Boston, MA 02109

April 21, 2017

To Our Stockholders:

You are cordially invited to attend the 2017 annual meeting of stockholders of Albireo Pharma, Inc. to be held at 8:30 a.m. ET on Friday, June 9, 2017, at our corporate offices located at 10 Post Office Square, Suite 502 South, Boston, MA 02109.

Details regarding the meeting, the business to be conducted at the meeting, and information about Albireo Pharma, Inc. that you should consider when you vote your shares are described in this proxy statement.

At the annual meeting, two persons will be elected to our board of directors. In addition, we will ask stockholders: to approve an amendment to our Restated Certificate of Incorporation, as amended, to decrease the authorized number of shares of our common stock; to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017; to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement; and to vote, on an advisory basis, on the frequency of holding an advisory vote on the compensation of our named executive officers. The board of directors recommends the approval of each of the first four proposals and a vote for a frequency of voting on executive compensation every three years. Such other business will be transacted as may properly come before the annual meeting.

Under Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders over the Internet, we have elected to deliver our proxy materials to certain of our stockholders over the Internet. This delivery process allows us to provide stockholders with the information they need, while at the same time conserving natural resources and lowering the cost of delivery. On or about April 25, 2017, we intend to send to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy statement for our 2017 annual meeting of stockholders and our 2016 annual report to stockholders. The Notice also provides instructions on how to vote online and how to receive a paper copy of the proxy materials by mail.

We hope you will be able to attend the annual meeting. Whether you plan to attend the annual meeting or not, it is important that you cast your vote either in person or by proxy. You may vote over the Internet as well as by mail. When you have finished reading the proxy statement, you are urged to vote in accordance with the instructions set forth in this proxy statement. We encourage you to vote by proxy so that your shares will be represented and voted at the meeting whether or not you can attend.

Thank you for your continued support of Albireo Pharma, Inc. We look forward to seeing you at the annual meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Cooper", written in a cursive style.

This proxy statement relates to the solicitation of proxies by our board of directors for use at the annual meeting.

On or about April 25, 2017, we intend to begin sending to our stockholders the Important Notice Regarding the Availability of Proxy Materials containing instructions on how to access this proxy statement and our 2016 annual report to stockholders.

IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why is the Company Soliciting My Proxy?

Our board of directors is soliciting your proxy to vote at the 2017 annual meeting of stockholders to be held at our corporate offices located at 10 Post Office Square, Suite 502 South, Boston, MA 02109 on Friday, June 9, 2017, at 8:30 a.m. ET and any adjournments or postponements of the meeting. We refer to this meeting as the annual meeting. This proxy statement, along with the accompanying Notice of Annual Meeting of Stockholders, summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting.

We have made available to you on the Internet or have sent you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 because you owned shares of our common stock on the record date. We intend to commence distribution of the Important Notice Regarding the Availability of Proxy Materials, which we refer to throughout this proxy statement as the Notice, and, if applicable, proxy materials to stockholders on or about April 25, 2017.

Why Did I Receive a Notice in the Mail Regarding the Internet Availability of Proxy Materials Instead of a Full Set of Proxy Materials?

As permitted by the rules of the SEC, we may furnish our proxy materials to our stockholders by providing access to such documents on the Internet, rather than mailing printed copies of these materials to each stockholder. Most stockholders will not receive printed copies of the proxy materials unless they request them. We believe that this process should expedite stockholders' receipt of proxy materials, lower the costs of the annual meeting and help to conserve natural resources. If you received a Notice by mail or electronically, you will not receive a printed or email copy of the proxy materials unless you request one by following the instructions included in the Notice. Instead, the Notice instructs you as to how you may access and review all of the proxy materials and submit your proxy on the Internet. If you requested a paper copy of the proxy materials, you may authorize the voting of your shares by following the instructions on the proxy card, in addition to the other methods of voting described in this proxy statement.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on April 18, 2017 are entitled to vote at the annual meeting. On this record date, there were 6,292,644 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the annual meeting and not revoked prior to the annual meeting, will be voted at the annual meeting. For instructions on how to change or revoke your proxy, see "May I Change or Revoke My Proxy?" below.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet. You may specify whether your shares should be voted for or withheld for each nominee for director, whether your shares should be voted for one year, two years, three years or abstain with respect to the frequency of voting on the compensation of our named executive officers, and whether your shares should be voted for, against or abstain with respect to the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the board of directors' recommendations as noted below. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our stock transfer agent, Continental Stock Transfer & Trust Company, or you have stock certificates registered in your name, you may vote:

- **Over the Internet.** Follow the instructions included in the Notice or, if you received printed materials, in the proxy card to vote over the Internet.
- **By mail.** If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the board of directors' recommendations as noted below.
- **In person at the meeting.** If you attend the meeting, you may deliver a completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 7:00 p.m. Eastern Time on June 8, 2017.

If your shares are held in “street name” (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker’s proxy card and bring it to the annual meeting in order to vote.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The board of directors recommends that you vote as follows:

- “**FOR**” the election of the nominees for director;
- “**FOR**” the amendment to our Restated Certificate of Incorporation, as amended, to decrease the number of shares of common stock authorized for issuance from 200,000,000 to 30,000,000;
- “**FOR**” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017;
- “**FOR**” the compensation of our named executive officers as disclosed in this proxy statement; and
- for holding an advisory vote on the compensation of our named executive officers every “**THREE YEARS.**”

If any other matter is presented at the annual meeting, your proxy provides that your shares will be voted by the proxy holder listed in the proxy in accordance with his best judgment. At the time this proxy statement was first made available, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the annual meeting. You may change or revoke your proxy in any one of the following ways:

- if you received a proxy card, by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;
- by re-voting over the Internet as instructed above;
- by notifying our Corporate Secretary, Peter A. Zorn, in writing before the annual meeting that you have revoked your proxy; or
- by attending the annual meeting in person and voting in person. Attending the annual meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the annual meeting that it be revoked.

Your most current vote, whether by Internet or proxy card is the one that will be counted.

What if I Receive More Than One Notice or Proxy Card?

You may receive more than one Notice or proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under “How Do I Vote?” If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above, the bank, broker or other nominee that holds your shares has the authority to vote your unvoted shares only on the proposed decrease in the number of our shares of common stock (Proposal 2 of this proxy statement) and on the ratification of the appointment of our independent registered public accounting firm (Proposal 3 of this proxy statement) without receiving instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the annual meeting and in the manner you desire. A “broker nonvote” will occur for any particular matter if your bank, broker or other nominee cannot vote your shares on that matter because it has not received instructions from you and does not have discretionary voting authority on the matter or if your bank, broker or other nominee chooses not to exercise discretionary voting authority that it does have.

Your bank, broker or other nominee does not have discretionary voting authority on the election of directors. Therefore, if you hold your shares in street name, it is critical that you cast your vote if you want your vote to be counted for the election of directors (Proposal 1 of this proxy statement). In addition, your bank, broker or other nominee does not have discretionary voting authority on any matters related to executive compensation (Proposals 4 and 5 of this proxy statement). Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the election of directors or on matters related to executive compensation, no votes will be cast on these proposals on your behalf.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Directors

The nominees for director who receive the most votes (also known as a “plurality” of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of the directors. Brokerage firms do not have authority to vote their customers’ unvoted shares held by the firms in street name for the election of the directors. As a result, any shares not voted by a customer will be treated as a broker nonvote. Such broker nonvotes will have no effect on the results of this vote.

Proposal 2: Approve a Decrease in the Number of Shares of Our Common Stock Authorized for Issuance

The affirmative vote of the majority of the shares of our common stock outstanding and entitled to vote is required to approve a decrease in the number of shares of our common stock authorized for issuance as set forth in the certificate of amendment to our Restated Certificate of Incorporation, as amended. Abstentions will have the effect of votes against this proposal. Brokerage firms have authority to vote their customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker nonvotes will have the effect of votes against this proposal.

Proposal 3: Ratify Appointment of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the appointment of our independent registered public accounting firm. Abstentions will have the effect of votes against this proposal. Brokerage firms have authority to vote their customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker nonvotes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2017, the audit committee of our board of directors will reconsider its appointment.

Proposal 4: Approve an Advisory Vote on the Compensation of our Named Executive Officers

The affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the annual meeting is required to approve, on an advisory basis, the compensation of our named executive officers as described in this proxy statement. Abstentions will have the effect of votes against this proposal. Brokerage firms do not have authority to vote their customers’ unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker nonvote. Such broker nonvotes will have no effect on the results of this vote. Although the advisory vote is nonbinding, the compensation committee and the board of directors will consider the voting results when making future decisions regarding executive compensation.

Proposal 5: Approve an Advisory Vote on the Frequency of Holding an Advisory Vote on the Compensation of our Named Executive Officers

The frequency of holding an advisory vote on the compensation of our named executive officers—every year, every two years or every three years—receiving the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the annual meeting will be the frequency approved by our stockholders. Abstentions will be treated as votes against this proposal. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker nonvote. Such broker nonvotes will have no effect on the results of this vote. Although the advisory vote is nonbinding, the compensation committee and the board of directors will consider the voting results when making future decisions regarding the frequency of holding an advisory vote on the compensation of our named executive officers.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only permit our Inspector of Elections, which we expect will be a representative of Continental Stock Transfer & Trust Company, to examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make on the proxy card or that you otherwise provide.

Where Can I Find the Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the annual meeting, and we will publish preliminary results, or final results if available, in a Current Report on Form 8-K within four business days of the annual meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known. In addition, we are required to file a Current Report on Form 8-K no later than the earlier of (1) one hundred fifty calendar days after the annual meeting or (2) sixty calendar days prior to the deadline for submission of stockholder proposals set forth on page 46 of this proxy statement under the heading "Stockholder Proposals and Nominations for Director" to report our decision on how frequently we will include a stockholder vote on the compensation of our named executive officers in our proxy materials.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Annual Meeting?

