PROXY STATEMENT

We are furnishing this Proxy Statement in connection with the solicitation of proxies on behalf of the Board of Directors of PFSweb, Inc. (“PFSweb,” the “Company,” “we,” “us,” or “our”) to be voted at the Annual Meeting of Stockholders to be held at Hilton Garden Inn, Allen, Texas, on Friday, June 27, 2014, at 10:00 a.m. and at any and all adjournments thereof. This Proxy Statement, the Notice of Annual Meeting, the accompanying proxy and the Annual Report on Form 10-K are first being mailed to stockholders on or about May 30, 2014.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 27, 2014:

The enclosed proxy statement and 2013 Annual Report on Form 10-K are available at www.pfsweb.com/investor-relations/proxy-materials.php.

VOTING PROCEDURES

Your vote is very important. You can vote the shares of PFSweb common stock that are held directly in your name and not through your brokerage account at the Annual Meeting if you are present in person or represented by proxy. You may revoke your proxy at any time before the Annual Meeting by delivering written notice to our Secretary, by submitting a proxy bearing a later date or by appearing in person and casting a ballot at the Annual Meeting. If we receive a properly executed proxy before voting at the Annual Meeting is closed, the persons named as the proxy on the proxy card will vote the proxy in accordance with the directions provided on that card. If you do not indicate how your shares are to be voted, your shares will be voted as recommended by the Board. If you wish to give a proxy to someone other than the persons named on the proxy card, you should cross out the names contained on the proxy card and insert the name(s) of the person(s) who hold (s) your proxy. Please note that the person(s) to whom you give your proxy **must** be present in person at the Annual Meeting to vote your shares.

Who can vote?

Stockholders of record as of the close of business on May 9, 2014, are entitled to vote at the Annual Meeting. On that date, 16,764,589 shares of our common stock were issued, and excluding 33,467 shares of common stock in treasury, 16,731,122 shares of our common stock were outstanding and eligible to vote. Each share is entitled to one vote on each matter presented at the Annual Meeting. The closing sale price of our common stock as reported on the NASDAQ Capital Market on the record date was \$7.63 per share.

How do I vote?

You can vote in person at the Annual Meeting. Alternatively, a stockholder who holds shares of our common stock of record and not in “street name” may vote shares by giving a proxy via mail, telephone or the Internet. To vote your proxy by mail, indicate your voting choices, sign and date your proxy and return it in the postage-paid envelope provided. You may vote by telephone or the Internet by following the instructions on your proxy. Your telephone or Internet delivery authorizes the named proxies to vote your shares in the same manner as if you marked, signed and returned your proxy via the mail.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in street name. The Proxy Statement, the Notice of Annual Meeting, the accompanying proxy and the Annual Report on Form 10-K have been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or on the Internet.

All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

What shares are represented by the proxy?

The proxy that we are delivering represents all the shares registered in your name with our transfer agent, Computershare Shareowner Services LLC. The proxy that is delivered by your broker, bank or other nominee represents the shares held by you in an account at that institution.

What are “broker non-votes” and why is it important that I submit my voting instructions for shares I hold as a beneficial stockholder?

If a broker or other financial institution holds your shares in its name and you do not provide voting instructions to it, New York Stock Exchange (“NYSE”) rules allow that firm to vote your shares only on routine matters. Proposal No. 4, the ratification of Grant Thornton LLP as the Company’s independent auditors, is the only routine matter for consideration at the Annual Meeting. For all matters other than Proposal No. 4, you must submit voting instructions to the firm that holds your shares if you want your vote to count on such matters. When a firm votes a client’s shares on some but not all of the proposals, the missing votes are referred to as “broker non-votes.” Broker non-votes are counted for purposes of determining whether or not a quorum exists for the transaction of business.

How are votes counted?

If you return a signed and dated proxy but do not indicate how the shares are to be voted, those shares will be voted as recommended by the Board. A valid proxy also authorizes the individuals named as proxies to vote your shares in their discretion on any other matters which, although not described in the Proxy Statement, are properly presented for action at our Annual Meeting. If you indicate on your proxy that you wish to “abstain” from voting on an item, your shares will not be voted on that item, but will be counted to determine whether there is a quorum present. There is no right to cumulative voting.

How is a quorum established and what vote is required to approve matters presented at the Annual Meeting?

The presence, in person or by proxy, of at least a majority of the shares outstanding on the record date will constitute a quorum. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum. If a quorum is not present, the Annual Meeting will be rescheduled for a later date.

The following sets forth the votes required to approve the matters presented at the Annual Meeting:

Item No. 1 (Election of Directors) – Each director nominee must receive the affirmative vote of a majority of the votes cast with respect to such director, which means that the number of shares voted “FOR” that director’s election must exceed the number of shares voted “AGAINST” that director’s election. Shareholders will not be allowed to cumulate their votes in the election of directors. Abstentions and broker non-votes will not be considered as votes cast on this proposal and therefore will not affect the outcome of this proposal.

Item No. 2 (Amendment to 2005 Employee Stock and Incentive Plan) – The proposal to amend the Company’s 2005 Employee Stock and Incentive Plan requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. As a result, abstentions are treated as votes against the proposal, while broker non-votes have no effect.

Item No. 3 (Advisory Vote on Executive Compensation) – The non-binding proposal to approve the compensation of the Company’s named executive officers requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. As a result, abstentions are treated as votes against the proposal, while broker non-votes have no effect.

Item No. 4 (Ratification of Auditors) – The proposal to ratify the selection of Grant Thornton LLP as our independent auditors requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. As a result, abstentions are treated as votes against the proposal, while broker non-votes have no effect.

What is the recommendation of the Board of Directors?

The Board of Directors recommends that stockholders vote (i) FOR the nominees of the Board of Directors (Item No. 1) (ii) FOR the amendment to our 2005 Employee Stock and Incentive Plan (Item No. 2), (iii) FOR the non-binding advisory approval of the compensation to our named executive officers (Item No. 3), and (iv) FOR the ratification of the appointment of Grant Thornton LLP as the Company’s independent auditors for the fiscal year ending December 31, 2014 (Item No. 4). If you do not indicate how your shares are to be voted, your shares will be voted as recommended by the Board.

Who will tabulate the vote?

Our transfer agent, Computershare Shareowner Services LLC, will tally the vote, which will be certified by an inspector of election who is a PFSweb employee.

Who will bear the expenses of our solicitation? How will we solicit votes?

We will bear our own cost of solicitation of proxies. In addition to the use of the mail, proxies may be solicited by our directors and officers by personal interview, telephone, facsimile or e-mail. Our directors and officers will not receive additional compensation for this solicitation but may be reimbursed for out-of-pocket expenses incurred in connection with these activities. Arrangements may also be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares of our common stock held of record by these people or institutions, in which case we will reimburse these brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection with these forwarding activities. We may retain Computershare Shareowner Services LLC to assist in the solicitation of proxies for an estimated fee of \$15,000 plus reimbursement of expenses.

Are there appraisal rights?

Stockholders have no dissenters’ rights of appraisal with respect to any of the matters to be voted upon at the Annual Meeting.

ITEM 1
NOMINEES FOR THE BOARD OF DIRECTORS

Prior to the 2013 Annual Meeting, the Board was divided into three classes, with each class serving consecutive three year terms. At the 2013 Annual Meeting, the Company's shareholders approved the elimination of the classified Board structure over a three year phase-in period so that the term of the current Class I directors expires at the 2015 Annual Meeting and the term of the Class II and Class III directors expires at the 2014 Annual Meeting. Beginning with the 2015 Annual Meeting, each member of the Board will serve one year terms. The Board presently consists of seven members, two Class I directors (David I. Beatson and James F. Reilly), three Class II directors (Dr. Neil W. Jacobs, Benjamin Rosenzweig and Monica Luechtefeld) and two Class III directors (Michael C. Willoughby and Shinichi Nagakura). The nominees to serve as Class II directors who have been nominated and recommended by the Board of Directors are Benjamin Rosenzweig and Monica Luechtefeld, and the nominees to serve as Class III directors who have been nominated and recommended by the Board of Directors are Michael C. Willoughby and Shinichi Nagakura. If elected, such persons are expected to serve until the Company's 2015 annual meeting and until their successors are elected and qualified. The shares represented by proxies in the accompanying form will be voted for the election of the nominees unless authority to so vote is withheld. The Board of Directors has no reason to believe that such nominees will not serve if elected, but if any one or more of them should become unavailable to serve as a director, and if the Board designates a substitute nominee or nominees, the person named as proxy will vote for the substitute nominee(s) designated by the Board.

To be elected, a director nominee must receive the affirmative vote of a majority of the votes cast with respect to such director, which means that the number of shares voted "for" that director's election must exceed the number of shares voted "against" that director's election. This majority vote standard is in effect because this is an uncontested election of directors (i.e., the number of nominees for director did not exceed the number of directors to be elected as of the record date of the annual meeting). For any contested election, the directors would be elected by a plurality of the votes cast by the shares entitled to vote on the election of directors.

