To Be Held on May 29, 2015

NOTICE IS HEREBY GIVEN of the annual meeting of stockholders of Ascent Capital Group, Inc. to be held at 10:00 a.m., Mountain Time, on May 29, 2015, at 5251 DTC Parkway, Second Floor Conference Room, Greenwood Village, Colorado 80111, Tel. No. (303) 628-5600, to consider and vote on the following:

We describe the proposals in more detail in the accompanying proxy statement. We encourage you to read the proxy statement in its entirety before voting. You may also be asked to consider and vote on any other business properly brought before the annual meeting.

Holders of record of our Series A common stock, par value \$.01 per share, and Series B common stock, par value \$.01 per share, outstanding as of 5:00 p.m., New York City time, on April 10, 2015, the **record date** for the annual meeting, will be entitled to notice of the annual meeting and to vote at the annual meeting or any adjournment thereof. The following stockholder approvals are required with respect to the matters described above:

ANNUAL MEETING; PROXIES

Notice and Access of Proxy Materials

We have elected, in accordance with the Securities and Exchange Commission's (**SEC**) "Notice and Access" rule, to deliver a Notice of Internet Availability of Proxy Materials (the **Notice**) to our stockholders and to post our proxy statement and our annual report to our stockholders (collectively, the **proxy materials**) electronically. The Notice is first being mailed to our stockholders on or about April 16, 2015. The proxy materials are first being made available to our stockholders on or about the same date.

The Notice instructs you how to access and review the proxy materials and how to submit your proxy via the Internet or by telephone or smartphone. The Notice also instructs you how to request and receive a paper copy of the proxy materials, including a proxy card or voting instruction form, at no charge. We will not mail a paper copy of the proxy materials to you unless specifically requested to do so.

Electronic Delivery

Registered stockholders may elect to receive future notices and proxy materials by e-mail. To sign up for electronic delivery, go to www.computershare.com/investor. You may also sign up for electronic delivery when you vote by Internet at www.envisionreports.com/ASCMA, by following the prompts. Once you sign up, you will not receive a printed copy of the notices and proxy materials, unless you request them. You may suspend electronic delivery of the notices and proxy materials at any time by contacting our transfer agent, Computershare, at 800-730-4001 (outside the United States 781-575-2879). Stockholders who hold shares through a bank, brokerage firm or other nominee may request electronic access by contacting their nominee.

Time, Place and Date

The annual meeting of the stockholders is to be held at 10:00 a.m., Mountain Time, on May 29, 2015, at 5251 DTC Parkway, Second Floor Conference Room, Greenwood Village, Colorado 80111, Tel. No. (303) 628-5600.

Purpose

At the annual meeting, you will be asked to consider and vote on each of the following:

- the re-election of two of our directors, Charles Y. Tanabe and Carl E. Vogel, to serve as the Class I members of our Board for a three year term;
- the auditor ratification proposal, to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2015 ; and
- the incentive plan proposal, to approve the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan.

You may also be asked to consider and vote on such other business as may properly come before the annual meeting. However, we are not currently aware of any such additional business.

Quorum

In order to carry on the business of the annual meeting, at least a majority of the aggregate voting power represented by the outstanding shares of our Series A common stock and Series B common stock, as of the record date, must be present at the annual meeting, either in person or by proxy. For purposes of determining a quorum, your shares will be included as represented at the meeting even if you indicate on your proxy that you abstain from voting. If a broker, who is a record holder of shares, indicates on a form of proxy that the broker does not have discretionary authority to vote those shares on one or more of the proposals, or if those shares are voted in circumstances in which proxy authority is defective or has been withheld, those shares (which we refer to as **broker non-votes**) nevertheless will be treated as present for purposes of determining the presence of a quorum.

Who May Vote; Record Date

Holders of our Series A common stock and Series B common stock, as recorded in our stock register as of 5:00 p.m., New York City time, on April 10, 2015 (which is the **record date** for the annual meeting), may vote at the annual meeting or at any adjournment or postponement thereof.

Votes Required

The following stockholder approvals are required with respect to proposals described above:

- The director election proposal requires the affirmative vote of a plurality of the votes cast for the director election proposal by the holders of shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class. This means that Mr. Tanabe and Mr. Vogel will be elected if they receive more affirmative votes than any other persons.
- Approval of each of the auditor ratification proposal and the incentive plan proposal requires the affirmative vote of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Votes You Have

At the annual meeting, holders of our Series A common stock will have one vote per share for each share of Series A common stock that our records show they owned on the record date, and holders of our Series B common stock will have ten votes per share for each share of Series B common stock that our records show they owned on the record date. Holders of all series of our common stock will vote together as a single class.

Shares Outstanding

As of the record date, there were 12,924,364 shares of our Series A common stock and 384,086 shares of our Series B common stock outstanding.

Number of Holders

As of the record date, there were 858 and 52 record holders of our Series A common stock and our Series B common stock, respectively. Such amounts do not include the number of stockholders whose shares are held of record by banks, brokers or other nominees, but include each such institution as one holder.

Voting Procedures for Record Holders

Holders of record of our common stock as of the record date may vote in person at the annual meeting. Alternatively, they may give a proxy by completing, signing, dating and returning the proxy card, or by voting by telephone, smartphone or over the Internet. Unless subsequently revoked, shares of our common stock represented by a proxy submitted as described below and received at or before the annual meeting will be voted in accordance with the instructions on the proxy.

YOUR VOTE IS IMPORTANT. It is recommended that you vote by proxy even if you plan to attend the annual meeting. You may change your vote at the annual meeting. Specific voting instructions are set forth in this proxy statement and on both the Notice and proxy card.

If a proxy is properly executed and submitted by a record holder without indicating any voting instructions, the shares represented by the proxy will be voted **FOR** the election of Mr. Tanabe and Mr. Vogel as directors and will be voted **FOR** the approval of each of the auditor ratification proposal and the incentive plan proposal.

If you submit a proxy card on which you indicate that you abstain from voting, it will have no effect on the director election proposal but will have the same effect as a vote **AGAINST** the auditor ratification proposal and the incentive plan proposal.

If you fail to respond with a vote, your shares will not be counted as present and entitled to vote for purposes of determining a quorum, and your failure to vote will have no effect on determining whether any of the proposals are approved (assuming a quorum is present).

Voting Procedures for Shares Held in Street Name

General . If you hold your shares in the name of a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee when voting your shares of our common stock or when granting or revoking a proxy. The rules and regulations of the New York Stock Exchange and The Nasdaq Stock Market prohibit brokers, banks and other nominees from voting shares on behalf of their clients with respect to numerous matters, including, in our case, the director election proposal and the incentive plan proposal. Accordingly, to ensure your shares held in street name are voted on such matter, we encourage you to provide specific voting instructions to your broker, bank or other nominee promptly.

Effect of Broker Non-Votes . Broker non-votes are counted as shares of our common stock present and entitled to vote for purposes of determining a quorum but will have no effect on any of the proposals. You should follow the directions your broker, bank or other nominee provides to you regarding how to vote your shares of common stock or how to change your vote or revoke your proxy.

Revoking a Proxy

Before the start of the annual meeting, you may change your vote, by voting in person at the annual meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Ascent Capital Group, Inc., c/o Computershare Trust Company, N.A., 250 Royall Street, Canton, MA 02021. **Any proxy revocation or new proxy must be received before the start of the annual meeting. In addition, you may change your vote through the Internet or by telephone or smartphone (if you originally voted by the same method) not later than 11:59 p.m., New York City time, on May 28, 2015 .**

Your attendance at the annual meeting will not, by itself, revoke a prior vote or proxy from you. Please be sure to request a ballot at the annual meeting if you have not voted or wish to change your vote.

If your shares are held in an account by a broker, bank or other nominee, you should contact your nominee to change your vote or revoke your proxy.

Solicitation of Proxies

The proxies for the annual meeting are being solicited on behalf of our Board. In addition to this mailing, our employees may solicit proxies personally or by telephone. We pay the cost of soliciting these proxies. We also reimburse brokers and other nominees for their expenses in sending these materials to you and getting your voting instructions. We have also retained Georgeson Inc. (**Georgeson**) to assist in the solicitation of proxies at a cost of \$8 , 500, plus reasonable out of pocket expenses.

If you have any further questions about voting or attending the annual meeting, please contact Ascent Capital Group, Inc. Investor Relations at (303) 628-5600 or our proxy solicitor, Georgeson, at (800) 561-3947.

Recommendation of Our Board of Directors

Our Board has carefully considered and approved the director election proposal, the auditor ratification proposal and the incentive plan proposal, and recommends that you vote **FOR** the election of Mr. Tanabe and Mr. Vogel to new three-year terms and that you vote **FOR** each of the auditor ratification proposal and the incentive plan proposal.

Other Matters to Be Voted on at the Annual Meeting

Our Board is not currently aware of any business to be acted on at the annual meeting other than that which is described in the Notice of Annual Meeting of Stockholders and this proxy statement. If, however, other matters are properly brought to a vote at the annual meeting, the persons designated as proxies will have discretion to vote or to act on these matters according to their best judgment, unless you indicate otherwise in your proxy. In the event there is a proposal to adjourn or postpone the annual meeting, the persons designated as proxies will have discretion to vote on that proposal.

Our company is governed by a board of directors. Pursuant to our bylaws, the size of our Board shall be not less than three nor more than nine members, with the exact number of directors fixed from time to time by resolution adopted by the affirmative vote of at least 75% of the directors then in office. The number of directors constituting our whole Board is currently fixed at seven; however, there are currently only six directors on our Board. Our Board may appoint a director to fill the one vacancy at any time.

Our Board is divided into three classes. Our current Class I directors, whose terms will expire at the annual meeting, are Charles Y. Tanabe and Carl E. Vogel. Our Class III directors, whose term will expire at the annual meeting of our stockholders in the year 2017, are William R. Fitzgerald and Michael J. Pohl.

If either of Mr. Tanabe or Mr. Vogel should decline re-election or should he become unable to serve as a director of our company for any reason before re-election, votes will be cast for a substitute nominee, if any, designated by our Board, or, if none is so designated prior to the election, votes will be cast according to the judgment of the person or persons voting the proxy.

The following lists the nominees for election as directors at the annual meeting and the four other directors of our company, and includes, as to each person, how long such person has been a director of our company, such person's professional background, other public company directorships and other factors considered in the determination that such person possesses the requisite qualifications and skills to serve as a member of our Board. All positions referenced in the table below with our company include, where applicable, positions with our predecessors. The number of shares of our common stock beneficially owned by each director, as of February 28, 2015, is set forth in this proxy statement under the caption "Security Ownership of Certain Beneficial Owners and Management-Security Ownership of Management."

This means that each of Mr. Tanabe and Mr. Vogel will be elected if they receive more affirmative votes than any other persons.

Our Board unanimously recommends a vote **FOR** the election of the nominees to our Board.

PROPOSAL 2 - THE AUDITOR RATIFICATION PROPOSAL

We are asking our stockholders to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2015 .

Even if the selection of KPMG LLP is ratified, the audit committee of our Board, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if our audit committee determines that such a change would be in the best interests of our company and our stockholders. In the event our stockholders fail to ratify the selection of KPMG LLP, our audit committee will consider it as a direction to select other auditors for the year ending December 31, 2015 .

A representative of KPMG LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

Audit Fees and All Other Fees

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our consolidated financial statements for 2014 and 2013:

	2014	2013
Audit fees	\$ 985,000	\$ 1,061,000
Audit related fees (1)	104,000	107,000
Audit and audit related fees	\$ 1,089,000	\$ 1,168,000
Tax fees (2)	53,000	28,000
Total fees	<u>\$ 1,142,000</u>	<u>\$ 1,196,000</u>

(1) Audit related fees consist primarily of due diligence assistance.

(2) Tax related services consist primarily of tax compliance and advice.

Our audit committee has considered whether the provision of services by KPMG LLP to our company other than auditing is compatible with KPMG LLP maintaining its independence and believes that the provision of such other services is compatible with KPMG LLP maintaining its independence.

Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Our audit committee adopted a policy, dated November 6, 2008, regarding the pre-approval of all audit and permissible non-audit services provided by our independent auditor. Pursuant to this policy, our audit committee has approved the engagement of our independent auditor to provide the following services (all of which are collectively referred to as **pre-approved services**):

- audit services as specified in the policy, including (i) financial audits of our company and our subsidiaries, (ii) services associated with our periodic reports, registration statements and other documents filed or issued in connection with a securities offering (including comfort letters and consents), (iii) attestations of our management's reports on internal controls and (iv) consultations with management as to accounting or disclosure treatment of transactions;
- audit-related services as specified in the policy, including (i) due diligence services, (ii) financial audits of employee benefit plans, (iii) consultations with management as to accounting or disclosure treatment of transactions not otherwise considered audit services, (iv) attestation services not required by statute or regulation, (v) certain audits incremental to the audit of our consolidated financial statements, (vi) closing balance sheet audits related to dispositions and (vii) general assistance with implementation of SEC rules or listing standards; and
- tax services as specified in the policy, including federal, state, local and international tax planning, compliance and review services, and tax due diligence.

Notwithstanding the foregoing general pre-approval, any individual project involving the provision of pre-approved services that is likely to result in fees in excess of \$100,000 requires the specific prior approval of our audit committee. Any engagement of our independent auditors for services other than the pre-approved services requires the specific approval of our

audit committee. Our audit committee has delegated the authority for the foregoing approvals to the chairman of the audit committee, subject to his subsequent disclosure to the entire audit committee of the granting of any such approval. Philip J. Holthouse currently serves as the chairman of our audit committee.

Our pre-approval policy prohibits the engagement of our independent auditor to provide any services that are subject to the prohibition imposed by Section 201 of the Sarbanes-Oxley Act.

All services provided by our independent auditor during 2014 were approved in accordance with the terms of the policy.

Vote and Recommendation

Approval of the auditor ratification proposal requires the affirmative vote of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Our Board unanimously recommends a vote **FOR** the auditor ratification proposal.

PROPOSAL 3 - THE INCENTIVE PLAN PROPOSAL

The following is a description of the material provisions of the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan (the **incentive plan**). The summary that follows is not intended to be complete, and we refer you to the copy of the incentive plan set forth as *Annex A* to this proxy statement for a complete statement of its terms and provisions.

Key Features of the Incentive Plan

- No Increase in Number of Shares Available for Grants. The available number of shares under the incentive plan is a combination of the remaining availability under the 2008 Plans (defined below), and no further grants may be made under the 2008 Plans.
- No Repricing of Options or SARs. Unless approved by our stockholders, substitutions and repricing of stock options and SARs are prohibited.
- No Reload Feature. The incentive plan does not permit grants of options or SARs that automatically “reload” when outstanding awards are exercised, expired or forfeited.
- No Discounted Options or SARs. Stock options and SARs may not be granted with an exercise price below fair market value, which generally means the closing price of our common stock as reported on the Nasdaq Global Select Market on the date of grant.
- Dividend Equivalents. Only an award of restricted stock units may include dividend equivalents. With respect to a performance-based award, dividend equivalents may only be paid to the extent the underlying award is actually paid.
- Limited Terms for Options and SARs. The term for stock options and SARs granted under the incentive plan is limited to ten years.
- Clawback Policy. All awards granted under the incentive plan will be subject to any clawback policy we have or adopt.
- No Transferability. Awards generally may not be transferred, except by a domestic relations order or after the holder’s death by beneficiary designation, unless otherwise provided for in an award agreement.
- No “Evergreen” Provision. Shares authorized for issuance under the incentive plan will not be automatically replenished. Any additional shares to be issued over and above the amount for which we are seeking authorization must be approved by our stockholders.
- No Tax Gross-Ups. Holders do not receive tax gross-ups under the incentive plan.
- Award Limitations. In any calendar year, no person may be granted awards relating to more than 500,000 shares of our common stock or cash award in excess of \$3,000,000 and no nonemployee director may be granted awards having a value in excess of \$500,000 on the date of grant.

