- any other business properly presented at the meeting.

This Proxy Solicitation

We have sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the meeting (including any adjournment or postponement of the meeting).

- *This proxy statement* summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.
- *The proxy card* is the means by which you actually authorize another person to vote your shares at the meeting in accordance with your instructions.

We will pay the cost of soliciting proxies. Our directors, officers and employees may solicit proxies in person, by telephone or by other means. We will reimburse brokers and other nominee holders of shares for expenses they incur in forwarding proxy materials to the beneficial owners of those shares. We do not plan to retain the services of a proxy solicitation firm to assist us in this solicitation.

We will mail this proxy statement and the enclosed proxy card to stockholders for the first time on or about October 9, 2015. In this mailing, we will include a copy of our 2014 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the year ended December 31, 2014 (excluding exhibits), as filed with the Securities and Exchange Commission, or SEC.

Who May Vote

Holders of record of our common stock at the close of business on September 25, 2015 are entitled to one vote per share of common stock on each proposal properly brought before the annual meeting.

A list of stockholders entitled to vote will be available at the annual meeting. In addition, you may contact our Chief Financial Officer, Winnie W. Tso, at our principal executive offices located at 34790 Ardentech Court, Fremont, California 94555, to make arrangements to review a copy of the stockholder list at those offices, between the hours of 9:00 a.m. and 5:30 p.m., Pacific time, on any business day from October 9, 2015 to the time of the annual meeting.

How to Vote

You are entitled to one vote at the meeting for each share of common stock registered in your name at the close of business on September 25, 2015, the record date for the meeting. You may vote your shares at the meeting in person, by proxy or via the internet or the toll-free number (for residents of the United States and Canada) listed on your proxy card.

- *To vote in person* , you must attend the meeting, and then complete and submit the ballot provided at the meeting.
- *To vote by proxy* , you must complete and return the enclosed proxy card. Your proxy card will be valid only if you sign, date and return it before the meeting. By completing and returning the proxy card, you will direct the persons named on the proxy card to vote your shares at the meeting in the manner you specify. If you complete all of the proxy card except the voting instructions, then the designated persons will vote your shares FOR the reelection of each of Dr. Daddona and Mr. Lamba as a Class I director and FOR the ratification of our independent registered public accounting firm. If any other business properly comes before the meeting, then the designated persons will have the discretion to vote in any manner they deem appropriate.
- *To vote via the internet*, you must access the website for internet voting at www.envisionreports.com/ZSAN . Please have the enclosed proxy card handy when you access the website, and then follow the on-screen instructions. Internet voting facilities for stockholders of record will be available 24 hours a day until 1:00 a.m. (Central time) on November 13, 2015. If you vote via the internet, you do not have to return your proxy card via mail.
- *To vote via telephone* , use any touch-tone telephone and call 1-800-652-VOTE (8683) to transmit your voting instructions up until 1:00 a.m. (Central time) on November 13, 2015. Please have the enclosed proxy card handy when you call, and then follow the instructions. If you vote via telephone, you do not have to return your proxy card via mail.

If you vote by proxy or via the internet or telephone, you may revoke your vote at any time before it is exercised by taking one of the following actions:

- sending written notice to our Secretary at our address set forth on the notice of meeting appearing on the cover of this proxy statement;
- voting again by proxy or via the internet or telephone on a later date; or
- attending the meeting, notifying our Secretary that you are present, and then voting in person.

Shares Held by Brokers or Nominees

If the shares you own are held in “street name” by a brokerage firm, your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your brokerage firm provides to you. Many brokers also offer the option of providing voting instructions to them over the internet or by telephone, directions for which would be provided by your brokerage firm on your voting instruction form.

Under stock exchange rules applicable to most brokerage firms, if you do not give instructions to your broker, it is permitted to vote any shares it holds for your account in its discretion with respect to “routine” proposals, but it is not allowed to vote your shares with respect to certain non-routine proposals. **Proposal 1, regarding the election of directors, is a “non-routine” proposal. If you do not instruct your broker how to vote with respect to Proposal 1, your broker will not vote on it and your shares will be recorded as “broker non-votes” and will not affect the outcome of the vote on Proposal 1 .** “Broker non-votes” are shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that, while voting in its discretion on one matter, it does not have or did not exercise discretionary authority to vote on another matter.

[Table of Contents](#)

Proposal 2, the ratification of Marcum LLP as our independent registered public accounting firm, is considered to be a “routine” item under the applicable rules and your broker will be able to vote on that item even if it does not receive instructions from you, so long as it holds your shares in its name.

If a broker or nominee holds shares of our common stock in “street name” for your account, then this proxy statement may have been forwarded to you with a voting instruction card, which allows you to instruct the broker or nominee how to vote your shares on the proposals described herein. To vote by proxy or to instruct your broker how to vote, you should follow the directions provided with the voting instruction card. **In order to have your vote counted on Proposal 1, you must either provide timely voting instructions to your broker or obtain a properly executed proxy from the broker or other record holder of the shares that authorizes you to act on behalf of the record holder with respect to the shares held for your account.**

Quorum Required to Transact Business

At the close of business on September 25, 2015, 11,966,958 shares of our common stock were outstanding. Our Bylaws require that a majority of the outstanding shares of our common stock be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business at the meeting. We will count abstentions and broker non-votes as shares represented at the meeting in determining whether a quorum exists.