If a director nominee who is serving as a director is not elected at the annual meeting, under our by-laws, as amended, such director must tender his or her resignation to the Board, subject to acceptance by the Board. The Nominating Committee would then make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board, taking into account the recommendation of the Nominating Committee, would determine the appropriate responsive action with respect to the tendered resignation within 90 days and publicly disclose its decision. The director who tenders his or her resignation may not participate in the Board's decision.

The following information, which has been provided by the individuals named, sets forth for each Class I director and each nominee to serve as a member of the Board of Directors, such person's name, age, principal occupation or employment during at least the past five years, the name of the corporation or other organization, if any, in which such occupation or employment is carried on and the period during which such person has served as a director of the Company. The following information also identifies and describes the key experience, qualifications and skills our directors bring to the Board that are important in light of our business and structure. The directors' experiences, qualifications and skills that the Board considered in their nomination are included in their individual biographies.

The Board of Directors has determined that, other than Mr. Willoughby, each director is independent within the meaning of applicable Securities and Exchange Commission (“SEC”) rules and NASD listing standards. The independent directors are able to and generally meet in executive session without the Company’s management at each regularly scheduled quarterly Board meeting.

The Board of Directors does not have a policy regarding director attendance at the annual meeting of stockholders, and no current director attended the 2013 annual meeting.

The Board of Directors currently has standing Nominating, Audit and Compensation Committees.

The Nominating Committee is responsible for identifying and evaluating individuals qualified to become Board members and recommending to the Board candidates to stand for election or re-election as directors. The Committee will consider candidates at the recommendation of existing Board members, Company management, search firms or other consultants, or stockholders. Stockholders wishing to recommend director candidates to the Board may do so by writing to the Committee in care of the Corporate Secretary at the Company’s executive office, 505 Millennium Drive, Allen, TX 75013. At a minimum, director candidates should have demonstrated achievement in their particular field of endeavor, significant business or other management experience that would be of value to the Company, integrity and high ethical standards, good communication and leadership skills, and the ability and willingness to commit adequate time and attention to carry out their Board duties effectively. The Committee will evaluate candidates through background and reference checks, interviews and an analysis of each candidate’s qualifications and attributes in light of the current composition of the Board and the Company’s leadership needs at the time. The Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, experience and expertise to oversee the Company’s business. During 2013, the Committee retained an outside consultant to assist the Committee in identifying and evaluating additional candidates as possible nominees to the Board of Directors. The current members of the Nominating Committee are Mr. Reilly, Dr. Jacobs and Mr. Rosenzweig, and following the Annual Meeting the members of the Nominating Committee will be Mr. Reilly, Mr. Rosenzweig and Ms. Luechtefeld, each of whom has been determined to be independent as discussed above. The Nominating Committee has adopted a charter which is available on the Company’s website at www.pfsweb.com (the contents of the website are not incorporated in this Proxy Statement by reference). The Nominating Committee met one time during the calendar year ended December 31, 2013.

The Audit Committee is established for the purpose of overseeing the Company’s accounting and financial reporting processes and audits of the Company’s financial statements. The Audit Committee is established to assist the Board in fulfilling its oversight responsibilities by reviewing and reporting to the Board on the integrity of the financial reports and other financial information provided by the Company to its stockholders. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of any independent auditor employed by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Company’s auditors report directly to the Audit Committee.

The Audit Committee is currently comprised of three directors, Mr. Reilly, Mr. Beatson and Dr. Jacobs, and Mr. Beatson serves as Chairman. Following the Annual Meeting the members of the Audit Committee will be Mr. Reilly, Mr. Beatson and Ms. Luechtefeld, each of whom has been determined by the Board of Directors to be independent as discussed above, and is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. The Board of Directors has determined that, based on his relevant experience as described above, Mr. Reilly is qualified as the audit committee financial expert within the meaning of applicable SEC regulations and has the requisite financial sophistication required by the NASD listing standards. The Audit Committee met a total of seven times during calendar year 2013. The Committee has adopted a written amended and restated audit committee charter setting out the audit-related functions of the Audit Committee, and the Committee reviews and reassesses the adequacy of the charter on an annual basis. A copy of the charter is available on the Company's website at www.pfsweb.com.

The Compensation Committee approves, or in some cases recommends, to the Board, remuneration and compensation arrangements involving the Company's executive officers and other key employees. The current members of the Compensation Committee are Messrs. Beatson, Nagakura and Reilly, who shall continue to so serve following the Annual Meeting, each of whom has been determined by the Board of Directors to be independent as discussed above. The Compensation Committee also serves as the Committee which administers the Company's 2005 Employee Stock and Incentive Plan. The Compensation Committee has adopted a charter which is available on the Company's website at www.pfsweb.com. The Compensation Committee met two times during the calendar year ended December 31, 2013.

In 2012 the Board formed a Special Committee, consisting of all outside directors, to meet from time to time to discuss comprehensive reviews of the Company's business, including evaluating strategic direction and alternatives, possible and alternative management changes and organizational realignment, strategic initiatives and operating improvements. The Special Committee met twelve times during the calendar year ended December 31, 2013 and was dissolved in May 2013.

During calendar year 2013, no current director or director nominee attended fewer than 75% of the aggregate of all meetings of the Board and the committees, if any, upon which such director served and which were held during the period of time that such person served on the Board or such committee.

Communicating with the Board of Directors

Stockholders wishing to communicate with one or more Directors or the Board as a whole may do so in a writing addressed to the Director (s) or the Board and sent to the Corporate Secretary, PFSweb, Inc., 505 Millennium Drive, Allen, TX 75013.

Code of Ethics

The Board has approved a code of business conduct and ethics in accordance with rules of the SEC and NASD listing standards applicable to all directors, officers and employees, including the chief executive officer, senior financial officers and the principal accounting officer. The code is intended to provide guidance to directors and management to assure compliance with law and promote ethical behavior. Copies of the Company's code of business conduct and ethics may be found on the Company's website at www.pfsweb.com.

Board Leadership Structure

Currently, the Company has separated the roles of Chief Executive Officer and Chairman in order to permit the Chief Executive Officer to focus his efforts in improving the Company's operations. In addition, to assure effective independent oversight of the Company management, all of the other Board members are currently independent directors who may meet in executive session without management present. Similarly, each committee of the Board is comprised entirely of independent directors. The Company's Bylaws further permit the appointment of a lead independent director by the other independent directors. The lead director is authorized to prepare the agendas for executive sessions of the independent directors and chair those sessions, facilitate communications between the Chairman and other members of the Board, and act as a liaison to shareholders who request direct communication with the Board. Prior to his being appointed as Chairman, Mr. Reilly served as the lead director.

Risk Management

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks more fully described in our annual and quarterly filings with the SEC, including risks relating to dependence on clients and suppliers, competition, product development, credit and liquidity, and other business risks. Management is responsible for the day-to-day management of risks we face, while our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. The Board of Directors, together with its committees, provides company-wide oversight of our management and handling of risk. At meetings of the Board of Directors and its committees, directors receive regular updates from management regarding risk management. Outside of formal meetings, the Board, its committees and individual Board members have regular access to the executive officers of the Company and are often consulted by management in respect of Company operations.

Report of the Audit Committee for the Fiscal Year Ended December 31, 2013

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2013. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that the Company specifically incorporates such information by reference in such filing.

The Audit Committee of the Company's Board of Directors is comprised of three independent directors. During fiscal year 2013, the members of the Audit Committee were Messrs. Reilly, Beatson and Jacobs.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants ("auditors") are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The Audit Committee approved the appointment of the Company's auditors, Grant Thornton LLP, for the fiscal year ended December 31, 2013.

In fulfilling its oversight responsibility of appointing and reviewing the services performed by the Company's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditor, including the scope of the audit, audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit related services. The Audit Committee considered the independent auditors' provision of non-audit services in 2013 and determined that the provision of those services is compatible with and does not impair the auditors' independence.

The Audit Committee discussed with the Company's auditors the scope and plans for the independent audit. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has reviewed and discussed with management and the auditors the Company's audited financial statements, including the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the auditors the matters required by Statement on Auditing Standard No. 114 "The Auditor's Communication With Those Charged With Governance", as amended.

The Audit Committee has received the written disclosures and the letter from the Company's independent accountants required by PCAOB Ethics and Independence Rule 3526 ("PCAOB Rule 3526"), "Communications with Audit Committees Concerning Independence" and the Audit Committee discussed with the auditors their independence from the Company and its management.

Based on the Audit Committee's discussion with management and the auditors and the Audit Committee's review of the representations of management and the report of the auditors to the Audit Committee, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which was filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Overview of Compensation Program

The Compensation Committee of the Board is responsible for establishing and implementing our compensation philosophy. The Compensation Committee believes that the total compensation paid to our executive officers should be and is fair, reasonable and competitive. In this section of the Proxy Statement, the individuals who served during our fiscal year ended December 31, 2013 as our Chief Executive Officer and the other executive officers included in the Summary Compensation Table on page 15, are referred to as the “named executive officers.”

