## Zosano Announces Closing of Public Offering of Common Stock and Exercise of Underwriters' Over-Allotment Option

FREMONT, Calif., March 22, 2017 (GLOBE NEWSWIRE) -- Zosano Pharma Corporation (NASDAQ:ZSAN), an emerging CNS company focusing on developing an acute migraine treatment with a differentiated efficacy profile using the Company's proprietary transdermal delivery system, today announced the closing of the previously announced public offering of 19,550,000 shares of its common stock at a price of \$1.50 per share, which includes the exercise in full by the underwriters of their over-allotment option to purchase up to 2,550,000 additional shares of common stock.

The gross proceeds to Zosano from this offering are approximately \$29.3 million, before deducting underwriting discounts and commissions and estimated offering expenses payable by Zosano. Zosano intends to use the net proceeds of the proposed offering to fund the manufacture of its lead product candidate, M207, in sufficient quantities to support its long term safety study and associated regulatory activities necessary to file for product approval, and to fund a portion of the long term safety study itself.

Piper Jaffray & Co. and Guggenheim Securities, LLC acted as joint book-running managers for the offering.

The offering was made by Zosano pursuant to a registration statement on Form S-1 previously filed with the Securities and Exchange Commission (the "SEC") on March 2, 2017, as amended on March 13, 2017, and declared effective by the SEC on March 17, 2017 and a related free writing prospectus filed on March 17, 2017. A final prospectus related to the offering has been filed with the SEC and is available on the website of the SEC at [www.sec.gov](http://www.sec.gov). A copy of the final prospectus may be obtained from Piper Jaffray & Co. at 800 Nicollet Mall, J12S03, Minneapolis, MN 55402, Attention: Prospectus Department, or by calling (800) 747-3924, or by emailing [prospectus@pjc.com](mailto:prospectus@pjc.com) or by contacting Guggenheim Securities, LLC, Attention: Equity Syndicate Department, 330 Madison, 8th Floor, New York, NY 10017, or by telephone at (212) 518-9658, or by email to [GSEquityProspectusDelivery@guggenheimpartners.com](mailto:GSEquityProspectusDelivery@guggenheimpartners.com).

### About Zosano Pharma

Zosano Pharma Corporation is an emerging CNS company focusing on providing rapid symptom relief to patients using known therapeutics and altering their delivery profile using the Company's proprietary transdermal delivery system. The Company's goal is to make transdermal drug delivery a standard of care for delivering drugs requiring fast onset of action. Zosano Pharma has developed its proprietary transdermal delivery system to administer novel formulations of existing drugs through the skin for the treatment of a variety of indications. The Company believes that its transdermal delivery system offers rapid and consistent drug delivery combined with ease of use. The Company is focused on developing products that deliver established molecules with known safety and efficacy profiles for markets where patients remain underserved by existing therapies. Zosano Pharma anticipates that many of its current and future development programs may enable the Company to utilize a regulatory pathway that would streamline clinical development and accelerate the path towards commercialization.