Multiple Stockholders Sharing the Same Address

If you and other residents at your mailing address own shares of common stock through a broker or other nominee, you may have elected to receive only one copy of this proxy statement and our 2014 Annual Report to Stockholders. If you and other residents at your mailing address own shares of common stock in your own names, you may have received only one copy of this proxy statement and our 2014 Annual Report to Stockholders, unless you provided our transfer agent with contrary instructions.

This practice, known as “householding,” is designed to reduce our printing and postage costs. You may promptly obtain an additional copy of this proxy statement, enclosed proxy card and our 2014 Annual Report to Stockholders by sending a written request to Zosano Pharma Corporation, attention: Winnie W. Tso, Chief Financial Officer, 34790 Ardentech Court, Fremont, California 94555, or by calling Ms. Tso at (510) 745-1200. If you hold your shares through a broker or other nominee and wish to discontinue householding or to change your householding election, you may do so by contacting your broker or by calling (800) 542-1061 or writing to Broadridge Financial Solutions, 51 Mercedes Way, Edgewood, NY 11717. If you hold shares in your own name and wish to discontinue householding or change your householding election, you may do so by calling (877) 373-6374 or writing to Computershare Investor Services at P.O. Box. 30170, College Station, TX 77842.

PROPOSAL 1: ELECTION OF DIRECTORS

The first proposal on the agenda for the annual meeting is the re-election of Peter Daddona, Ph.D. and Vikram Lamba, to serve as Class I directors.

Our Board of Directors is divided into three classes:

- Dr. Daddona and Mr. Lamba are Class I directors whose terms end at our annual meeting of stockholders in 2015;
- M. James Barrett, Ph.D. and Bruce Steel are Class II directors whose terms end at our annual meeting of stockholders in 2016; and
- Joseph “Jay” P. Hagan, Troy Wilson, Ph.D., J.D. and Kleanthis G. Xanthopoulos, Ph.D. are Class III directors whose terms end at our annual meeting of stockholders in 2017.

At each annual meeting of stockholders, a Class of directors is elected for a three-year term to succeed the directors of the same Class whose terms are then expiring. The term of each Class I director elected at our 2015 annual meeting of stockholders will begin at the meeting and end at our 2018 annual meeting of stockholders, or, if later, when the director’s successor has been elected and has qualified.

The rules of The NASDAQ Stock Market require that a majority of our Board of Directors must consist of independent directors by no later than January 26, 2016. Because Dr. Daddona serves as an executive officer of Zosano, he does not qualify as an independent director. If he is re-elected as a Class I director at the annual meeting, Dr. Daddona intends to resign from his position as a Class I director on or before January 26, 2016, by which time our Board of Directors expects to have identified and appointed an additional well-qualified individual to serve as an independent director.

The following table sets forth certain information as of October 1, 2015 regarding our Class I directors, each of whom has been nominated for re-election, and each other director who will continue in office following the 2015 Annual Meeting of Stockholders.

M. James Barrett, Ph.D. has served as a member of our Board of Directors since April 2012. Dr. Barrett served as a member of the Board of Directors of ZP Opco, Inc. (then named Zosano Pharma, Inc.) from October 2006 until April 2012, when ZP Opco, Inc. was recapitalized and became a wholly owned subsidiary of Zosano Pharma Corporation. Dr. Barrett is a Partner Emeritus with New Enterprise Associates, or NEA, where he originally joined as a General Partner in 2001. Dr. Barrett specializes in biotechnology and works with members of NEA's healthcare investment group on medical devices, healthcare information systems and healthcare services companies. We believe that Dr. Wilson's senior executive experience managing, leading and developing various biopharmaceutical companies and his extensive industry knowledge and board-level experience in the biopharmaceutical industry qualify him to serve as a member of our Board of Directors.

An Onassis Foundation scholar, Dr. Xanthopoulos received his B.Sc. in Biology with honors from Aristotle University of Thessaloniki, Greece, and received both his M.Sc. in Microbiology and Ph.D. in Molecular Biology from the University of Stockholm, Sweden. We believe that Dr. Xanthopoulos's senior executive experience managing and developing a major biotechnology company and his extensive industry knowledge and leadership experience in the biotechnology industry qualify him to serve as a member of our Board of Directors.

If for any reason any of the nominees becomes unavailable for election, the persons designated in the proxy card may vote the shares represented by proxy for the election of a substitute nominated by the Board of Directors. Each nominee has consented to serve as a director if elected, and we currently have no reason to believe that any of them will be unable to serve.

The two nominees receiving the greatest numbers of votes cast will be elected as Class I directors. **Brokers may not vote shares they hold for you in the election of directors, unless they receive timely voting instructions from you** . We will not count abstentions or broker non-votes as having been cast for the election of a director.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RE-ELECTION OF DR. DADDONA AND MR. LAMBA AS CLASS I DIRECTORS.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Marcum LLP currently serves as our independent registered public accounting firm and audited our financial statements for our fiscal year ended December 31, 2014. The Audit Committee of our Board of Directors has retained Marcum LLP as our independent registered public accounting firm to audit our financial statements for our fiscal year ending December 31, 2015.

Our Audit Committee is responsible for selecting and appointing our independent registered public accounting firm, and this appointment is not required to be ratified by our stockholders. However, our Audit Committee has recommended that the Board of Directors submit this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to ratify the appointment, then the Audit Committee will reconsider whether to retain Marcum LLP, and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Zosano Pharma and our stockholders.

In order to pass, this proposal must receive a majority of the votes cast with respect to this matter. We will not count abstentions or broker non-votes as votes cast.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF MARCUM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.