Compensation Philosophy and Objectives

The Compensation Committee believes that executive officer compensation be structured to provide competitive base salaries and benefits to attract and retain superior employees and to provide short- and long-term incentive compensation to incentivize executive officers to attain, and to reward executive officers for attaining, established financial goals that are consistent with increasing stockholder value. The Compensation Committee may use cash bonuses and retention based equity awards as key components in the short- and long-term incentive compensation arrangements for executive officers, including the named executive officers.

The Compensation Committee’s goal is to maintain compensation programs that are competitive within our industry and geographic market. Each year, the Compensation Committee reviews the executive compensation program with respect to the external competitiveness of the program, the linkage between executive compensation and the creation of stockholder value, and determines what changes, if any, are appropriate.

In determining the form and amount of compensation payable to named executive officers, the Compensation Committee is guided by the following objectives and principles:

- Compensation levels should be sufficiently competitive to attract and retain key executives. We aim to ensure that our executive compensation program attracts, motivates and retains high performance talent and rewards them for our achieving and maintaining a competitive position in our industry and geographic market. Total compensation (i.e. maximum achievable compensation) should increase with position and responsibility.
- Compensation should relate directly to performance and incentive compensation should be a portion of total compensation. We aim to foster a pay-for-performance culture, with the bonus portion of total compensation being “at risk.” Accordingly, absent unusual circumstances, any bonus payable as part of total compensation should be tied to and vary with our financial, operational and strategic performance, as well as individual performance. Bonuses should not be granted if these goals and results are not achieved.
- Long-term incentive compensation should align executives’ interests with our stockholders. Awards of equity-based compensation encourage executives to focus on our long-term growth and prospects, and incentivize executives to manage the company from the perspective of stockholders with a meaningful stake in us, as well as to focus on long-term career orientation.

Our executive compensation program is designed to reward the achievement of goals regarding growth, productivity and profitability, including such goals as:

- To assist the Company in achieving and surpassing its internal targets and budgets, including financial and operating targets.
- To recruit, motivate and exhibit leadership that aligns employees’ interests with that of our stockholders.
- To develop business models and systems that seek out strategic opportunities, which benefit us and our stockholders.

-
- To implement a culture of compliance and commitment to operate our business with the highest standards of professional conduct and compliance.

Compensation Committee Practices and Procedures

The Compensation Committee determines and reviews the value and forms of compensation for the named executive officers and other officers based on the Compensation Committee members' general knowledge and experience, as well as, if appropriate, compensation surveys prepared by third party firms. The Compensation Committee is authorized to retain compensation consultants to assist the Committee in its efforts.

The Compensation Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Compensation Committee. The Compensation Committee meets as often as it deems necessary or appropriate.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions for all executive officers (which includes the named executive officers). The Compensation Committee actively considers, and has the ultimate authority of approving, recommendations made by the Chief Executive Officer regarding all equity awards to our employees. Our Chief Executive Officer determines the non-equity compensation of management level employees who are not executive officers or officers.

The Chief Executive Officer annually reviews the performance of each executive officer (other than the Chief Executive Officer whose performance is reviewed by the Compensation Committee). Based on these annual reviews, the Chief Executive Officer makes recommendations to the Compensation Committee with respect to annual base salary adjustments and short- and long-term incentive compensation awards for such executive officers. The Compensation Committee then reviews these recommendations and exercises its discretion in whether to accept such recommendations or to modify such recommendations as it deems appropriate. The Compensation Committee annually reviews the performance of the Chief Executive Officer and determines the total compensation, including base salary, cash bonus and long-term equity compensation, for the Chief Executive Officer. The Chief Executive Officer does not participate in such determination.

Setting Executive Compensation

Based on the foregoing compensation philosophy, the Compensation Committee has structured our annual, short- and long-term compensation to motivate executives to achieve the financial performance objectives we set and to incentivize the executives to achieve and exceed, and to reward the executives for achieving and exceeding, such objectives. During fiscal year 2013, the Compensation Committee retained the services of The Hay Group to provide the Committee with competitive market compensation data for senior management, a comparison of the Company's senior management compensation levels compared to market data and other data and services to assist the Committee in its consideration of the establishment, structure and amount of executive compensation. During fiscal year 2013, The Hay Group did not provide any other services to the Company.

2013 Executive Officer Compensation Components

For the year ended December 31, 2013, the principal components of compensation for named executive officers were:

- base salary;
- performance-based incentive compensation, including both short-term cash incentive compensation and long-term equity incentive compensation;
- retirement and other benefits; and
- perquisites and other personal benefits.

Base Salary

We provide our named executive officers and other employees with a base salary to compensate them for services rendered during the year. Base salary ranges for named executive officers are determined for each executive officer based on various factors considered by the Compensation Committee, including his or her position and level of responsibility and his or her actual performance during the preceding year. Base salaries for each year are typically evaluated annually in the first quarter of such year. Merit-based increases to base salaries for executive officers are based on the Compensation Committee's assessment of various factors, including the individual's performance during the preceding year and base salary history. In 2013, the base salaries for our named executive officers were adjusted to be more heavily weighted toward incentive programs focused on Company financial performance and share price performance compared to a benchmark index.

Performance-Based Incentive Compensation

Our 2005 Employee Stock and Incentive Plan, as amended and restated (the "Plan") provides the Compensation Committee with the flexibility to design cash and stock-based incentive compensation programs to promote performance and the achievement of our goals and objectives by executive officers and other key employees by allowing them to participate in our long-term growth and profitability. The Compensation Committee believes that providing performance-based incentive compensation is necessary to attract and retain superior executive talent and to align the financial interests of executive officers with those of our stockholders. A portion of each executive officer's potential aggregate compensation is in the form of incentive compensation. There are two types of performance-based incentive compensation used by the Compensation Committee. The first type is short-term incentive compensation in the form of a performance based cash award. The second type is long-term incentive compensation in the form of grants of performance shares, stock options, restricted stock or restricted stock units.

In May 2013, pursuant to the Plan, the Company issued Performance-Based Cash Awards and Performance Share Awards (as such terms are defined in the Plan) to the Company's named executive officers and other senior management. Under the terms of such Awards, the determination of the dollar amount of the Performance-Based Cash Awards and the number of Performance Shares which each such individual received was subject to, and calculated by reference to, the achievement by the Company of a performance goal measured by a range of targeted adjusted EBITDA performance for 2013. EBITDA represents earnings (or losses) before interest, income taxes, depreciation, and amortization. Adjusted EBITDA further eliminates the effect of stock-based compensation and restructuring and other charges.

The dollar amount of the Performance-Based Cash Awards and number of Performance Shares was determined in March 2014 upon completion of the Company's 2013 annual financial statements. Based upon the achievement of certain targeted adjusted EBITDA goals, the Company paid the following Performance-Based Cash Awards to the named executive officers and the named executive officers received the following vested Performance Shares and are entitled to the following number of unvested Performance Shares:

Named Executive Officer	Performance-Based	Performance Shares (# of Shares)	
	Cash Award (\$)	Vested	Unvested
Michael C. Willoughby	\$ 377,450	52,178	156,532
Thomas J. Madden	\$ 246,700	24,349	73,049
Cynthia D. Almond	\$ 186,550	18,043	54,129

The number of unvested Performance Shares shown in the table above are subject to three year vesting based upon continued employment and the comparative performance (on an annual and cumulative basis) of the Company's common stock on NASDAQ compared to the Russell Micro Cap Index.

For 2013, the Compensation Committee retained The Hay Group, an independent compensation consultant, to assist the Committee in reviewing and establishing executive and senior management compensation.

Retirement and Other Benefits

Executive officers are eligible to participate in our 401(k) plan and other benefit programs as described below. The Compensation Committee reviews the overall cost to us of these various programs generally on an annual basis or when changes are proposed. The Compensation Committee believes that the benefits provided by these programs have been important factors in attracting and retaining the overall executive officer group, including the named executive officers.

Our 401(k) plan allows for discretionary employer matching funds of the employee contribution. During 2013, the employer match portion was 12% of employee contributions. We do not provide any other tax-qualified deferred compensation plans or programs for our executive officers.

Executive officers also receive benefit of life insurance policies, which provide coverage in varying amounts up to \$0.75 million.

Executive officers are also entitled to participate in the various other group health, term life and similar benefit plans available to all of our employees and on the same terms as such employees.

Perquisites and Other Personal Benefits

We provide named executive officers with perquisites and other personal benefits that we and the Compensation Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which provides that we may not deduct compensation of more than \$1 million that is paid to certain individuals, subject to certain exemptions. Although the issuance of the Performance-Based Cash Awards and Performance Shares in 2013 did not meet the Section 162(m) exemptions since the performance targets were not established within the required time period, the Committee determined that the issuance of such performance based compensation was appropriate in order to ensure competitive levels of total compensation for the Company's executive officers.

