prior to receiving any severance in addition to the Accrued Benefits. Mr. Carlson is also bound by customary noncompete, nonsolicitation, nondisparagement, intellectual property, and cooperation provisions, which generally apply during employment and thereafter (with the noncompete and nonsolicitation provisions applying during employment and the one-year period thereafter). Mr. Carlson's agreement also includes an arbitration clause for the settlement of all disputes arising therein.

We entered into an employment agreement with Larry L. Miller in May 2008, amended in December 2009 and December 2011, whereby Mr. Miller served as our President, Phibro Animal Health and Nutrition, and he currently serves as our President, Animal Health. Pursuant to Mr. Miller's employment agreement, for our 2014 fiscal year, he received a base salary of \$433,500, which is subject to periodic review by Phibro, and a target bonus opportunity of \$216,800 or 50% of his base salary. Mr. Miller's employment agreement provides that in the event of a termination without "cause" (defined substantially the same as in Messrs. Bendheim's and Carlson's employment agreements) or his resignation with "good reason" (defined substantially the same as in Mr. Carlson's employment agreement), he would be entitled to receive a lump sum payment of 100% of his annual base salary in effect at the time of termination, plus a pro rata portion of his bonus. Mr. Miller will be required to sign a customary release prior to receiving such severance payments. Mr. Miller is bound by customary noncompete, nonsolicitation, and intellectual property provisions, which generally apply during employment and thereafter (with the noncompete and nonsolicitation provisions applying during employment and the one-year period thereafter).

Non-Equity Incentive Plan Compensation

Our non-equity incentive plan (the "Bonus Program") is a cash-based program to reward employees for achieving critical goals of Phibro. Goals are established at the beginning of each fiscal year and are reviewed and approved by the Compensation Committee. Target award opportunities vary by job level and can range from 20% to 50% of annual base salary. Where minimum threshold performance targets are satisfied, annual incentive payments can range from 50% to 150% of the target award opportunity, based on performance relative to goals as determined by the Compensation Committee.

For the fiscal year ended June 30, 2014, Messrs. Bendheim, Carlson, and Miller had target award opportunities of, respectively, \$945,000, \$289,100, and \$216,750, and based on performance relative to the goals, each received payments set forth in the Summary Compensation Table above. For the fiscal year ended June 30, 2015, Messrs. Bendheim, Carlson, and Miller have target award opportunities of \$963,900, \$294,800 and \$223,250, respectively.

Option Awards

Our 2008 Incentive Plan (the "Equity Incentive Plan") enables us to provide Directors, officers, employees and consultants with opportunities to purchase Class A common shares pursuant to options that may be granted, and receive grants of restricted shares and other share-based awards granted, from time to time, by the Board of Directors or a committee approved by the Board. Stock options are designed to motivate executives to make decisions that focus on long-term stockholder value creation. The Equity Incentive Plan provides for grants of stock options, stock awards and other incentives of up to 6,630,000 shares of Class A common stock. Shares of Class A common stock available for grants as of June 30, 2014 were 5,131,620. At June 30, 2014, pursuant to the Equity Incentive Plan, 1,498,380 stock options with an

exercise price of \$11.83 per share are outstanding, vested, and exercisable. No stock options were granted during the fiscal year ended June 30, 2014.

On April 29, 2013, Mr. Carlson was granted 309,400 options to purchase Class A common stock with an exercise price of \$11.83 per share under the terms of the Equity Incentive Plan. 232,050 of Mr. Carlson’s options vested upon the grant date, and the remaining 77,350 became vested on March 1, 2014. On March 1, 2009, Mr. Miller was granted 552,500 options to purchase Class A common stock with an exercise price of \$11.83 per share under the terms of the Equity Incentive Plan. 276,250 of Mr. Miller’s options vested upon the third anniversary of the grant date, and the remaining 276,250 options vested in pro rata portions on the fourth and fifth anniversaries of the grant date.

All Other Compensation

We maintain for the benefit of our United States employees a 401(k) Retirement and Savings Plan (the “401(k) Plan”) which is a defined contribution plan qualified under Sections 401(a) and 401(k) of the Code. Our employees are eligible for participation in the 401(k) Plan without any waiting period once they have attained age 21. Employees may make pre-tax contributions of up to the lesser of 60% of such employee’s compensation or the maximum amount permitted under the Code. Employees hired on or before December 31, 2013 receive a matching contribution equal to 100% of the first 1% of an employee’s contribution and a matching contribution equal to 50% of the next 5% of an employee’s contribution. Employees hired on or after January 1, 2014, receive a non-elective Company contribution of 3% and are eligible to receive an additional discretionary payment between 1% and 4%, depending on age and years of service, provided that such payments comply with mandatory non-discrimination testing. Participants are fully vested in employer contributions after two years of service. Distributions are generally payable in a lump sum after termination of employment, retirement, death, disability, plan termination, attainment of age 59.5, disposition of substantially all of our assets or upon financial hardship. The plan also provides for loans to participants. In 2014 and 2013, we provided Messrs. Carlson and Miller with 401(k) matching contributions in the amount of, respectively, \$8,925 and \$9,074. In 2013, we provided Messrs. Carlson and Miller with 401(k) matching contributions in the amounts shown in the table below.

