## **Ferroglobe Announces José María Alapont Appointed to the Board**

LONDON, Jan. 24, 2018 (GLOBE NEWSWIRE) -- Ferroglobe PLC (NASDAQ:GSM) (the Company) is pleased to announce today that Mr. José María Alapont has been appointed as a Non-Executive Director of the Board with immediate effect.

Mr. Alapont has held a number of significant senior executive, presidential and Board roles throughout his 40-year career in leading global manufacturing businesses, including as President and Chief Executive Officer of Federal-Mogul Corporation, the automotive powertrain and safety components supplier (March 2005 - 2012), Chairman of its Board (2005 - 2007) and Board Director (until 2013). He was Chief Executive and a Board Director of Fiat Iveco, S.p.A., the leading global manufacturer of commercial trucks and other specialised vehicles from 2003 to 2005 and, prior to that, held senior roles at Ford Motor Company, Delphi Corporation and Valeo S.A.

Mr. Alapont currently serves on the Boards of Ashok Leyland Ltd; Manitowoc Inc.; Navistar Inc.; Hinduja Investments and Project Services Ltd and Hinduja Automotive Ltd. He was a member of the Davos World Economic Forum from 2000 - 2011. Mr. Alapont is Spanish and holds degrees in Industrial Engineering from the Technical School of Valencia and in Philology from the University of Valencia in Spain.

### **About Ferroglobe**

Ferroglobe PLC is one of the world's leading suppliers of silicon metal, silicon-based specialty alloys and ferroalloys serving a customer base across the globe in dynamic and fast-growing end markets, such as solar, automotive, consumer products, construction and energy. The company is based in London. For more information, visit <http://investor.ferroglobe.com>.

### **Forward-Looking Statements**

This release contains "forward-looking statements" within the meaning of U.S. securities laws. Forward-looking statements are not historical facts but are based on certain assumptions of management and describe the Company's future plans, strategies and expectations. Forward-looking statements often use forward-looking terminology, including words such as "anticipate", "believe", "could", "estimate", "expect", "forecast", "guidance", "intends", "likely", "may", "plan", "potential", "predicts", "seek", "will" and words of similar meaning or the negative thereof.

Forward-looking statements contained in this press release are based on information presently available to the Company and assumptions that we believe to be reasonable, but are inherently uncertain. As a result, Ferroglobe's actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements, which are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors that are, in some cases, beyond the Company's control.

All information in this press release is as of the date of its release. Ferroglobe does not undertake any obligation to update publicly any of the forward-looking statements contained herein to reflect new information, events or circumstances arising after the date of this press release. You should not place undue reliance on any forward-looking statement which are made only as of the date of this press release.