INFORMATION ABOUT OUR BOARD OF DIRECTORS AND MANAGEMENT

Board Composition

Our Board of Directors currently consists of seven members, four of whom were elected as directors pursuant to a stockholders agreement that we entered into with certain holders of our common stock prior to our initial public offering. The stockholders agreement terminated upon the closing of our initial public offering in January 2015, and there are no contractual obligations regarding the election of our directors. Each of our directors holds office until the director's successor has been elected and qualified or until the director's earlier death, resignation or removal.

Our Certificate of Incorporation and our Bylaws provide that the authorized number of directors may be changed only by resolution adopted by a majority of the authorized number of directors constituting the Board of Directors. Our Certificate of Incorporation and Bylaws also provide that a director may be removed only for cause by the affirmative vote of the holders of at least 66-2/3% of the votes that all our stockholders would be entitled to cast in an annual election of directors, and that any vacancy on our Board of Directors, including a vacancy resulting from an increase in the authorized number of directors constituting the Board of Directors, may be filled only by vote of a majority of our directors then in office.

In accordance with the terms of our Certificate of Incorporation and Bylaws, our Board of Directors is divided into three classes, designated as Class I, Class II and Class III, with members of each Class serving staggered three-year terms, divided as follows:

- the Class I directors are Dr. Daddona and Mr. Lamba, whose terms will expire at our 2015 Annual Meeting of Stockholders;
- the Class II directors are Dr. Barrett and Mr. Steel, whose terms will expire at the annual meeting of stockholders to be held in 2016; and
- the Class III directors are Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos, whose terms will expire at the annual meeting of stockholders to be held in 2017.

Upon the expiration of the term of a Class of directors, directors in that Class are eligible, if nominated, to be elected for a new three-year term at the annual meeting of stockholders in the year in which their term expires.

Our common stock is listed on The NASDAQ Capital Market tier of The NASDAQ Stock Market. Under the rules of The NASDAQ Stock Market, independent directors must comprise a majority of a listed company's board of directors within 12 months from the date of listing in connection with the company's initial public offering. In addition, the rules of The NASDAQ Stock Market require that (i) on the date of listing in connection with a company's initial public offering, at least one member of each of the listed company's audit, compensation, and nominating and corporate governance committees be independent, (ii) within 90 days of the date of listing in connection with the company's initial public offering, a majority of the members of such committees be independent and (iii) within one year of the date of listing in connection with the company's initial public offering, all the members of such committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Under the rules of The NASDAQ Stock Market, a director will only qualify as an "independent director" if, in the opinion of the company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered to be independent for purposes of Rule 10A-3 under the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (1) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries or (2) be an affiliated person of the listed company or any of its subsidiaries.

[Table of Contents](#)

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that each of Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos is an “independent director” as defined under Rule 5605(a)(2) of the NASDAQ Listing Rules, and that each of Dr. Barrett, Dr. Daddona, Mr. Lamba and Mr. Steel is not an “independent director.” In making this determination, our Board of Directors considered the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining the independence of such directors, including the beneficial ownership of our capital stock by each non-employee director and by entities with which each non-employee director is associated. We are actively seeking to identify one or more additional well-qualified individuals to serve as independent directors with the goal of adding such additional independent director(s) no later than January 26, 2016, the one-year anniversary of the date of listing of our common stock on The NASDAQ Capital Market in connection with our initial public offering. We also intend to comply with the requirement that all the members of our Audit, Compensation, and Nominating and Corporate Governance Committees be independent no later than January 26, 2016.

Board Role in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Chief Executive Officer is responsible for setting the strategic direction for our company and the day-to-day leadership and performance of the company, while our Chairman, who is not an executive officer or employee of our company, facilitates communications between the Board and the Chief Executive Officer and discussion among the independent directors and presides over meetings of the Board and stockholders. Our non-employee directors meet in executive session on a regular basis, without management present, with our Chairman presiding, and our independent directors also meet in executive session on a regular basis, without management and without Mr. Steel and Dr. Barrett present.

Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance practices, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these committees, which are the only standing committees of our Board of Directors, operates under a charter that has been approved by our Board of Directors. A current copy of the charter for each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee is available on our website, which is located at www.zosanopharma.com, under “Investors—Corporate Governance.”

Audit Committee. The current members of our Audit Committee are Mr. Hagan, Mr. Steel, Dr. Wilson and Dr. Xanthopoulos. Our Board of Directors has determined that each of Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos satisfies The NASDAQ Stock Market independence standards and the independence standards of Rule 10A-3(b)(1) under the Exchange Act. Mr. Steel is not independent by reason of his affiliations with BMV Direct SOTRS LP and BMV Direct SO LP, two of our stockholders, but our Board of Directors appointed

[Table of Contents](#)

Mr. Steel to the Audit Committee at a time when we had fewer than three independent directors. We are availing ourselves of the exemption contained in Rule 10A-3(b)(1)(iv)(A) under the Exchange Act from the independence standards of Rule 10A-3(b)(1) with respect to Mr. Steel, and we believe that such reliance does not materially adversely affect the ability of the Audit Committee to act independently and to satisfy the other requirements of Rule 10A-3 under the Exchange Act in this proxy statement or in any other proxy or information statement for a meeting of stockholders at which directors are elected that is filed with the SEC pursuant to the requirements of Section 14 of the Exchange Act. We intend for our Audit Committee to be comprised entirely of independent directors no later than January 26, 2016. Each of the members of our Audit Committee meets the requirements for financial literacy under applicable rules and regulations of the SEC and The NASDAQ Stock Market. The Board of Directors has also determined that Mr. Hagan qualifies as an “audit committee financial expert,” as defined by applicable rules of The NASDAQ Stock Market and the SEC.