EMPLOYMENT, CHANGE OF CONTROL AND TERMINATION ARRANGEMENTS FOR EXECUTIVES

The Company and the named executive officers have entered into Change in Control and Severance Agreements. Under these agreements, and in consideration of certain commitments of the officer to continue employment, upon the occurrence of a change in control, all unvested options held by the officer immediately vest and become exercisable. During the two year period following a change in control (whenever occurring), if the employment of the officer is terminated (other than for cause, death, disability or retirement), or if there is a material adverse change in the officer's responsibilities, compensation or benefits to which the officer does not consent, then, in each case, the officer is entitled to receive from the Company (1) all salary and bonus amounts accrued through the date of termination, (2) a severance payment equal to twice the officer's salary and bonus amount (which is defined as the greater of (i) the highest annual incentive bonus earned by the executive during the last three completed fiscal years or (ii) the executive's then target bonus, if any) and (3) continuation for two years of all employee benefits (unless otherwise provided by a subsequent employer). If applicable, the officer is also entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such severance or bonus payment. The agreement terminates upon the voluntary resignation or termination of employment by the officer.

In addition, upon a change in control, all unvested Performance Shares issued to the named executive officers immediately vest and each recipient is entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such shares.

The Company and the named executive officers (other than Ms. Almond) have also entered into Executive Severance Agreements. Under these agreements, and in consideration for, among other things, the agreement by the executive to be bound by a restrictive covenant, in the event of the termination of the employment of the executive other than for cause (including termination following a reduction in the executive's base salary unless such reduction is part of, and proportionate with, a general reduction in officer compensation), the executive is entitled to a severance payment, based on the executive's years of service, up to a maximum of twice the executive's salary and the bonus, if any, that the executive would have received for such fiscal year (based upon the executive's targeted bonus amount and the Company's actual results for such fiscal year), payable in monthly installments over a period not to exceed two years (based on the executive's years of service). In addition, in the event of termination without cause, the executive is entitled during the severance period to a continuation of benefits and to the accelerated vesting of all options then held by the executive, and the executive is considered a continuing employee of the Company for all purposes for which the executive's status as an employee of the Company would entitle the executive to some benefit, including the vesting of Performance Shares. The severance payment and benefits are reduced by any compensation or benefits received by the executive from any subsequent employer.

Effective as of December 31, 2008, the Company and the aforesaid named executive officers entered into an amendment to the existing Executive Severance Agreements and Change in Control Severance Agreements between the Company and such persons. The primary purpose of such amendment was to modify such agreements so that they conform to Section 409A of the Internal Revenue Code. In addition, the amendment to the Executive Severance Agreement modified the calculation of the severance amount thereunder so that it is based on the highest annual rate of base salary during the 12-month period immediately prior to the qualifying termination.

The Company and Ms. Almond have entered into a Severance, Nondisclosure, Nonsolicitation and Noncompete Agreement pursuant to which, and in consideration for, among other things, the agreement by Ms. Almond to be bound by a restrictive covenant, in the event of the termination of her employment other than for cause, Ms. Almond is entitled to a severance payment equal to nine months of base salary, payable in monthly installments, and a continuation of benefits during such period.

Effective as of March 2013, the Company and Mr. Layton amended certain of the terms of the Executive Severance Agreement between the Company and Mr. Layton. The amendment modified certain provisions regarding severance payments payable to Mr. Layton, including the payment of certain additional amounts upon the occurrence of a change in control, and included an additional covenant restricting Mr. Layton from being employed by certain named competitors of the Company. A copy of the amendment was filed as an exhibit to the Company's Form 8-K filed with the SEC on March 29, 2013 and reference is made thereto for a complete description of the terms thereof.

- (2) Mr. Reilly had 59,149 options outstanding as of December 31, 2013.
- (3) Mr. Beatson had 59,149 options outstanding as of December 31, 2013.
- (4) Dr. Jacobs had 54,894 options outstanding as of December 31, 2013.
- (5) Mr. Rosenzweig had 10,000 options outstanding as of December 31, 2013.
- (6) Mr. Murray resigned from the Board in May 2013. Mr. Murray had no options outstanding as of December 31, 2013.

During 2013 non-employee directors received an annual retainer fee of \$22,000, payable quarterly, a director meeting fee of \$2,500 for each quarterly board meeting attended, a committee meeting fee of \$1,500 for each quarterly Audit Committee meeting attended and a committee meeting fee of \$750 or \$1,250 (depending upon the meeting length) for each special committee meeting. Mr. Reilly, as lead director, received an additional \$5,000 for each quarterly board meeting attended and \$25,000 for additional services performed for the special committee.

In June 1999 the Company adopted a Non-Employee Director Stock Option and Retainer Plan (the “Non-Employee Director Plan”). As amended in June 2011, the Non-Employee Director Plan provides for the issuance to each non-employee director of an option to purchase 10,000 shares of common stock as of the date of each annual meeting of stockholders. Pursuant to the Non-Employee Director Plan, during 2013, each non-employee director received an option to purchase 10,000 shares of common stock at an exercise price of \$4.20 per share. The Non-Employee Director Plan permits the payment of non-employee director retainer fees in shares of Common Stock in lieu of cash.

All options issued to non-employee directors under the Non-Employee Director Plan are non-qualified options for federal income tax purposes and have an exercise price equal to the fair market value of a share of common stock as of the date of the annual meeting upon which such option is granted. All options granted under the Non-Employee Director Plan have a ten-year term and are subject to a one-year vesting schedule.

Generally, unless the Non-Employee Director Plan administrator otherwise provides, options are non-transferable other than by will or the laws of descent and distribution. At the time of any merger, consolidation, reorganization, recapitalization, stock dividend, stock split, or other change in the corporate structure or capitalization affecting the Company’s common stock, the Non-Employee Director Plan administrator will make appropriate adjustments to the exercise price, number and kind of shares to be issued under the Non-Employee Director Plan and any outstanding options. The Board of Directors has the authority to amend, modify, suspend or terminate the Non-Employee Director Plan at any time. In 2014, based upon the adoption of the outside director compensation program described below, the Board of Directors terminated the Non-Employee Plan and no further options will be issued thereunder.

Directors who are also employees of the Company or any of its subsidiaries receive no remuneration for serving as directors or Committee members.

Mr. Nagakura is eligible to participate in the Company's compensation programs for non-employee Directors. As the representative of TCI, however, under TCI's current policy, Mr. Nagakura is not permitted to receive remuneration for serving as a director of the Company. Accordingly, Mr. Nagakura received no compensation as a Director during 2013.

In January 2014, the Board established the compensation for the current nonemployee Directors for 2014 until the Annual Meeting. Each nonemployee Director is authorized to receive a retainer (the "Retainer") of \$25,000, payable on or about the first day of each quarter during such period. The Board authorized the Compensation Committee (the "Committee") to determine the form and method of payment of such Retainer, including payment of such Retainer in cash or in an equity based award (an "Award") under the Plan, and, in the event the Retainer is in the form of an Award, the Board further authorized the Committee to issue on a one-time basis an option under the Plan for the purchase of 30,000 shares of the Company's common stock, which vest in equal annual installments over a three-year period. The Board currently contemplates continuing this compensation program following the Annual Meeting.

The Committee subsequently determined that the payment of such Retainer to all nonemployee Directors (other than Dr. Neil Jacobs) will be in the form of a Deferred Stock Unit (a "DSU") under the Plan. The DSU represents the right to receive a number of shares of Common Stock equal to the Retainer divided by the immediately preceding closing price of the Common Stock. Shares are not issuable under the DSU until the Director no longer serves on the Board. The Committee further authorized the issuance of the Option on a one-time basis to each Director for whom the Retainer is paid through the issuance of the DSU.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth as of May 20, 2014, certain information regarding the beneficial ownership of the Company's Common Stock by (i) each person who is known to the Company to beneficially own more than 5% of the Common Stock, (ii) each of the Directors and named executive officers of the Company individually and (iii) the Directors and executive officers of the Company as a group. The information contained in this table reflects "beneficial ownership" as defined in Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and, as such, also includes shares acquirable within 60 days. ITEM 2
APPROVAL OF AMENDMENT TO THE
2005 EMPLOYEE STOCK AND INCENTIVE PLAN

At the Annual Meeting, stockholders are being asked to approve an amendment to the 2005 Employee Stock and Incentive Plan (as herein amended, the “Plan”) to increase the number of shares of Common Stock reserved for issuance thereunder by 800,000 shares as described below. In addition, certain minor technical changes have been made to the Plan. A copy of the amended and restated Plan incorporating this amendment and changes is attached to this proxy statement as **Appendix A**.

General Information

The Company established the Plan in 1999 to promote the interests of the Company and its stockholders by using investment interests in the Company to attract, motivate and retain highly qualified key personnel, encourage equity ownership among this group, and enhance a mutuality of interest with stockholders in improving the long-term performance of the Company and the value of the Company’s Common Stock. The Plan was last amended and restated in 2012. On May 9, 2014, the closing price of the Company’s Common Stock was \$7.63.