In order to hold the meeting, there must be a quorum. For there to be a quorum at the meeting, the holders of a majority of the outstanding shares of common stock entitled to vote at the meeting must be present in person or represented by proxy. Shares represented by stockholders of record who are present in person or represented by proxy at the meeting, including shares that are voted or that abstain on any particular matter and broker nonvotes, will be counted for purposes of determining whether there is a quorum.

Attending the Annual Meeting

The annual meeting will be held at 8:30 a.m. ET on Friday, June 9, 2017, at our corporate offices located at 10 Post Office Square, Suite 502 South, Boston, MA 02109. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

SEC rules concerning the delivery of annual disclosure documents allow us or your broker to send a single Notice or, if applicable, a single set of our proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as “householding,” benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our notices, annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be “household,” the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If a broker or other nominee holds your shares and (1) your household received a single Notice or, if applicable, a single set of proxy materials this year, but you would prefer to receive your own copy or you do not wish to participate in householding and would like to receive your own Notice or, if applicable, set of our proxy materials in future years or (2) you share an address with another stockholder and together both of you would like to receive only a single Notice or, if applicable, set of proxy materials, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Electronic Delivery of Company Stockholder Communications

Most stockholders can elect to view or receive copies of future proxy materials over the Internet instead of receiving paper copies in the mail. You can choose this option and save us the cost of producing and mailing these documents by following the instructions provided on your Notice or proxy card or by following the instructions provided when you vote over the Internet.

There are no family relationships between or among any of our directors or nominees. The principal occupation and employment during the past five years of each of our directors and nominees was carried on, in each case except as specifically identified above, with a corporation or organization that is not a parent, subsidiary or other affiliate of us. There is no arrangement or understanding between any of our directors or nominees and any other person or persons pursuant to which he or she is to be selected as a director or nominee.

There are no legal proceedings to which any of our directors is a party adverse to us or any of our subsidiaries or in which any such person has a material interest adverse to us or any of our subsidiaries.

Director Independence

Based upon information requested from and provided by each director concerning their background, employment and affiliations, including family relationships, our board of directors has determined that none of Dr. Chiswell, Ms. Brown, Dr. Gutch, Dr. Scots-Knight, Dr. Preston or Mr. Scoon, representing six out of our seven directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under Rule 5605(a)(2) of the NASDAQ Marketplace Rules. Mr. Cooper is employed by the Company and is therefore not independent under NASDAQ Marketplace Rules. In making such determinations, the board of directors considered the relationships that each such nonemployee director or director nominee has with the Company and all other facts and circumstances the board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each nonemployee director. In addition, our board of directors considered the association of certain of our directors with the holders of more than 5% of our common stock as well as the effect of each of the transactions described in "Certain Relationships and Related Person Transactions" below.

Board of Directors and Committee Meetings

During the fiscal year ended December 31, 2016, there were 15 meetings of the board of directors, four meetings of the audit committee, five meetings of the compensation committee and no meetings of the nominating and governance committee. No director attended fewer than 75% of the total number of meetings of the board of directors and of the committee of the board on which he or

she served during his or her tenure during fiscal 2016 other than former director Dr. Lorber, who attended nine of the 13 meetings of the board and committees on which he served that were held during his tenure. Dr. Chiswell, Mr. Cooper, Dr. Gutch, Dr. Scots-Knight and Dr. Preston were not elected to our board of directors until the completion of the Transaction on November 3, 2016. Our board of directors has adopted a policy that each member of our board of directors make every effort to attend each annual meeting of our stockholders. None of our directors attended our annual meeting of stockholders held in 2016.

Committees of the Board of Directors

Our board of directors has established an audit committee, a compensation committee and a nominating and governance committee. Each committee operates under a charter approved by our board of directors. Copies of each committee's charter are posted on the Investors section of our website, which is located at www.albireopharma.com, under the caption "Corporate Governance." The composition and function of each of these committees are described below.

Audit Committee. This committee currently has three members, Mr. Scoon (Chairman), Dr. Gutch and Dr. Preston. Our audit committee's role and responsibilities are set forth in the audit committee's written charter and include the authority to retain and terminate the services of our independent registered public accounting firm. In addition, the audit committee reviews the annual financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. All members of the audit committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and by The NASDAQ Stock Market, as such standards apply specifically to members of audit committees. The board of directors has determined that Mr. Scoon is an "audit committee financial expert," as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. Please also see the report of the audit committee set forth elsewhere in this proxy statement.

Compensation Committee. This committee currently has three members, Dr. Scots-Knight (Chairman), Ms. Brown and Dr. Gutch. Our compensation committee's role and responsibilities are set forth in the compensation committee's written charter and includes reviewing, approving and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the board of directors are carried out and that such policies, practices and procedures contribute to our success. Our compensation committee also administers our 2016 Equity Incentive Plan. Our compensation committee makes all compensation decisions regarding our chief executive officer, after which it makes a recommendation to our full board of directors, which approves the compensation of our chief executive officer. Our board of directors and our compensation committee conducts its decision making process with respect to the compensation of our chief executive officer without the chief executive officer present. Our board of directors has determined that all members of the compensation committee qualify as independent under the definition promulgated by The NASDAQ Stock Market.

Each year, typically during the first calendar quarter, we evaluate each executive officer's performance for the prior year. In connection with the annual review cycle, Mr. Cooper, our president and chief executive officer, meets with our executive officers to discuss our accomplishments and the individual's performance and contributions during the prior year. Mr. Cooper also evaluates company performance against stated corporate goals. This process leads to a recommendation by Mr. Cooper to the compensation committee with respect to each executive officer, including himself, as to:

- the achievement of stated corporate goals and individual performance;
- the level of contributions made to the general management and leadership of the Company;
- the appropriateness of salary increases;
- the amount of bonuses to be paid, if any; and whether or not stock option and/or other equity awards should be made.

These recommendations are reviewed and taken into account by the compensation committee. The compensation committee makes a recommendation regarding executive compensation to the full board of directors, which then approves the compensation of our executive officers.

In the second half of 2016, prior to completion of the Transaction, our compensation committee engaged Radford, part of Aon Hewitt ("Radford"), an independent compensation consultant, to assist the committee in fulfilling its responsibilities under its charter with respect to employee compensation, including benchmarking and advising on executive and director compensation and compensation program design and market practices generally, and to advise on the design of the 2016 Equity Incentive Plan. The compensation committee has the sole authority to approve the terms of the engagement of Radford. Although our board of directors and compensation committee consider the advice and recommendations of Radford or any other independent compensation consultants that our compensation committee may engage as to our executive or director compensation, our board of directors and compensation committee ultimately make their own decisions about these matters.

Radford did not provide any services to us or our compensation committee other than as described above in connection with our executive and director compensation for 2016, although we may engage Radford or another consultant to provide services for us in connection with executive and director compensation for 2017. The compensation committee has assessed the independence of

Radford pursuant to SEC rules and concluded that Radford's work for the compensation committee does not raise any conflict of interest.

Nominating and Governance Committee. Our nominating and governance committee has three members, Dr. Chiswell (Chairman), Ms. Brown and Dr. Preston. The nominating and governance committee's role and responsibilities are set forth in the nominating and governance committee's written charter and include evaluating and making recommendations to the full board of directors as to the size and composition of the board of directors and its committees, evaluating and making recommendations as to potential candidates, and evaluating current board members' performance. All members of the nominating and governance committee qualify as independent under the definition promulgated by The NASDAQ Stock Market.

If a stockholder wishes to nominate a candidate for director who is not to be included in our proxy statement, it must follow the procedures described in our amended and restated bylaws and in "Stockholder Proposals and Nominations for Director" at the end of this proxy statement.

In addition, under our current corporate governance policies, the nominating and governance committee may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the nominating and governance committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the biotechnology industry, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the board of directors, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to propose a candidate for consideration as a nominee by the nominating and governance committee under our corporate governance policies, it should submit recommendations for consideration in writing, addressed to the nominating and governance committee, care of our Corporate Secretary, at our principal offices. Submissions must be made by mail, courier or personal delivery; e-mailed submissions will not be considered. A nominating recommendation must be accompanied by the following information concerning each recommending stockholder:

- the name and address, including telephone number, of the recommending stockholder;
- the number of our shares owned by the recommending stockholder and the time period for which such shares have been held;
- if the recommending stockholder is not a stockholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time that the shares have been held. Alternatively, the stockholder may furnish a current Schedule 13D, Schedule 13G, Form 3, Form 4 or Form 5 filed with the SEC reflecting the holdings of the stockholder, together with a statement of the length of time that the shares have been held; and
- a statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of our next annual meeting of stockholders.

A nominating recommendation must be accompanied by the following information concerning the proposed nominee:

- the information required by Item 401 of Regulation S-K (generally providing for disclosure of the name, address, and business experience for the past five years of the proposed nominee, as well as information regarding certain types of legal proceedings within the past ten years involving the nominee);
- the information required by Item 403 of Regulation S-K (generally providing for disclosure regarding the proposed nominee's ownership of our securities);
- the information required by Item 404 of Regulation S-K (generally providing for disclosure of transactions between the Company and the proposed nominee valued in excess of \$120,000 and certain other types of business relationships with us);
- all relationships between the proposed nominee and the recommending stockholder, and any agreements or understandings regarding the nomination, including those between the recommending stockholder and the nominee; and
- all relationships between the proposed nominee and any of our competitors, customers, suppliers, labor unions or other persons with special interests regarding the Company.

The recommending stockholder must also furnish a statement supporting its view that the proposed nominee possesses the minimum qualifications prescribed by the committee for nominees, and briefly describing the contributions that the nominee would be expected to make to the board and to the governance of the Company. The recommending stockholder must state whether, in the view

of the stockholder, the nominee, if elected, would represent all stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of the Company.

The nominating recommendation must be accompanied by the written consent of the proposed nominee to: (a) be considered by the committee and interviewed if the committee chooses to do so in its discretion, and (b) if nominated and elected, to serve as a director of the Company. The recommending stockholder must furnish the proposed nominee's contact information for this purpose.