The Incentive Plan

Our Board determined to adopt the incentive plan, in part, due to the diminishing number of shares of our common stock with respect to which awards could be granted under our existing 2008 Incentive Plan (the **2008 incentive plan**). However, because a substantial number of shares remained available for grant under our 2008 Non-Employee Director Incentive Plan (which, together with the 2008 incentive plan, we refer to as the **2008 Plans**), the Board determined to combine the available number of shares under the 2008 Plans and use such aggregate number of shares of 599,862 (as detailed below) as the maximum available for grant under the incentive plan. Accordingly, the adoption of the incentive plan will not result in any increase in the aggregate number of shares of our common stock available to be granted as equity awards.

The incentive plan is structured as an omnibus plan under which awards may be made to our company's officers, employees, independent contractors and nonemployee directors. Upon adoption of the incentive plan, our Board determined to cease making any further grants under the 2008 Plans. A summary of certain terms of the incentive plan is set forth below.

The incentive plan is administered by the compensation committee of our Board with regard to all awards granted under the incentive plan (other than awards granted to the nonemployee directors), and the compensation committee has full power and authority to determine the terms and conditions of such awards. The incentive plan is administered by the full Board with regard to all awards granted under the incentive plan to nonemployee directors, and the full Board has full power and authority to determine the terms and conditions of such awards. The incentive plan is designed to provide additional remuneration to eligible employees, nonemployee directors and independent contractors for services to our company and to encourage their investment in our capital stock, thereby increasing their proprietary interest in our business, encouraging them to remain in the employ or service of our company or its subsidiaries, and increasing their personal interest in the continued success and progress of our company and its subsidiaries. The incentive plan is also intended to (1) attract persons of exceptional ability to become officers and employees of our company and its subsidiaries, and (2) induce nonemployee

directors and independent contractors to provide services to our company and its subsidiaries. Employees (including officers and directors) of, and nonemployee directors and independent contractors providing services to, our company or any of our subsidiaries will be eligible to participate and may be granted awards under the incentive plan. Awards may be made to any such employee, nonemployee director or independent contractor who holds or has held awards under the incentive plan or under any other plan of our company or any of our affiliates. The number of individuals who will receive awards under the incentive plan will vary from year to year and will depend on various factors, such as the number of promotions and our hiring needs during the year, and whether employees, nonemployee directors or independent contractors of our subsidiaries are granted awards. Therefore, we cannot predict the number of future award recipients.

Non-qualified stock options, stock appreciation rights (**SARs**), restricted shares, restricted stock units, cash awards, performance awards or any combination of the foregoing (as used in this description of the incentive plan, collectively, **awards**) may be granted under the incentive plan. The maximum number of shares of our common stock with respect to which awards may be granted under the incentive plan is an aggregate of 599,862 shares (plus any shares of our common stock subject to currently outstanding awards that become available again under the 2008 Plans), subject to anti-dilution and other adjustment provisions of the incentive plan. With limited exceptions, no person will be granted in any calendar year awards under the incentive plan covering more than 500,000 shares of our common stock, subject to anti-dilution and other adjustment provisions of the incentive plan. In addition, no person may receive payment for cash awards during any calendar year aggregating in excess of \$3,000,000. No nonemployee director may receive awards during any calendar year valued in excess of \$500,000 on the date of grant.

Shares of our common stock issuable pursuant to awards made under the incentive plan will be made available from either authorized but unissued shares of our common stock or shares of our common stock that we have issued but reacquired, including shares purchased in the open market. Shares of our common stock that are subject to (i) any award granted under the incentive plan or the 2008 Plans that expires, terminates or is cancelled or annulled for any reason without having been exercised, (ii) any award of any SARs granted under the incentive plan the terms of which provide for settlement in cash, and (iii) any award of restricted shares or restricted stock units granted under the incentive plan or the 2008 Plans that shall be forfeited prior to becoming vested, will once again be available for issuance under the incentive plan. Shares of our common stock that are (i) not issued or delivered as a result of the net settlement of an outstanding option or SAR, (ii) used to pay the purchase price or withholding taxes relating to an outstanding award, or (iii) repurchased in the open market with the proceeds of an option purchase price will not be again made available for issuance under the incentive plan.

Subject to the provisions of the incentive plan, the compensation committee will be authorized to establish, amend and rescind such rules and regulations as it deems necessary or advisable for the proper administration of the incentive plan and to take such other action in connection with or in relation to the incentive plan as it deems necessary or advisable.

Unless otherwise determined by the compensation committee and expressly provided for in an agreement, awards are not transferrable except pursuant to a qualified domestic relations order or after the holder's death by beneficiary designation.

Stock Options. Non-qualified stock options awarded under the incentive plan will entitle the holder to purchase a specified number of shares of a series of our common stock at a specified exercise price subject to the terms and conditions of the applicable option grant. The exercise price of an option awarded under the incentive plan may be no less than the fair market value of the shares of the applicable series of our common stock as of the day the option is granted. The term of an option may not exceed ten years. The compensation committee will determine, and each individual award agreement will provide, (1) the series and number of shares of our common stock subject to the option, (2) the per share exercise price, (3) whether that price is payable in cash, by check, by promissory note, in whole shares of any series of our common stock, by the withholding of shares of our common stock issuable upon exercise of the option, by cashless exercise, or any combination of the foregoing, (4) other terms and conditions of exercise, (5) restrictions on transfer of the option and (6) other provisions not inconsistent with the incentive plan. Dividend equivalents will not be paid with respect to any stock options.

Stock Appreciation Rights. A SAR awarded under the incentive plan entitles the recipient to receive a payment in stock or cash equal to the excess of the fair market value (on the day the SAR is exercised) of a share of the applicable series of our common stock with respect to which the SAR was granted over the base price specified in the grant. A SAR may be granted to an option holder with respect to all or a portion of the shares of our common stock subject to a related stock option (a **tandem SAR**) or granted separately to an eligible employee, nonemployee director or independent contractor (a **free standing SAR**). Tandem SARs are exercisable only at the time and to the extent that the related stock option is exercisable. Upon the exercise or termination of the related stock option, the related tandem SAR will be automatically cancelled to the extent of the number of shares of our common stock with respect to which the related stock option was so exercised or terminated. The base price of a tandem SAR is equal to the exercise price of the related stock option. Free standing SARs are exercisable at the time and upon the terms and conditions provided in the relevant award agreement. The term of a free standing SAR may not exceed

ten years. The base price of a free standing SAR may be no less than the fair market value of a share of the applicable series of our common stock as of the day the SAR is granted. Dividend equivalents will not be paid with respect to any SARs.

Restricted Shares and Restricted Stock Units. Restricted shares are shares of our common stock that become vested and may be transferred upon completion of the restriction period. The compensation committee will determine, and each individual award agreement will provide, (1) the price, if any, to be paid by the recipient of the restricted shares, (2) whether dividends or distributions paid with respect to restricted shares will be retained by us during the restriction period (**retained distributions**), (3) whether the holder of the restricted shares may be paid a cash amount any time after the shares become vested, (4) the vesting date or vesting dates (or basis of determining the same) for the award and (5) other terms and conditions of the award. The holder of an award of restricted shares, as the registered owner of such shares, may vote the shares.

A restricted stock unit is a unit evidencing the right to receive, in specified circumstances, one share of the specified series of our common stock, or its cash equivalent, subject to a restriction period or forfeiture conditions. The compensation committee will be authorized to award restricted stock units based upon the fair market value of shares of any series of our common stock under the incentive plan. The compensation committee will determine, and each individual award agreement will provide, the terms, conditions, restrictions, vesting requirements and payment rules for awards of restricted stock units, including whether the holder will be entitled to dividend equivalent payments with respect to the restricted stock units. Restricted stock units will be issued at the beginning of the restriction period and holders will not be entitled to shares of our common stock covered by restricted stock unit awards until such shares are issued to the holder at the end of the restriction period. Awards of restricted stock units or the common stock covered thereunder may not be transferred, assigned or encumbered prior to the date on which such shares are issued or as provided in the relevant award agreement.

Upon the applicable vesting date, all or the applicable portion of restricted shares or restricted stock units will vest, any retained distributions or unpaid dividend equivalents with respect to the restricted shares or restricted stock units will vest to the extent that the awards related thereto have vested, and any cash amount to be received by the holder with respect to the restricted shares or restricted stock units will become payable, all in accordance with the terms of the individual award agreement. The compensation committee may permit a holder to elect to defer delivery of any restricted shares or restricted stock units that become vested and any related cash payments, retained distributions or dividend equivalents, provided that such deferral elections are made in accordance with Section 409A of the Internal Revenue Code of 1986, as amended (the **Code**).

Cash Awards. The compensation committee will also be authorized to provide for the grant of cash awards under the incentive plan. A cash award is a bonus paid in cash that may be based upon the attainment of one or more performance goals over a performance period established by the compensation committee. The terms, conditions and limitations applicable to any cash awards will be determined by the compensation committee.

Performance Awards. At the discretion of the compensation committee any of the above-described awards may be designated as a performance award. All cash awards shall be designated as performance awards. Performance awards are contingent upon performance measures applicable to a particular period, as established by the compensation committee and set forth in individual agreements, based upon any one or more of the following business criteria:

- increased revenue;
- net income measures (including income after capital costs and income before or after taxes);
- stock price measures (including growth measures and total stockholder return);
- price per share of our common stock;
- market share;
- earnings per share (actual or targeted growth);
- earnings before interest, taxes, depreciation and amortization (EBITDA);
- operating income before depreciation and amortization (OIBDA);
- recurring monthly revenue;
- net recurring monthly revenue;
- economic value added (or an equivalent metric);
- market value added;
- debt to equity ratio;
- cash flow measures (including cash flow return on capital, cash flow return on tangible capital, net cash flow and net cash flow before financing activities);
- return measures (including return on equity, return on average assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity);
- creation costs;
- operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes and production efficiency);
- expense measures (including overhead cost and general and administrative expense);
- margins;
- stockholder value;
- total stockholder return;
- proceeds from dispositions;
- total market value; and
- corporate values measures (including ethics compliance, environmental and safety).

Performance measures may apply to the award recipient, to one or more business units, divisions, subsidiaries or affiliates of our company or an applicable sector of our company, or to our company as a whole. Goals may also be based on performance relative to a peer group of companies. If the compensation committee intends for the performance award to be granted and administered in a manner that preserves the deductibility of the compensation resulting from such award in accordance with Section 162(m) of the Code, the applicable performance goals must be established (1) no later than 90 days after the commencement of the period of service to which the performance goals relate and (2) prior to the completion of 25% of such period of service. The compensation committee will have no discretion to modify or waive such performance goals to increase the amount of compensation payable that would otherwise be due upon attainment of the goal, unless the applicable award is not intended to qualify as qualified performance-based compensation under Section 162(m) of the Code and the relevant agreement provides for such discretion. Section 162(m) of the Code generally disallows deductions for compensation in excess of \$1 million for some executive officers unless the awards meet the requirements for being performance-based.

Awards Generally. Awards under the incentive plan may be granted either individually, in tandem or in combination with each other. Where applicable, the securities underlying, or relating to, awards granted under the incentive plan may be shares of our Series A common stock and our Series B common stock, as provided in the relevant grant. On April 14, 2015, the closing price of our Series A common stock was \$40.54, and the average of the bid and ask prices of our Series B common stock as reported on the OTC Markets was \$50.26. Under certain conditions, including the occurrence of certain approved transactions, a board change or a control purchase (all as defined in the incentive plan), options and SARs will become immediately exercisable, and the restrictions on restricted shares and restricted stock units will lapse, unless individual agreements state otherwise. At the time an award is granted, the compensation committee will determine, and the relevant agreement will provide for, any vesting or early termination, upon a holder's termination of employment with our company, of any unvested options, SARs, restricted stock units or restricted shares and the period during which any vested options and SARs must be exercised. Unless otherwise provided in the relevant agreement, (1) no option or SAR may be exercised after its scheduled expiration date (however, if the term of an option or SAR expires when trading in our common stock is prohibited by law or our company's insider trading policy, then the term of such option or SAR shall expire on the 30th day after the expiration of such prohibition), (2) if the holder's service terminates by reason of death or disability (as defined in the incentive

plan), his or her options or SARs shall remain exercisable for a period of at least one year following such termination (but not later than the scheduled expiration date) and (3) any termination of the holder's service for "cause" (as defined in the incentive plan) will result in the immediate termination of all options and SARs and the forfeiture of all rights to any restricted shares, restricted stock units, retained distributions, unpaid dividend equivalents and related cash amounts held by such terminated holder. If a holder's service terminates due to death or disability, options and SARs will become immediately exercisable, and the restrictions on restricted shares and restricted stock units will lapse and become fully vested, unless individual agreements state otherwise.

Adjustments. The number and kind of shares of our common stock that may be awarded or otherwise made subject to awards under the incentive plan, the number and kind of shares of our common stock covered by outstanding awards and the purchase or exercise price and any relevant appreciation base with respect to any of the foregoing will be subject to appropriate adjustment as the compensation committee deems equitable, in its sole discretion, in the event (1) we subdivide the outstanding shares of any series of our common stock into a greater number of shares of such series of common stock, (2) we combine the outstanding shares of any series of our common stock into a smaller number of shares of such series of common stock or (3) there is a stock dividend, extraordinary cash dividend, reclassification, recapitalization, reorganization, stock redemption, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase any series of our common stock, or any other similar corporate event (including mergers or consolidations, other than approved transactions (as defined in the incentive plan) for which other provisions are made pursuant to the incentive plan). In addition, in the event of a merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the compensation committee has the discretion to (i) provide, prior to the transaction, for the acceleration of vesting and exercisability, or lapse of restrictions, with respect to the awards, or in the case of a cash merger, termination of unexercised awards, or (ii) cancel such awards and deliver cash to holders based on the fair market value of such awards as determined by the compensation committee, in a manner that is in compliance with the requirements of Section 409A of the Code.

Prohibition on Repricing of Awards. Except for any adjustment as described above, the compensation committee will not, without first obtaining approval by the majority of stockholders of our company, (1) decrease the purchase price of an option or SAR after the date of grant, (2) accept for surrender any outstanding option or SAR previously granted as consideration for the grant of a new award, or (3) grant any option or SAR that contains a "reload" feature, under which additional options, SARs or other awards are granted automatically to the holder upon the exercise of the original option or SAR.

Amendment and Termination. The incentive plan will terminate on the fifth anniversary of the plan's effective date (which was February 25, 2015) unless earlier terminated by the compensation committee. The compensation committee may suspend, discontinue, modify or amend the incentive plan at any time prior to its termination, except that outstanding awards may not be amended to reduce the purchase or base price of outstanding options or SARs. However, before an amendment may be made that would adversely affect a participant who has already been granted an award, the participant's consent must be obtained, unless the change is necessary to comply with Section 409A of the Code.

U.S. Federal Income Tax Consequences of Awards Granted under the Incentive Plan

Consequences to Participants

The following is a summary of the U.S. federal income tax consequences that generally will arise with respect to awards granted under the incentive plan and with respect to the sale of any shares of our common stock acquired under the incentive plan. This general summary does not purport to be complete, does not describe any state, local or non-U.S. tax consequences, and does not address issues related to the tax circumstances of any particular recipient of an award under the incentive plan.