The Company currently maintains the Plan under which (i) stock options for an aggregate of approximately 1,635,583 shares of the Company’s common stock were outstanding as of May 9, 2014, with a weighted average exercise price of \$5.21 per share, (ii) an aggregate of 448,589 Performance Shares (as defined under the Plan) are issued and outstanding and subject to future three year vesting based upon continued employment of the holders thereof and the comparative performance (on an annual and cumulative basis) of the Company’s common stock on NASDAQ compared to the Russell Micro Cap Index, (iii) subject to the stockholder approval of the amendment described herein, Performance Awards (as defined under the Plan) have been issued and outstanding under which an aggregate maximum of 310,997 Performance Shares may be issued, subject to the achievement by the Company of a designated range of financial performance based upon the Company’s adjusted EBITDA for the 2014 fiscal year (which Performance Shares, if issued, will be subject to future four year vesting, commencing with 2014, based upon continued employment of the holders thereof and, for certain holders, the comparative performance (on an annual and cumulative basis) of the Company’s common stock on NASDAQ compared to the Russell Micro Cap Index and (iv) an aggregate of 19,449 Deferred Stock Units (as defined under the Plan) have been issued to the Company’s outside directors. If the stockholders approve the proposed amendment to the Plan, the number of shares of common stock available for future equity grants to its employees, officers, directors and consultants will be increased by 800,000 to 665,542 provided, however, that, for purposes of computing how many shares of common stock remain available for awards under the Plan, each share of common stock that is granted in an award under the Plan in a form other than an option or a stock appreciation right (a “Full-Value Award”) will be counted against as 1.22 shares. As of December 31, 2013, approximately 1,300 of the Company’s employees, officers, directors and consultants, representing substantially all of the Company’s full-time employees were eligible to participate in the Plan.

The Company’s Board of Directors has approved the amendment to the Plan described above, subject to stockholder approval. The Board of Directors adopted the amendment to the Plan because it believes that:

- Additional shares for awards under the Plan are necessary to attract and retain qualified employees and executives; and
- Additional shares for awards under the Plan are needed to further the goal of motivating existing personnel and providing long-term equity incentives which is an integral component of the Company’s compensation policy.

Description of the Plan

A summary of the Plan, as amended by the amendment described above, is set forth below. This summary is qualified in its entirety by the full text of the Plan, as amended and restated, which is attached to this proxy statement as **Appendix A**.

Purpose. The purpose of the Plan is to focus management and employees on business performance that creates stockholder value, encourage innovative approaches to the business of the Company, reward for results, and encourage ownership of Company common stock by management and employees.

Permissible Awards . The Plan authorizes the granting of awards in any of the following forms:

- market-priced options to purchase shares of common stock, which may be non-statutory stock options or incentive stock options under the Internal Revenue Code (the “Code”);
- stock appreciation rights, which give the holder the right to receive, in cash or stock, the difference between the fair market value per share of common stock on the date of exercise over the fair market value per share of common stock on the date of grant;
- restricted stock, which is a grant of shares that are subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee;
- restricted stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property) in the future, based upon the attainment of stated vesting or performance criteria;
- deferred stock units, which represent the vested right to receive shares of common stock (or an equivalent value in cash or other property) in the future;
- performance awards, which are payable in cash or stock upon the attainment of specified performance goals;
- dividend and interest equivalents, which entitle the participant to payments (or an equivalent value payable in stock or other property) equal to, in the case of dividend equivalents, any dividends paid on the shares of stock underlying an award, or, in the case of interest equivalents, a stated rate of return on the value of an outstanding award;
- other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants; and
- cash awards.

Shares Available for Awards . Under the Plan, and subject to stockholder approval of the amendment described herein, a total of 3,251,548 shares of common stock are authorized for the grant of awards under the Plan, of which awards, including Full Value Awards, for an aggregate of approximately 2,586,006 shares of common stock were outstanding as of May 9, 2014, (after giving effect to Full Value Award share counting hereinafter described). The 665,533 shares of common stock available for issuance under the Plan will be in a “fungible pool” with shares subject to Full-Value Awards counted against this limit as 1.22 shares, and any shares subject to any other type of award to be counted against this limit as one share for every one share granted.

Any shares of common stock related to awards under the Plan which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares, will be available again for grant under the Plan, provided, however, that the following shares of common stock may not again be made available for issuance as awards under the Plan: (i) shares of common stock not issued or delivered as a result of the net settlement of an outstanding stock appreciation right or option, (ii) shares of common stock used to pay the exercise price or withholding taxes related to an outstanding award, or (iii) shares of common stock repurchased on the open market with the proceeds of the option exercise price.

Limitations on Awards . The maximum number of shares of common stock that may be covered by options and stock appreciation rights granted under the Plan to any one employee during any one calendar year is 250,000. The maximum aggregate grant with respect to awards of restricted stock, restricted stock units, deferred stock units, performance shares or other stock-based awards under the Plan (other than options or SARs) that may be granted to any one employee during any one calendar year is 250,000. The aggregate maximum dollar value of any performance-based cash award or other cash-based award that may be paid to any one employee during any one calendar year under the Plan is \$2,500,000.

Administration . The Plan is administered by the Compensation Committee. The Compensation Committee has the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the Plan; and make all other decisions and determinations that may be required under the Plan. The Board of Directors may at any time administer the Plan. If it does so, it will have all the powers of the Compensation Committee under the Plan.

Performance Goals . All options and stock appreciation rights granted under the Plan are designed to be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Compensation Committee may designate any other award granted under the Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of company-wide objectives or in terms of objectives that relate to the performance of a division, business unit, affiliate, department or function within the Company or an affiliate or any combination thereof: revenue; sales; profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures); earnings (EBIT, EBITDA, Adjusted EBITDA, earnings per share, or other corporate earnings measures); net income (before or after taxes, operating income or other income measures); cash (cash flow, cash generation or other cash measures); stock price or performance; total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price); return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales); market share; improvements in capital structure; expenses (expense management, expense ratio, expense efficiency ratios or other expense measures); business expansion or consolidation (acquisitions and divestitures); internal rate of return or increase in net present value; working capital targets relating to inventory and/or accounts receivable; or planning accuracy (as measured by comparing planned results to actual results).

The Compensation Committee must establish such goals within the first quarter of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Compensation Committee may for any reason reduce (but not increase) any award, notwithstanding the achievement of a specified goal.

Limitations on Transfer; Beneficiaries . No award will be assignable or transferable by an employee other than by will or the laws of descent and distribution or (except in the case of an incentive stock option) pursuant to a qualified domestic relations order. Notwithstanding the foregoing, the Compensation Committee may, but need not, permit other transfers where it concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any option intended to be an incentive stock option to fail to qualify as such, and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including, without limitation, state or federal tax or securities laws applicable to transferable awards. An employee may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the employee and to receive any distribution with respect to any award upon the employee's death. Notwithstanding the foregoing, no right or interest of a participant in any unexercised or restricted award may be transferred or assigned for consideration.

Acceleration Upon Certain Events . Unless otherwise provided in an award certificate or other employee agreement, if an employee's service terminates by reason of death, disability or retirement after age 65, all of such employee's outstanding options, stock appreciation rights and other awards that may be exercised will become fully exercisable, all time-based vesting restrictions on his or her outstanding awards will lapse, and the target payout opportunities attainable under such employee's outstanding performance-based equity awards will be deemed to have been fully earned as of the date of termination based upon an assumed achievement of all relevant performance goals at the "target" level and there will be a pro rata payout in cash or equity, as appropriate, to the employee or his or her estate within thirty (30) days following the date of termination based upon the length of time within the performance period that has elapsed prior to the date of termination. In addition, the Compensation Committee may determine that any performance-based criteria with respect to cash awards held by such person will be deemed wholly or partially satisfied as of the date of death, disability or retirement.

In addition, the Compensation Committee may, accordance with, and subject to, the terms and provisions of the Plan, determine that upon an employee's termination of service or upon the occurrence of a change in control, all or a portion of an employee's options, SARs and other awards in the nature of rights that may be exercised will terminate and expire or become fully or partially exercisable, that all or a part of the restrictions on all or a portion of

an employee's outstanding awards will lapse, and/or that any performance-based criteria with respect to any awards held by an employee will be deemed to be wholly or partially satisfied, in each case, as of such date as the Compensation Committee may, in its sole discretion declare. The Compensation Committee may discriminate among employees or among awards in exercising such discretion.

Adjustments . In the event of a stock split, a dividend payable in shares of common stock, or a combination or consolidation of the common stock into a lesser number of shares, the share authorization limits under the Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If the Company is involved in another corporate transaction or event that affects the common stock, such as an extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the plan will be adjusted proportionately, and the Compensation Committee may adjust outstanding awards to preserve the benefits or potential benefits of the awards.

Termination and Amendment . The Board of Directors or the Compensation Committee may, at any time and from time to time, terminate or amend the Plan, but if an amendment to the Plan would materially increase the benefits accruing to employees, materially increase the number of shares of stock issuable, expand the types of awards that may be granted, materially expand the class of eligible employees, materially extend the term of the Plan or otherwise constitute a material change requiring stockholder approval under applicable listing requirements or laws, then such amendment will be subject to stockholder approval. In addition, the Board of Directors or the Compensation Committee may condition any amendment on the approval the stockholders for any other reason. No termination or amendment of the Plan may adversely affect any award previously granted without the written consent of the employee.