A stockholder (or group of stockholders) wishing to submit a nominating recommendation for an annual meeting of stockholders must ensure that it is received by the Company, as provided above, not later than 120 calendar days prior to the first anniversary of the date of the proxy statement for the prior annual meeting of stockholders. In the event that the date of the annual meeting of stockholders for the current year is more than 30 days following the first anniversary date of the annual meeting of stockholders for the prior year, the submission of a recommendation will be considered timely if it is submitted a reasonable time in advance of the mailing of our proxy statement for the annual meeting of stockholders for the current year.

If a recommendation is submitted by an affiliated group of two or more stockholders, the information regarding recommending stockholders set forth above must be submitted with respect to each stockholder in the group.

The nominating and governance committee considers issues of diversity among its members in identifying and considering nominees for director, and will strive where appropriate to achieve a diverse balance of backgrounds, perspectives and experiences on the board of directors and its committees.

Board Leadership Structure and Role on Risk Oversight

The positions of our chairman of the board and chief executive officer are separate. Separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the board to lead the board of directors in its fundamental roles of setting a company's overall strategy and providing advice to and independent oversight of management. Our board of directors recognizes the time, effort and energy that the chief executive officer must devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as the board of directors' oversight responsibilities continue to grow. Our board of directors also believes that this structure ensures a greater role for the independent directors in the oversight of the company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our board of directors. Our board of directors believes its administration of its risk oversight function has not affected its leadership structure.

Although our bylaws do not require the chairman and chief executive officer positions to be separate, our board of directors believes that having separate positions is the appropriate leadership structure for the Company at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. Our board of directors is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily by our full board of directors, which has responsibility for general oversight of risks. For example, in determining whether and under what circumstances we will engage in financing transactions or enter into licensing, collaboration or similar arrangements, the board of directors is involved in our management of risks related to our financial condition or of the risks inherent in drug development and commercialization.

As part of its oversight, our board of directors receives reports by each committee chair regarding the committee's considerations and actions. In particular, the audit committee is responsible for discussing the adequacy of our risk management activities with management and our independent registered public accounting firm. The audit committee's primary emphasis is financial risk, including our internal control over financial reporting. In addition, the compensation committee is responsible for considering whether our compensation programs and practices are reasonably likely to have a material adverse effect on us.

At each of its meetings, the board of directors receives business updates from various members of management. These updates may identify matters that have emerged within that member of management's scope of responsibility that involve operational, financial, legal or regulatory risks and, in these cases, the board of directors provides guidance to management. Our board of directors believes that full and open communication between management and the board of directors is essential for effective risk management and oversight.

Stockholder Communications to the Board

Generally, stockholders who have questions or concerns should contact our Investor Relations department at (857) 254-5555. However, any stockholders who wish to address questions regarding our business directly with the board of directors, or any individual director, should direct his or her questions in writing to the Chairman of the Board of Directors at Albireo Pharma, Inc., Attention: Chairman of the Board, 10 Post Office Square, Suite 502 South, Boston, Massachusetts 02109. Communications will be distributed to the board, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communications. Items that are unrelated to the duties and responsibilities of the board of directors may be excluded, such as junk

mail and mass mailings, resumes and other forms of job inquiries, surveys and solicitations or advertisements. In addition, any material that is hostile, threatening, or illegal in nature may be excluded, in which case it will be made available to any outside director upon request.

Narrative Disclosure to Summary Compensation Table

Base Salary

Base salaries of our named executive officers (other than our chief executive officer) are reviewed annually and recommended to our compensation committee by our chief executive officer, and the base salary for each named executive officer is recommended by our compensation committee and approved by our board of directors. Adjustments to base salaries are based on the scope of a named executive officer’s responsibilities, individual contribution, experience and performance. Decisions regarding salary increases may consider the named executive officer’s current salary, equity ownership and the amounts paid to individuals in comparable positions at our company and at our peer companies.

Mr. Cooper and Mr. Zorn joined Albireo as executive officers effective July 2015. Their respective employment agreements provide for an initial base salary of \$400,000 for Mr. Cooper and \$270,000 for Mr. Zorn. In October 2015, Albireo’s board of directors determined to increase Dr. Mattsson’s base salary from 1,604,498 SEK to 1,870,428 SEK per year effective January 1, 2015.

On January 23, 2017, our board of directors, acting upon the recommendation of our compensation committee, approved an increase in the annual base salary of: Mr. Cooper from \$400,000 to \$460,000, Dr. Mattsson from 1,870,428 SEK to 2,000,000 SEK (approximately \$220,000 based on the SEK:USD exchange rate on December 30, 2016); and Mr. Zorn, from \$270,000 to \$320,000. Each of these base salary increases was effective as of January 1, 2017.

Annual Equity Incentive Plan Awards

Following the completion of the Transaction, our executive officers are eligible for an annual cash incentive bonus at the discretion of our board of directors, which receives a recommendation from our compensation committee. In considering whether to award annual bonuses and the amounts, our board of directors and compensation committee consider:

- each executive officer’s target bonus as a percentage of base salary, which (where applicable) is subject to a minimum percentage specified in the executive officer’s employment agreement; and
- our achievement of predefined corporate performance objectives and, in some cases, individual performance and other corporate accomplishments during the applicable fiscal year.

On January 23, 2017, our board of directors, acting upon the recommendation of our compensation committee, approved the payment of annual cash incentive bonus awards for 2016 to our executive officers based on an achievement level of 96%. The achievement level was determined principally based on the successful completion of the Transaction in November 2016 and the progression of our lead product candidate, A4250. As a result, Mr. Cooper was awarded an annual cash incentive bonus of \$192,000, Dr. Mattsson was awarded an annual cash incentive bonus of 628,464 SEK (approximately \$69,212 based on the SEK:USD exchange rate on December 30, 2016), and Mr. Zorn was awarded an annual cash incentive bonus of \$90,720.

Prior to completion of the Transaction, for Mr. Cooper and, prior to July 2015 when Mr. Cooper joined Albireo as President and Chief Executive Officer, for Dr. Mattsson the compensation committee determined whether and in what amount he would receive a bonus for the fiscal year. In addition, our compensation committee and Mr. Cooper reviewed each of Dr. Mattsson and Mr. Zorn to determine whether and in what amount he would receive a bonus for the fiscal year. For 2015, Mr. Cooper was awarded a bonus of \$137,985, Dr. Mattsson was awarded a bonus of \$86,555 and Mr. Zorn was awarded a bonus of \$51,449, which amounts were to be paid only if and upon completion of the Transaction.

Ordinary A shares of Albireo converted into a single class of ordinary shares of Albireo prior to the Transaction. Upon completion of the Transaction, all of the above-referenced options and warrants were replaced by options to purchase a number of shares of our common stock multiplied by 0.06999 (the exchange ratio for the Transaction).

Employment Agreements

Ronald H.W. Cooper

Ronald H.W. Cooper has served as our President and Chief Executive Officer and as a member of our board of directors since the completion of the Transaction on November 3, 2016. From July 2015 until the completion of the Transaction, he served as President and Chief Executive Officer of Albireo and, since September 2015, he has served as a director of Albireo. Mr. Cooper entered into an employment agreement with Albireo, Inc. in July 2015, and the employment agreement was assigned to us effective upon the completion of the Transaction. Mr. Cooper's employment agreement provides for a base salary of \$400,000 per year, subject to increase from time to time by our board of directors, as well as a signing bonus in an amount that reflected the amount of salary that Mr. Cooper would have earned if he had been employed for the period between June 11, 2015 and July 27, 2015, the effective date of his employment. In January 2017, our board of directors approved an increase in Mr. Cooper's annual base salary to \$460,000 effective January 1, 2017, which represented a 15.0% increase from his prior base salary of \$400,000 per year. The employment agreement also provides that he is eligible to participate in any annual bonus plan provided by us for our executives generally, as in effect from time to time. Mr. Cooper's annual target bonus is currently 50% of his base salary, with the actual amount of the bonus, if any, to be determined by our board of directors in accordance with the applicable performance criteria established by our board of directors after consultation with Mr. Cooper. Mr. Cooper is entitled under the employment agreement to participate in all of our employee benefit plans from time to time in effect for our employees generally, including any long-term disability and 401(k) retirement savings plan, and is entitled to reimbursement of business expenses and paid vacation time. In addition, he was entitled to reimbursement of up to an aggregate of \$15,000 in legal fees associated with reviewing and negotiating his employment agreement and related equity documents and reimbursement of up to an aggregate of \$80,000 of relocation expenses.

In July 2015, Albireo also entered into a letter agreement with Mr. Cooper indicating our intent to grant to Mr. Cooper certain stock options. Subsequently in April 2016, following adoption of the Albireo Limited Share Option Plan, or the 2016 Option Plan, Albireo's board of directors granted to Mr. Cooper options to purchase (1) 2,220,050 ordinary A shares that vest with respect to 25% of the shares on July 1, 2016 and with respect to the remaining shares in equal amounts monthly thereafter until July 1, 2019, (2) 277,506 ordinary A shares that would vest immediately prior to an initial public offering of Albireo that exceeds a specified valuation and raises a specified minimum amount (the "Public Company Condition"), and (3) 277,506 ordinary A shares that vest upon the date Albireo files a drug approval application for its product candidate A4250 for any orphan indication, if such filing occurs by a specified

date (the “Filing Condition”). These options were replaced by a stock option to purchase an aggregate 194,225 shares of our common stock in conjunction with the Transaction and the Public Company Condition was deemed to have been met. Subsequently, in April 2017, the board of directors approved a change to the specified date for the Filing Condition to June 10, 2020 (during the five-year period commencing June 11, 2015).