The Audit Committee assists our Board of Directors in its oversight of:

- the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- the qualifications and independence of our independent registered public accounting firm; and
- the performance of our independent registered public accounting firm.

The Audit Committee has direct responsibility for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm. The Audit Committee establishes and implements policies and procedures for the pre-approval of all audit services and all permissible non-audit services provided by our independent registered public accounting firm and reviews and approves any related party transactions entered into by us.

The Audit Committee met in person or by telephone six times during fiscal year 2014.

Compensation Committee. The current members of our Compensation Committee are Dr. Barrett, Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos, each of whom is an independent director, other than Dr. Barrett. Dr. Barrett is not an independent director by reason of his affiliation with New Enterprise Associates 12, Limited Partnership, one of our stockholders. We intend for our Compensation Committee to be comprised entirely of independent directors no later than January 26, 2016.

The Compensation Committee:

- approves the compensation and benefits of our executive officers;
- reviews and makes recommendations to the Board of Directors regarding benefit plans and programs for employee compensation; and
- administers our equity compensation plans.

The Compensation Committee met in person or by telephone four times during fiscal year 2014.

Nominating and Corporate Governance Committee. The current members of our Nominating and Corporate Governance Committee are Mr. Hagan, Mr. Steel, Dr. Wilson and Dr. Xanthopoulos, each of whom is an independent director, other than Mr. Steel. Mr. Steel is not independent by reason of his affiliations with BMV Direct SOTRS LP and BMV Direct SO LP, two of our stockholders. We intend for our Nominating and Corporate Governance Committee to be comprised entirely of independent directors no later than January 26, 2016.

The Nominating and Corporate Governance Committee:

- identifies individuals qualified to become Board members;
- recommends to the Board of Directors nominations of persons to be elected to the Board of Directors; and

[Table of Contents](#)

- advises the Board of Directors regarding appropriate corporate governance policies and assists the Board of Directors in achieving them.

The Nominating and Corporate Governance Committee was established at the time of our initial public offering in January 2015, and therefore did not meet during fiscal year 2014.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves, or in the past has served, as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve as members of our Board of Directors or our Compensation Committee. During fiscal year 2014, each of Dr. Barrett, Dr. Wilson and Dr. Xanthopoulos served as a member of our Compensation Committee. None of these directors, and none of the current members of our Compensation Committee, is an officer or employee of our company, nor has any of them ever been an officer or employee of our company, including during fiscal year 2014.

Code of Business Conduct and Ethics; Corporate Governance Guidelines

We have adopted a written code of ethics that applies to our directors, executive officers and employees, and we also have adopted corporate governance guidelines. A copy of our code of ethics and of our corporate governance guidelines are posted on our website, which is located at www.zosanopharma.com, under “Investors—Corporate Governance.” If we make any substantive amendments to, or grant any waivers from, a provision of our code of ethics for any officer or director, we will disclose the nature of such amendment or waiver on our website.

Meetings of the Board of Directors

Our Board of Directors met in person or by telephone 17 times during fiscal year 2014. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and of any committee of the Board of Directors on which he served, in each case held during the period in which he served as a director, in fiscal year 2014.

Policy Regarding Board Attendance

Our directors are expected to attend meetings of the Board of Directors and meetings of committees of the Board of Directors on which they serve. Our directors are expected to spend the time needed at each meeting and to meet as frequently as necessary to properly discharge their responsibilities. We encourage members of our Board of Directors to attend our annual meetings of stockholders, but we do not have a formal policy requiring them to do so. We did not have an annual meeting of stockholders in 2014.

Director Candidates and Selection Process

Our Nominating and Corporate Governance Committee, in consultation with our Board of Directors, is responsible for identifying and reviewing candidates to fill open positions on the Board of Directors, including positions arising as a result of the removal, resignation or retirement of any director, an increase in the size of the Board of Directors or otherwise, and recommending to our full Board of Directors candidates for nomination for election as directors. In evaluating the qualifications of candidates, the Nominating and Corporate Governance Committee will consider any requirements of applicable law and NASDAQ listing standards, a candidate’s strength of character, judgment, business experience and specific areas of expertise, familiarity with our industry, principles of diversity, factors relating to the composition of our Board of Directors (including its size and structure), and such other factors as the Nominating and Corporate Governance Committee deems to be appropriate. The goal of the Nominating and Corporate Governance Committee is to assemble a Board of Directors that consists of individuals who bring a variety of complementary attributes and who, taken together,

[Table of Contents](#)

have the appropriate skills and experience to oversee our business. The Nominating and Corporate Governance Committee is responsible for reviewing from time to time the criteria it uses to evaluate the qualifications of candidates.

Our Nominating and Corporate Governance Committee has not adopted any formal policy, guidelines or procedures regarding the diversity of our Board of Directors. Our priority in selection of Board members is identification of members who will further the interests of our stockholders through an established record of professional accomplishment, the ability to contribute positively to the collaborative culture among Board members, knowledge of our business and understanding of the competitive landscape.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than five percent (5%) of our common stock for at least a year as of the date such recommendation is made, to the Nominating and Corporate Governance Committee, c/o Secretary, Zosano Pharma Corporation, 34790 Ardentech Court, Fremont, California 94555. Assuming that appropriate biographical and background material is provided on a timely basis, the Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates that it recommends. If the Board of Directors resolves to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting of stockholders. Any recommendation of a potential director nominee should also include a statement signed by the proposed nominee expressing a willingness to serve as a director if elected. As part of this responsibility, the Nominating and Corporate Governance Committee will be responsible for conducting, subject to applicable law, any and all inquiries into the background and qualifications of any candidate for election as a director and such candidate's compliance with the independence and other qualification requirements established by the Nominating and Corporate Governance Committee or imposed by applicable law or listing standards.

