## **Zosano Pharma to Host Conference Call on First Quarter 2017 Financial Results and Provide Operational Update**

FREMONT, Calif., May 08, 2017 (GLOBE NEWSWIRE) -- Zosano Pharma Corporation (NASDAQ:ZSAN), an emerging central nervous system company focused on providing symptom relief to patients using the Company's proprietary intracutaneous delivery system, today announced that it will host a conference call and webcast to be held on Tuesday, May 9, 2017 at 4:30PM ET. At this time, management will discuss results for the first quarter of 2017 and provide an operational update for the remainder of the year. The Company will announce its financial results for this period in a press release to be issued prior to the call.

To access the live webcast, please visit the Investor Relations page of the Zosano Pharma website at <http://ir.zosanopharma.com/events.cfm>. Alternatively, you may access the live conference call by dialing 844-379-5311 (U.S.) or 209-905-5963 (international). The conference ID number is 20357798.

A replay will be available on the company's website approximately three hours after the call and available through May 22, 2017.

### **About Zosano Pharma**

Zosano Pharma Corporation is an emerging CNS company focusing on providing rapid symptom relief to patients using known therapeutics and altering their delivery profile using the Company's proprietary intracutaneous delivery system. The Company's goal is to make intracutaneous drug delivery a standard of care for delivering drugs requiring fast onset of action. Zosano Pharma has developed its proprietary intracutaneous delivery system to administer proprietary formulations of existing drugs through the skin for the treatment of a variety of indications. The Company believes that its intracutaneous delivery system offers rapid and consistent drug delivery combined with ease of use. The Company is focused on developing products that deliver established molecules with known safety and efficacy profiles for markets where patients remain underserved by existing therapies. Zosano Pharma anticipates that many of its current and future development programs may enable the Company to utilize a regulatory pathway that would streamline clinical development and accelerate the path towards commercialization. ### **Forward-Looking Statements**

This press release contains forward-looking statements regarding the timing of expected clinical development milestones, sufficiency of our capital resources and need for future funding and other future events and expectations. Readers are urged to consider statements that include the words "may," "will," "would," "could," "should," "might," "believes," "estimates," "projects," "potential," "expects," "plans," "anticipates," "intends," "continues," "forecast," "designed," "goal," "unaudited," "approximately" or the negative of those words or other comparable words to be uncertain and forward-looking. These statements are subject to risks and uncertainties that are difficult to predict and actual outcomes may differ materially. These include risks and uncertainties, without limitation, associated with the process of discovering, developing and commercializing products that are safe and effective for use as human therapeutics, risks inherent in the effort to build a business around such products and other risks and uncertainties described under the heading "Risk Factors" in the Company's most recent annual report on Form 10-K.. Although we believe that the expectations reflected in these forward-looking statements are reasonable, we cannot in any way guarantee that the future results, level of activity, performance or events and circumstances reflected in forward-looking statements will be achieved or occur. All forward-looking statements are based on information currently available to Zosano and Zosano assumes no obligation to update any such forward-looking statements.