If we terminate Mr. Cooper’s employment other than for “cause,” or if he terminates his employment with us for “good reason,” he will be entitled to severance payments for 12 months at his then-current base salary, payment for 12 months of the portion of the healthcare premiums that we paid prior to his termination if he elects and remains eligible for Consolidated Omnibus Budget Reconciliation Act, or COBRA, (or mini-COBRA) health benefits, and a pro rata portion of Mr. Cooper’s annual bonus for the fiscal year in which the date of termination occurs, as well as any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination, and any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred. Under the employment agreement, “cause” means: (i) Mr. Cooper’s willful failure to perform, or gross negligence in the performance of, his material duties and responsibilities to us or any of our affiliates that, if capable of cure, is not cured within 30 days of written notice; (ii) conduct by him that constitutes fraud, embezzlement or other material dishonesty with respect to us or any of our affiliates; (iii) his commission of, or plea of nolo contendere to, a felony or other crime of moral turpitude; or (iv) his material breach of his employment agreement, any shareholder or option agreement between him and us or any of our affiliates or of any fiduciary duty that he has to us or any of our affiliates that, if capable of cure, is not cured within 30 days of written notice. Under the employment agreement, “good reason” means the occurrence, without Mr. Cooper’s consent, of: (i) a material diminution in the nature or scope of his titles, duties, authority or responsibilities; (ii) a requirement that he relocate his principal work location to a location outside of the United States and Canada; or (iii) a material reduction in his then current base salary. A termination by Mr. Cooper for good reason requires that he provide notice to us within 30 days after the occurrence of the condition, that we fail to remedy the condition within 30 days and that he terminate his employment within 30 days following the expiration of the period we have to remedy the condition.

If we terminate Mr. Cooper’s employment for cause, he will be entitled to receive any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination and any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred.

Mr. Cooper may terminate his employment at any time by giving 30 days prior written notice, in which case he will be entitled to receive any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination and any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred. If our board of directors waives part or all of the 30-day notice period, we will also pay Mr. Cooper his base salary for the period waived.

If Mr. Cooper’s employment is terminated due to his disability or death, he or his estate will be entitled to receive any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination, any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred, and a pro rata portion of Mr. Cooper’s annual bonus for the fiscal year in which the date of termination occurs. If we do not terminate his employment during any period when Mr. Cooper is disabled, we may designate another employee to act in his place during such period, but Mr. Cooper will continue to receive his base salary and participate in Albireo’s employee benefit plans until he becomes eligible for disability income benefits under our disability income plan, if any, or until his employment is terminated.

Mr. Cooper is subject to confidentiality and protection of intellectual property provisions as well as to noncompetition and nonsolicitation provisions during his employment with us and the 12 months thereafter.

In addition, the employment agreement provides for Mr. Zorn to receive at least a specified stock option grant under an equity program sponsored by Albireo, subject to the terms of the program. Subsequently in April 2016, Albireo's board of directors granted to Mr. Zorn an option to purchase 749,267 ordinary A shares of Albireo that vested with respect to 25% of the shares on July 1, 2016 and with respect to the remaining shares in equal amounts monthly thereafter until July 1, 2019, which was replaced by a stock option to purchase 52,441 shares of our common stock in conjunction with the Transaction. The employment agreement also provides that upon a change of control as defined, all of his then outstanding unvested options and any other rights to purchase our shares will become fully vested and exercisable and any vesting-like restrictions will lapse in full, unless earlier vesting is provided for in the applicable program under which such option or other right to purchase our shares was granted or under applicable law.

If we terminate Mr. Zorn's employment other than for cause or if he terminates his employment with us for good reason, he will be entitled to severance payments for 12 months at his then-current base salary, payment for 12 months of the portion of the healthcare premiums that we paid prior to his termination if he elects and remains eligible for COBRA (or mini-COBRA) health benefits and, if such termination occurs concurrent with or within 12 months following a change of control or in connection but within three months prior to a change of control, payment of his then-current target bonus, payable over 12 months. He will also be entitled to any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination, and any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred. Under the employment agreement, "cause" means (i) Mr. Zorn's willful failure to perform, or gross negligence in the performance of, his material duties and responsibilities to us or any of our affiliates that, if capable of cure, is not cured within 30 days of written notice, (ii) conduct by him that constitutes fraud, embezzlement or other material dishonesty with respect to us or any of our affiliates, (iii) his commission of, or plea of nolo contendere to, a felony or other crime of moral turpitude, or (iv) his material breach of his employment agreement, any shareholder or option agreement between him and us or any of our affiliates or of any fiduciary duty that he has to us or any of our affiliates that, if capable of cure, is not cured within 30 days of written notice. Under the employment agreement, "good reason" means the occurrence, without Mr. Zorn's consent, of (i) a material diminution in the nature or scope of his titles, duties, authority or responsibilities; (ii) a requirement that he relocate his principal work location to a location more than 30 miles outside of Boston, Massachusetts; or (iii) a material reduction in his then current base salary. A termination by Mr. Zorn for good reason requires that he provide notice to us within 30 days after the occurrence of the condition, that we fail to remedy the condition within 30 days and that he terminate his employment within 30 days following the expiration of the period we have to remedy the condition.

If we terminate Mr. Zorn's employment for cause, he will be entitled to receive any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination and any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred.

If Mr. Zorn's employment is terminated due to his disability or death, he or his estate will be entitled to receive any base salary earned but not paid through the date of termination, pay for any vacation time earned but not used through the date of termination, any business expenses incurred but unreimbursed on the date of termination, and any annual bonus earned but not paid for the fiscal year preceding the fiscal year in which the termination occurred. If we do not terminate his employment during any period when Mr. Zorn is disabled, we may designate another employee to act in his place during such period, but Mr. Zorn will continue to receive his base salary and participate in our employee benefit plans until he becomes eligible for disability income benefits under our disability income plan, if any, or until his employment is terminated.

Mr. Zorn is subject to confidentiality and protection of intellectual property provisions as well as to noncompetition and nonsolicitation provisions during his employment with us and the 12 months thereafter.

Compensation Paid to Bidel Named Executive Officers

Bidel Base Salaries

Bidel's compensation committee and board of directors reviewed base salaries at least annually. The compensation committee recommended adjustments to base salaries from time to time to realign them with market levels after taking into account individual responsibilities, performance and experience. Bidel used base salary to recognize the experience, skills, knowledge and responsibilities required of all its employees, including its named executive officers. The annual base salaries of Bidel's named executive officers for Bidel's fiscal year ended September 30, 2016 are reflected in the summary compensation table above. The following table sets forth the annual base salaries of Bidel's executive officers for Bidel's fiscal year ended September 30, 2016.

<u>Name</u>	<u>Salary</u>
Dr. Errol De Souza	\$ 506,482
Gary C. Gemignani	\$ 355,000
Paul S. Bavier	\$ 325,000

Dr. De Souza stepped down from his positions as President and Chief Executive Officer on January 26, 2016. The employment of Messrs. Gemignani and Bavier was terminated without cause immediately prior to the completion of the Transaction on November 3, 2016. Mr. Gemignani received a lump sum amount of \$717,784 as payment for severance and related obligations pursuant to his employment agreement, and Mr. Bavier received a lump sum amount of \$570,728 as payment for severance and related obligations pursuant to his change of control agreement and severance agreement. Each of these agreements is described below.

Bidel Discretionary Annual Cash Bonuses

In addition, during the early part of each fiscal year, Bidel's compensation committee reviewed and approved or recommended to the board of directors for approval company performance goals against which the performance of Bidel's chief executive officer and Bidel's other named executive officers were evaluated at the end of the fiscal year. The target bonus for Bidel's named executive officers was 35% of the individual's base salary, with the corporate and individual performance goals accounting for 70% and 30%, respectively, of the named executive officers' performance assessment for the year. In December 2015, on the recommendation of the compensation committee, Bidel's board of directors established the company's overall achievement level at 55% of its corporate performance goals for the 2015 fiscal year. Because Bidel had ceased all development activities by that time, Bidel did not establish performance goals for fiscal year 2016.

Bidel Potential Payments upon Termination and Change of Control

Messrs. Gemignani and Bavier were each entitled to receive termination benefits that were not available to Bidel's employees generally. These benefits are provided pursuant to an employment agreement, in the case of Mr. Gemignani, and change of control and severance agreements in the case of Mr. Bavier. In addition, Bidel's legacy equity plans provided for certain acceleration of unvested equity awards upon Bidel's change of control. Dr. De Souza is currently receiving severance payments pursuant to his prior employment agreement in conjunction with his departure from Bidel in January 2016. Mr. Gemignani received severance payments pursuant to his employment agreement and Mr. Bavier received severance payments pursuant to his severance and change of control agreements with respect to the termination of their respective employment without cause in connection with the completion of the Transaction.

Equity Awards

Under Bidel's employment agreement with Mr. Gemignani, and Bidel's change of control agreement with Mr. Bavier, all of the executive's unvested equity awards immediately vest upon the occurrence of a "double trigger" in the event of a change of control. In other words, the change of control does not itself trigger benefits; rather, benefits are triggered and immediate vesting occurs only if the executive's employment is terminated during a specified period after the change of control. Under Bidel's severance agreement with Mr. Bavier, all unvested options immediately vest upon termination of employment.

Upon the termination of their respective employment in connection with the completion of the Transaction, each of Messrs. Gemignani's and Bavier's unvested options vested in full and each such option remains exercisable through the expiration date of the option pursuant to the terms of Mr. Gemignani's employment agreement and Mr. Bavier's change of control agreement and severance agreement. However, under the terms of Messrs. Gemignani's and Bavier's options that expire on January 20, 2023, upon the termination of their respective employment without cause in connection with the completion of the Transaction on November 3, 2016, such options vested in full and remain exercisable for a period of three years following such termination.

Employment Agreement with Dr. De Souza

In connection with his appointment, Dr. De Souza signed an employment agreement, dated March 26, 2010 (the "De Souza Employment Agreement"), setting forth the terms of his employment. The De Souza Employment Agreement provided for an initial term of employment for the period from March 29, 2010 to March 28, 2014 and it continued for successive one-year terms unless the agreement was terminated by either party on 120 days prior written notice in accordance with the terms of the agreement. The De Souza Employment Agreement provided for an annual salary of \$450,000 and eligibility for a target bonus of 50% of the annual salary, which bonus could be increased in the sole judgment of Bidel's compensation committee. In addition, Dr. De Souza was initially granted options to purchase 5,833 shares of Bidel's common stock pursuant to the 2010 Plan. Bidel agreed to pay Dr. De Souza's reasonable and documented temporary housing and related expenses of up to \$5,000 per month for a period of up to 18 months following the date of the De Souza Employment Agreement.