Communications with our Board of Directors

Stockholders wishing to communicate with our Board of Directors should send correspondence to the attention of our Secretary, Zosano Pharma Corporation, 34790 Ardentech Court, Fremont, California 94555, and should include with the correspondence evidence that the sender of the communication is one of our stockholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the stockholder and the number of shares held. Our Secretary will review all correspondence confirmed to be from stockholders in conjunction with the Chairman of the Board of Directors, who will decide whether or not to forward the correspondence or a summary of the correspondence to the full Board of Directors or a committee thereof. The Secretary and the Chairman of the Board of Directors will review all stockholder correspondence, but the decision to relay that correspondence to the full Board of Directors or a committee thereof will rest entirely within the discretion of the Chairman. Our Board of Directors believes that this process will suffice to handle the relatively low volume of communications we have historically received from our stockholders. If the volume of communications increases such that this process becomes burdensome to our Chairman, our Board of Directors may elect to adopt more elaborate screening procedures.

Director Compensation

Prior to our initial public offering in January 2015, we did not have a formal policy regarding compensation of our non-employee directors, and of our non-employee directors only our independent directors received any compensation for service on our Board of Directors in 2014. For 2014, we paid Dr. Xanthopoulos an annual cash fee of \$25,000, payable monthly in arrears. In June 2014, we agreed to pay Dr. Wilson an annual cash fee of \$25,000, payable monthly in arrears. The annual cash fee to Dr. Wilson was pro-rated for 2014 based on the portion of 2014 during which Dr. Wilson served as a director. In July 2014, in connection with his election to our

[Table of Contents](#)

Board of Directors, we granted Dr. Wilson an option to purchase 28,301 shares of our common stock at an exercise price of \$4.52 per share. The option provides for vesting in equal monthly installments over a period of four years, and becomes fully vested upon a change of control. We did not grant any stock options to any of our other non-employee directors during 2014. We do not pay any compensation to our Chief Executive Officer or our Chief Scientific Officer in connection with their service on our Board of Directors.

Only our independent directors receive compensation for service on the Board of Directors. Beginning with 2015, each of our independent directors receives annual compensation as follows:

- for serving as a member of our Board of Directors, an annual cash retainer of \$35,000 and an annual grant of a non-statutory stock option to purchase a number of shares of our common stock equal to approximately 0.033% of our then outstanding common stock on a fully-diluted basis (at a per share exercise price equal to fair market value on the date of grant) vesting in equal monthly installments over a period of one year; and
- for serving as the chairperson of the Audit Committee of the Board of Directors, an annual cash retainer of \$10,000; for serving as the chairperson of the Compensation Committee of the Board of Directors, an annual cash retainer of \$7,000; and for serving as the chairperson of the Nominating and Corporate Governance Committee of the Board of Directors, an annual cash retainer of \$7,000.

The cash fees described above are paid in monthly installments, in arrears. Non-employee directors are reimbursed upon request for travel and other out-of-pocket expenses incurred in connection with their attendance at meetings of the Board of Directors and of committees of the Board of Directors on which they serve.

In addition, it is our policy to grant to an independent director upon his or her initial election to our Board of Directors a non-statutory stock option to purchase a number of shares of our common stock equal to between, depending on his or her qualifications, approximately 0.125% and approximately 1.0% of our then outstanding common stock on a fully-diluted basis (at a per share exercise price equal to fair market value on the date of grant), with 25% of the shares vesting on the first anniversary of the date of election to the Board and the remaining shares vesting in equal monthly installments over the following three-year period.

The following table sets forth information regarding compensation awarded to, earned by or paid to each of our non-employee directors who served during 2014. See “Executive Compensation” for a discussion of the compensation of Mr. Lamba and Dr. Daddona.

EXECUTIVE COMPENSATION

Executive Summary

The compensation of our executive officers is determined by the Compensation Committee of our Board of Directors, and discussed by the Compensation Committee throughout the year. Our formal annual compensation review process generally takes place during the first quarter of each fiscal year, after the results of the previous fiscal year are known. Annual variable compensation and discretionary cash bonuses for the completed fiscal year, if any, and long-term equity-based incentive compensation, if any, are awarded by the Compensation Committee on a discretionary basis, generally during the first fiscal quarter, after a review of the previous fiscal year's results.

Our Compensation Committee is comprised entirely of non-employee directors, all but one of whom our Board of Directors has determined is independent within the meaning of the rules of The NASDAQ Stock Market. The members of the Compensation Committee have substantial managerial experience and wide contacts in the biotechnology and pharmaceutical industries and in the broader healthcare industry, upon which they rely in making their determinations. The Compensation Committee also takes into account publicly available information concerning the compensation practices of other companies in the biotechnology and pharmaceutical industries. This information is used by the Compensation Committee informally and primarily for purposes of comparison to ascertain whether our compensation practices for our executive officers are broadly competitive.

Our Chief Executive Officer makes recommendations with regard to the compensation of our executive officers other than himself, which are reviewed by the Compensation Committee. Executive officers do not participate in the process of establishing their own annual compensation.