Non-Qualified Stock Options; SARs. Holders will not realize taxable income upon the grant of a non-qualified stock option or a SAR. Upon the exercise of a non-qualified stock option or a SAR, the holder will recognize ordinary income (subject to withholding, if applicable) in an amount equal to the excess of (1) the fair market value on the date of exercise of the shares received over (2) the exercise price or base price (if any) he or she paid for the shares. The holder will generally have a tax basis in any shares of our common stock received pursuant to the exercise of a SAR, or pursuant to the cash exercise of a non-qualified stock option, that equals the fair market value of such shares on the date of exercise. The disposition of the shares of our common stock acquired upon exercise of a non-qualified stock option will ordinarily result in capital gain or loss. We are entitled to a deduction in an amount equal to the income recognized by the holder upon the exercise of a non-qualified stock option or SAR.

Cash Awards; Restricted Stock Units; Restricted Shares. A holder will recognize ordinary compensation income upon receipt of cash pursuant to a cash award or, if earlier, at the time such cash is otherwise made available for the holder to draw upon it, and we will have a corresponding deduction for federal income tax purposes, subject to certain limits on deductibility discussed below. A holder will not have taxable income upon the grant of a restricted stock unit but rather will generally recognize ordinary compensation income at the time the award is settled in an amount equal to the fair market value of the shares received, at which time we will have a corresponding deduction for federal income tax purposes, subject to certain limits on deductibility discussed below.

Generally, a holder will not recognize taxable income upon the grant of restricted shares, and we will not be entitled to any federal income tax deduction upon the grant of such award. The value of the restricted shares will generally be taxable to the holder as compensation income in the year or years in which the restrictions on the shares of common stock lapse. Such value will equal the fair market value of the shares on the date or dates the restrictions terminate. A holder, however, may elect pursuant to Section 83(b) of the Code to treat the fair market value of the shares subject to the restricted share award on the date of such grant as compensation income in the year of the grant of the restricted share award. The holder must make such an election pursuant to Section 83(b) of the Code within 30 days after the date of grant. If such an election is made and the holder later forfeits the restricted shares to us, the holder will not be allowed to deduct, at a later date, the amount such holder had earlier included as compensation income. In any case, we will receive a deduction for federal income tax purposes corresponding in amount to the amount of compensation included in the holder's income in the year in which that amount is so included, subject to certain limits on deductibility discussed below.

A holder who is an employee will be subject to withholding for federal, and generally for state and local, income taxes at the time the holder recognizes income under the rules described above with respect to the cash or the shares of our common stock received pursuant to awards. Dividend equivalents that are received by a holder prior to the time that the restricted shares are taxed to the holder under the rules described in the preceding paragraph are taxed as additional compensation, not as dividend income. The tax basis of a holder in the shares of our common stock received will equal the amount recognized by the holder as compensation income under the rules described in the preceding paragraph, and the holder's holding period in such shares will commence on the date income is so recognized.

Certain Tax Code Limitations on Deductibility. In order for us to deduct the amounts described above, such amounts must constitute reasonable compensation for services rendered or to be rendered and must be ordinary and necessary business expenses. The ability to obtain a deduction for awards under the incentive plan could also be limited by Section 280G of the Code, which provides that certain excess parachute payments made in connection with a change in control of an employer are not deductible. The ability to obtain a deduction for amounts paid under the incentive plan could also be affected by Section 162(m) of the Code, which limits the deductibility, for U.S. federal income tax purposes, of compensation paid to certain employees to \$1 million during any taxable year. However, certain exceptions apply to this limitation in the case of qualified performance-based compensation. In certain cases, we may determine it is in our interests to not satisfy the requirements for the qualified performance-based exception.

Code Section 409A. Section 409A of the Code generally provides that any deferred compensation arrangement must satisfy specific requirements, both in operation and in form, regarding (1) the timing of payment, (2) the advance election of deferrals, and (3) restrictions on the acceleration of payment. Failure to comply with Section 409A of the Code may result in the early taxation (plus interest) to the participant of deferred compensation and the imposition of a 20% penalty on the participant on such deferred amounts included in the participant's income. We intend to structure awards under the incentive plan in a manner that is designed to be exempt from or comply with Section 409A of the Code.

New Plan Benefits

Except as otherwise described below, due to the nature of the incentive plan and the discretionary authority afforded the compensation committee in connection with the administration thereof, we cannot determine or predict the value, number or type of awards to be granted pursuant to the incentive plan.

Prior to the date of this proxy statement, we have granted awards, including performance-based equity awards, under the incentive plan to certain of our employees, which awards are conditioned upon receiving stockholder approval of the incentive plan (and, in the case of certain awards, the satisfaction of other conditions). Assuming the performance-based awards are earned and vested in full, there would remain available for future grants under the incentive plan 537,521 shares of our common stock. We have also adopted our annual performance bonus program for the 2015 calendar year with respect to certain of our officers under the incentive plan. The payment of any earned awards under this bonus program is conditioned upon receiving stockholder approval of the incentive plan. Awards granted under the incentive plan prior to the date of this proxy statement are set forth below.

Vote and Recommendation

Approval of the incentive plan proposal requires the affirmative vote of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Our Board unanimously recommends a vote **FOR** the incentive plan proposal.

Our executive officers will serve in such capacities until the next annual meeting of our Board, or until their respective successors have been duly elected or appointed, or until their earlier death, resignation or removal from office. There is no family relationship between any of our executive officers or directors, by blood, marriage or adoption.

From September 2008 to March 2015, John A. Orr served as Senior Vice President, Corporate Development, of our company. Mr. Orr also served in multiple capacities with Liberty Interactive and its predecessor from August 1996 until December 2008, spearheading numerous acquisition opportunities and serving most recently as Vice President of Investor Relations from 2003 until December 2008. Mr. Orr departed from our company in March 2015.

During the past ten years, none of our directors or executive officers has had any involvement in any legal proceedings that would be material to an evaluation of his ability or integrity.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulations to furnish us with copies of all Section 16 forms they file.

Based solely on a review of the copies of the Forms 3, 4 and 5 and amendments to those forms furnished to us during our most recent fiscal year, or written representations that no Forms 5 were required, we believe that, during the year ended December 31, 2014, all Section 16 (a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were all met.

Code of Ethics

We have adopted a code of ethics that applies to all of our employees, directors and officers, which constitutes our “code of ethics” within the meaning of Section 406 of the Sarbanes-Oxley Act. Our code of ethics is available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Director Independence

It is our policy that a majority of the members of our Board be independent of our management. For a director to be deemed independent, our Board must affirmatively determine that the director has no disqualifying direct or indirect material relationship with our company. To assist our Board in determining which of our directors qualify as independent for purposes of The Nasdaq Stock Market rules as well as applicable rules and regulations adopted by the SEC, the nominating and corporate governance committee of our Board follows the Corporate Governance Rules of The Nasdaq Stock Market on the criteria for director independence.

Our Board has determined that each of Philip J. Holthouse, Brian Deevy, Michael J. Pohl, Charles Y. Tanabe and Carl E. Vogel qualifies as an independent director of our company.

Board Composition

As described above under “Proposal 1-The Director Election Proposal”, our Board is comprised of directors with a broad range of backgrounds and skill sets, including media, telecommunications, technology, subscription-based business, finance, transactional and advisory work, auditing and tax. For more information on our Board’s position with respect to the importance of diverse viewpoints on our Board, see “-Committees of our Board of Directors-Nominating and Corporate Governance Committee” below.

Board Leadership Structure

Our bylaws currently provide that the Chairman of our Board shall be the Chief Executive Officer of our company, unless our Board determines otherwise. William R. Fitzgerald currently serves as the Chairman of our Board and Chief Executive Officer (principal executive officer) and is responsible for identifying and implementing strategic initiatives as well as executive leadership. Our Board believes that Mr. Fitzgerald is best situated to serve as Chairman of our Board because he is the director most familiar with our company’s history and business and is also the person most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy.

In evaluating our current Board leadership structure, our Board noted that our company is a holding company and that substantially all of our operating activities are conducted through our principal operating subsidiary, Monitronics. Michael R. Haislip serves as the President and Chief Executive Officer of Monitronics, and is responsible for the day to day operations of Monitronics. Our Board believes that the allocation of responsibilities between Mr. Fitzgerald and Mr. Haislip represents an appropriate leadership structure because, among other reasons, it enables Mr. Fitzgerald to foster clear accountability and effective decision making at the board level and with regard to holding company activities, while Mr. Haislip focuses on the daily management of our operating company.

The key members of all committees of our Board are independent directors. Each member of the compensation committee, nominating and corporate governance committee and audit committee is independent. In addition, an independent director, Carl E. Vogel, is the chairman of the executive committee of our Board. Through these committees, we have established independent processes for the effective oversight of critical issues entrusted to independent directors, such as the integrity of our financial statements, CEO and senior management compensation, board evaluation and selection of directors. For more information on the function of the committees of our Board, see “-Committees of our Board of Directors” below.

For the above reasons, our Board does not believe that a separation of the Chairman of the Board and Chief Executive Officer positions will provide any meaningful additional oversight. Moreover, our Board believes its current leadership structure positions our company to achieve the optimal result for its stockholders. Because Mr. Fitzgerald bears primary responsibility for the strategic management and leadership of our company, our Board believes that Mr. Fitzgerald is best suited to chair board meetings and ensure that key business issues and stockholders’ interests are brought to the attention of our Board.

Board Role in Risk Oversight

Our Board has an active role, as a whole and at the committee level, in overseeing the management of our company's risks. Our Board regularly reviews information regarding our credit, liquidity, strategic, operational, financial and reporting, succession and compensation, legal and compliance functions and status, as well as the risks associated with each. The compensation committee is responsible for overseeing the management of risks relating to our incentive compensation plans and arrangements. The audit committee oversees management of financial risks. The nominating and corporate governance committee manages risks associated with the independence of our Board and, together with the audit committee, potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports and management presentations about such risks.

Committees of our Board of Directors

Executive Committee

Our Board has established an executive committee consisting of Carl E. Vogel and William R. Fitzgerald, with Mr. Vogel serving as chairman. The principal purpose of the executive committee is to assist our Board in the performance of its duties and responsibilities between regularly scheduled meetings of our Board and at any time when our Board is not in session or otherwise unable to act, by exercising the power and authority of our Board to manage the business and affairs of our company with respect to (i) such matters as shall be delegated to the executive committee by resolution of our Board and (ii) any other lawful matters to the extent the executive committee, in its discretion, determines that it is necessary or advisable to attend to such matters prior to the next regularly scheduled meeting of our Board. As such, the executive committee generally has and may exercise all the powers and authority of our Board in the management of the business and affairs of our company, including without limitation the power and authority to authorize the issuance of shares of our capital stock. However, the executive committee has no power or authority in reference to the following matters:

- approving, adopting or recommending to the stockholders of our company any action or matter expressly required by the Delaware General Corporation Law to be submitted to stockholders for approval;
- adopting, amending or repealing any bylaws of our company;
- fixing the size of our Board or filling any vacancies on our Board or on any committee of our Board; or
- the matters or powers expressly conferred upon the audit committee, the compensation committee, and the nominating and corporate governance committee.

Compensation Committee

Our Board has also established a compensation committee, whose chairman is Michael J. Pohl and whose other members are Philip J. Holthouse and Brian Deevy. The compensation committee reviews and makes recommendations to our Board regarding all forms of compensation provided to our executive officers and directors. In addition, the compensation committee reviews and makes recommendations on bonus and stock compensation arrangements for all of our employees and has sole responsibility for the administration of our incentive plans.

The compensation committee reviews and approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer and our other executive officers. The compensation committee also reviews and approves the compensation of our Chief Executive Officer and certain other officers of our company. For a description of our processes and policies for consideration and determination of executive and director compensation, including the role of our Chief Executive Officer and outside consultants in determining or recommending amounts and/or forms of compensation, see "Executive Compensation-Compensation Discussion and Analysis" below. The compensation committee has the authority to retain a compensation consultant to assist in the evaluation of executive compensation.

Our Board has adopted a written charter for the compensation committee, which is available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Compensation Committee Report

The compensation committee has reviewed and discussed with the company's management the "Compensation Discussion and Analysis" included under "Executive Compensation" below. Based on such review and discussions, the compensation committee recommended to our company's Board that the "Compensation Discussion and Analysis" be included in this proxy statement.

Submitted by the Members of the Compensation Committee

Brian Deevy

Philip J. Holthouse

Michael J. Pohl (chairman)

Compensation Committee Interlocks and Insider Participation

In 2014, the compensation committee of our Board consisted of Michael J. Pohl, Philip J. Holthouse and Brian Deevy. No member of the compensation committee during 2014 is, was or has been an officer or employee of our company or any of our subsidiaries, or has engaged in any related party transaction in which our company or any of our subsidiaries was a participant.

Nominating and Corporate Governance Committee

Our Board has established a nominating and corporate governance committee, whose chairman is Charles Y. Tanabe and whose other members are Philip J. Holthouse, Michael J. Pohl, and Carl E. Vogel. See "-Director Independence" above.

The nominating and corporate governance committee:

- develops qualification criteria for selecting candidates to serve as directors of our company;
- identifies individuals qualified to become directors of our company and makes recommendations to our Board with respect thereto;
- reviews and approves "related person transactions" (as set forth in our corporate governance guidelines); and
- reviews, and makes recommendations with respect to changes to, our corporate governance guidelines.

The nominating and corporate governance committee will consider candidates for director recommended by any stockholder provided that such nominations are properly submitted. Eligible stockholders wishing to recommend a candidate for nomination as a director should send the recommendation in writing to the Nominating and Corporate Governance Committee, Ascent Capital Group, Inc., 5251 DTC Parkway, Suite 1000, Greenwood Village, Colorado 80111. Stockholder recommendations must be made in accordance with our bylaws, as discussed under "Stockholder Proposals" below, and must contain the following information:

- the proposing stockholder's name and address and documentation indicating the number of shares of our common stock beneficially owned by such person and the holder or holders of record of those shares, together with a statement that the proposing stockholder is recommending a candidate for nomination as a director;
- the candidate's name, age, business and residence addresses, principal occupation or employment, business experience, educational background and any other information relevant in light of the factors considered by the nominating and corporate governance committee in making a determination of a candidate's qualifications, as described below;
- a statement detailing any relationship, arrangement or understanding that might affect the independence of the candidate as a member of our Board;
- any other information that would be required under SEC rules in a proxy statement soliciting proxies for the election of such candidate as a director;
- a representation as to whether the proposing stockholder intends to deliver any proxy materials or otherwise solicit proxies in support of the director nominee;

- a representation that the proposing stockholder intends to appear in person or by proxy at the annual stockholders meeting at which the person named in such notice is to stand for election; and
- a signed consent of the candidate to serve as a director, if nominated and elected.

In connection with its evaluation, the nominating and corporate governance committee may request additional information from the proposing stockholder and the candidate. The nominating and corporate governance committee has sole discretion to decide which individuals to recommend for nomination as directors.

To be nominated to serve as a director, a nominee need not meet any specific, minimum criteria; however, the nominating and corporate governance committee believes that nominees for director should possess the highest personal and professional ethics, integrity, values and judgment and should be committed to the long-term interests of our stockholders. When evaluating a potential director nominee, including one recommended by a stockholder, the nominating and corporate governance committee will take into account a number of factors, including, but not limited to, the following:

- independence from management;
- his or her unique background, including education, professional experience and relevant skill sets;
- judgment, skill, integrity and reputation;
- industry experience;
- existing commitments to other businesses as a director, executive or owner;
- personal conflicts of interest, if any; and
- the size and composition of our existing Board, including whether the potential director nominee would positively impact the composition of our Board by bringing a new perspective or viewpoint to our Board.