Bidel was entitled to terminate the De Souza Employment Agreement with or without cause. Dr. De Souza would not be entitled to severance benefits if Bidel terminated his employment for cause, as defined in the De Souza Employment Agreement, or if he terminated his employment without good reason. If Bidel terminated Dr. De Souza's employment without cause, or he terminated his employment with the Bidel for good reason, he would be entitled to:

- two times his then current base salary, plus two times his target annual bonus for the fiscal year in which he is terminated, plus the pro rata amount of his target annual bonus for the fiscal year in which he is terminated to be paid in equal installments over a 24-month period;
- COBRA benefits until the earlier of the end of the 24th month after the date his employment with Bidel ends or the date his COBRA coverage expires;
- 24 months of acceleration of his outstanding equity compensation awards; and
- full vesting of his outstanding equity compensation awards, if Bidel terminates his employment without cause, or he terminates his employment with Bidel for good reason within 12 months following a change in control, as defined in the De Souza Employment Agreement.

Pursuant to the terms of the De Souza Employment Agreement, if Bidel terminated Dr. De Souza's employment without cause, or he terminated his employment with Bidel for good reason, he agreed not to compete with Bidel for 24 months following the termination of his employment with Bidel. If Bidel terminated his employment for cause or if he terminated his employment without good reason, he agreed not to compete with Bidel for 12 months.

In order to receive the severance benefits described above, Dr. De Souza was required to deliver a general release of claims to Bidel.

Dr. De Souza stepped down from his positions as President and Chief Executive Officer, and his membership on Bidel's board of directors, on January 26, 2016. On February 26, 2016, Dr. De Souza and Bidel executed a General Release & Waiver agreement (the "De Souza Release"). Upon the execution of the De Souza Release, which included a customary release of claims by Dr. De Souza in favor of Bidel, Dr. De Souza became entitled to receive the severance benefits set forth in the De Souza Employment Agreement that were conditioned upon his signing the De Souza Release. Furthermore, pursuant to the De Souza Release, Bidel released Dr. De Souza from his noncompetition obligations set forth in the De Souza Employment Agreement and has amended all outstanding equity compensation awards held by Dr. De Souza such that the awards shall remain outstanding and exercisable in accordance with their other terms for a period of 12 months from the date of the De Souza Release, notwithstanding anything to the contrary in any equity incentive plan or any other document or instrument governing such awards.

Employment Agreement with Mr. Gemignani

In connection with his appointment as Bidel's Chief Financial Officer, Mr. Gemignani signed an employment agreement, dated August 21, 2014, which was subsequently amended on April 1, 2016 (as amended, the "Gemignani Employment Agreement"), setting forth the terms of his employment. The Gemignani Employment Agreement provides for an annual base salary of \$330,000 and eligibility for a target bonus of up to 35% of the annual base salary, which bonus may be increased or decreased in the sole judgment of the compensation committee. In addition, Mr. Gemignani was initially granted options to purchase 5,333 shares of Bidel's common stock pursuant to the 2010 Plan. These options vest over a four-year period, with 25% vesting on the first anniversary of the grant date, and 25% thereafter on the second, third and fourth anniversaries. The April 1, 2016 amendment revised Mr. Gemignani's

2016 bonus structure to provide that in the event Bidel is combined with an unaffiliated third party in calendar year 2016 and he remains employed with Bidel through such date, then on the closing date of such transaction he shall receive, in lieu of the previously specified annual bonus for the fiscal year ending September 30, 2016, a one-time, lump sum, cash bonus award of (A) \$250,000, plus (B) 100% of his prorated target bonus for fiscal year 2016.

Bidel was entitled to terminate the Gemignani Employment Agreement with or without cause. Mr. Gemignani would not be entitled to severance benefits if Bidel terminated his employment for cause, as defined in the Gemignani Employment Agreement, or if he terminated his employment without good reason, as defined in the Gemignani Employment Agreement. If Bidel terminated Mr. Gemignani's employment without cause, or he terminated his employment with Bidel for good reason, he would be entitled to:

- cash severance payable upon such termination equal to the sum of (A) 18 months of his then-current base salary, plus (B) one and a half times the amount of his target bonus, such amount to be payable in a lump sum following the delivery of a customary release;
- a lump sum payment equal to 18 months of COBRA insurance premiums regardless of whether COBRA coverage is elected; and
- except as with regard to an option grant made on January 21, 2016, any outstanding equity awards or stock options immediately vest and the provision in any agreement evidencing any outstanding stock option causing the option to terminate upon the expiration of three months (or any other period relating to termination of employment) after termination of employment shall be of no force or effect, except that nothing shall extend any such option beyond its original term or shall affect its termination for any reason other than termination of employment.

Pursuant to the terms of the Gemignani Employment Agreement, if Bidel terminated Mr. Gemignani's employment with or without cause, or he terminated his employment for good reason, he agreed not to compete with Bidel for 12 months following the termination of his employment with Bidel, or, in the event the termination occurs within 12 months following a change in control, for 18 months following the termination of his employment. If Mr. Gemignani resigned without good reason, he agreed not to compete with Bidel for six months.

In order to receive the severance benefits described above, Mr. Gemignani was required to deliver a general release of claims to Bidel.

Mr. Gemignani's employment as Chief Financial Officer and Interim Chief Executive Officer was terminated without cause immediately prior to the completion of the Transaction on November 3, 2016. On November 18, 2016, Mr. Gemignani and Albireo Limited executed a General Release & Waiver agreement (the "Gemignani Release"). Upon the execution of the Gemignani Release, which included a customary release of claims by Mr. Gemignani in favor of Bidel, Mr. Gemignani became entitled to receive in January 2017 the severance benefits set forth in the Gemignani Employment Agreement that were conditioned upon his signing the Release. Furthermore, pursuant to the Gemignani Employment Agreement, all outstanding equity compensation awards held by Mr. Gemignani remain outstanding and exercisable in accordance with their respective terms (with the exception of his last award, which remains outstanding and exercisable in accordance with its terms for a period of three years from the termination date), notwithstanding anything to the contrary in any equity incentive plan or any other document or instrument governing such awards.

Change of Control Agreement and Severance Agreement with Mr. Bavier

Bidel's change of control agreement with Mr. Bavier, as amended effective April 1, 2016, provides for an annual bonus to Mr. Bavier upon meeting the applicable performance criteria established by the compensation committee of the board of directors in its sole discretion, for a given fiscal year of Bidel, targeted at an amount equal to 35% of his base salary at the beginning of such fiscal year; provided that in the event Bidel is combined with an unaffiliated third party in calendar year 2016 and Mr. Bavier remains employed with Bidel through such date, then on the closing date of such transaction he shall receive, in lieu of the previously specified annual bonus for the fiscal year ending September 30, 2016, a one-time, lump sum, cash bonus award of (A) \$250,000, plus (B) 100% of his prorated target bonus for fiscal year 2016.

Pursuant to the change of control agreement with Mr. Bavier, he was entitled to the following upon termination of employment with Bidel occurring within two years of a change of control, unless such termination is by the executive for other than good reason or by Bidel for cause:

- cash severance payable upon such termination equal to the sum of (A) 18 months of his then-current base salary, plus (B) one and a half times the amount of his target bonus, such amount to be payable in a lump sum following the delivery of a customary release;
- a lump sum payment equal to 18 months of COBRA insurance premiums regardless of whether COBRA coverage is elected; and

- except as with regard to an option grant made on January 21, 2016, any outstanding equity awards or stock options immediately vest and the provision in any agreement evidencing any outstanding stock option causing the option to terminate upon the expiration of three months (or any other period relating to termination of employment) after termination of
- employment shall be of no force or effect, except that nothing shall extend any such option beyond its original term or shall affect its termination for any reason other than termination of employment.

In order to receive the above termination benefits that are not otherwise accrued as of the date of termination, Mr. Bavier was required to release Bidel from any and all claims. In addition, Mr. Bavier agreed to not solicit any of Bidel's employees during the period that he receives his severance payments.

Under the change of control agreement, if Bidel terminated Mr. Bavier for cause or if he terminated his employment with Bidel without good reason, then Mr. Bavier would not be entitled to severance payments or other benefits.

Pursuant to the terms of the change of control agreement, the term "change of control" is generally defined as the following:

(a) the acquisition by any person or group of beneficial ownership of more than 50% of the outstanding shares of Bidel's common stock, or, if there are then outstanding any of Bidel's other voting securities, such acquisition of more than 50% of the combined voting power of Bidel's then outstanding voting securities entitled to vote generally in the election of directors, except for any of the following acquisitions of beneficial ownership of Bidel's common stock or Bidel's other voting securities: (i) by Bidel or any employee benefit plan (or related trust) sponsored or maintained by Bidel or any entity controlled by Bidel; (ii) by Solomon S. Steiner; or (iii) by any person or entity during the lifetime of Solomon S. Steiner if the shares acquired were beneficially owned by Solomon S. Steiner immediately prior to their acquisition and the acquisition is a transfer to a trust, partnership, corporation or other entity in which Solomon S. Steiner owns a majority of the beneficial interests;

(b) Bidel sells all or substantially all of its assets (or consummates any transaction having a similar effect) or Bidel merges or consolidates with another entity or complete a reorganization unless the holders of Bidel's voting securities outstanding immediately prior to the transaction own immediately after the transaction in approximately the same proportions 50% or more of the combined voting power of the voting securities of the entity purchasing the assets or surviving the merger or consolidation or the voting securities of its parent company, or, in the case of a reorganization, 50% or more of the combined voting power of Bidel's voting securities. Notwithstanding the foregoing, any purchase or redemption of outstanding shares of Bidel's common stock or other voting securities by Bidel resulting in an increase in the percentage of outstanding shares or other voting securities beneficially owned by any person or group shall be deemed to constitute a reorganization; however, no increase in the percentage of outstanding shares or other voting securities beneficially owned by Solomon S. Steiner or any person or entities referred to in (a)(i) or (iii) above resulting from any redemption of shares or other voting securities by Bidel shall result in a change of control;

(c) Bidel is liquidated; or

(d) Bidel's board of directors (if Bidel continues to own its business) or the board of directors or comparable governing body of any successor owner of Bidel's business (as a result of a transaction which is not itself a change of control) consists of a majority of directors or members who are not incumbent directors.