The Compensation Committee does not have a formal benchmarking policy or a practice of establishing the amount of any element of our executive officers' compensation by reference to a fixed range of percentages or percentiles of the compensation of any peer or comparison group. During 2014, the Compensation Committee did not retain a compensation consultant to assist the Compensation Committee in assessing the form and amount of compensation paid to our executives. As a result, the determinations made by the members of our Compensation Committee have been guided by their collective judgment and experience. In 2015, following our initial public offering, the Compensation Committee retained Radford, an Aon Hewitt Company, to assist the Compensation Committee in assessing the form and amount of executive compensation.

Our Compensation Committee has reviewed our compensation programs and believes that our compensation programs have not encouraged or rewarded excessive or inappropriate risk taking.

Narrative Disclosure to Summary Compensation Table

We review compensation annually for all of our employees, including our executives. In setting executive base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short and long-term results that are in the best interests of our stockholders, and a long-term commitment to our company. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives.

Our Board of Directors has historically determined our executives' compensation. Our Compensation Committee typically has reviewed and discussed management's proposed compensation with the Chief Executive Officer for all executives other than our Chief Executive Officer. Based on those discussions and its discretion, the Compensation Committee then has recommended the compensation for each executive officer. Our Board of Directors, without members of management present, has discussed the Compensation Committee's recommendations and ultimately approved the compensation of our executive officers. Effective upon the closing of our initial public offering in January 2015, our Compensation Committee is responsible for approving the compensation and benefits of our executive officers.

We have formal employment agreements with Vikram Lamba, our Chief Executive Officer, and Peter Daddona, our Chief Scientific Officer and Executive Vice President, Research and Development, and we had a formal employment agreement with Nandan Oza, our former Chief Operating Officer. Mr. Oza resigned as our Chief Operating Officer effective May 1, 2015. Mr. Lamba's employment agreement provides for an initial annual base salary of \$400,000, subject to increase from time to time, and we currently pay Mr. Lamba an annual base salary of \$424,360. Mr. Lamba's employment agreement provides for a target annual bonus of 40% of his annual base salary, with a bonus opportunity between 0% and 80% of annual base salary, to be determined by the Board of Directors in its discretion based on individual and company performance against goals established annually by the Compensation Committee, as well as the company's then prevailing cash position. Dr. Daddona's employment agreement provides for an initial annual base salary of \$325,000, subject to increase from time to time, and we currently pay Dr. Daddona an annual base salary of \$206,875 for working a part-time schedule as our Chief Scientific Officer and Executive Vice President, Research and Development equivalent to approximately three full days per week. Dr. Daddona's employment agreement provides for a target annual bonus of 30% of his annual base salary, with a bonus opportunity between 0% and 60% of annual base salary, to be determined by the Board of Directors in its discretion based on individual and company performance against goals established annually by the Compensation Committee, as well as the company's then prevailing cash position. Beginning with 2015, the annual bonuses payable to Mr. Lamba and Dr. Daddona will be determined by our Compensation Committee in accordance with an employee bonus program established by our Compensation Committee for all employees.

Mr. Oza's employment agreement provided for an initial annual base salary of \$250,000, subject to increase from time to time, and was amended in January 2014 to provide for Mr. Oza's part-time employment and an

[Table of Contents](#)

annual base salary of \$180,000 effective February 1, 2014. Mr. Oza's employment agreement provided for a target annual bonus of 30% of his annual base salary, to be determined by the Board of Directors in its discretion based on individual and company performance against goals established annually by the Compensation Committee, as well as the company's then prevailing cash position.

Each of Mr. Lamba and Dr. Daddona is an employee-at-will, and is entitled to certain severance benefits if he is terminated without cause or resigns for good reason, as defined in his employment agreement. Mr. Oza was an employee-at-will, and his employment agreement provided for certain severance benefits if he had been terminated without cause or had resigned for good reason, as defined in Mr. Oza's employment agreement.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Transactions with Our Stockholders

The following is a description of transactions since January 1, 2013 and any currently proposed transactions to which we have been or will be a party, and in which the amounts involved exceeded or will exceed \$120,000 (except as otherwise indicated) and any of our directors, executive officers or beneficial owners of more than five percent (5%) of our voting securities, or any of their respective affiliates or immediate family members, had or will have a direct or indirect material interest, which have not already been described in the “Executive Compensation” section of this proxy statement. We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unrelated third parties.

Secured Loan and Real Property Lease with BMR

In April 2012, in connection with our April 2012 recapitalization, we issued 1,236,769 shares of our common stock and a four year non-callable secured promissory note in the original principal amount of \$8,556,533 to BioMed Realty Holdings, Inc., or BMR Holdings, and 107,545 shares of our common stock to BioMed Realty, L.P., each of which is an affiliate of our landlord, BMR-34790 Ardentech Court LP. As a result, BMR Holdings and BioMed Realty, L.P. together held approximately 23.8% of our voting securities following the recapitalization. We issued these securities to BMR Holdings and BioMed Realty, L.P. in exchange for reduction of future rent payments pursuant to an amendment to our lease agreement with BMR-34790 Ardentech Court LP, cancellation of an unsecured convertible promissory note issued to BioMed Realty, L.P. in July 2011 and cancellation of a stock purchase warrant issued to BioMed Realty, L.P. in July 2011. In December 2012, BMR Holdings transferred the BMR secured promissory note and its 1,236,769 shares of our common stock to its affiliate, BMV Direct SOTRS LP. In December 2012, BioMed Realty, L.P. transferred its 107,545 shares of our common stock to its affiliate, BMV Direct SO LP. As a result of these transfers, each of BMV Direct SOTRS LP and BMV Direct SO LP owns more than five percent (5%) of our voting securities.