The nominating and corporate governance committee does not have a formal policy with respect to diversity; however, our Board and the nominating and corporate governance committee believe that it is essential that our Board members represent diverse viewpoints.

When seeking candidates for director, the nominating and corporate governance committee may solicit suggestions from incumbent directors, management, stockholders and others. After conducting an initial evaluation of a prospective nominee, the nominating and corporate governance committee will interview that candidate if it believes the candidate might be suitable to be a director. The nominating and corporate governance committee may also ask the candidate to meet with management. If the nominating and corporate governance committee believes a candidate would be a valuable addition to our Board, it may recommend to our full Board that candidate's nomination and election.

Based on the foregoing criterion, our Chief Executive Officer and the members of the nominating and corporate governance committee in office at the relevant time of determination recommended Mr. Tanabe for nomination as a director of our Board in November 2014. Mr. Tanabe was recommended based on his extensive professional experience as a senior executive of large public companies, including his expertise in the fields of mergers and acquisitions, public reporting, risk management, and corporate governance. Mr. Tanabe was appointed to our Board following a vote of the Board and will stand for election this year.

Prior to nominating an incumbent director for re-election at an annual meeting of stockholders, the nominating and corporate governance committee will consider the director's past attendance at, and participation in, meetings of our Board and its committees and the director's formal and informal contributions to the various activities conducted by our Board and our Board committees of which such individual is a member.

The nominating and corporate governance committee believes that Mr. Tanabe and Mr. Vogel continue to be qualified to serve as directors of our company and supports their nomination for re-election. The nominations of Mr. Tanabe and Mr. Vogel have been approved by our entire Board.

Our Board has adopted a written charter for the nominating and corporate governance committee and corporate governance guidelines, which are available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Audit Committee

Our Board has established an audit committee, whose chairman is Philip J. Holthouse and whose other members are Brian Deevy, Michael J. Pohl and Carl E. Vogel. See “-Director Independence” above.

The audit committee reviews and monitors the corporate financial reporting and the internal and external audits of our company. The committee’s functions include, among other things:

- appointing or replacing our independent auditors;
- reviewing and approving in advance the scope and the fees of our annual audit and reviewing the results of our audits with our independent auditors;
- reviewing and approving in advance the scope and the fees of non-audit services of our independent auditors;
- reviewing compliance with and the adequacy of our existing major accounting and financial reporting policies;
- reviewing our management’s procedures and policies relating to the adequacy of our internal accounting controls and compliance with applicable laws relating to accounting practices;
- reviewing compliance with applicable SEC and stock exchange rules regarding audit committees; and
- preparing a report for our annual proxy statement.

Our Board has adopted a written charter for the audit committee, which is available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Audit Committee Report

Each member of the audit committee is an independent director as determined by our Board, based on the listing standards of The Nasdaq Stock Market. Each member of the audit committee also satisfies the SEC’s independence requirements for members of audit committees. Our independent auditor also expresses its opinion as to the effectiveness of our internal control over financial reporting.

The audit committee has reviewed and discussed with management and KPMG LLP our most recent audited consolidated financial statements, as well as management’s assessment of the effectiveness of our internal control over financial reporting and KPMG LLP’s evaluation of the effectiveness of our internal control over financial reporting. The audit committee has also discussed with KPMG LLP the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard No. 16, Communications with Audit Committees, including that firm’s judgment about the quality of our accounting principles, as applied in its financial reporting.

KPMG LLP has provided the audit committee with the written disclosures and the letter required by the Public Company Accounting Oversight Board Ethics and Independence Rule 3526, as modified or supplemented, and the audit committee has discussed with KPMG LLP that firm’s independence from the company and its subsidiaries.

Based on the reviews, discussions and other considerations referred to above, the audit committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014, which was filed on February 27, 2015 with the SEC.

EXECUTIVE COMPENSATION

This section sets forth information relating to, and an analysis and discussion of, compensation paid by our company to:

- William R. Fitzgerald;
- Michael R. Haislip;
- Michael R. Meyers;
- William E. Niles; and
- John A. Orr.

Mr. Fitzgerald is our principal executive officer; Mr. Meyers is our principal financial officer; and Messrs. Haislip and Niles are executive officers of our company. Prior to his departure from our company in March 2015, John A. Orr was a senior vice president of our company. Our company did not have any other executive officers during 2014. We refer to Messrs. Fitzgerald, Haislip, Meyers, Niles and Orr in this proxy statement collectively as our **named executive officers**.

Compensation Discussion and Analysis

Overview

The compensation committee of our Board has responsibility for overseeing the compensation of our named executive officers and ensuring that their compensation packages are consistent with the company's compensation objectives. In furtherance of this purpose, our compensation committee considers and approves all components of the named executive officers' compensation packages, including periodic corporate goals and objectives upon which compensation decisions are made. The compensation committee also administers our equity incentive plans and has the authority to make and modify grants under, and to approve or disapprove participation in, such plans (in each case, other than with respect to awards granted to nonemployee directors).

Objectives

The compensation program for our named executive officers was designed to meet the following objectives that align with and support our strategic business goals:

- attracting and retaining executive managers with the industry knowledge, skills, experience and talent to help our company attain its strategic objectives and build long-term company value;
- emphasizing variable performance-based compensation components, which include equity-based compensation, by linking individual compensation with corporate operating metrics as well as individual professional achievements; and
- aligning the interests of management of our company with the interests of our stockholders.

Principles

The following principles are used to guide the design of our executive compensation program and to ensure that the program is consistent with the objectives described above:

Competitive Positioning. We believe that our executive compensation program must provide compensation to our named executive officers that is both reasonable in relation to, and competitive with, the compensation paid to similarly situated employees of companies in our similar industries and companies with which we compete for talent, taking into account many factors, including cost-of-living considerations. See "-Setting Executive Compensation" below.

"Pay for Performance" Philosophy. We believe our compensation program should align the interests of our named executive officers with the interests of our company and our stockholders by strengthening the link between pay and company

and individual performance. Accordingly, our compensation committee believes variable compensation, including plan-based awards, should represent a significant portion of the total compensation mix for our named executive officers.

At our 2014 annual stockholders meeting, our stockholders representing 89.5% of our aggregate voting power present and entitled to vote on our say-on-pay proposal approved, on an advisory basis, our executive compensation, as disclosed in our proxy statement for our 2014 annual meeting of stockholders. The compensation committee did not implement any material changes to our executive compensation program as a result of that vote.

Role of Chief Executive Officer in Compensation Decisions

As a general matter, our Chief Executive Officer provides recommendations to the compensation committee with respect to all elements of compensation proposed to be paid to the other named executive officers in conjunction with his evaluation of their performance. No significant changes were recommended by Mr. Fitzgerald with respect to the 2014 compensation packages of each other named executive officer as all of our named executive officers were subject to existing employment agreements during 2014, with the exception of Mr. Orr, whose employment agreement expired in accordance with its terms in September of 2013, as described in more detail below.

Setting Executive Compensation

Consistent with the principles outlined above, the compensation committee considers compensation data relating to other companies in reviewing and approving the compensation packages of our named executive officers. Historically, the compensation committee had focused on a select group of peer companies that operated in various markets within the technology, media, communications and entertainment industries. However, in connection with our company's transition out of the media and entertainment business, the compensation committee hired Compensia, Inc., a compensation consultant (**Compensia**), in May 2011 to assist the compensation committee in identifying a new peer group of companies, gathering market data on competitive market practices with respect to cash and equity-based compensation and developing an updated compensation framework, including with respect to equity awards (such as award types, vesting parameters and individual allocations).

Along with Compensia, our compensation committee developed our peer group list taking into account our company's focus on the alarm monitoring and security business (a technology business supported by subscription-based revenue), our range of financial performance metrics and our aggregate market capitalization. Compensia advised the compensation committee that our peer group of companies should be comprised of those in the technology space and those with a subscription/service-based business model, which together most closely correlate to our current business and operations. Accordingly, the companies in our peer group are set forth below:

Bally Technologies, Inc.	Fair Isaac Corporation
Cardtronics Inc.	Interval Leisure Group, Inc.
Charter Communications, Inc.	J2 Global, Inc.
Consolidated Communications Holdings, Inc.	National Cinemedia, Inc.
CSG Systems International, Inc.	Netflix, Inc.
Cumulus Media, Inc.	Nexstar Broadcasting Group, Inc.
Digital Globe, Inc.	Outerwall Inc.
DISH Network Corporation	Scientific Games Corporation
EarthLink Holdings Corp.	The ADT Corporation

The compensation committee did not apply specific benchmarking parameters that formed the basis for any of the named executive officers' employment agreements. Rather, the compensation committee incorporated the competitive market data received from Compensia, including as to the compensation paid by the peer groups described above, into the compensation committee's total mix of information (including its members' general business and industry knowledge and experience and its evaluation of each named executive officer's job performance) in establishing what the compensation committee believed to be reasonable and competitive variable elements of each named executive officer's compensation package.

Elements of 2014 Executive Compensation

For 2014, the principal components of compensation for our named executive officers were:

- base salary;
- performance-based bonuses in the case of Messrs. Haislip, Meyers and Niles;
- the remaining vestiges of AMG's non-equity incentive plan in the case of Mr. Niles;
- equity incentive compensation; and
- limited perquisites and personal benefits.

A summary of each element of our compensation program is set forth below. We believe that each element complements the others and that together they serve to achieve our compensation objectives.

Base Salary

We provide competitive base salaries to attract and retain high-performing executive talent. We believe that a competitive base salary is an important component of compensation, as it provides a degree of financial stability for executives. The base salary level of each named executive officer is generally determined based on the responsibilities performed by such officer, his or her experience, overall effectiveness and demonstrated leadership ability, the performance expectations set for such officer, and competitive market factors. With respect to 2014, Mr. Fitzgerald received an increase in his base salary pursuant to the terms of his amended and restated employment agreement. In recognition of the favorable performance of each of our named executive officers of his respective duties as an officer of our company and taking into account cost-of-living adjustments, with respect to 2014, each of Messrs. Haislip, Meyers, Niles and Orr received an increase in their base salary of up to 9.9%.

Bonuses: Performance-Based and Other. Our compensation committee adopted a performance-based bonus program for 2014 in which each of the named executive officers was eligible to participate. The program is designed to comply with Section 162(m) of the Code. In order for any named executive officer to be eligible to receive any bonus under the program, our company had to achieve a consolidated Adjusted EBITDA (as defined in our Annual Report on Form 10-K for the year ended December 31, 2013 (the **2013 Form 10-K**)) for the year ended December 31, 2014 of no less than 112% of our consolidated Adjusted EBITDA for the year ended December 31, 2013 (as reported in the 2013 Form 10-K), subject to such adjustments (to the extent permissible under Section 162(m) of the Code) as the compensation committee may determine to be necessary or appropriate to provide year-over-year comparability (including, for example, in the event of any acquisitions, dispositions, changes in accounting policies or other extraordinary events). As this threshold performance metric was met for 2014, the compensation committee then determined, in its sole discretion, the actual portion of each grantee's target (which was also his maximum) bonus amount that was payable under the program (which could have been zero) after taking into account each grantee's personal performance over the year based on a set of key performance indicators (**KPIs**) adopted for each named executive officer with respect to 2014. Each named executive officer's target and maximum bonus amount for 2014 (which was determined by the committee taking into account each named executive officer's applicable employment agreement (which, in the case of Mr. Orr, was his employment agreement in effect prior to September 2013)) was as follows: Mr. Fitzgerald \$1,237,500; Mr. Haislip \$356,250; Mr. Meyers \$246,000; Mr. Niles \$322,500; and Mr. Orr \$277,500. The KPIs considered for each named executive officer were as follows:

Name	KPIs
William R. Fitzgerald	<ul style="list-style-type: none"> • Provision of leadership in support of the company’s corporate governance and financial oversight and reporting responsibilities • Support of our and Monitronics leadership teams in efforts to achieve their financial, operating, management development and capital objectives and continued drive of development of shareholder value • Provision of leadership, guidance and support to both our company and Monitronics in efforts to pursue acquisition and investment opportunities • Leadership in investor relations messaging strategy and execution • Pursuit of objectives and strategies consistent with improving the company’s near-term and long-term financial performance, which serves to enhance shareholder value

William E. Niles	<ul style="list-style-type: none"> • Provision of sound legal counsel to our Chief Executive Officer, the Board and its committees on all legal matters relating to our company • Management of our company’s litigation portfolio, legal compliance with SEC reporting, enterprise level risk insurance policies and real estate portfolio • Continued awareness of evolving legal issues relating to corporate governance and SEC compliance • Collaboration with our Chief Executive Officer on corporate strategy and the development of opportunities to enhance shareholder value • Participation in corporate development process through assisting with the identification, evaluation and execution of transactions
John A. Orr	<ul style="list-style-type: none"> • Pursuit of objectives and strategies consistent with improving our company’s near-term and long-term financial performance which serve to enhance shareholder value • Continued development of key relationships in the security alarm monitoring business, the broader home automation related business and the venture capital, private equity and banking communities in order to provide an ongoing pipeline of acquisition and investment opportunities • Collaboration with management of Monitronics to complete strategic review of the industry and Monitronics’ business with an objective of prioritizing areas of investment focus and specific transaction opportunities • Continued oversight of cash management • Continued assistance with our company’s ongoing investor communications efforts

After evaluating each named executive officer’s performance over the year and taking into account the aggregate amount of each named executive officer’s other compensation outside of the program, the compensation committee determined the appropriate blend of compensation components for each named executive officer and exercised its discretionary authority to determine the amount payable to each named executive officer under the program. The compensation committee also exercised its discretionary authority to pay the bonus amount payable to each named executive officer in a mix of cash and a number of shares of Series A common stock that was determined based on the closing price of the Series A common stock on March 2, 2015 of \$43.90. The performance-based bonus for each named executive officer was paid as follows:

Name	Target/ Maximum Bonus	Percentage of Target Bonus Payable	Total Payout	Cash Portion of Total Payout	Stock Portion of Total Payout
William R. Fitzgerald	\$ 1,237,500	—%	\$ —	\$ —	\$ —

LTIP. AMG’s 2006 Long-Term Incentive Plan as amended and restated as of September 9, 2008 (which we refer to as the **LTIP**) was terminated in connection with the sale of AMG on December 31, 2010, and all continuing obligations arising out of the LTIP were transferred to our company. Historically, the LTIP provided for the grant by AMG of awards which we refer to as **phantom appreciation rights** or **PARs** to key employees of AMG. Subject to vesting in accordance with the LTIP, each PAR measured the increase, if any, in the Value (as defined below) of a phantom unit under the LTIP from the grant date to the date of exercise, in each case as defined in accordance with the LTIP. Mr. Niles participated in the LTIP, which was subject to the approval of our compensation committee.

Prior to the termination of the LTIP on December 31, 2010, Mr. Niles had received multiple grants, including those made as of July 9, 2010, of 9,000 PARs (which we refer to as the **July 2010 Grants**), subject to vesting. The initial value of the PARs granted pursuant to the July 2010 Grants was \$17.19 as of the date of such grant.