In addition, the following terms have the following meanings:

"cause" is generally defined to mean:

- the executive's refusal to carry out any material duties or any directions or instructions of Bidel's board of directors or senior management which are reasonably consistent with those duties;
- failure to perform satisfactorily any duties or any directions or instructions of Bidel's board of directors or senior management for ten days following written notice of the same;
- violation of a local, state or federal law involving the commission of a crime, other than minor traffic violations, or any other criminal act involving moral turpitude;
- gross negligence, willful misconduct, or the breach by the executive of his duty to Bidel involving self-dealing or personal profit;
- current abuse by the executive of alcohol or controlled substances; deception, fraud, misrepresentation or dishonesty by the executive; or any incident materially compromising the executive's reputation or ability to represent Bidel with investors, customers or the public; or
- any other material violation of any provision of the change of control agreement for ten days following written notice of the same.

“good reason” is generally defined to mean:

- a failure to grant the executive’s salary, bonus, and right to participate in fringe benefit programs that are otherwise afforded under the change of control agreement, other than an isolated and inadvertent failure not taken in bad faith that Biodel remedies promptly upon receiving written notice of the same;
- a material diminution in the executive’s position, authority, duties or responsibilities;
- Biodel requiring the executive to be based at any office or location that is more than thirty-five miles from its Danbury, Connecticut headquarters or the executive’s residence immediately prior to the executive’s termination;
- Biodel’s failure to require any successor to its business (whether by purchase of assets, merger or consolidation) to assume its obligations under the change of control agreement; or
- any other material violation of the change of control agreement by Biodel.

Pursuant to Biodel’s severance agreement with Mr. Bavier, Mr. Bavier is entitled, without duplication, to identical severance benefits to those set forth in the change of control agreement upon termination of employment with Biodel, unless such termination is by the executive for other than good reason or by Biodel for cause.

The other provisions, conditions and requirements of the severance agreement, including the definitions of “good reason” and “cause” are generally the same under Mr. Bavier’s severance agreement as under his change of control agreement.

Mr. Bavier’s employment as General Counsel, Secretary, Chief Administrative Officer, Vice President of Corporate Development and Interim President was terminated without cause immediately prior to the completion of the Transaction on November 3, 2016. On November 15, 2016, Mr. Bavier and Albireo executed a General Release & Waiver agreement (the “Bavier Release”). Upon the execution of the Bavier Release, which included a customary release of claims by Mr. Bavier in favor of Biodel, Mr. Bavier became entitled to receive in January 2017 the severance benefits set forth in the Mr. Bavier’s change of control agreement and severance agreement that were conditioned upon his signing the Bavier Release. Furthermore, pursuant to the change of control agreement and severance agreement, all outstanding equity compensation awards held by Mr. Bavier remain outstanding and exercisable in accordance with their respective terms (with the exception of his last award, which remains outstanding and exercisable in accordance with its terms for a period of three years from the termination date, notwithstanding anything to the contrary in any equity incentive plan or any other document or instrument governing such awards.

Director Compensation Policy

Our current nonemployee director compensation policy provides for the annual payment of: \$35,000 to each of our nonemployee directors, or \$60,000 in the case of the chair; \$7,500 to each member of our audit committee, or \$15,000 in the case of the chair; 7,500 to each member of our compensation committee, or \$15,000 in the case of the chair; and \$3,750 to each member of our nominating and governance committee, or \$7,500 in the case of the chair; in each case quarterly in arrears and together with reimbursement of reasonable expenses incurred to attend meetings.

Our current nonemployee director compensation policy also provides for a nonqualified stock option to purchase 4,500 shares of common stock to be granted each year on the fifth business day after our annual meeting of stockholders or, if none, on the first business day of the third fiscal quarter. The annual stock options have a 10-year term and vest on the earlier of the one year from the grant date or the day prior to the annual meeting for the next fiscal year that begins following the date of grant, subject to continued service on the board of directors on the vesting date. In addition, each new nonemployee director receives under the policy a nonqualified stock option grant to purchase 4,500 shares of common stock on the date of his or her first election or appointment. The initial stock option has a 10-year term and vests in equal annual installments over three years from the date of grant, to in any case be fully vested on the day prior to the annual meeting for the third fiscal year that begins following the date of grant, subject to continued service on the board of directors on the applicable vesting dates.

Former Director Compensation Policy of Bidel

The Bidel director compensation policy provided for the payment to each of its nonemployee directors \$30,000 annually, or \$60,000 annually in the case of its chairman. In addition, the policy provided that nonemployee directors receive the following committee-related fees annually: (1) \$7,500 for participating on the audit committee or \$15,000 for chairing the committee; (2) \$5,000 for participating on the compensation committee or \$15,000 for chairing the committee; (3) \$2,500 for participating on the nominating and governance committee or \$5,000 for chairing the committee; and (4) \$2,500 for participating on the science and technology committee or \$5,000 for chairing the committee. The policy also provided that Bidel may pay additional committee fees with respect to ad hoc committees formed from time to time. In February 2016, Bidel's board of directors determined that Ms. Morris would receive \$50,000 per fiscal quarter, not to exceed \$125,000, in addition to her other board-related fees, for chairing a Transaction committee, and that each of Dr. Lieberman, Dr. Ginsberg, Ms. Brown and Mr. Scoon would receive \$25,000 for his or her significant involvement in Bidel's assessment of its strategic alternatives, including, as applicable, participation on the Transaction committee.

Upon appointment, the Bidel director compensation policy provided that nonemployee directors receive a one-time grant of an option to purchase 333 shares of common stock. These options vest pro rata monthly over one year. Annually, the policy also provided that nonemployee directors receive an option to purchase 333 shares of common stock, which also vest pro rata monthly over one year. The exercise price of these options is the fair market value on the date of grant. Each such option expires seven years after the date of grant under the 2010 Plan and, if vested (and not otherwise expired), may be exercised for a period of 36 months following a director's departure from Bidel's board.

Bidel's policy provided that Bidel reimburses its nonemployee directors for reasonable expenses incurred in connection with attending board and committee meetings.

REPORT OF AUDIT COMMITTEE

The audit committee of the board of directors, which consists entirely of directors who meet the independence and experience requirements of The NASDAQ Stock Market, has furnished the following report:

The audit committee assists the board of directors in overseeing and monitoring the integrity of our financial reporting process, compliance with legal and regulatory requirements and the quality of internal and external audit processes. This committee's role and responsibilities are set forth in our charter adopted by the board of directors, which is available on our website at www.albireopharma.com under the caption "Corporate Governance." This committee reviews and reassesses our charter annually and recommends any changes to the board of directors for approval. The audit committee is responsible for overseeing our overall financial reporting process, and for the appointment, compensation, retention, and oversight of the work of Ernst & Young LLP, our independent registered public accounting firm. In fulfilling its responsibilities for the financial statements for the fiscal year ended December 31, 2016, the audit committee took the following actions:

- Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2016 with management and Ernst & Young LLP;
- Discussed with Ernst & Young LLP the matters required to be discussed in accordance with Auditing Standard No. 16-*Communications with Audit Committees*; and
- Received written disclosures and the letter from Ernst & Young LLP regarding its independence as required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the audit committee and the audit committee further discussed with Ernst & Young LLP their independence. The audit committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Based on the audit committee's review of the audited financial statements and discussions with management and Ernst & Young LLP, the audit committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 for filing with the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations regarding the filing of required reports, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers and greater-than-ten-percent beneficial owners with respect to fiscal 2016 were met, except that (i) six reports, each covering one stock option grant to each of Bodel's nonemployee directors, Julia R. 2015 Convertible Loan Note Financing

In October 2015, Albireo entered into a loan agreement with certain of its shareholders and their affiliates and members of management and executed a related convertible loan instrument, which provided 5,000,000 \$1.00 unsecured convertible loan notes denominated in U.S. dollars, or 2015 loan notes. From October 2015 through December 2015, Albireo issued \$3.5 million of the 2015 loan notes. Interest on the 2015 loan notes accrued at a rate of 8% per annum. Payment of interest was waived by the noteholders in connection with the Transaction. Prior to the completion of the Transaction, the principal amount (excluding any accrued and unpaid interest thereon) of the 2015 loan notes automatically converted into Series C voting preference shares of Albireo at a conversion price of approximately \$0.82 per share, which is equal to 80% of the price per share of the Series C voting preference shares purchased in the Albireo Series C Investment. Each Series C voting preference share issued upon conversion of the 2015 loan notes then converted into one ordinary share of Albireo prior to the completion of the Transaction. The loan agreement was terminated upon completion of the Transaction.

The officers and directors of the Company prior to the completion of the Transaction, including Julia R. Brown, Barry Ginsberg, M.D., Ph.D., Ira W. Lieberman, Ph.D., Daniel Lorber, M.D., Arlene Morris, Davey S. Scoon, Gary G. Gemignani and Paul S. Cooper, our President and Chief Executive Officer, Jan P. Mattsson, Ph.D., our Chief Operating Officer, and Peter A. Zorn, our Chief Corporate Officer, General Counsel and Secretary) are subject to lock-up provisions in the Exchange Agreement. Director and Officer Indemnification and Insurance

On November 3, 2016, we entered into indemnification agreements with each of its directors and executive officers, David Chiswell, Ph.D., Ronald H.W. Cooper, Julia R. Brown, Michael Gutch, Ph.D., Denise Scots-Knight, Ph.D., Heather Preston, M.D., Davey S. Scoon, Jan P. Mattsson, Ph.D., Thomas A. Shea, Paresh N. Soni, M.D., Ph.D., and Peter A. Zorn. On November 28, 2016, we entered into an indemnification agreement with Martha J. Carter in connection with her joining the Company as an executive officer. Pursuant to the indemnification agreements, we have agreed to indemnify and hold harmless these directors and officers to the fullest extent permitted by the Delaware General Corporation Law. The agreements generally cover expenses that a director or officer incurs or amounts that a director or officer becomes obligated to pay in connection with any proceeding in any way connected with, resulting from or relating to his or her service as a current or former director, officer, employee or agent of the Company or any direct or indirect subsidiary of the Company. The agreements also provide for the advancement of expenses to the directors and officers subject to specified conditions. There are certain exceptions to our obligation to indemnify the directors and officers, including with respect to "short-swing" profit claims under Section 16(b) of the Exchange Act; with respect to conduct by him or her that is established to be knowingly fraudulent or deliberately dishonest or constituted willful misconduct; and, with certain exceptions, with respect to proceedings that he or she initiates.