The Compensation Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the employee and, unless approved by the stockholders, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Prohibition on Repricing . Outstanding stock options or stock appreciation rights cannot be repriced, directly or indirectly, without the prior consent of the Company's stockholders. The modification or exchange of an "underwater" option or stock appreciation right (i.e., having an exercise price in excess of the current market value of the underlying stock) for cash or another award would be considered an indirect repricing and would, therefore, require the prior consent of the Company's stockholders.

Certain U.S. Federal Tax Effects

Non-statutory Stock Options . There will be no federal income tax consequences to the optionee or to the Company upon the grant of a non-statutory stock option under the Plan. When the optionee exercises a non-statutory option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options . There generally will be no federal income tax consequences to the optionee or to the Company upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for the required holding period of the later of two years after the date the option was granted or one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights . An employee receiving a stock appreciation right under the Plan will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the employee exercises the stock appreciation right, the amount of cash and the fair market value of any shares of common stock received will be ordinary income to the employee and the Company will be allowed a corresponding federal income tax deduction at that time.

Restricted Stock . Unless an employee makes an election to accelerate recognition of the income to the date of grant as described below, an employee will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the employee will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the employee files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the employee at capital gains rates. However, if the stock is later forfeited, the employee will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted or Deferred Stock Units . An employee will not recognize income, and the Company will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of common stock (or the equivalent value in cash or other property) in settlement of a stock unit award, an employee will recognize ordinary income equal to the fair market value of the common stock or other property as of that date (less any amount he or she paid for the stock or property), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards . An employee generally will not recognize income, and the Company will not be allowed a tax deduction, at the time performance awards are granted. Upon receipt of shares of cash, stock or other property in settlement of a performance award, the cash amount or the fair market value of the stock or other property will be ordinary income to the employee, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Code Section 409A . It is intended that options, stock appreciation rights, restricted stock awards and stock unit awards granted under the Plan will be exempt from the application of Code Section 409A. If any award is structured in a way that would cause Code Section 409A to apply and if the requirements of 409A are not met, the taxable events as described above could apply earlier than described above and could result in the imposition of additional taxes and penalties.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY UNDER THE PLAN BASED ON FEDERAL TAX LAWS AND REGULATIONS AS IN EFFECT ON MAY 1, 2014. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE MAY RESIDE.

Benefits to Named Executive Officers and Others

Because grants under the Plan are discretionary, the Company cannot now determine the number of Awards that will be granted to any particular executive officer, to all executive officers as a group or to non-executive officer employees or directors as a group. The number of such Awards will be determined by the Compensation Committee from time to time in accordance with the terms of the Plan. Please refer to the section entitled *Performance-Based Incentive Compensation* above for Awards made during the most recent fiscal year under the Plan to our named executive officers.

The following table summarizes information with respect to equity compensation plans under which equity securities of the registrant are authorized for issuance as of December 31, 2013. Recommendation and Vote Required

The Board unanimously recommends that the stockholders vote FOR this Proposal.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the Company's Common Stock present or represented at the Annual Meeting and entitled to vote thereon is required to approve the amendments to the Plan.

ITEM 3 ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Company seeks your advisory vote approving the compensation of our named executive officers as disclosed in this Proxy Statement. We believe that our executive compensation programs are structured in the best manner possible to support our business objectives and are designed to provide competitive total compensation that is tied to the achievement of Company performance objectives and to attract, motivate and retain individuals who will build long-term value for our stockholders. See "Executive Compensation" above. Key characteristics of our executive compensation programs include the following:

- *Pay for Performance* . Our compensation programs seek to tie pay to performance and a meaningful portion of our executives' compensation is incentive based and contingent upon Company financial performance.
- *Pay Competitively* . We are committed to providing an executive compensation program designed to attract, motivate, reward, and retain executive officers with the skills necessary to successfully lead and manage our business.
- *Pay Responsibly* . Our compensation program is designed to align the interests of our executive officers with our stockholders and to discourage excessive risk-taking.

We are asking stockholders to approve, on an advisory basis, the compensation of our named executive officers for 2013 as disclosed in the Summary Compensation Table and related compensation tables, notes, and narrative discussion in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation program for our named executive officers described in this proxy statement. The vote on this proposal is advisory and non-binding; however, the Compensation Committee and the Board will review the results of the vote and consider them when making future determinations regarding our executive compensation programs.

Recommendation and Vote Required

The Board unanimously recommends that the stockholders vote FOR this Proposal.

The non-binding proposal to approve the compensation of the Company's named executive officers requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions are treated as votes against the proposal, while broker non-votes have no effect.

ITEM 4 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company has appointed Grant Thornton LLP as the Company's independent auditors for the fiscal year ending December 31, 2014. Ratification of the appointment of Grant Thornton LLP as the Company's independent auditors will require the affirmative vote of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote at the Annual Meeting. In the event stockholders do not ratify the appointment of Grant Thornton LLP as the Company's independent auditors, such appointment may be reconsidered by the Audit Committee and the Board of Directors. Representatives of Grant Thornton LLP will be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The Board of Directors of the Company recommends a vote FOR ratification of Grant Thornton LLP as the Company's independent auditors for the fiscal year ending December 31, 2014.

Fees billed to the Company by Grant Thornton LLP for the years 2012 and 2013

The following table sets forth (i) the aggregate fees billed by Grant Thornton LLP relating to the audit of the 2012 and 2013 consolidated financial statements and (ii) the fees for other professional services billed by Grant Thornton LLP in connection with services rendered during the previous two fiscal years.

Fee Type	2012	2013
Audit fees (a)	\$407,300	\$363,700
Audit-related fees (b)	71,550	71,500

- (a) Includes fees for professional services rendered in connection with the audit of the annual financial statements, reviews of the quarterly financial statements, and fees paid for the audit of the Company's subsidiary, Supplies Distributors, to satisfy requirements of its senior debt agreements.
- (b) Consists of aggregate fees billed for assurance services provided in connection with reports on certain internal controls under Statement on Standards for Attestation Engagements (SSAE) No. 16.

All of the fees listed in the chart above were pre-approved by the Audit Committee, which concluded that the provisions of such services by Grant Thornton LLP was compatible with the maintenance of that firm's independence in the conduct of its audit functions.

Policy on Audit Committee Pre Approval of Audit and Permissible Non Audit Services of Independent Registered Public Accountants

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent auditors. These services may include audit services, audit related services, tax and other services. (c) *Individual Dollar Limitation* . The aggregate Fair Market Value (determined as of the Grant Date) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00.

(d) *Ten Percent Owners* . No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least 110% of the Fair Market Value per Share at the Grant Date and the Option expires no later than five years after the Grant Date.

(e) *Expiration of Authority to Grant Incentive Stock Options*. No Incentive Stock Option may be granted pursuant to the Plan after the day immediately prior to the tenth anniversary of the Effective Date of the Plan, or the termination of the Plan, if earlier.

(f) *Right To Exercise* . During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.

(g) *Eligible Grantees* . The Committee may not grant an Incentive Stock Option to a person who is not at the Grant Date an employee of the Company or a Parent or Subsidiary.

ARTICLE 8 STOCK APPRECIATION RIGHTS

8.1. GRANT OF STOCK APPRECIATION RIGHTS . The Committee is authorized to grant Stock Appreciation Rights to Participants on the following terms and conditions:

(a) *Right To Payment* . Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive upon exercise, a payment in cash or Shares equal to the excess, if any, of:

- (1) The Fair Market Value of one Share on the date of exercise; over
- (2) The base value of the Stock Appreciation Right as determined by the Committee, which shall not be less than the Fair Market Value of one Share on the Grant Date (unless the SAR is granted in tandem with an Option after the Grant Date of the Option, in which case, subject to any applicable requirements of or conditions under Section 409A of the Code, the base price of the SAR may equal the exercise price of the related Option even if less than the Fair Market Value of one Share on the Grant Date of the SAR).

(b) *Other Terms* . The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Stock Appreciation Right shall be determined by the Committee.

ARTICLE 9 PERFORMANCE AWARDS

9.1. GRANT OF PERFORMANCE AWARDS . The Committee is authorized to grant Performance Shares, Performance Units or Performance-Based Cash Awards to Participants on such terms and conditions as may be selected by the Committee.

9.2. PERFORMANCE GOALS. The Committee may establish performance goals for Performance Awards which may be based on any criteria selected by the Committee. Such performance goals may be described in terms of Company-wide objectives or in terms of objectives that relate to the performance of the Participant, an Affiliate or a division, region, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award.

9.3. RIGHT TO PAYMENT. The grant of a Performance Share to a Participant will entitle the Participant to receive at a specified later time a specified number of Shares, or the equivalent cash value, if the performance goals established by the Committee are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance Unit to a Participant will entitle the Participant to receive at a specified later time a specified dollar value, which may be settled in cash or other property, including Shares, variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance-Based Cash Award to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the value of the Performance Awards that will be paid to the Participant.

9.4. OTHER TERMS. The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Performance Awards shall be determined by the Committee. For purposes of determining the number of Shares to be used in payment of a Performance Award denominated in cash but payable in whole or in part in Shares or Restricted Stock, the number of Shares to be so paid will be determined by dividing the cash value of the Award to be so paid by the Fair Market Value of a Share on the date of determination by the Committee of the amount of the payment under the Award, or, if the Committee so directs, the date immediately preceding the date the Award is paid.