The amount, if any, by which the Value of a phantom unit on the exercise date of a PAR exceeds the grant date Value of a phantom unit is referred to under the LTIP as the **PAR Value** of such PAR. Pursuant to the LTIP, the **Value** of a phantom unit under the LTIP as of any valuation date was equal to the sum of (i) 6% of cumulative free cash flow (as defined in the LTIP) over a period of up to six years, divided by 500,000 plus (ii) the calculated value of AMG, based on a formula set forth in the LTIP, divided by 10,000,000. Upon the termination of the LTIP on December 31, 2010, the PARs granted pursuant to the July 2010 Grants had a PAR Value of \$12.46 per PAR. These were the only outstanding LTIP awards held by Mr. Niles with a positive unpaid PAR Value as of the termination of the LTIP.

Awards under the LTIP were subject to vesting. However, in accordance with the terms of the LTIP, all outstanding PARs became 100% vested, and were deemed automatically exercised, on December 31, 2010 as a result of the change in control that occurred when our company sold AMG. Following this deemed automatic exercise, the LTIP was terminated, and each grantee was entitled to receive consideration in the amount of the applicable PAR Value, including interest from the date of exercise to the date of payment at the rate of three month LIBOR as published in the Wall Street Journal. Accordingly, Mr. Niles was entitled to receive the consideration with respect to his July 2010 Grants on the earlier of (i) March 31, 2014 and (ii) six months following his “separation from service” as such term is defined in Section 409A of the Code. Mr. Niles received the consideration owed to him with respect to his July 2010 Grants in 2014.

Under the LTIP, we had a right to require Mr. Niles to repay or return to our company any payments made to him under the LTIP, in the event of a material restatement of our financial statements resulting from his material noncompliance with any financial reporting requirement under applicable securities laws, provided that such material noncompliance resulted from Mr. Niles’ misconduct.

Equity Incentive Compensation. Consistent with our compensation philosophy, we seek to align the interests of our named executive officers with those of our stockholders by awarding equity-based incentive compensation, ensuring that our executives have a continuing stake in the long-term success of our company and our subsidiaries. Accordingly, the compensation committee believes that an executive’s overall mix of compensation should be weighted more heavily toward equity-based incentives.

The Ascent Capital Group, Inc. 2008 Incentive Plan (the **2008 incentive plan**) provided, and the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan (the **2015 incentive plan**) provides, for the grant of a variety of incentive awards, including non-qualified stock options, stock appreciation rights (which we refer to as SARs), restricted shares, restricted stock units, cash awards and performance awards and are administered by our compensation committee (other than with respect to awards made to our nonemployee directors under the 2015 incentive plan, which are administered by the full Board). Our executives have historically been granted stock options and awards of restricted stock in preference to other awards because of our company’s

belief that options and restricted shares better promote retention of key employees through the continuing, long-term nature of an equity investment. It is the policy of our compensation committee that stock options be awarded with an exercise price equal to fair market value on the date of grant, measured by reference to the closing sale price on the grant date.

Over the past few years, our compensation committee has determined to make larger grants with long-term vesting schedules rather than making annual grants over the same period. These multi-year grants are meant to encourage executives to remain with the company over the long-term and to better align their interests with those of the stockholders. In that regard, multi-year awards were granted to our named executive officers by our compensation committee prior to 2014, and, accordingly, no new equity incentive awards were granted to the named executive officers during the 2014 calendar year.

The 2015 incentive plan was approved and adopted by our Board and is being submitted to the stockholders of our company for approval at the annual meeting, as described in more detail under “Proposal 3-The Incentive Plan Proposal.” As described in more detail under “Proposal 3-The Incentive Plan Proposal,” upon the adoption of the 2015 incentive plan by our Board, our Board determined to cease making any further grants under the 2008 incentive plan. Any future equity incentive awards granted to our employees will be under the 2015 incentive plan.

Perquisites and Personal Benefits. For the year ended December 31, 2014, the limited perquisites and personal benefits provided to our named executive officers consisted generally of term life insurance premiums, 401(k) matching contributions and a reimbursement from our company relating to health insurance premiums paid by each such individual. We offer our named executive officers other benefits that are also available on the same basis to all of our salaried employees, such as medical and disability insurance premiums.

Changes for 2015

As described above under “-Equity Incentive Compensation,” our compensation committee has determined to make larger grants with long-term vesting schedules rather than making annual grants over the same period. Accordingly, in connection with on-going negotiations regarding the extension of the term of his employment agreement with our company and a promotion to Executive Vice President at Monitronics, Mr. Meyers was granted an award of 30,000 performance-based restricted stock units with respect to shares of our Series A common stock. This award of performance-based restricted stock units is subject to the approval of the 2015 incentive plan and the extension by Mr. Meyers of his term of employment. These restricted stock units will vest 20%, 30% and 50% following the completion of one-year performance periods ending December 31, 2016, 2017 and 2018, respectively. Vesting of each tranche of restricted stock units will be subject to the satisfaction, as determined by our compensation committee, of certain key performance indicators relating to Mr. Meyers’ performance. Mr. Meyers last received equity incentive awards from our company in 2011, which included multi-year awards.

Equity Incentive Awards. Each of Mr. Fitzgerald’s employment agreement and Mr. Orr’s former employment agreement memorialized stock option and restricted stock grants previously made under the 2008 incentive plan to the applicable named executive officer. Mr. Niles’ employment agreement also provided for equity grants made in prior years. Messrs. Haislip and Meyers also received equity incentive awards in connection with their entrance into new employment agreements in 2011. See “-Outstanding Equity Awards at Fiscal Year-End” below.

Termination. The terms and conditions of compensation payable upon termination of the employment of each named executive officer are summarized in “-Potential Payments Upon Termination or Change-in-Control” below.

Gross-Up. Under Mr. Fitzgerald’s employment agreement, if any payment or distribution in the nature of compensation (as defined in Section 280G(b)(2) of the Code) to or for the benefit of Mr. Fitzgerald would be subject to excise tax imposed by Section 4999 of the Code, Mr. Fitzgerald will be entitled to receive a gross-up payment equivalent on an after-tax basis to the amount of such excise tax.

Potential Payments Upon Termination or Change-in-Control

Each of the employment agreements of our named executive officers, as in effect on December 31, 2014, and each of our incentive plans provides for rights upon certain termination events, with adjustments to be made to the amounts payable to certain named executive officers if the termination occurs concurrently with or following a change of control of our company. As of December 31, 2014, all of our named executive officers had employment agreements with our company with the exception of Mr. Orr, who's employment agreement expired in September 2013.

Change of Control

Under the employment agreement of Mr. Fitzgerald, a change of control of our company would be deemed to have occurred if any of the following occurs:

- (i) any person or group (other than Mr. Malone and certain affiliates, each of whom we refer to as an **Ascent Permitted Holder**) acquires, together with stock already held by such person or group, more than 50% of the total fair market value or more than 50% of the total voting power of the stock of our company;
- (ii) any person or group (other than an Ascent Permitted Holder) acquires, in a single transaction or in multiple transactions during a 12-month period, assets of our company having a gross fair market value of 40% or more of the total gross fair market value of all of our company's assets immediately prior to such acquisition or acquisitions;

- (iii) any person or group (other than an Ascent Permitted Holder) acquires, in a single transaction or in multiple transactions during a 12-month period, 30% or more of the total voting power of the stock of our company; or
- (iv) a majority of our company's board of directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of our board of directors before the date of appointment or election.

Any such change of control results in an increase in each such executive's severance, as described under "-Termination Without Cause" below.

Termination for Cause

If our company terminated any of our named executive officers for "Cause," we would have no further liability or obligations under the applicable agreement to such named executive officer other than accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses. "Cause" is generally defined to include: breaches of material obligations under the applicable employment agreement; continued failure to perform the applicable named executive officer's duties; material violations of company policies or applicable laws and regulations; fraud, dishonesty or misrepresentation; gross negligence in the performance of duties; conviction of a felony or crime of moral turpitude; and other misconduct that is materially injurious to our financial condition or business reputation.

Termination Without Cause

If our company terminated the employment of Mr. Fitzgerald without Cause, our company would become obligated to pay Mr. Fitzgerald all accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses, as well as a severance payment equal to:

- (i) if termination occurs prior to a change of control, as defined in his employment agreement, the product of 2 times the sum of (A) Mr. Fitzgerald's base salary plus (B) his minimum target bonus (equal to 75% of Mr. Fitzgerald's base salary); or
- (ii) if termination occurs concurrently with or following a change of control, the product of 2.5 times the sum of (A) Mr. Fitzgerald's base salary plus (B) his minimum target bonus (equal to 75% of Mr. Fitzgerald's base salary).

If our company terminated the employment of Messrs. Haislip, Meyers or Niles without Cause, our company would become obligated to pay the applicable named executive officer all accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses, as well as a severance payment equal to:

- (i) in the case of Mr. Haislip, an amount equal to the sum of (A) 1.5 times his annual base salary plus (B) his minimum target bonus of 60% of his base salary (which shall be pro rated for the number of days worked during the year of such termination);
- (ii) in the case of Mr. Meyers, an amount equal to the sum of (A) 1.25 times his annual base salary plus (B) his minimum target bonus of 40% of his base salary (which shall be pro rated for the number of days worked during the year of such termination); and
- (iii) in the case of Mr. Niles, an amount equal to the sum of (A) 1.5 times his annual base salary plus (B) his minimum target bonus of 50% of his base salary (which shall be pro rated for the number of days worked during the year of such termination).

In addition, the multi-year awards of Messrs. Fitzgerald and Niles provide for certain acceleration events (other than upon a change of control, death or disability). If either of Messrs. Fitzgerald or Niles is terminated without Cause, their multi-year stock option awards (with respect to 50,634 and 49,160 Series A shares, respectively) will vest as to the portion of such awards that would have vested through the end of the calendar year in which the termination occurred. Mr. Niles' multi-year award of 23,212 Series A restricted shares also provides for full vesting in the event he is terminated without Cause. In addition, if Mr. Fitzgerald had been terminated without Cause following the satisfaction of certain performance conditions (which our Board determined was satisfied in December 2013), his 2012 award of 119,540 Series A restricted shares and 2013 award of 12,791 Series A restricted shares would have vested as to a portion such award equal to (i) the total number of shares

subject to the award multiplied by the quotient of (ii) the number of calendar quarters having passed since the date of grant (including the quarter of termination) divided by twenty.

Similarly, the equity grants made in September 2011 to Messrs. Haislip and Meyers provide for certain acceleration events (other than upon a change of control, death or disability). If either of Messrs. Haislip or Meyers is terminated without Cause, their stock option awards and restricted stock awards will vest as to the portion of such awards that would have vested through the end of the calendar year in which the termination occurred.

Termination with Good Reason

Subject to certain notice provisions and our rights with respect to a cure period or a renegotiation period, as applicable, each of Messrs. Fitzgerald, Haislip, Meyers and Niles may terminate his employment for “Good Reason” and receive the same rights and payments as if such named executive officer’s employment was terminated without Cause. “Good Reason” is defined in each employment agreement to include:

- (i) in the case of Mr. Fitzgerald, a material reduction in base salary, a material reduction in Mr. Fitzgerald’s responsibilities with our company, a material change in the office or location at which Mr. Fitzgerald is required to perform services and a material breach by our company of any provision of his employment agreement;
- (ii) in the case of Messrs. Haislip and Meyers, a material reduction in base salary, the company requiring the applicable named executive officer to devote a majority of such officer’s time to the performance of duties that are materially inconsistent with such officer’s position at the company, the relocation of the applicable named executive officer’s principal place of employment by more than 75 miles, and a material breach by our company of any provision of the applicable named executive officer’s employment agreement; and
- (iii) in the case of Mr. Niles, a reduction in base salary, the relocation of his principal place of employment by more than 35 miles and a material breach by our company of any provision of his employment agreement.

Death or Disability

In the event any of our named executive officers dies or becomes disabled during such named executive officer’s term of employment, we become obligated to pay such named executive officer (or his legal representative, as applicable) all accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses. In addition:

- (i) Mr. Fitzgerald is entitled to a lump sum amount equal to his annual base salary in effect on the date of termination multiplied by 2, provided that in the event Mr. Fitzgerald is eligible to participate in, and is covered by, the company’s basic life insurance group benefit plan at the time of Mr. Fitzgerald’s termination due to death, the company’s obligation to pay such amount will be reduced by the amount paid pursuant to such basic life insurance group benefit plan; and
- (ii) Mr. Niles is entitled to a lump sum amount equal to his monthly base salary in effect on the date of termination for the lesser of six months or the remainder of the term of his employment agreement.

Non-Renewal

Each of the employment agreements of Messrs. Fitzgerald, Haislip, Meyers and Niles provides that, if (i) we do not offer him a new employment agreement beyond the term of his existing employment agreement or (ii) we do offer him such a new employment agreement but it is generally not as favorable, in all material respects, as his existing employment agreement, then such named executive officer will be deemed terminated without Cause and entitled to the severance benefits described under “-Termination Without Cause” above. In addition, Mr. Fitzgerald’s agreement provides that if the company elects to renew Mr. Fitzgerald’s employment agreement and Mr. Fitzgerald does not accept such offer for renewal within the time period specified under the employment agreement, Mr. Fitzgerald will be treated as having been terminated without Cause, except that if such termination occurs prior to a “change in control,” the company will instead pay to Mr. Fitzgerald an amount equal to any unpaid bonus to which he has become entitled for the calendar year prior to the year in which such termination occurs, plus the product of (i) the sum of Mr. Fitzgerald’s then base salary plus the minimum target bonus then in effect, multiplied by (ii) 1 (as opposed to 2, as described above).

2008 Incentive Plan

Pursuant to the terms of the 2008 incentive plan, under certain conditions, including the occurrence of certain approved transactions, a board change or a control purchase (all as defined in the 2008 incentive plan), options and SARs will become immediately exercisable, the restrictions on restricted shares will lapse and restricted stock units will become fully vested, unless individual agreements state otherwise. At the time an award was granted, the compensation committee determined, and the relevant agreement provided for, any vesting or early termination, upon a holder's termination of employment with our company, of any unvested options, SARs, restricted stock units or restricted shares, and the period following any such termination during which any vested options, SARs and stock units must be exercised. Unless otherwise provided in the relevant agreement, (1) no option or SAR may be exercised after its scheduled expiration date, (2) if the holder's service terminates by reason of death or disability (as defined in the 2008 incentive plan), his or her options or SARs shall remain exercisable for a period of at least one year following such termination (but not later than the scheduled expiration date) and (3) any termination of the holder's service for "cause" (as defined in the 2008 incentive plan) will result in the immediate termination of all options, SARs and restricted stock units and the forfeiture of all rights to any restricted shares retained distributions, unpaid dividend equivalents and related cash amounts held by such terminated holder. If a holder's service terminates due to death or disability, options and SARs will become immediately exercisable, the restrictions on restricted shares will lapse and stock units will become fully vested, unless individual agreements state otherwise.

Benefits Payable Upon Termination or Change in Control

The following table sets forth benefits that would have been payable to each named executive officer if the employment of such named executive officer had been terminated on December 31, 2014, and assumes that all salary, vacation, bonus and expense reimbursement amounts accrued and payable on or before December 31, 2014 had been paid in full as of such date.

- (6) As of December 31, 2014, our company and Mr. Orr had not executed a new employment arrangement. Accordingly, pursuant to the terms of the restricted stock award granted to Mr. Orr in December 2013, Mr. Orr’s restricted stock award would have been forfeited upon his termination for any reason

Compensation of Directors

Our directors who are also employees of our company receive no additional compensation for their services as directors. Each of our non-employee directors receives compensation for services as a director and, as applicable, for services as a member of any Board committee, as described below. All of our directors are reimbursed for travel expenses relating to their attendance at our Board or committee meetings.