In addition, the Exchange Agreement provides that, for a period of six years following the completion of the Transaction, we are to indemnify and hold harmless each person who was at any time prior to the completion of the Transaction, a director or officer of Albireo Limited, Bidel or any of their respective subsidiaries against all claims, losses, liabilities, damages, judgments, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements, incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that such indemnified person is or was a director or officer of Albireo Limited, Bidel or any of their respective subsidiaries, whether asserted or claimed prior to, at or after the completion of the Transaction, to the fullest extent permitted under applicable law and the organizational documents of Albireo Limited, Bidel or any of their respective subsidiaries, as applicable. Each indemnified person will be entitled, to the fullest extent permitted under applicable law and the organization documents of Albireo Limited, Bidel or any of their respective subsidiaries, as applicable, to advancement of expenses incurred in the defense of any such claim, action, suit, proceeding or investigation from each of the Albireo Limited, Bidel or any of their respective subsidiaries, as applicable, jointly and severally, upon receipt by Bidel or Albireo Limited from the indemnified person of a request for such advancement of expenses. However, any person to whom expenses are advanced must provide an undertaking, to the extent then required by applicable law, to

repay such advances if it is ultimately determined that such person is not entitled to indemnification.

We have obtained insurance policies under which our directors and officers are insured, within the limits and subject to the limitations of those policies, against certain expenses in connection with the defense of, and certain liabilities that might be imposed as a result of, actions, suits or proceedings to which they are parties by reason of being or having been directors or officers. In addition, in accordance with the Exchange Agreement, we procured officers' liability insurance policy covering the individuals who served as our directors and officers prior to the completion of the Transaction for acts, errors, omissions, facts or events occurring on or before the completion of the Transaction.

Policy for Approval of Related Person Transactions

Pursuant to its charter, our audit committee is responsible for reviewing and approving, prior to our entry into any such transaction, all transactions reportable by us under Item 404 of Regulation S-K in which we are a participant and in which any parties related to us, including our executive officers, our directors, beneficial owners of more than 5% of our securities, immediate family members of the foregoing persons and any other persons whom our board of directors determines may be considered related persons under Item 404 of Regulation S-K, has or is expected to have a direct or indirect material interest.

In reviewing and approving such transactions, the audit committee will obtain, or will direct our management to obtain on its behalf, all information that the committee believes to be relevant and important to a review of the transaction prior to its approval. Following receipt of the necessary information, a discussion will be held of the relevant factors if deemed to be necessary by the committee prior to approval. If a discussion is not deemed to be necessary, approval may be given by written consent of the committee. This approval authority may also be delegated to the chair of the audit committee in some circumstances. No related person transaction will be entered into prior to the completion of these procedures.

The audit committee or its chair, as the case may be, will approve only those related person transactions that are determined to be in, or not inconsistent with, the best interests of us and our stockholders, taking into account all available facts and circumstances as the committee or the chair determines in good faith to be necessary in accordance with principles of Delaware law generally applicable to directors of a Delaware corporation. These facts and circumstances will typically include, but not be limited to, the benefits of the transaction to us; the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, stockholder or executive officer; the availability of other sources for comparable products or services; the terms of the transaction; and the terms of comparable transactions that would be available to unrelated third parties or to employees generally. No member of the audit committee will participate in any review, consideration or approval of any related person transaction with respect to which the member or any of his or her immediate family members has an interest.

PROPOSAL 1

ELECTION OF TWO CLASS I DIRECTORS TO HOLD OFFICE UNTIL THE 2020 ANNUAL MEETING

On March 9, 2017, our board of directors, acting upon the recommendation of our nominating and governance committee, nominated Michael Gutch, Ph.D. and Denise Scots-Knight, Ph.D. for election at the annual meeting. The board of directors currently consists of seven members, classified into three classes as follows: (1) Michael Gutch, Ph.D. and Denise Scots-Knight, Ph.D. constitute Class I, with a term ending at the 2017 annual meeting of stockholders; (2) Julia R. Brown, Ronald H.W. Cooper and Heather Preston, M.D. constitute Class II, with a term ending at the 2018 annual meeting of stockholders; and (3) David Chiswell, Ph.D. and Davey S. Scoon constitute Class III, with a term ending at the 2019 annual meeting of stockholders. At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring.

The board of directors has voted to nominate Michael Gutch, Ph.D. and Denise Scots-Knight, Ph.D. for election at the annual meeting for a term of three years to serve until the 2020 annual meeting of stockholders and until their respective successors are elected and qualified. The terms of the Class II directors (Julia R. Brown, Ronald H.W. Cooper and Heather Preston, M.D.) and Class III directors (David Chiswell, Ph.D. and Davey S. Scoon) will continue until the annual meetings of stockholders to be held in 2018 and 2019, respectively, and each director will hold office until his or her successor has been elected and qualified or until his or her earlier death, resignation or removal.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted **FOR** the election of Michael Gutch, Ph.D. and Denise Scots-Knight, Ph.D. as directors. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the board of directors may recommend in that nominee's place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the shares voted "FOR" each nominee at the annual meeting is required to elect each nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF MICHAEL GUTCH, PH.D. AND DENISE SCOTS-KNIGHT, PH.D. AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL 2

AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED, TO DECREASE THE AGGREGATE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED TO BE ISSUED FROM 200,000,000 SHARES TO 30,000,000 SHARES

Our board of directors has determined that it is advisable to decrease our authorized common stock from 200,000,000 shares to 30,000,000 shares, and has voted to recommend that the stockholders adopt an amendment to our Restated Certificate of Incorporation, as amended, effecting the proposed decrease. The full text of the proposed amendment to our Restated Certificate of Incorporation, as amended, is attached to this proxy statement as Annex A.

As of April 1, 2017, 6,292,644 shares of our common stock were issued and outstanding, 408,125 shares of our common stock were reserved for issuance upon the exercise of outstanding options granted under our 2016 Plan, 445,334 shares of common stock were reserved for issuance upon the exercise of outstanding options granted under Bidel's 2004 Stock Incentive Plan, 2005 Non-Employee Directors' Stock Option Plan and 2010 Plan, and 141,041 shares of our common stock were reserved for issuance upon the exercise of outstanding warrants. As of April 1, 2017, a total of 271,432 shares of common stock are available for future issuance under our 2016 Plan (excluding the 408,125 shares of our common stock reserved for issuance upon the exercise of outstanding options granted under our 2016 Plan), plus up to an additional 198,676 shares are available for issuance under the 2016 Plan if awards outstanding under the 2010 Plan are cancelled, forfeited or expire.

We are asking stockholders to approve an amendment to our Restated Certificate of Incorporation, as amended, to decrease the number of authorized shares of our common stock from 200,000,000 shares to 30,000,000 shares. Our board of directors believes that this decrease is advisable because a reduction in the number of our authorized shares of common stock is expected to result in significantly lower franchise tax due to the State of Delaware, which is the state in which we are incorporated. The State of Delaware imposes a franchise tax on corporations that are incorporated under the laws of that state, and the franchise tax is calculated taking into account a corporation's number of authorized shares of common stock. **We expect that the amount of this tax will be less if we reduce the number of our authorized shares of common stock.** We believe that having 30,000,000 authorized shares of common stock will give us sufficient flexibility for corporate purposes for the foreseeable future.

Approval of the decrease in the authorized number of shares of our common stock requires the affirmative vote of a majority of the shares of our common stock outstanding and entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE DECREASE IN THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE DECREASE IN THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has appointed Ernst & Young LLP as our independent registered public accounting firm, to audit our financial statements for the fiscal year ending December 31, 2017. The board of directors proposes that the stockholders ratify this appointment. Ernst & Young LLP audited our financial statements (including the financial statements of Albireo Limited) for the fiscal years ended December 31, 2016 and 2015. We expect that representatives of Ernst & Young LLP will be present at the annual meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

In deciding to appoint Ernst & Young LLP, the audit committee reviewed auditor independence issues and existing commercial relationships with Ernst & Young LLP and concluded that Ernst & Young LLP has no commercial relationship with the Company that would impair its independence for the fiscal year ending December 31, 2017.

Current Independent Registered Public Accounting Firm Fees

The following table presents fees for professional audit services rendered by Ernst & Young LLP⁽¹⁾, our independent registered public accounting firm, for the audit of our annual financial statements (including the financial statements of Albireo Limited) for the years ended December 31, 2016 and 2015, and fees billed for other services rendered by Ernst & Young LLP during those periods.

	2015	2016
Audit fees ⁽²⁾	\$ 512,356	\$ 904,710
Audit related fees	—	—
Tax fees	—	—
All other fees	—	—
Total	\$ 512,356	\$ 904,710

- (1) For periods prior to the completion of the Transaction on November 3, 2016, the audit and other services shown were provided by Ernst & Young LLP in the United Kingdom.
- (2) Audit fees consisted of audit work performed in the preparation of financial statements and services in connection with our periodic and current SEC filings and registration statements, as well as work generally only the independent registered public accounting firm can reasonably be expected to provide, such as statutory audits).