The secured promissory note accrued interest at the annual rate of 8%, compounded annually, and all principal and interest was due and payable on the earliest of (i) April 26, 2016, (ii) the closing of a sale of our company or business, as defined in the secured promissory note, and (iii) the date that any distribution is made to our stockholders, as defined in the secured promissory note. We were permitted to prepay the secured promissory note, in whole or in part, at any time without prepayment penalty or premium. Further, we were required to prepay the secured promissory note immediately prior to, or in connection with, a sale or partial sale of our company or business, as defined as a transaction in which we are acquired or in which we exclusively license or sell all or substantially all of our assets. In any similar transaction that does not qualify as a sale but results in our cash balance being at least \$5.0 million in excess of our cash requirements for the 12 months following the closing of such transaction, we were required to prepay an amount equal to half of the excess cash balance over \$5.0 million. The secured promissory note was secured by a first priority security interest and lien in and to all of our tangible and intangible properties and assets, including intellectual property. In June 2014, we amended the secured promissory note to increase the interest rate during the period our secured term loan facility with Hercules Technology Growth Capital remains outstanding to match the interest rate of the Hercules loan and to provide that any failure by us to pay any amount under the secured promissory note during the period from the maturity date of the secured promissory note through the date that the Hercules loan is repaid in full would not constitute a default under the secured promissory note. As a result of this amendment, during the period our secured term loan facility with Hercules Technology Growth Capital and the secured promissory note both were outstanding, the secured promissory note accrued interest at an annual rate equal to the greater of (i) 12.05% and (ii) 12.05% plus the “prime rate” as reported in The Wall Street Journal minus 5.25%. The floating interest rate was determined in accordance with the preceding sentence based on changes to the prime rate as reported in The Wall Street Journal. In connection with the Hercules loan, BMV Direct SOTRS LP agreed to subordinate the secured promissory note to the Hercules loan, and we issued 31,250 shares of our common stock to BMV Direct SOTRS LP in June 2014 as consideration for its agreement to subordinate.

[Table of Contents](#)

As of June 25, 2015, the aggregate outstanding principal and accrued interest under the secured promissory note was approximately \$11.4 million, and we prepaid the secured promissory in whole on June 25, 2015.

We have an operating lease with BMR-34790 Ardentech Court LP, which is an affiliate of BMV Direct SOTRS LP and BMV Direct SO LP, for a 55,588 square foot facility in Fremont, California, where we operate our manufacturing operations and house our engineering, research and development and administrative employees. In 2014, we recorded rent expense to BMR-34790 Ardentech Court LP in the amount of approximately \$620,000. In June 2015, we amended the lease agreement to suspend BMR-34790 Ardentech Court LP's option to recapture a specified portion of the leased premises (comprising approximately 29,348 square feet of the approximate total 55,588 square feet of leased premises), and to give us the option until December 31, 2015 to extend the term of the lease by an additional 38 months to June 1, 2022 and pay rent on the total leased premises beginning April 1, 2016 at rates ranging from approximately \$103,000 per month to approximately \$140,000 per month over the final 74 months of the lease term.

The 2013 bridge notes matured on September 9, 2014 and accrued simple interest at the annual rate of 8%. In June 2014, we amended the 2013 bridge notes to provide that any failure by us to pay any amount under the 2013 bridge notes during the period from maturity of the 2013 bridge notes through the date that the Hercules loan is repaid in full would not constitute a default under the 2013 bridge notes. In September 2014, we amended the 2013 bridge notes to extend the date by which a qualified financing must occur in order for the 2013 bridge notes to convert into equity securities to December 31, 2014, and in December 2014, we amended the 2013 bridge notes to further extend the date by which a qualified financing must occur in order for the 2013 bridge notes to convert into equity securities to March 31, 2015. As of January 30, 2015, the aggregate outstanding principal and accrued interest under the 2013 bridge notes was approximately \$3.4 million. Upon the closing of our initial public offering of common stock on January 30, 2015, which constituted a qualified financing as defined under the terms of the notes, the principal and all unpaid and accrued interest on each note automatically converted into shares of our common stock at a conversion price equal to \$9.35 per share (or 85% of the initial public offering price), resulting in the issuance of 117,796 shares of common stock to BMV Direct SOTRS LP, 36,058 shares of common stock to BMV Direct SO LP, 137,822 shares of common stock to New Enterprise Associates 12, Limited Partnership, and 68,911 shares of common stock to ProQuest Investments IV, L.P.

The February 2014 bridge notes matured on September 9, 2014 and accrued simple interest at the annual rate of 8%. In June 2014, we amended the February 2014 bridge notes to provide that any failure by us to pay any amount under the February 2014 bridge notes during the period from maturity of the February 2014 bridge notes through the date that the Hercules loan is repaid in full would not constitute a default under the February 2014 bridge notes. In September 2014, we amended the February 2014 bridge notes to extend the date by which a qualified financing must occur in order for the February 2014 bridge notes to convert into equity securities to December 31, 2014, and in December 2014, we amended the February 2014 bridge notes to further extend the date by which a qualified financing must occur in order for the February 2014 bridge notes to convert into equity securities to March 31, 2015. qualified financing as defined under the terms of the notes, the principal and all unpaid and accrued interest on each note automatically converted into shares of our common stock at a conversion price equal to \$9.35 per share (or 85% of the initial public offering price), resulting in the issuance of 76,731 shares of common stock BMV Direct SOTRS LP and 67,679 shares of common stock to New Enterprise Associates 12, Limited Partnership.