Compensation Policy . On January 20, 2014, our Board approved the compensation package for our non-employee directors for their services to be rendered in 2014. For 2014, each of our non-employee directors was awarded an annual cash retainer fee of \$60,000, payable quarterly in arrears. In addition, for their services to be rendered to our Board in 2014 each non-employee director received an award of Series A restricted stock with a grant date value of \$100,000, vesting quarterly over a two-year period. For service on each of our compensation and nominating and corporate governance committee, each member received an award of Series A restricted stock with a grant date value of \$5,000 per committee, other than the chairman of each such committee, who instead received an award of Series A restricted stock with a grant date value of \$15,000 per committee chaired, with each such Series A restricted award vesting over a two-year period. For service on our audit committee, each member received an award of Series A restricted stock with a grant date fair value of \$7,500, other than the chairman of the audit committee who instead received an award of Series A restricted stock with a grant date value of \$20,000, with each such Series A restricted award vesting over a two-year period. Any non-employee director serving in the role of chairman of our executive committee received an award of Series A restricted stock with a grant date value of \$15,000. All such Series A restricted stock awards were granted in February 2014 under our 2008 director plan (as described below).

On November 6, 2014, our Board approved the compensation package for our non-employee directors for their services to be rendered in 2015, which was identical to the compensation package for our non-employee directors for their services to be rendered in 2014. All Series A restricted stock awards under the compensation package for 2015 were granted in November 2014 under our 2008 director plan (as described below).

Equity Incentive Plans . The Ascent Capital Group, Inc. 2008 Non-Employee Director Incentive Plan (which we refer to as the **director plan**) is administered by our entire Board. Prior to our Board’s approval of the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan, our Board had full power and authority to grant eligible persons the awards described below and to determine the terms and conditions under which any awards are made. The director plan was designed to provide our non-employee directors with additional remuneration for services rendered, to encourage their investment in our common stock (thereby increasing their proprietary interest in our business and increasing their personal interest in the continued success and progress of our company) and to aid in attracting persons of exceptional ability to become non-employee directors of our company. Our Board could grant non-qualified stock options, SARs, restricted shares, stock units and cash awards or any combination of the foregoing under the director plan (which we refer to, collectively, as **director awards**). The maximum number of shares of our common stock with respect to which director awards could be issued under the director plan was 500,000, subject to anti-dilution and other adjustment provisions of the director plan. Shares of our common stock issued pursuant to director awards were made available from either authorized but unissued shares or shares that had been issued but reacquired by us (including shares purchased in the open market).

As described in more detail under “Proposal 3-The Incentive Plan Proposal,” upon the adoption of the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan by our Board, our Board determined to cease making any further grants under the director plan. Any future equity incentive awards granted to our nonemployee directors will be under the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan. For more information about the Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan, and the proposal to approve the same, see “Proposal 3-The Incentive Plan Proposal” above.

ADMINISTRATION

3.1 *Committee.* The Plan shall be administered by the Compensation Committee of the Board unless a different committee is appointed by the Board. The Committee shall be comprised of not less than two Persons. The Board may from time to time appoint members of the Committee in substitution for or in addition to members previously appointed, may fill vacancies in the Committee and may remove members of the Committee. The Committee shall select one of its members as its chairman and shall hold its meetings at such times and places as it shall deem advisable. A majority of its members shall constitute a quorum and all determinations shall be made by a majority of such quorum. Any determination reduced to writing and signed

by all of the members shall be as fully effective as if it had been made by a majority vote at a meeting duly called and held.

3.2 *Power s.* The Committee shall have full power and authority to grant to eligible Persons Options under Article VI of the Plan, SARs under Article VII of the Plan, Restricted Shares under Article VIII of the Plan, Restricted Stock Units under Article VIII of the Plan, Cash Awards under Article IX of the Plan and/or Performance Awards under Article IX of the Plan, to determine the terms and conditions (which need not be identical) of all Awards so granted, to interpret the provisions of the Plan and any Agreements relating to Awards granted under the Plan and to supervise the administration of the Plan. The Committee in making an Award may provide for the granting or issuance of additional, replacement or alternative Awards upon the occurrence of specified events, including the exercise of the original Award. The Committee shall have sole authority in the selection of Persons to whom Awards may be granted under the Plan and in the determination of the timing, pricing and amount of any such Award, subject only to the express provisions of the Plan. In making determinations hereunder, the Committee may take into account the nature of the services rendered by the respective employees, officers, independent contractors and Nonemployee Directors, their present and potential contributions to the success of the Company and its Subsidiaries, and such other factors as the Committee in its discretion deems relevant.

3.3 *Interpretation .* The Committee is authorized, subject to the provisions of the Plan, to establish, amend and rescind such rules and regulations as it deems necessary or advisable for the proper administration of the Plan and to take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Each action and determination made or taken pursuant to the Plan by the Committee, including any interpretation or construction of the Plan, shall be final and conclusive for all purposes and upon all Persons. 3.4 *Awards to Nonemployee Directors .* The Board shall have the same powers as the Committee with respect to awards to Nonemployee Directors.

ARTICLE IV

SHARES SUBJECT TO THE PLAN

4.1

(a) *Number of Shares .* Subject to the provisions of this Article IV, the maximum number of shares of Common Stock with respect to which Awards may be granted during the term of the Plan shall be an aggregate of 599,862 shares (plus any shares that revert under the Prior Plans, as described below). Shares of Common Stock will be made available from the authorized but unissued shares of the Company or from shares reacquired by the Company, including shares purchased in the open market. The shares of Common Stock subject to (i) any Award granted under the Plan or the Prior Plans that shall expire, terminate or be cancelled or annulled for any reason without having been exercised (or considered to have been exercised as provided in Section 7.2), (ii) any Award of any SARs granted under the Plan the terms of which provide for settlement in cash, and (iii) any Award of Restricted Shares or Restricted Stock Units under this Plan or the Prior Plans that shall be forfeited prior to becoming vested (provided that the Holder received no benefits of ownership of such Restricted Shares or Restricted Stock Units other than voting rights and the accumulation of Retained Distributions and unpaid Dividend Equivalents that are likewise forfeited) shall again be available for purposes of the Plan. Notwithstanding the foregoing, the following shares of Common Stock may not again be made available for issuance as Awards under the Plan: (a) shares of Common Stock not issued or delivered as a result of the net settlement of an outstanding Option or SAR, (b) shares of Common

Stock used to pay the purchase price or withholding taxes related to an outstanding Award, or (c) shares of Common Stock repurchased on the open market with the proceeds of an Option purchase price.

(b) *Award Limitations* . Except for Awards described in Section 10.1, no Person may be granted in any calendar year Awards covering more than 500,000 shares of Common Stock (as such amount may be adjusted from time to time as provided in Section 4.2) (the “Share-Based Limitation”). No Person shall receive payment for Cash Awards during any calendar year aggregating in excess of \$3,000,000 (the “Cash Award Limitation”). No Nonemployee Director may be granted during any calendar year Awards having a value determined on the date of grant in excess of \$500,000 (the “Director Award Limitation”). In general, each Award is only subject to a single limitation as set forth above, and Awards granted to Nonemployee Directors shall only be subject to the Director Award Limitation. However, an employee or independent contractor may be granted Awards in combination such that portions of the award are subject to differing limitations set out in this Section 4.1(b), in which event each portion of the combination Award is subject to only a single appropriate limitation as set forth above. For example if an employee is granted an Award that is in part a share-based Award and in part a Cash Award, then the share-based Award shall be subject to only to the Share-Based Limitation and the Cash Award shall be subject only to the Cash Award Limitation.

4.2 *Adjustments* .

(a) If the Company subdivides its outstanding shares of any series of Common Stock into a greater number of shares of such series of Common Stock (by stock dividend, stock split, reclassification, or otherwise) or combines its outstanding shares of any series of Common Stock into a smaller number of shares of such series of Common Stock (by reverse stock split, reclassification, or otherwise) or if the Committee determines that any stock dividend, extraordinary cash dividend, reclassification, recapitalization, reorganization, stock redemption, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase such series of Common Stock or other similar corporate event (including mergers or consolidations other than those which constitute Approved Transactions, adjustments with respect to which shall be governed by Section 10.1(b)) affects any series of Common Stock so that an adjustment is required to preserve the benefits or potential benefits intended to be made available under the Plan, then the Committee, in such manner as the Committee, in its sole discretion, deems equitable and appropriate, shall make such adjustments to any or all of (i) the number and kind of shares of stock which thereafter may be awarded, optioned or otherwise made subject to the benefits contemplated by the Plan, including such adjustments to the Share-Based Limitation in Section 4.1(b), (ii) the number and kind of shares of stock subject to outstanding Awards, and (iii) the purchase or exercise price and the relevant appreciation base with respect to any of the foregoing, provided, however, that the number of shares subject to any Award shall always be a whole number. The Committee may, if deemed appropriate, provide for a cash payment to any Holder of an Award in connection with any adjustment made pursuant to this Section 4.2.

(b) Notwithstanding any provision of the Plan to the contrary, in the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Committee shall be authorized, in its discretion, (i) to provide, prior to the transaction, for the acceleration of the vesting and exercisability of, or lapse of restrictions with respect to, the Award and, if the transaction is a cash merger, provide for the termination of any portion of the Award that remains unexercised at the time of such transaction, or (ii) to cancel any such Awards and to deliver to the Holders cash in an amount that the Committee shall determine in its sole discretion is equal to the fair market value of such Awards on the date of such event, which in the case of Options or SARs shall be the excess of the Fair Market Value (as determined in sub-section (ii) of the definition of such term) of Common Stock on such date over the purchase price of the Options or the base price of the SARs, as applicable. For the avoidance of doubt, if the purchase price of the Options or base price of the SARs, as applicable, is greater than such Fair Market Value, the Options or SARs may be canceled for no consideration pursuant to this section.

(c) No adjustment or substitution pursuant to this Section 4.2 shall be made in a manner that results in noncompliance with the requirements of Section 409A, to the extent applicable.

ARTICLE V

ELIGIBILITY

5.1 *General* . The Persons who shall be eligible to participate in the Plan and to receive Awards under the Plan shall be such Persons who are employees (including officers and directors) of, or Nonemployee Directors or independent contractors providing services to, the Company or its Subsidiaries as the Committee shall select. Awards may be made to employees, Nonemployee Directors or independent contractors who hold or have held Awards under the Plan or any similar or other awards under any other plan of the Company or any of its Affiliates.

ARTICLE VI

STOCK OPTIONS

6.1 *Grant of Options* . Subject to the limitations of the Plan, the Committee shall designate from time to time those eligible Persons to be granted Options, the time when each Option shall be granted to such eligible Persons, the series and number of shares of Common Stock subject to such Option, and, subject to Section 6.2, the purchase price of the shares of Common Stock subject to such Option.

6.2 *Option Price* . The price at which shares may be purchased upon exercise of an Option shall be fixed by the Committee and may be no less than the Fair Market Value of the shares of the applicable series of Common Stock subject to the Option as of the date the Option is granted.

6.3 *Term of Options* . Subject to the provisions of the Plan with respect to death, retirement and termination of employment or service, the term of each Option shall be for such period as the Committee shall determine as set forth in the applicable Agreement; provided that such term may not exceed ten years. However, if the term of an Option expires when trading in the Common Stock is prohibited by law or the Company's insider trading policy, then the term of such Option shall expire on the 30th day after the expiration of such prohibition.

6.4 *Exercise of Options* . An Option granted under the Plan shall become (and remain) exercisable during the term of the Option to the extent provided in the applicable Agreement and the Plan and, unless the Agreement otherwise provides, may be exercised to the extent exercisable, in whole or in part, at any time and from time to time during such term; provided, however, that subsequent to the grant of an Option, the Committee, at any time before complete termination of such Option, may accelerate the time or times at which such Option may be exercised in whole or in part (without reducing the term of such Option).

6.5 *Manner of Exercise* .

(a) *Form of Payment* . An Option shall be exercised by written notice to the Company upon such terms and conditions as the Agreement may provide and in accordance with such other procedures for the exercise of Options as the Committee may establish from time to time. The method or methods of payment of the purchase price for the shares to be purchased upon exercise of an Option and of any amounts required by Section 10.9 shall be determined by the Committee and may consist of (i) cash, (ii) check, (iii) promissory note (subject to applicable law), (iv) whole shares of any series of Common Stock, (v) the withholding of shares of the applicable series of Common Stock issuable

upon such exercise of the Option, (vi) the delivery, together with a properly executed exercise notice, of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds required to pay the purchase price, or (vii) any combination of the foregoing methods of payment, or such other consideration and method of payment as may be permitted for the issuance of shares under the Delaware General Corporation Law. The permitted method or methods of payment of the amounts payable upon exercise of an Option, if other than in cash, shall be set forth in the applicable Agreement and may be subject to such conditions as the Committee deems appropriate.

(b) *Value of Shares* . Unless otherwise determined by the Committee and provided in the applicable Agreement, shares of any series of Common Stock delivered in payment of all or any part of the amounts payable in connection with the exercise of an Option, and shares of any series of Common Stock withheld for such payment, shall be valued for such purpose at their Fair Market Value as of the exercise date.

(c) *Issuance of Shares* . The Company shall effect the transfer of the shares of Common Stock purchased under the Option as soon as practicable after the exercise thereof and payment in full of the purchase price therefor and of any amounts required by Section 10.9, and within a reasonable time thereafter, such transfer shall be evidenced on the books of the Company. Unless otherwise determined by the Committee and provided in the applicable Agreement, (i) no Holder or other Person exercising an Option shall have any of the rights of a stockholder of the Company with respect to shares of Common Stock subject to an Option granted under the Plan until due exercise and full payment has been made, and (ii) no adjustment shall be made for cash dividends or other rights for which the record date is prior to the date of such due exercise and full payment.

ARTICLE VII

SARS

7.1 *Grant of SARs* . Subject to the limitations of the Plan, SARs may be granted by the Committee to such eligible Persons in such numbers, with respect to any specified series of Common Stock, and at such times during the term of the Plan as the Committee shall determine. A SAR may be granted to a Holder of an Option (hereinafter called a “related Option”) with respect to all or a portion of the shares of Common Stock subject to the related Option (a “Tandem SAR”) or may be granted separately to an eligible Person (a “Free Standing SAR”). Subject to the limitations of the Plan, SARs shall be exercisable in whole or in part upon notice to the Company upon such terms and conditions as are provided in the Agreement.

7.2 *Tandem SARs* . A Tandem SAR may be granted either concurrently with the grant of the related Option or at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such related Option. Tandem SARs shall be exercisable only at the time and to the extent that the related Option is exercisable (and may be subject to such additional limitations on exercisability as the Agreement may provide) and in no event after the complete termination or full exercise of the related Option. Upon the exercise or termination of the related Option, the Tandem SARs with respect thereto shall be canceled automatically to the extent of the number of shares of Common Stock with respect to which the related Option was so exercised or terminated. Subject to the limitations of the Plan, upon the exercise of a Tandem SAR and unless otherwise determined by the Committee and provided in the applicable Agreement, (i) the Holder thereof shall be entitled to receive from the Company, for each share of the applicable series of Common Stock with respect to which the Tandem SAR is being exercised, consideration (in the form determined as provided in Section 7.4) equal in value to the excess of the Fair Market Value of a share of the applicable series of Common Stock with respect to which the Tandem SAR was granted on the date of exercise over the related Option purchase price per share, and (ii) the related Option with respect thereto shall be canceled automatically to the extent of the number of shares of Common Stock with respect to which the Tandem SAR was so exercised.