ARTICLE 10 RESTRICTED STOCK AND RESTRICTED STOCK UNIT AWARDS

10.1. GRANT OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS. The Committee is authorized to make Awards of Restricted Stock or Restricted Stock Units to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee, subject to Section 5.4.

10.2. ISSUANCE AND RESTRICTIONS. Restricted Stock or Restricted Stock Units shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock or dividend equivalents on the Restricted Stock Units) covering a period of time specified by the Committee (the "Restriction Period"). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Except as otherwise provided in an Award Certificate, the Participant shall have all of the rights of a stockholder with respect to the Restricted Stock, and the Participant shall have none of the rights of a stockholder with respect to Restricted Stock Units until such time as Shares of Stock are paid in settlement of the Restricted Stock Units.

10.3. FORFEITURE. Except as provided in an Award Certificate or otherwise determined by the Committee at the time of the grant of the Award or thereafter, immediately after termination of Continuous Status as a Participant during the applicable Restriction Period or upon failure to satisfy a performance goal during the applicable Restriction Period, Restricted Stock or Restricted Stock Units that are at that time subject to restrictions shall be forfeited.

10.4. DELIVERY OF RESTRICTED STOCK. Shares of Restricted Stock shall be delivered to the Participant at the time of grant either by book-entry registration or by delivering to the Participant, or a custodian or escrow agent (including, without limitation, the Company or one or more of its employees) designated by the Committee, a stock certificate or certificates registered in the name of the Participant. If physical certificates representing shares of Restricted Stock are registered in the name of the Participant, such certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

ARTICLE 11 DEFERRED STOCK UNITS

11.1. GRANT OF DEFERRED STOCK UNITS. The Committee is authorized to grant Deferred Stock Units to Participants subject to such terms and conditions as may be selected by the Committee. Deferred Stock Units shall entitle the Participant to receive Shares of Stock (or the equivalent value in cash or other property if so determined by the Committee) at a future time as determined by the Committee, or as determined by the Participant within guidelines established by the Committee in the case of voluntary deferral elections.

ARTICLE 12 DIVIDEND AND INTEREST EQUIVALENTS

12.1. GRANT OF DIVIDEND EQUIVALENTS. The Committee is authorized to grant Dividend Equivalents to Participants subject to such terms and conditions as may be selected by the Committee. Dividend Equivalents shall entitle the Participant to receive payments equal in value to the cash dividends that would have been paid with respect to all or a portion of the number of Shares subject to any Award, if such Shares had been outstanding, as determined by the Committee. The Committee may provide that Dividend Equivalents be paid or distributed when accrued or be deemed to have been reinvested in additional Shares or units equivalent to Shares, or otherwise reinvested. Notwithstanding the foregoing, Dividend Equivalents may accrue upon Performance Awards but may not be paid until all conditions to the vesting or issuance of the Performance Award have been satisfied.

12.2. GRANT OF INTEREST EQUIVALENTS. The Committee is authorized to grant Interest Equivalents to Participants subject to such terms and conditions as may be selected by the Committee. Interest Equivalents shall entitle the Participant to receive payments equal to a stated rate of return on the value of an outstanding Award, as determined by the Committee. The Committee may provide that Interest Equivalents be paid or distributed when accrued or be deemed to have been reinvested in additional Shares or units equivalent to Shares, or otherwise reinvested. Notwithstanding the foregoing, Interest Equivalents may accrue upon Performance Awards but may not be paid until all conditions to the vesting or issuance of the Performance Award have been satisfied.

12.3. NO PAYMENT. No Dividend Equivalents or Interest Equivalents may be paid until such time as the applicable performance goal(s) in respect of the Award thereof is achieved.

ARTICLE 13 STOCK OR OTHER STOCK-BASED AWARDS

13.1. GRANT OF STOCK OR OTHER STOCK-BASED AWARDS. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares or other property, as deemed by the Committee to be consistent with the purposes of the Plan, including without limitation Shares awarded purely as a “bonus” and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, and Awards valued by reference to book value of Shares or the value of securities of or the performance of specified Parents or Affiliates (“Other Stock-Based Awards”). Such Other Stock-Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan. The Committee shall determine the terms and conditions of such Other Stock-Based Awards.

ARTICLE 14
QUALIFIED PERFORMANCE-BASED AWARDS

14.1. OPTIONS AND STOCK APPRECIATION RIGHTS. The provisions of the Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Covered Employee shall qualify for the Section 162(m) Exemption.

14.2. OTHER AWARDS. When granting an Award other than an Option or a Stock Appreciation Right, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Business Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department, function or combination thereof within the Company or an Affiliate: revenue; sales; profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures); earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures); net income (before or after taxes, operating income or other income measures); cash (cash flow, cash generation or other cash measures); stock price or performance; total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price); return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales); market share; improvements in capital structure; expenses (expense management, expense ratio, expense efficiency ratios or other expense measures); business expansion or consolidation (acquisitions and divestitures); internal rate of return or increase in net present value; working capital targets relating to inventory and/or accounts receivable; or planning accuracy (as measured by comparing planned results to actual results).

Performance goals with respect to the foregoing Qualified Business Criteria may be specified in absolute terms, in percentages, or in terms of growth from period to period or growth rates over time, as well as measured relative to an established or specially-created performance index of Company competitors or peers. Any member of a specially-created performance index that undergoes a corporate event or transaction of a kind described in Article 16 or that files a petition for bankruptcy during a measurement period shall be disregarded from and after such event. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion).

14.3. PERFORMANCE GOALS. Each Qualified Performance-Based Award (other than a market-priced Option or SAR) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Business Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived upon the death or Disability of the Participant, or upon a Change in Control. Performance periods established by the Committee for any such Qualified Performance-Based Award may be as short as three months and may be any longer period. In addition, the Committee may reserve the right, in connection with the grant of a Qualified Performance-Based Award, to exercise negative discretion to determine that the portion of such Award actually earned, vested and/or payable (as applicable) shall be less than the portion that would be earned, vested and/or payable based solely upon application of the applicable performance goals.

14.4. INCLUSIONS AND EXCLUSIONS FROM PERFORMANCE CRITERIA. The Committee may provide in any Qualified Performance-Based Award that any evaluation of performance may include or exclude any of the following events that occurs during a performance period: asset write-downs or impairment charges; litigation or claim judgments or settlements; the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; accruals for reorganization and restructuring programs; extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; acquisitions or divestitures; and foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

14.5. CERTIFICATION OF PERFORMANCE GOALS. Any payment of a Qualified Performance-Based Award granted with performance goals pursuant to Section 14.3 above shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in Section 14.3, no Qualified Performance-Based Award held by a Covered Employee or by an employee who in the reasonable judgment of the Committee may be a Covered Employee on the date of payment, may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in any manner to waive the achievement of the applicable performance goal based on Qualified Business Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

ARTICLE 15 PROVISIONS APPLICABLE TO AWARDS

15.1. STAND-ALONE AND TANDEM AWARDS. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, any other Award granted under the Plan. Subject to Section 17.2, Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

15.2. TERM OF AWARD. The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Option or a Stock Appreciation Right exceed a period of ten years from its Grant Date (or, if Section 7.2(d) applies, five years from its Grant Date).

15.3. FORM OF PAYMENT FOR AWARDS. Subject to the terms of the Plan and any applicable law or Award Certificate, payments or transfers to be made by the Company or an Affiliate on the grant or exercise of an Award may be made in such form as the Committee determines at or after the Grant Date, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee and in compliance with the applicable requirements of Section 409A of the Code.

15.4. LIMITS ON TRANSFER. No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if such Section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards. Any purported transfer in violation of this Section 15.4 shall be null and void. Without limitation of the foregoing, no right or interest of a Participant in any unexercised or restricted Award may be transferred or assigned for consideration.

15.5. BENEFICIARIES. Notwithstanding Section 15.4, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Company.

15.6. STOCK CERTIFICATES. All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

15.7. ACCELERATION UPON DEATH, DISABILITY OR RETIREMENT. Except as otherwise provided in the Award Certificate or any special Plan document governing an Award, upon a Participant's death, Disability or Retirement during his or her Continuous Status as a Participant, (i) all of such Participant's outstanding Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) all time-based vesting restrictions on the Participant's outstanding Awards shall lapse, and (iii) the target payout opportunities attainable under all of such Participant's outstanding performance-based equity Awards shall be deemed to have been fully earned as of the date of termination based upon an assumed achievement of all relevant performance goals at the "target" level and there shall be a pro rata payout to the Participant or his or her estate within thirty (30) days following the date of termination based upon the length of time within the performance period that has elapsed prior to the date of termination. In addition, upon a Participant's death, Disability or Retirement of a Participant, the Committee may determine that any performance-based criteria with respect to any Performance-Based Cash Awards held by that Participant shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(c), the excess Options shall be deemed to be Nonstatutory Stock Options.