Private Placement with Eli Lilly and Company

In November 2014, we entered into a stock purchase agreement with Eli Lilly and Company, or Lilly, pursuant to which Lilly agreed to purchase up to \$15.0 million worth of our common stock in a private placement concurrent with the closing of our initial public offering, at a price per share equal to the initial public offering price. On January 30, 2015, pursuant to the stock purchase agreement and concurrent with the closing of our initial public offering, we issued and sold 1,363,636 shares of our common stock to Lilly at a price per share of \$11.00 in a private placement, for an aggregate cash purchase price of \$15.0 million. We received net proceeds of approximately \$14.5 million from the sale of shares to Lilly in the private placement, after payment by us of a private placement fee to the representatives of the underwriters of our initial public offering. The shares of common stock issuable to Lilly under the stock purchase agreement were deemed beneficially owned by Lilly in accordance with Rule 13d-3 under the Exchange Act upon the parties' entry into the stock purchase agreement in November 2014, making Lilly a beneficial owner of more than five percent (5%) of our voting securities at that time. As of the date of this proxy statement, Lilly continues to own more than five percent (5%) of our voting securities.

Interests of Directors in our Financial Relationships

Two of our directors, Bruce Steel and M. James Barrett, may be deemed to have indirect material interests in our financial relationships with certain of our stockholders based on their association with such stockholders:

- Mr. Steel is a limited partner with a variable economic interest in each of BMV Direct SOTRS LP and BMV Direct SO LP, which entitles him to a percentage of certain distributions of these entities. Mr. Steel does not have voting or dispositive control of either of these entities. Mr. Steel disclaims beneficial ownership in our securities directly held by these entities except to the extent of his pecuniary interest therein.
- Dr. Barrett is one of seven Managers of NEA 12 GP, LLC, or NEA 12 LLC, the sole general partner of NEA Partners 12, Limited Partnership, or NEA Partners 12, which is the sole general partner of our stockholder, New Enterprise Associates 12, Limited Partnership. NEA Partners 12, NEA 12 LLC and each of the Managers of NEA 12 LLC share voting and dispositive power with regard to our securities directly held by New Enterprise Associates 12, Limited Partnership. Dr. Barrett disclaims beneficial ownership in these shares except to the extent of his pecuniary interest therein, if any.

Indemnification of Officers and Directors

Our Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. In addition, we have entered into indemnification agreements with certain of our directors that are broader in scope than the specific indemnification provisions contained in the Delaware General Corporation Law.

Policies and Procedures for Related Person Transactions

While we did not have a written policy with respect to the review and approval of transactions with our directors, officers and principal stockholders prior to our initial public offering in January 2015, it was the practice of our Board of Directors to review all interested party transactions and not to authorize any such transaction unless the Board of Directors, excluding any interested directors, determined that the terms of the proposed transaction were as favorable or more favorable to our company than would have been available from an unrelated party in an arms' length negotiation.

Pursuant to the charter for our Audit Committee, which became effective upon the closing of our initial public offering in January 2015, our Audit Committee is responsible for reviewing and approving in advance any related person transactions. For the purposes of this policy, a "related person transaction" is any transaction between us or any of our subsidiaries and any (a) of our directors or executive officers, (b) nominee for election as a director, (c) person known to us to own more than five percent (5%) of any class of our voting securities, or (d) member of the immediate family of any such person, if the nature of such transaction is such that it would be required to be disclosed under Item 404 of Regulation S-K (or any similar successor provision).

In determining whether to approve a related person transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the related person transaction is on terms no less favorable than terms generally available to an unaffiliated third person under the same or similar circumstances and the extent of the related person's interest in the transaction.

INFORMATION ABOUT OUR AUDIT COMMITTEE AND AUDITOR

Audit Committee Report

The primary role of our Audit Committee is to assist our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information proposed to be provided to stockholders and others, the adequacy of the system of internal control over financial reporting and disclosure controls and procedures established by management and the Board of Directors, and the audit process and our independent auditor's qualifications, independence and performance.

Management is responsible for establishing and maintaining the company's system of internal controls and for preparation of the company's financial statements. Our independent registered public accounting firm, Marcum LLP, is responsible for performing an audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing an opinion on the financial statements. The Audit Committee has met and held discussions with management and our independent auditor, and has also met separately with our independent auditor, without management present, to review the adequacy of our internal controls, financial reporting practices and audit process.

The Audit Committee has reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2014 with management and the independent auditor. As part of this review, the Audit Committee discussed with Marcum LLP the communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees."

The Audit Committee has received from Marcum LLP a written statement describing all relationships between that firm and Zosano Pharma Corporation that might bear on the auditor's independence, consistent with Public Company Accounting Oversight Board Ethics and Independence Rule 3526, "Communication with Audit Committees Concerning Independence." The Audit Committee has discussed the written statement with the independent auditor, and has considered whether the independent auditor's provision of any consultation and other non-audit services to Zosano Pharma Corporation is compatible with maintaining the auditor's independence.

Based on the above-mentioned reviews and discussions with management and the independent auditor, the Audit Committee recommended to the Board of Directors that Zosano Pharma Corporation's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2014 as filed with the Securities and Exchange Commission.