7.3 *Free Standing SARs* . Free Standing SARs shall be exercisable at the time, to the extent and upon the terms and conditions set forth in the applicable Agreement. The base price of a Free Standing SAR may be no less than the Fair Market Value of the applicable series of Common Stock with respect to which the Free Standing SAR was granted as of the date the Free Standing SAR is granted. Subject to the limitations of the Plan, upon the exercise of a Free Standing SAR and unless otherwise determined by the Committee and provided in the applicable Agreement, the Holder thereof shall be entitled to receive from the Company, for each share of the applicable series of Common Stock with respect to which the Free Standing SAR is being exercised, consideration (in the form determined as provided in Section 7.4) equal in value to the excess of the Fair Market Value of a share of the applicable series of Common Stock with respect to which the Free Standing SAR was granted on the date of exercise over the base price per share of such Free Standing SAR. The term of a Free Standing SAR may not exceed ten years. However, if the term of a Free Standing SAR expires when trading in the Common Stock is prohibited by law or the Company's insider trading policy, then the term of such Free Standing SAR shall expire on the 30th day after the expiration of such prohibition.

7.4 *Consideration* . The consideration to be received upon the exercise of a SAR by the Holder shall be paid in cash, shares of the applicable series of Common Stock with respect to which the SAR was granted (valued at Fair Market Value on the date of exercise of such SAR), a combination of cash and such shares of the applicable series of Common Stock or such other consideration, in each case, as provided in the Agreement. No fractional shares of Common Stock shall be issuable upon exercise of a SAR, and unless otherwise provided in the applicable Agreement, the Holder will receive cash in lieu of fractional shares. Unless the Committee shall otherwise determine, to the extent a Free Standing SAR is exercisable, it will be exercised automatically for cash on its expiration date.

7.5 *Limitations* . The applicable Agreement may provide for a limit on the amount payable to a Holder upon exercise of SARs at any time or in the aggregate, for a limit on the number of SARs that may be exercised by the Holder in whole or in part for cash during any specified period, for a limit on the time periods during which a Holder may exercise SARs, and for such other limits on the rights of the Holder and such other terms and conditions of the SAR, including a condition that the SAR may be exercised only in accordance with rules and regulations adopted from time to time, as the Committee may determine. Unless otherwise so provided in the applicable Agreement, any such limit relating to a Tandem SAR shall not restrict the exercisability of the related Option. Such rules and regulations may govern the right to exercise SARs granted prior to the adoption or amendment of such rules and regulations as well as SARs granted thereafter.

7.6 *Exercise*. For purposes of this Article VII, the date of exercise of a SAR shall mean the date on which the Company shall have received notice from the Holder of the SAR of the exercise of such SAR (unless otherwise determined by the Committee and provided in the applicable Agreement).

ARTICLE VIII

RESTRICTED SHARES AND RESTRICTED STOCK UNITS

8.1 *Grant of Restricted Shares* . Subject to the limitations of the Plan, the Committee shall designate those eligible Persons to be granted Awards of Restricted Shares, shall determine the time when each such Award shall be granted, and shall designate (or set forth the basis for determining) the Vesting Date or Vesting Dates for each Award of Restricted Shares, and may prescribe other restrictions, terms and conditions applicable to the vesting of such Restricted Shares in addition to those provided in the Plan. The Committee shall determine the price, if any, to be paid by the Holder for the Restricted Shares; provided, however, that the issuance of Restricted Shares shall be made for at least the minimum consideration necessary to permit such Restricted Shares to be deemed fully paid and nonassessable. All determinations made by the Committee pursuant to this Section 8.1 shall be specified in the Agreement.

8.2 *Issuance of Restricted Shares* . An Award of Restricted Shares shall be registered in a book entry account (the “Account”) in the name of the Holder to whom such Restricted Shares shall have been awarded. During the Restriction Period, the Account, any statement of ownership representing the Restricted Shares that may be issued during the Restriction Period and any securities constituting Retained Distributions shall bear a restrictive legend to the effect that ownership of the Restricted Shares (and such Retained Distributions), and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms and conditions provided in the Plan and the applicable Agreement.

8.3 *Restrictions with Respect to Restricted Shares* . During the Restriction Period, Restricted Shares shall constitute issued and outstanding shares of the applicable series of Common Stock for all corporate purposes. The Holder will have the right to vote such Restricted Shares, to receive and retain such dividends and distributions, as the Committee may designate, paid or distributed on such Restricted Shares, and to exercise all other rights, powers and privileges of a Holder of shares of the applicable series of Common Stock with respect to such Restricted Shares; except, that, unless otherwise determined by the Committee and provided in the applicable Agreement, (i) the Holder will not be entitled to delivery of the Restricted Shares until the Restriction Period shall have expired and unless all other vesting requirements with respect thereto shall have been fulfilled or waived; (ii) the Company or its designee will retain custody of the Restricted Shares during the Restriction Period as provided in Section 8.2; (iii) other than such dividends and distributions as the Committee may designate, the Company or its designee will retain custody of all distributions (“Retained Distributions”) made or declared with respect to the Restricted Shares (and such Retained Distributions will be subject to the same restrictions, terms and vesting, and other conditions as are applicable to the Restricted Shares) until such time, if ever, as the Restricted Shares with respect to which such Retained Distributions shall have been made, paid or declared shall have become vested, and such Retained Distributions shall not bear interest or be segregated in a separate account; (iv) the Holder may not sell, assign, transfer, pledge, exchange, encumber or dispose of the Restricted Shares or any Retained Distributions or such Holder’s interest in any of them during the Restriction Period; and (v) a breach of any restrictions, terms or conditions provided in the Plan or established by the Committee with respect to any Restricted Shares or Retained Distributions will cause a forfeiture of such Restricted Shares and any Retained Distributions with respect thereto.

8.4 *Grant of Restricted Stock Units* . Subject to the limitations of the Plan, the Committee shall designate those eligible Persons to be granted Awards of Restricted Stock Units, the value of which is based, in whole or in part, on the Fair Market Value of the shares of any specified series of Common Stock. Subject to the provisions of the Plan, including any rules established pursuant to Section 8.5, Awards of Restricted Stock Units shall be subject to such terms, restrictions, conditions, vesting requirements and payment rules as the Committee may determine in its discretion, which need not be identical for each Award. Such Awards may provide for the payment of cash consideration by the Person to whom such Award is granted or provide that the Award, and any shares of Common Stock to be issued in connection therewith, if applicable, shall be delivered without the payment of cash consideration; provided, however, that the issuance of any shares of Common Stock in connection with an Award of Restricted Stock Units shall be for at least the minimum consideration necessary to permit such shares to be deemed fully paid and nonassessable. The determinations made by the Committee pursuant to this Section 8.4 shall be specified in the applicable Agreement.

8.5 *Restrictions with Respect to Restricted Stock Units* . Any Award of Restricted Stock Units, including any shares of Common Stock which are part of an Award of Restricted Stock Units, may not be assigned, sold, transferred, pledged or otherwise encumbered prior to the date on which the shares are issued or, if later, the date provided by the Committee at the time of the Award. A breach of any restrictions, terms or conditions provided in the Plan or established by the Committee with respect to any Award of Restricted Stock Units will cause a forfeiture of such Restricted Stock Units and any Dividend Equivalents with respect thereto.

8.6 *Issuance of Restricted Stock Units* . Restricted Stock Units shall be issued at the beginning of the Restriction Period, shall not constitute issued and outstanding shares of the applicable series of Common Stock, and the Holder shall not have any of the rights of a stockholder with respect to the shares of Common Stock covered by such an Award of Restricted Stock Units, in each case until such shares shall have been

issued to the Holder at the end of the Restriction Period. If and to the extent that shares of Common Stock are to be issued at the end of the Restriction Period, the Holder shall be entitled to receive Dividend Equivalents with respect to the shares of Common Stock covered thereby either (i) during the Restriction Period or (ii) in accordance with the rules applicable to Retained Distributions, as the Committee may specify in the Agreement.

8.7 *Cash Payments* . In connection with any Award of Restricted Shares or Restricted Stock Units, an Agreement may provide for the payment of a cash amount to the Holder of such Awards at any time after such Awards shall have become vested. Such cash amounts shall be payable in accordance with such additional restrictions, terms and conditions as shall be prescribed by the Committee in the Agreement and shall be in addition to any other salary, incentive, bonus or other compensation payments which such Holder shall be otherwise entitled or eligible to receive from the Company.

8.8 *Completion of Restriction Period* . On the Vesting Date with respect to each Award of Restricted Shares or Restricted Stock Units and the satisfaction of any other applicable restrictions, terms and conditions, (i) all or the applicable portion of such Restricted Shares or Restricted Stock Units shall become vested, (ii) any Retained Distributions with respect to such Restricted Shares and any unpaid Dividend Equivalents with respect to such Restricted Stock Units shall become vested to the extent that the Awards related thereto shall have become vested, and (iii) any cash amount to be received by the Holder with respect to such Restricted Shares or Restricted Stock Units shall become payable, all in accordance with the terms of the applicable Agreement. Any such Restricted Shares, Restricted Stock Units, Retained Distributions and any unpaid Dividend Equivalents that shall not become vested shall be forfeited to the Company, and the Holder shall not thereafter have any rights (including dividend and voting rights) with respect to such Restricted Shares, Restricted Stock Units, Retained Distributions and any unpaid Dividend Equivalents that shall have been so forfeited. The Committee may, in its discretion, provide that the delivery of any Restricted Shares, Restricted Stock Units, Retained Distributions and unpaid Dividend Equivalents that shall have become vested, and payment of any related cash amounts that shall have become payable under this Article VIII, shall be deferred until such date or dates as the recipient may elect. Any election of a recipient pursuant to the preceding sentence shall be filed in writing with the Committee in accordance with such rules and regulations, including any deadline for the making of such an election, as the Committee may provide, and shall be made in compliance with Section 409A.

ARTCILE IX

CASH AWARDS AND PERFORMANCE AWARDS

9.1 *Cash Awards* . In addition to granting Options, SARs, Restricted Shares and Restricted Stock Units, the Committee shall, subject to the limitations of the Plan, have authority to grant to eligible Persons Cash Awards. Each Cash Award shall be subject to such terms and conditions, restrictions and contingencies, if any, as the Committee shall determine. Restrictions and contingencies limiting the right to receive a cash payment pursuant to a Cash Award shall be based upon the achievement of single or multiple Performance Objectives over a performance period established by the Committee. The determinations made by the Committee pursuant to this Section 9.1 shall be specified in the applicable Agreement.

9.2 *Designation as a Performance Award* . The Committee shall have the right to designate any Award of Options, SARs, Restricted Shares or Restricted Stock Units as a Performance Award. All Cash Awards shall be designated as Performance Awards.

9.3 *Performance Objectives* . The grant or vesting of a Performance Award shall be subject to the achievement of Performance Objectives over a performance period established by the Committee based upon one or more of the following business criteria that apply to the Holder, one or more business units, divisions, Subsidiaries, or Affiliates of the Company or the applicable sector of the Company, or the Company as a whole, and if so desired by the Committee, by comparison with a peer group of companies: increased revenue; net

income measures (including income after capital costs and income before or after taxes); stock price measures (including growth measures and total stockholder return); price per share of Common Stock; market share; earnings per share (actual or targeted growth); earnings before interest, taxes, depreciation and amortization (EBITDA); operating income before depreciation and amortization (OIBDA); recurring monthly revenue; net recurring monthly revenue; economic value added (or an equivalent metric); market value added; debt to equity ratio; cash flow measures (including cash flow return on capital, cash flow return on tangible capital, net cash flow and net cash flow before financing activities); return measures (including return on equity, return on average assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity); creation costs; operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes and production efficiency); expense measures (including overhead cost and general and administrative expense); margins; stockholder value; total stockholder return; proceeds from dispositions; total market value and corporate values measures (including ethics compliance, environmental and safety). Unless otherwise stated, such a Performance Objective need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). The Committee shall have the authority to determine whether the Performance Objectives and other terms and conditions of the Award are satisfied, and the Committee's determination as to the achievement of Performance Objectives relating to a Performance Award shall be made in writing.

9.4 *Section 162(m) of the Code* . Notwithstanding the foregoing provisions, if the Committee intends for a Performance Award to be granted and administered in a manner designed to preserve the deductibility of the compensation resulting from such Award in accordance with Section 162(m) of the Code, then the Performance Objectives for such particular Performance Award relative to the particular period of service to which the Performance Objectives relate shall be established by the Committee in writing (i) no later than 90 days after the beginning of such period and (ii) prior to the completion of 25% of such period.

9.5 *Waiver of Performance Objectives* . The Committee shall have no discretion to modify or waive the Performance Objectives or conditions to the grant or vesting of a Performance Award unless such Award is not intended to qualify as qualified performance-based compensation under Section 162(m) of the Code and the relevant Agreement provides for such discretion.

ARTICLE X

GENERAL PROVISIONS

10.1 *Acceleration of Awards* .

(a) *Death or Disability* . If a Holder's employment or service shall terminate by reason of death or Disability, notwithstanding any contrary waiting period, installment period, vesting schedule or Restriction Period in any Agreement or in the Plan, unless the applicable Agreement provides otherwise: (i) in the case of an Option or SAR, each outstanding Option or SAR granted under the Plan shall immediately become exercisable in full in respect of the aggregate number of shares covered thereby; (ii) in the case of Restricted Shares, the Restriction Period applicable to each such Award of Restricted Shares shall be deemed to have expired and all such Restricted Shares and any related Retained Distributions shall become vested and any related cash amounts payable pursuant to the applicable Agreement shall be adjusted in such manner as may be provided in the Agreement; and (iii) in the case of Restricted Stock Units, the Restriction Period applicable to each such Award of Restricted Stock Units shall be deemed to have expired and all such Restricted Stock Units and any unpaid Dividend Equivalents shall become vested and any related cash amounts payable pursuant to the applicable Agreement shall be adjusted in such manner as may be provided in the Agreement. For the avoidance of doubt, in the discretion of the Committee, an Award may provide that a Holder's

service shall be deemed to have continued for purposes of the Award while a Holder provides services to the Company, any Subsidiary, or any former affiliate of the Company or any Subsidiary.

(b) *Approved Transactions; Board Change; Control Purchase* . In the event of any Approved Transaction, Board Change or Control Purchase, notwithstanding any contrary waiting period, installment period, vesting schedule or Restriction Period in any Agreement or in the Plan, unless the applicable Agreement provides otherwise: (i) in the case of an Option or SAR, each such outstanding Option or SAR granted under the Plan shall become exercisable in full in respect of the aggregate number of shares covered thereby; (ii) in the case of Restricted Shares, the Restriction Period applicable to each such Award of Restricted Shares shall be deemed to have expired and all such Restricted Shares and any related Retained Distributions shall become vested and any related cash amounts payable pursuant to the applicable Agreement shall be adjusted in such manner as may be provided in the Agreement; and (iii) in the case of Restricted Stock Units, the Restriction Period applicable to each such Award of Restricted Stock Units shall be deemed to have expired and all such Restricted Stock Units and any unpaid Dividend Equivalents shall become vested and any related cash amounts payable pursuant to the applicable Agreement shall be adjusted in such manner as may be provided in the Agreement, in each case effective upon the Board Change or Control Purchase or immediately prior to consummation of the Approved Transaction. The effect, if any, on a Cash Award of an Approved Transaction, Board Change or Control Purchase shall be prescribed in the applicable Agreement. Notwithstanding the foregoing, unless otherwise provided in the applicable Agreement, the Committee may, in its discretion, determine that any or all outstanding Awards of any or all types granted pursuant to the Plan will not vest or become exercisable on an accelerated basis in connection with an Approved Transaction if effective provision has been made for the taking of such action which, in the opinion of the Committee, is equitable and appropriate to substitute a new Award for such Award or to assume such Award and to make such new or assumed Award, as nearly as may be practicable, equivalent to the old Award (before giving effect to any acceleration of the vesting or exercisability thereof), taking into account, to the extent applicable, the kind and amount of securities, cash or other assets into or for which the applicable series of Common Stock may be changed, converted or exchanged in connection with the Approved Transaction.