There were no services that were approved by the audit committee pursuant to Rule 2-01(c)(7)(i)(C) (relating to the approval of a de minimis amount of non-audit services after the fact but before completion of the audit).

Prior Independent Registered Public Accounting Firm Fees

At the completion of the Transaction on November 3, 2016, our audit committee approved the dismissal of BDO USA, LLP (“BDO”) as our independent registered public accounting firm upon completion of the audit of Bidel Inc. for the fiscal year ended September 30, 2016. On December 22, 2016, the audit of Bidel Inc. was completed and Bidel’s Annual Report on Form 10-K for the fiscal year ended September 30, 2016 was filed. At the completion of the Transaction, on November 3, 2016, our board of directors engaged Ernst & Young LLP as the independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ended December 31, 2016. Ernst & Young LLP had previously audited the financial statements of Albireo Limited beginning with the year ended December 31, 2014.

The reports of BDO on Bidel’s financial statements for each of the two fiscal years ended September 30, 2015 and September 30, 2014, as well as the report of BDO on Bidel’s financial statements for the fiscal year ended September 30, 2016, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of Bidel’s financial statements for each of the two fiscal years ended September 30, 2015 and September 30, 2014 and the audit of the Company’s financial statements for the fiscal year ended September 30, 2016, there were no “disagreements” (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) between the Company and BDO on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the subject matter of the disagreement in its reports.

We have provided Ernst & Young LLP and BDO with a copy of the disclosures we are making in this “Proposal 3: Ratification of Appointment of Independent Registered Public Accounting Firm” section of this proxy statement.

The following table presents fees for professional audit services rendered by BDO, for the audit of Biodel's financial statements for the years ended September 30, 2016 and September 30, 2015, and fees billed for other services rendered by BDO during those periods.

	2015	2016
Audit fees ⁽¹⁾	\$ 289,950	\$ 166,403
Audit related fees	—	—
Tax fees ⁽²⁾	24,395	52,289
All other fees	—	—
Total	\$ 314,345	\$ 218,692

- (1) 2015 represents \$191,400 for audit fees and \$98,550 for a review of a prospectus and comfort letters. 2016 represents \$141,075 for audit fees and \$25,328 for review of proxies.
- (2) Tax fees consist principally of assistance with federal, state, local and foreign tax compliance and reporting, including Section 280G assessment.

The percentage of services set forth above in the categories audit related fees, tax fees, and all other fees, that were approved by the Audit Committee pursuant to Rule 2-01(c)(7)(i)(C) (relating to the approval of a de minimis amount of non-audit services after the fact but before completion of the audit), was 100%.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Public Accountant

Consistent with SEC policies regarding auditor independence, the audit committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the audit committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of an independent registered public accounting firm for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the audit committee for approval.

1. **Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only an independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting or reporting standards.
2. **Audit-Related** services are for assurance and related services that are traditionally performed by an independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.
3. **Tax** services include all services performed by an independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.
4. **Other Fees** are those associated with services not captured in the other categories. We generally do not request such services from our independent registered public accounting firm.

Prior to engagement, the audit committee pre-approves these services by category of service. The fees are budgeted and the audit committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the audit committee requires specific pre-approval before engaging our independent registered public accounting firm.

The audit committee may delegate pre-approval authority to one or more of its members, such as the chairman. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the audit committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm, the audit committee will reconsider its appointment.

The affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the appointment of our independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 4

ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT

We are seeking your advisory vote as required by Section 14A of the Exchange Act on the approval of the compensation of our named executive officers as described in the section of this proxy statement titled “Executive Officer and Director Compensation” and related material contained in this proxy statement. Because your vote is advisory, it will not be binding on our compensation committee or our board of directors. However, the compensation committee and the board of directors will consider the voting results when making future decisions regarding executive compensation.

Our overall compensation program is structured to attract, motivate and retain highly qualified executive officers by paying them competitively, consistent with our success and their contribution to that success. Our ability to excel depends on the skill, creativity, integrity and teamwork of our employees. Given the long product development cycles in our business, we believe that compensation should be structured to ensure that a portion of compensation opportunity will be related to factors that directly and indirectly influence long-term stockholder value. Our compensation philosophy has been driven by a number of factors that are closely linked with our broader strategic objectives.

We pay our named executive officers a base salary, which we review and determine annually. In January 2017, we increased the annual base salaries of: Ronald H.W. Cooper, President and Chief Executive Officer, from \$400,000 to \$460,000; Jan P. Mattsson, Ph.D., Chief Operating Officer, from 1,870,428 SEK to 2,000,000 SEK (approximately \$220,000 based on the SEK:USD exchange rate on December 30, 2016); and Peter A. Zorn, Chief Corporate Officer, General Counsel and Secretary, from \$270,000 to \$320,000. Each of these base salary increases was effective as of January 1, 2017. The annual base salary of each other executive officer was unchanged for 2017.

Each named executive officer has an annual bonus target which is expressed as a percentage of base salary. Mr. Cooper’s current target bonus percentage is 50% and Dr. Mattsson’s and Mr. Zorn’s current target bonus percentage is 35%. In January 2017, our board of directors, acting upon the recommendation of our compensation committee, approved the payment of annual cash incentive bonus awards for 2016 to our executive officers based on an achievement level of 96%. The achievement level was determined principally based on the successful completion of our share exchange transaction in November 2016 and the progression of our lead product candidate, A4250. As a result, our named executive officers received the following annual cash incentive bonus awards for 2016: Mr. Cooper, \$192,000; Dr. Mattsson, 628,464 SEK (approximately \$69,212 based on the SEK:USD exchange rate on December 30, 2016); and Mr. Zorn, \$90,720.

On January 20, 2017, our compensation committee granted a stock option to each of Mr. Cooper, Dr. Mattsson and Mr. Zorn, as well as each of our other executive officers and employees. Each stock option has an exercise price of \$19.19 per share, the closing price of our common stock on The NASDAQ Capital Market on the grant date, vests and becomes exercisable in equal installments over 16 consecutive calendar quarters and has a 10-year term. The stock option granted to Mr. Cooper is to purchase 55,000 shares, and the stock option granted to each of Dr. Mattsson and Mr. Zorn is to purchase 20,000 shares.

In accordance with the rules of the SEC, the following resolution, commonly known as a “say-on-pay” vote, is being submitted for a stockholder vote at the 2017 annual meeting of stockholders:

“RESOLVED, that the compensation paid to the named executive officers of Albireo Pharma, Inc., as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and the related material disclosed in this proxy statement, is hereby APPROVED.”

The affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the annual meeting is required to approve, on an advisory basis, this resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 5

ADVISORY VOTE ON APPROVAL OF THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are seeking your input with regard to the frequency of holding future stockholder advisory votes on the compensation of our named executive officers. In particular, we are asking whether the advisory vote on the compensation of our named executive officers (Proposal 4) should occur every year, every two years or every three years. Because your vote is advisory, it will not be binding on our compensation committee or our board of directors. However, the compensation committee and the board of directors will consider the voting results when making future decisions regarding how frequently it should present the advisory vote on the compensation of our named executive officers to our stockholders.

The compensation committee, board of directors and management believe that it is appropriate and in our best interests for our stockholders to vote in favor of an advisory vote on the compensation of our named executive officers every three years. We believe this frequency is appropriate for the reasons because, among other things:

- A vote every three years will provide the board of directors and the compensation committee with time to thoughtfully consider and respond to stockholders' perspectives and to implement any potential changes. The board of directors and the compensation committee will thoughtfully review changes to the executive compensation to maintain the effectiveness of the program, which is important for aligning interests and for motivating and retaining our named executive officers.
- Our equity compensation program for our named executive officers is designed to support long-term value creation, and a vote every three years will allow the stockholders to better judge the equity compensation program in relation to our long-term performance. We seek to ensure management's interests are aligned with stockholders' interests to support long-term value creation through our equity compensation program. To that end, we typically grant equity awards on an annual basis to encourage our named executive officers to focus on long-term performance, and recommend a vote every three years, which would allow the equity compensation to be evaluated over a timeframe that enables due consideration to long-term performance.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the board's recommendation. The affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the annual meeting—every year, every two years or every three years—will be the frequency approved, on an advisory basis, by our stockholders. However, because the vote on the frequency of holding future advisory votes on the compensation of our named executive officers is not binding, if none of the frequency options receives a majority vote, the option receiving the greatest number of votes will be considered the frequency preferred by our stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE, ON AN ADVISORY BASIS, THE FREQUENCY OF HOLDING A VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY THREE YEARS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH FREQUENCY UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY CARD.

CORPORATE CODE OF CONDUCT AND ETHICS

Following the completion of the Transaction on November 3, 2016, we adopted a new corporate code of conduct and ethics, which applies to our principal executive officer, our principal financial and accounting officer and all of our other employees. We have posted a copy of the code on our website at www.albireopharma.com. Disclosure regarding any amendments (other than technical, administrative or other nonsubstantive amendments) to, or waivers from, provisions of the code that apply to our directors, principal executive officer or principal financial officer will be included in a Current Report on Form 8-K within four business days following the date of the amendment or waiver, unless website posting or the issuance of a press release of such amendments or waivers is then permitted by The NASDAQ Stock Market LLC.

OTHER MATTERS

The board of directors knows of no other business which will be presented to the annual meeting. If any other business is properly brought before the annual meeting, proxies will be voted in accordance with the judgment of the persons named therein.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTOR

To be considered for inclusion in the proxy statement relating to our 2018 annual meeting of stockholders, we must receive stockholder proposals (other than for director nominations) no later than December 26, 2017. To be considered for presentation at the 2018 annual meeting of stockholders, although not included in the proxy statement, proposals (including director nominations that are not requested to be included in our proxy statement) must be received no earlier than February 9, 2018 and no later than March 11, 2018. Proposals that are not received in a timely manner will not be voted on at the 2018 annual meeting of stockholders. If a proposal is received on time, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. All stockholder proposals should be marked for the attention of Corporate Secretary, Albireo Pharma, Inc., 10 Post Office Square, Suite 502 South, Boston, MA 02109.
