MTBC Names Office Manager of the Year for 2016

Award recognizes best practices, effective use of MTBC's integrated health care technologies

SOMERSET, NJ -- (Marketwired) -- 01/05/17 -- MTBC (NASDAQ: MTBC) (NASDAQ: MTBCP), a leading provider of proprietary web-based electronic health records, is proud to announce Baqar Naqvi from Progressive Medical Care, LLC as the Office Manager of The Year for 2016. Progressive Medical Care is a Maryland-based family practice that for the last three years has employed MTBC's integrated EHR, practice management and billing services.

Each month, MTBC recognizes the efforts of office managers of the Company's client practices who go the extra mile to ensure their practices perform exceptionally well and make best use of MTBC's WebEHR and practice management platforms. At the end of the year, MTBC utilizes specific criteria applied over the course of 12 months to determine the Office Manager of the Year.

Each practice is assigned a technology score based on how effectively it is using MTBC's integrated health care technologies. Under the management of Naqvi, Progressive Medical Care has consistently received an 'Excellent' technology rating, also resulting in substantial growth (100% since January 2014) in the practice's collections.

Loraine Goetcsch, Division President at MTBC, congratulates Naqvi, saying, "Because of enthused practice managers like Baqar who are invested in our technologies, we have managed to continually evolve our platforms by adding new and useful features. Over the years we've recognized the zeal and dedication of over 150 exceptional office managers."

Among many of the best practices instituted by Naqvi, he has ensured that all claims are generated electronically, that all providers are actively using MTBC's patient engagement tools, and that all tests are ordered utilizing the integrated LAB interfaces.

Office Managers of The Year are awarded cash bonuses of \$1,000 and other incentives.

About MTBC

Medical Transcription Billing, Corp. is a health care information technology company that provides a fully integrated suite of proprietary web-based solutions, together with related business services, to health care providers throughout the United States. This press release is for information purposes only, and does not constitute an offer to sell or solicitation of an offer to buy, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction.

Forward-Looking Statements

This press release contains various forward-looking statements within the meaning of the federal securities laws. These statements relate to anticipated future events, future results of operations or future financial performance. In some cases, you can identify forward-looking statements by terminology such as "may," "might," "will," "should," "intends," "expects," "plans," "goals," "projects," "anticipates," "believes," "estimates," "predicts," "potential," or "continue" or the negative of these terms or other comparable terminology.

Our operations involve risks and uncertainties, many of which are outside our control, and any one of which, or a

combination of which, could materially affect our results of operations and whether the forward-looking statements ultimately prove to be correct. Forward-looking statements in this press release include, without limitation, statements reflecting management's expectations for future financial performance and operating expenditures, expected growth, profitability and business outlook, increased sales and marketing expenses, and the expected results from the integration of our acquisitions.

These forward-looking statements are only predictions, are uncertain and involve substantial known and unknown risks, uncertainties and other factors which may cause our (or our industry's) actual results, levels of activity or performance to be materially different from any future results, levels of activity or performance expressed or implied by these forward-looking statements. New risks and uncertainties emerge from time to time, and it is not possible for us to predict all of the risks and uncertainties that could have an impact on the forward-looking statements, including without limitation, risks and uncertainties relating to: the Company's ability to manage growth; integrate acquisitions; effectively migrate and keep newly acquired customers and other important risks and uncertainties referenced and discussed under the heading titled "Risk Factors" in the Company's filings with the Securities and Exchange Commission.

The statements in this press release are made as of the date of this press release, even if subsequently made available by the Company on its website or otherwise. The Company does not assume any obligations to update the forward-looking statements provided to reflect events that occur or circumstances that exist after the date on which they were made.