10.2 *Termination of Employment or Service* .

(a) *General* . If a Holder's employment or service shall terminate prior to an Option or SAR becoming exercisable or being exercised (or deemed exercised, as provided in Section 7.2) in full, or during the Restriction Period with respect to any Restricted Shares or any Restricted Stock Units, then such Option or SAR shall thereafter become or be exercisable, and the Holder's rights to any unvested Restricted Shares, Retained Distributions and related cash amounts and any unvested Restricted Stock Units, unpaid Dividend Equivalents and related cash amounts shall thereafter vest, in each case solely to the extent provided in the applicable Agreement; provided, however, that, unless otherwise determined by the Committee and provided in the applicable Agreement, (i) no Option or SAR may be exercised after the scheduled expiration date thereof; (ii) if the Holder's employment or service terminates by reason of death or Disability, the Option or SAR shall remain exercisable for a period of at least one year following such termination (but not later than the scheduled expiration of such Option or SAR); and (iii) any termination of the Holder's employment or service for cause will be treated in accordance with the provisions of Section 10.2(b). The effect on a Cash Award of the termination of a Holder's employment or service for any reason, other than for cause, shall be prescribed in the applicable Agreement.

(b) *Termination for Cause* . If a Holder's employment or service with the Company or a Subsidiary of the Company shall be terminated by the Company or such Subsidiary for "cause" during the Restriction Period with respect to any Restricted Shares or Restricted Stock Units or prior to any Option or SAR becoming exercisable or being exercised in full or prior to the payment in full of any Cash Award (for these purposes, "cause" shall have the meaning ascribed thereto in any employment or consulting agreement to which such Holder is a party or, in the absence thereof, shall include

insubordination, dishonesty, incompetence, moral turpitude, other misconduct of any kind and the refusal to perform such Holder's duties and responsibilities for any reason other than illness or incapacity; provided, however, that if such termination occurs within 12 months after an Approved Transaction or Control Purchase or Board Change, termination for "cause" shall mean only a felony conviction for fraud, misappropriation, or embezzlement), then, unless otherwise determined by the Committee and provided in the applicable Agreement, (i) all Options and SARs and all unpaid Cash Awards held by such Holder shall immediately terminate, and (ii) such Holder's rights to all Restricted Shares, Restricted Stock Units, Retained Distributions, any unpaid Dividend Equivalents and any related cash amounts shall be forfeited immediately

(c) *Miscellaneous* . The Committee may determine whether any given leave of absence constitutes a termination of employment or service; provided, however, that for purposes of the Plan, (i) a leave of absence, duly authorized in writing by the Company for military service or sickness, or for any other purpose approved by the Company if the period of such leave does not exceed 90 days, and (ii) a leave of absence in excess of 90 days, duly authorized in writing by the Company provided the employee's right to reemployment is guaranteed either by statute or contract, shall not be deemed a termination of employment. Unless otherwise determined by the Committee and provided in the applicable Agreement, Awards made under the Plan shall not be affected by any change of employment or service so long as the Holder continues to be an employee, Nonemployee Director or independent contractor of the Company.

10.3 *Right of Company to Terminate Employment or Service* . Nothing contained in the Plan or in any Award, and no action of the Company or the Committee with respect thereto, shall confer or be construed to confer on any Holder any right to continue in the employ or service of the Company or any of its Subsidiaries or interfere in any way with the right of the Company or any Subsidiary of the Company to terminate the employment or service of the Holder at any time, with or without cause, subject, however, to the provisions of any employment or consulting agreement between the Holder and the Company or any Subsidiary of the Company, or in the case of a Nonemployee Director, to the charter and bylaws, as the same may be in effect from time to time.

10.4 *Prohibition on Repricing of Awards* . Except for adjustments made pursuant to Section 4.2, in no event will the Committee, without first obtaining approval by the majority of the shareholders of the Company, (i) decrease the purchase price of an Option or SAR after the date of grant; (ii) accept for surrender to the Company any outstanding Option or SAR granted under this Plan as consideration for the grant of a new Award; or (iii) grant any Option or SAR that contains a so-called "reload" feature under which additional Options, SARs or other Awards are granted automatically to the Holder upon exercise of the original Option or SAR.

10.5 *Nonalienation of Benefits* . Except as set forth herein, no right or benefit under the Plan shall be subject to anticipation, alienation, sale, assignment, hypothecation, pledge, exchange, transfer, garnishment, encumbrance or charge, and any attempt to anticipate, alienate, sell, assign, hypothecate, pledge, exchange, transfer, garnish, encumber or charge the same shall be void. No right or benefit hereunder shall in any manner be liable for or subject to the debts, contracts, liabilities or torts of the Person entitled to such benefits.

10.6 *Written Agreement* . Each Award under the Plan shall be evidenced by a written agreement, in such form as the Committee shall approve from time to time in its discretion, specifying the terms and provisions of such Award which may not be inconsistent with the provisions of the Plan; provided, however, that if more than one type of Award is made to the same Holder, such Awards may be evidenced by a single Agreement with such Holder. Each grantee of an Option, SAR, Restricted Shares, Restricted Stock Units or Performance Award (including a Cash Award) shall be notified promptly of such grant, and a written Agreement shall be promptly delivered by the Company. Any such written Agreement may contain (but shall not be required to contain) such provisions as the Committee deems appropriate to insure that the penalty provisions of Section 4999 of the Code will not apply to any stock or cash received by the Holder from the Company.

Any such Agreement may be supplemented or amended from time to time as approved by the Committee as contemplated by Section 10.7(b).

10.7 *Designation of Beneficiaries* . Each Person who shall be granted an Award under the Plan may designate a beneficiary or beneficiaries and may change such designation from time to time by filing a written designation of beneficiary or beneficiaries with the Committee on a form to be prescribed by it, provided that no such designation shall be effective unless so filed prior to the death of such Person

10.8 *Nontransferability* . Unless otherwise determined by the Committee and expressly provided for in an Agreement, Awards are not transferable (either voluntarily or involuntarily), before or after a Holder's death, except as follows: (a) during the Holder's lifetime, pursuant to a Domestic Relations Order, issued by a court of competent jurisdiction, that is not contrary to the terms and conditions of the Plan or any applicable Agreement, and in a form acceptable to the Committee; or (b) after the Holder's death, by beneficiary designation as provided in Section 10.7. Any person to whom Awards are transferred in accordance with the provisions of the preceding sentence shall take such Awards subject to all of the terms and conditions of the Plan and any applicable Agreement.

10.9 *Termination and Amendment* .

(a) *General* . Unless the Plan shall theretofore have been terminated as hereinafter provided, no Awards may be made under the Plan on or after the fifth anniversary of the Effective Date. The Plan may be terminated at any time prior to such date and may, from time to time, be suspended or discontinued or modified or amended if such action is deemed advisable by the Committee.

(b) *Modification* . No termination, modification or amendment of the Plan may, without the consent of the Person to whom any Award shall theretofore have been granted, adversely affect the rights of such Person with respect to such Award. No modification, extension, renewal or other change in any Award granted under the Plan shall be made after the grant of such Award, unless the same is consistent with the provisions of the Plan. With the consent of the Holder and subject to the terms and conditions of the Plan (including Section 10.7(a)), the Committee may amend outstanding Agreements with any Holder, including any amendment which would (i) accelerate the time or times at which the Award may be exercised and/or (ii) extend the scheduled expiration date of the Award. Without limiting the generality of the foregoing, the Committee may, but solely with the Holder's consent unless otherwise provided in the Agreement and subject to the prohibition on repricing contained in Section 10.4, agree to cancel any Award under the Plan and grant a new Award in substitution therefor, provided that the Award so substituted shall satisfy all of the requirements of the Plan as of the date such new Award is made. Nothing contained in the foregoing provisions of this Section 10.7(b) shall be construed to prevent the Committee from providing in any Agreement that the rights of the Holder with respect to the Award evidenced thereby shall be subject to such rules and regulations as the Committee may, subject to the express provisions of the Plan, adopt from time to time or impair the enforceability of any such provision.

10.10 *Government and Other Regulations* . The obligation of the Company with respect to Awards shall be subject to all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including the effectiveness of any registration statement required under the Securities Act of 1933, and the rules and regulations of any securities exchange or association on which the Common Stock may be listed or quoted. For so long as any series of Common Stock are registered under the Exchange Act, the Company shall use its reasonable efforts to comply with any legal requirements (i) to maintain a registration statement in effect under the Securities Act of 1933 with respect to all shares of the applicable series of Common Stock that may be issuable, from time to time, to Holders under the Plan and (ii) to file in a timely manner all reports required to be filed by it under the Exchange Act. In addition to its other powers hereunder, the Committee has the authority to suspend (i) the exercise of Options or SARs and (ii) any other transactions under the Plan as it deems necessary or appropriate for administrative reasons.

10.11 *Withholding* . The Company's obligation to deliver shares of Common Stock or pay cash in respect of any Award under the Plan shall be subject to applicable federal, state and local tax withholding requirements. Federal, state and local withholding tax due at the time of an Award, upon the exercise of any Option or SAR or upon the vesting of, or expiration of restrictions with respect to, Restricted Shares or Restricted Stock Units or the satisfaction of the Performance Objectives applicable to a Performance Award, as appropriate, may, in the discretion of the Committee, be paid in shares of Common Stock already owned by the Holder or through the withholding of shares otherwise issuable to such Holder, upon such terms and conditions (including the conditions referenced in Section 6.5) as the Committee shall determine. If the Holder shall fail to pay, or make arrangements satisfactory to the Committee for the payment to the Company of, all such federal, state and local taxes required to be withheld by the Company, then the Company shall, to the extent permitted by law, have the right to deduct from any payment of any kind otherwise due to such Holder an amount equal to any federal, state or local taxes of any kind required to be withheld by the Company with respect to such Award.

10.12 *Clawback Policy* . Notwithstanding any other provisions in this Plan, any Award shall be subject to recovery or clawback by the Company under any clawback policy adopted by the Company whether before or after the date of grant the Award.

10.13 *Nonexclusivity of the Plan* . The adoption of the Plan by the Board shall not be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including the granting of stock options and the awarding of stock and cash otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

10.14 *Exclusion from Other Plans* . By acceptance of an Award, unless otherwise provided in the applicable Agreement, each Holder shall be deemed to have agreed that such Award is special incentive compensation that will not be taken into account, in any manner, as salary, compensation or bonus in determining the amount of any payment under any pension, retirement or other employee benefit plan, program or policy of the Company or any Subsidiary of the Company. In addition, each beneficiary of a deceased Holder shall be deemed to have agreed that such Award will not affect the amount of any life insurance coverage, if any, provided by the Company on the life of the Holder which is payable to such beneficiary under any life insurance plan of the Company or any Subsidiary of the Company.

10.15 *Unfunded Plan* . Neither the Company nor any Subsidiary of the Company shall be required to segregate any cash or any shares of Common Stock which may at any time be represented by Awards, and the Plan shall constitute an "unfunded" plan of the Company. Except as provided in Article VIII with respect to Awards of Restricted Shares and except as expressly set forth in an Agreement, no Holder shall have voting or other rights with respect to the shares of Common Stock covered by an Award prior to the delivery of such shares. Neither the Company nor any Subsidiary of the Company shall, by any provisions of the Plan, be deemed to be a trustee of any shares of Common Stock or any other property, and the liabilities of the Company and any Subsidiary of the Company to any Holder pursuant to the Plan shall be those of a debtor pursuant to such contract obligations as are created by or pursuant to the Plan, and the rights of any Holder, former service provider or beneficiary under the Plan shall be limited to those of a general creditor of the Company or the applicable Subsidiary of the Company, as the case may be. In its sole discretion, the Board may authorize the creation of trusts or other arrangements to meet the obligations of the Company under the Plan, provided, however, that the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

10.16 *Governing Law* . The Plan shall be governed by, and construed in accordance with, the laws of the State of Delaware.

10.17 *Accounts* . The delivery of any shares of Common Stock and the payment of any amount in respect of an Award shall be for the account of the Company or the applicable Subsidiary of the Company, as the case may be, and any such delivery or payment shall not be made until the recipient shall have paid or

made satisfactory arrangements for the payment of any applicable withholding taxes as provided in Section 10.9.

10.18 *Legends* . Any statement of ownership evidencing shares of Common Stock subject to an Award shall bear such legends as the Committee deems necessary or appropriate to reflect or refer to any terms, conditions or restrictions of the Award applicable to such shares, including any to the effect that the shares represented thereby may not be disposed of unless the Company has received an opinion of counsel, acceptable to the Company, that such disposition will not violate any federal or state securities laws.

10.19 *Company's Rights* . The grant of Awards pursuant to the Plan shall not affect in any way the right or power of the Company to make reclassifications, reorganizations or other changes of or to its capital or business structure or to merge, consolidate, liquidate, sell or otherwise dispose of all or any part of its business or assets.

10.20 *Section 409A* . The Plan and the Awards made hereunder are intended to be (i) "stock rights" exempt from Section 409A of the Code ("Section 409A") pursuant to Treasury Regulations § 1.409A-1(b)(5), (ii) "short-term deferrals" exempt from Section 409A or (iii) payments which are deferred compensation and paid in compliance with Section 409A, and the Plan and each Agreement shall be interpreted and administered accordingly. Any adjustments of Awards intended to be "stock rights" exempt from Section 409A pursuant to Treasury Regulations § 1.409A-1(b)(5) shall be conducted in a manner so as not to constitute a grant of a new stock right or a change in the time and form of payment pursuant to Treasury Regulations § 1.409A-1(b)(5)(v). In the event an Award is not exempt from Section 409A, (x) payment pursuant to the relevant Agreement shall be made only on a permissible payment event or at a specified time in compliance with Section 409A, (y) no accelerated payment shall be made pursuant to Section 10.1(b) unless the Board Change, Approved Transaction or Control Purchase constitutes a "change in control event" under Treasury Regulations § 1.409A-3(i)(5) or otherwise constitutes a permissible payment event under Section 409A and (z) no amendment or modification of such Award may be made except in compliance with the anti-deferral and anti-acceleration provisions of Section 409A. No deferrals of compensation otherwise payable under the Plan or any Award shall be allowed, whether at the discretion of the Company or the Holder, except in a manner consistent with the requirements of Section 409A. If a Holder is identified by the Company as a "specified employee" within the meaning of Code Section 409A(a)(2)(B)(i) on the date on which such Holder has a "separation from service" (other than due to death) within the meaning of Treasury Regulation § 1.409A-1(h), any Award payable or settled on account of a separation from service that is deferred compensation subject to Code Section 409A shall be paid or settled on the earliest of (1) the first business day following the expiration of six months from the Holder's separation from service, (2) the date of the Holder's death, or (3) such earlier date as complies with the requirements of Code Section 409A.