Additional Narrative Description*Pension Plan*

We maintain for the benefit of our United States employees employed on or prior to December 31, 2013 a defined benefit pension plan qualified under Section 401(a) of the Code. Our employees are eligible for participation in the Pension Plan once they have attained age 21 and completed a year of service (which is a plan year in which the employee completes 1,000 hours of service). The Pension Plan provides benefits equal to the sum of (a) 1.0% of an employee's "average salary" plus 0.5% of the employee's "average salary" in excess of the average of the employee's social security taxable wage base, times years of service after July 1, 1989, plus (b) the employee's frozen accrued benefit, if any, as of June 30, 1989 calculated under the Pension Plan formula in effect at that time. For purposes of calculating the portion of the benefit based on "average salary" in excess of the average wage base, years of service shall not exceed 35. "Average salary" for these purposes means the employee's salary over the consecutive five year period in the last ten years preceding retirement or other termination of employment which produces the highest average. An employee becomes vested in his plan benefit once he completes five years of service with us. In general, benefits are payable after retirement or disability in the form of a 50%, 75% or 100% joint and survivor annuity, life annuity or life annuity with a five or ten year term certain. In some cases benefits may also be payable under the Pension Plan in the event of an employee's death.

Mr. Bendheim, Mr. Carlson and Mr. Miller each participate in the Pension Plan. As of June 30, 2014, Mr. Bendheim, Mr. Carlson and Mr. Miller had accumulated benefits of \$888,968, \$507,240, and \$141,325, respectively.

Retirement Income Plan

In 1994, we adopted a non-qualified supplemental executive retirement plan as an incentive for certain executives. The plan provides for (i) a Retirement Income Benefit (as defined), (ii) a Survivor's Income Benefit (as defined), and (iii) a Deferred Compensation Benefit (as defined). Mr. Bendheim currently participates in this plan and three retired executives receive benefits. A grantor trust has been established to provide the benefits described above.

We determined the Retirement Income Benefit based upon the employee's salary, years of service and age at retirement. At present, it is contemplated that a benefit of 1% of each participant's eligible compensation will be accrued each year. The benefit is payable upon retirement (after age 65 with at least 10 years of service) in monthly installments over a 15 year period to the participant or his named beneficiary. The Survivor's Income Benefit for the current participants is one times annualized compensation at the time of death, capped at \$1,500,000, payable in 24 equal monthly installments.

As of June 30, 2014, Mr. Bendheim has a survivor's income benefit of \$1,500,000 and an annual retirement income benefit of \$94,319.

Retirement Health Care Plan

Under the Retirement Health Care Plan, we provide retirement health care insurance coverage to Mr. Bendheim, Mr. Carlson and certain other persons that is supplemental to Medicare benefits. To be eligible, a person must have been (i) a corporate officer of the Company, reached the age of 65, and employed by the Company for a minimum of 35 years; or (ii) a corporate officer and Director of the Company, reached the age of 65, and hired by the Company prior to June 1, 2002; or (iii) an employee of

the Company who retires after reaching a minimum age of 75 as of October 1, 2007 with a minimum of 10 years of service to the Company; provided that in the case of (i) and (ii), such participants shall have eligibility deferred until such participant is no longer eligible for participation in the Company’s health care plan (excluding COBRA eligibility). The Company pays all premium costs for participants, and, in addition to participants, coverage is provided for a participant’s spouse both during the lifetime of any such participant and for the lifetime of any person who was the spouse of a participant at the time of such participant’s death.

Executive Income Program

On March 1, 1990, we entered into an Executive Income Program to provide a pre-retirement death benefit and a retirement benefit to certain executives. The program provides that upon the executive’s retirement, at or after attaining age 65, we will make retirement payments to the executive during his life for 10 years or until he or his beneficiaries have received a total of 120 monthly payments. Participants have no claim against us other than as unsecured creditors. We intend to fund the payments using the cash value or the death benefit from the life insurance policies insuring each executive’s life. Mr. Bendheim currently participates in this plan and his annual retirement benefit is \$30,000.

Each policy also contains additional paid-up insurance and extended term insurance. On the death of the executive prior to his actual retirement date: (i) the first \$1,000,000 of the death benefit is payable to the executive’s spouse or issue; (ii) the excess is payable to us up to the aggregate amount of premiums paid by us; and (iii) any balance is payable to the executive’s spouse or issue.

Nonqualified Deferred Compensation Plans

The following table shows the executive contributions, earnings and account balances for the unfunded, unsecured deferred compensation plan.