15.8. ACCELERATION UPON A CHANGE IN CONTROL. Except as otherwise provided in the Award Certificate or in an employment agreement, consulting agreement, change in control agreement or similar agreement in effect between the Company or an Affiliate and the Participant, in the event of a Change in Control or if a Participant's employment is terminated without Cause or the Participant resigns for Good Reason within six months after the effective date of a Change in Control, then, in the discretion of the Committee (which may be exercised prior to or following any Change in Control), the Committee may determine (which determination may be selective and non-uniform among Participants) that: (i) all of that Participant's outstanding Options, SARs and other Awards in the nature of rights that may be exercised may be terminated or may be accelerated to become fully exercisable, (ii) all time-based vesting restrictions on the Participant's outstanding Awards shall lapse, and/or (iii) the target payout opportunities attainable under all outstanding of that Participant's performance-based Awards shall be deemed to have been fully earned based upon an assumed achievement of all relevant performance goals at the "target" level and there shall be pro rata payout to such Participant within thirty (30) days following the date of Change in Control or termination of employment based upon the length of time within the performance period that has elapsed prior to the date of Change in Control or termination of employment.

15.9. DISCRETIONARY ACCELERATION. Regardless of whether an event has occurred as described in Section 15.7 or 15.8 above, and subject to Article 14 as to Qualified Performance-Based Awards, the Committee may in its sole discretion at any time determine that, upon the termination of service of a Participant, or the occurrence of a Change in Control, all or a portion of such Participant's Options, SARs and other Awards in the nature of rights that may be exercised shall terminate or become fully or partially exercisable, that all or a part of the restrictions on all or a portion of the Participant's outstanding Awards shall lapse, and/or that any performance-based criteria with respect to any Awards held by that Participant shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may be selective and non-uniform among Participants and among Awards granted to a Participant in exercising its discretion pursuant to this Section 15.9.

15.10. TERMINATION OF EMPLOYMENT. Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate (i) in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate, or (ii) in the discretion of the Committee as specified at or prior to such occurrence, in the case of a spin-

off, sale or disposition of the Participant's employer from the Company or any Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to cease to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Nonstatutory Stock Options.

15.11. DEFERRAL. Subject to applicable law, the Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares or other property that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock or Restricted Stock Units, or the satisfaction of any requirements or goals with respect to Performance Awards, and Other Stock-Based Awards. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals.

15.12. FORFEITURE EVENTS. The Committee may specify in an Award Certificate that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events. Such events may include, but are not limited to, termination of employment for cause, violation of material Company or Affiliate policies, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company or any Affiliate.

15.13. SUBSTITUTE AWARDS. The Committee may grant Awards under the Plan in substitution for stock and stock-based awards held by employees of another entity who become employees of the Company or an Affiliate as a result of a merger or consolidation of the former employing entity with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the former employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances.

15.14. NO REPRICING. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding Awards may not be amended to reduce the exercise price of outstanding Options or SARs or cancel outstanding Options or SARs in exchange for cash, other awards or Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs without stockholder approval as set forth in Section 17.1 hereof.

ARTICLE 16 CHANGES IN CAPITAL STRUCTURE

16.1. GENERAL. In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 5.1 and 5.4 shall be adjusted proportionately, and the Committee may adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. In addition, the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, (v) that performance targets and performance periods for Performance Awards will be modified, consistent with Code Section 162(m) where applicable, or (vi) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-

split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Section 5.1 and 5.4 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor. To the extent that any adjustments made pursuant to this Article 16 cause Incentive Stock Options to cease to qualify as Incentive Stock Options, such Options shall be deemed to be Nonstatutory Stock Options.

ARTICLE 17 AMENDMENT, MODIFICATION AND TERMINATION

17.1. AMENDMENT, MODIFICATION AND TERMINATION.

(a) The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without stockholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, (i) materially increase the benefits accruing to Participants, (ii) materially increase the number of Shares available under the Plan, (iii) expand the types of awards under the Plan, (iv) materially expand the class of participants eligible to participate in the Plan, (v) materially extend the term of the Plan, or (vi) otherwise constitute a material change requiring stockholder approval under applicable laws or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to stockholder approval; and provided, further, that the Board or Committee may condition any amendment or modification on the approval of stockholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable to (i) to comply with the listing or other requirements of an Exchange, or (ii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

(b) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be "adversely affected" by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise price or base value of such Award).

17.2. **AWARDS PREVIOUSLY GRANTED.** At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

(a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise or base price of such Award);

(b) The original term of an Option may not be extended without the prior approval of the stockholders of the Company; and

(c) Except as otherwise provided in Article 16, the exercise price of an Option may not be reduced, directly or indirectly, without the prior approval of the stockholders of the Company.

ARTICLE 18
GENERAL PROVISIONS

18.1. NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

18.2. NO STOCKHOLDER RIGHTS. No Award gives a Participant any of the rights of a stockholder of the Company unless and until Shares are in fact issued to such Participant in connection with the Award.

18.3. WITHHOLDING. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan or an Award. If Shares are permitted to be surrendered to the Company to satisfy tax obligations in excess of the minimum tax withholding obligation, such Shares must have been held by the Participant as fully vested shares for such period of time, if any, as the Committee may determine. The Company shall have the authority to require a Participant to remit cash to the Company in lieu of the surrender of Shares for tax withholding obligations if the Committee so determines. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes.

18.4. NO RIGHT TO CONTINUED SERVICE. Nothing in the Plan, any Award Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, director or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

18.5. UNFUNDED STATUS OF AWARDS. The Plan is intended to be an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. This Plan is not intended to be subject to ERISA.

18.6. RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless specifically provided otherwise in such other plan.

18.7. EXPENSES. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

18.8. TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

18.9. GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

18.10. FRACTIONAL SHARES. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

18.11. GOVERNMENT AND OTHER REGULATIONS.

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

18.12. GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of Delaware.

18.13. ADDITIONAL PROVISIONS. Each Award Certificate may contain such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

18.14. NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

18.15. INDEMNIFICATION. Each person who is or shall have been a member of the Committee, or of the Board, or an officer of the Company to whom authority was delegated in accordance with Article 4 shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf, unless such loss, cost, liability, or expense is a result of his or her own willful misconduct or except as expressly provided by statute. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's charter or bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

18.16. FOREIGN PARTICIPANTS. In order to facilitate the granting of Awards to Eligible Participants who are foreign nationals or who are employed outside of the United States of America, the Committee may provide for such special terms and conditions, including without limitation substitutes for Awards, as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. The Committee may approve any supplements to, or amendments, restatements or alternative versions of this Plan as it may consider necessary or appropriate for the purposes of this Section 18.16 without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such documents as having been approved and adopted pursuant to properly delegated authority; provided, that no such supplements, amendments, restatements or alternative versions shall include any provisions that are inconsistent with the spirit of this Plan, as then in effect. Participants subject to the laws of a foreign jurisdiction may request copies of, or the right to view, any materials that are required to be provided by the Company pursuant to the laws of such jurisdiction.

18.17. NOTICE. Except as otherwise provided in this Plan, all notices or other communications required or permitted to be given under this Plan to the Company shall be in writing and shall be deemed to have been duly given if delivered personally or mailed, postage pre-paid, as follows: (i) if to the Company, at its principal business address to the attention of the Secretary; and (ii) if to any Participant, at the last address of the Participant known to the sender at the time the notice or other communication is sent.

18.18. INUREMENT OF RIGHTS AND OBLIGATIONS. The rights and obligations under this Plan and any related documents shall inure to the benefit of, and shall be binding upon, the Company, its successors and assigns, and the Participants and their beneficiaries.

18.19. COSTS AND EXPENSES. Except as otherwise provided herein, the costs and expenses of administering this Plan shall be borne by the Company, and shall not be charged to any Award nor to any Participant receiving an Award. Costs and expenses associated with the redemption or exercise of any Award under this Plan, including, but not limited to, commissions charged by any agent of the Company, may be charged to the Participant.

18.20 SECTION 409A COMPLIANCE. The Plan is intended to comply with Section 409A of the Code to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered to be in compliance therewith. Any payments described in the Plan that are due within the “short-term deferral period” as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable laws require otherwise. Without in any way limiting the generality of the foregoing, payment with respect to any Award that constitutes “deferred compensation” within the meaning of Section 409A of the Code shall be made in accordance with the applicable requirements thereof. No payment under the Plan with respect to any Award that constitutes “deferred compensation” within the meaning of Section 409A of the Code shall be accelerated or deferred except in compliance with the applicable requirements thereof. To the extent required to avoid accelerated taxation and tax penalties under Section 409A of the Code, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to the Plan during the six (6) month period immediately following the Participant’s “separation from service” within the meaning of Section 409A of the Code shall instead be paid on the first payroll date after the six-month anniversary of the Participant’s separation from service (or the Participant’s death, if earlier). Notwithstanding the foregoing, neither the Company nor the Committee shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Participant under Section 409A of the Code and neither the Company nor the Committee will have any liability to any Participant for such tax or penalty. The provisions of this Section 18.20 shall apply notwithstanding any other provision of the Plan to the contrary.