Gerald Carlson	—	—	—	—

1993 Split Dollar Agreement

On August 12, 1993, we entered into a Split Dollar Agreement with David Butler and Gail Bendheim, as trustees under an Indenture of Trust dated August 12, 1993 (the “Trust”). This Agreement provides for the Trust to purchase and own life insurance policies on the life of Jack C. Bendheim in the aggregate face amount of \$5,000,000 (plus additions). The premiums for such insurance are paid in part by the Trust (to the extent of the lesser of the P.S. 58 rates, or the insurers’ current published premium rate for annually renewable term insurance for standard risks) and in part by us (we pay the balance of the premiums not paid by the Trust). Upon the death of Jack C. Bendheim or upon the cancellation of the policies or the termination of the Agreement, we have the right to be repaid the total amount we advanced toward payment of premiums. To secure our right to be repaid, the Trust has assigned each policy to us as collateral. After repayment of the amount due to us, the remaining cash surrender value or the remaining death benefit is payable to the Trust, the beneficiaries of which are the wife and issue of Jack C. Bendheim.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**Registration Rights Agreements**

We are party to a registration rights agreement with BFI (the “BFI Registration Rights Agreement”) and a registration rights agreement with Mayflower (the “Mayflower Registration Rights Agreement,” and together with the BFI Registration Rights Agreements, the “Registration Rights Agreements”). The Registration Rights Agreements grant BFI and Mayflower, certain of their affiliates and certain of their transferees the right, under certain circumstances and subject to certain restrictions, to require us to register under the Securities Act shares of Class A common stock, including shares of Class A common stock received upon conversion of shares of Class B common stock.

Demand Registration. At any time we are eligible to use Form S-3, BFI has the ability to require us to register shares of Class A common stock under the Securities Act and if we do not have an effective registration statement on Form S-3, BFI has the ability to require us to register shares of Class A common stock under the Securities Act as long as the anticipated aggregate offering price is at least \$10,000,000. Beginning on the date that is six months following the completion of our IPO and ending on the date that is one year following the completion of our IPO, Mayflower has the ability to require us to effect one registration statement on Form S-1 to register its shares under the Securities Act (subject to the limitations described in the Mayflower Registration Rights Agreement). Additionally, beginning on the date that is one year following the completion of our IPO, Mayflower has the ability to require us to effect two registration statements to register its shares under the Securities Act; provided that (i) Mayflower only has the ability to require us to effect one registration statement if Mayflower has previously exercised its right to register its shares under the Securities Act in the period between the date that is six months following the completion of our IPO and one year following the completion of our IPO, (ii) if we are eligible to use Form S-3, we are permitted to register such shares on Form S-3 and (iii) each of clauses (i) and (ii) are subject to the limitations described in the Mayflower Registration Rights Agreement.

Piggyback Rights. Both BFI and Mayflower have the ability to exercise certain piggyback registration rights in respect of shares of Class A Common Stock held by them in connection with registered offerings requested by other registration rights holders or initiated by us.

Employment Arrangements

Certain relatives of Jack C. Bendheim provided services to us as employees or consultants and received aggregate compensation and benefits of \$1.8 million for the year ended June 30, 2014. The amounts primarily included Daniel Bendheim, Director and Executive Vice President, Corporate Strategy; Jonathan Bendheim, Vice President MACIE Region and General Manager, Phibro Israel; Etan Bendheim, Director of Strategy, Phibro Aquaculture; Dr. Zev Jacobson, Human Pharma Liaison; and Marvin Sussman, Consultant.

Indemnification Agreements

We have entered into indemnification agreements with each of our current Directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future Directors and executive officers.

Policies and Procedures With Respect to Related Party Transactions

Our policy with respect to the sale, lease or purchase of assets or property of any related party is that such transaction should be on terms that are no less favorable to us or our subsidiary, as the case may be, than those that could reasonably be obtainable at such time in a comparable arm’s length transaction from an unrelated third party. Our senior credit facility includes a similar restriction on us and our restricted subsidiaries with respect to the sale, purchase, exchange or lease of assets, property or services, subject to certain limitations as to the applicability thereof.

We have adopted written policies and procedures whereby our Audit Committee is responsible for reviewing and approving related party transactions and reviewing and investigating any potential conflicts

of interest. In addition, our Code of Ethics and Code of Business Conduct requires that all of our employees and Directors inform the Company of any material transaction or relationship that comes to their attention that could reasonably be expected to create a conflict of interest. Further, at least annually, each Director and executive officer must complete a detailed questionnaire that asks questions about any business relationship that may give rise to a conflict of interest and all transactions in which we are involved and in which the executive officer, a Director or a related person has a direct or indirect material interest.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management Phibro's audited financial statements. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board ("PCAOB"). In addition, the Audit Committee has met with the independent registered public accounting firm, with and without management present, to discuss the overall scope of the independent registered public accounting firm's audit, the results of its examinations and the overall quality of Phibro's financial reporting.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm its independence.

Based on the review and discussions referred to above, the Audit Committee recommended to Phibro's Board of Directors that Phibro's audited financial statements be included in Phibro's Annual Report on Form 10-K for the fiscal year ended June 30, 2014.
