## DTS Play-Fi Announces First Wireless Speakers to Support Works with Amazon Alexa

*The Phorus PS10 Wireless Speaker, Onkyo Smart Speaker P3 and Pioneer Elite Smart Speaker F4 are first to support this functionality*

CALABASAS, Calif.--(BUSINESS WIRE)-- [DTS](#), a global leader in high-definition audio solutions and a wholly owned subsidiary of [Xperi Corporation](#) (Nasdaq: XPER) ("Xperi"), is pleased to announce the first DTS Play-Fi<sup>®</sup>-enabled wireless speakers to support the *Works with Amazon Alexa* functionality. Initial products supported include the Pioneer Elite Smart Speaker F4, Onkyo Smart Speaker P3 and the Phorus PS10. Additional DTS Play-Fi-enabled products, including the Klipsch Stream wireless multi-room audio lineup, as well as McIntosh Laboratories, MartinLogan and THIEL Audio, will add the capability by the end of Q1 2018.

Available via a *Works with Amazon Alexa* over-the-air firmware update, consumers can now control audio playback on select DTS Play-Fi products from another room using an Amazon Echo, Dot or Show. This functionality allows users to verbally ask Alexa to play a song in a specific room, groups of rooms or the whole house, adjust volume, skip the track forward, mute, pause and stop the music.

"We continue to expand our range of Alexa voice control solutions available to licensees, making DTS Play-Fi the first open wireless multi-room audio platform to offer both integrated Alexa Voice Services (AVS) and *Works with Amazon Alexa*," said Dannie Lau, general manager, DTS Play-Fi, at Xperi. "We look forward to continuing to forge a strong relationship with Amazon, the most widely recognized and adopted voice service on the market."

"We're thrilled to offer the Pioneer Elite Smart Speaker F4 and Onkyo Smart Speaker P3 as the first speakers in the DTS Play-Fi ecosystem that can be controlled via Amazon Alexa," Nobuaki Okuda, director and CTO, Onkyo Corporation and president, Onkyo and Pioneer Technology Corporation. "With this update, consumers can not only control their whole-home music system using their voice with our speakers, but using a third party voice control product as well."

DTS Play-Fi technology enables lossless multi-room wireless audio streaming from the world's most popular music services including Amazon Music, Deezer, iHeartRadio, Juke, KKBox, Napster, Pandora, Qobuz, QQ Music, SiriusXM, Spotify and TIDAL, thousands of Internet radio stations, as well as personal music libraries, on any supported product. In addition, DTS Play-Fi features advance streaming functionality like wireless surround sound, stereo pairing, music station presets, and audio/video synchronization.

The DTS Play-Fi ecosystem features the largest collection of products in the whole-home wireless audio space, with more than 200 interoperable speakers, sound bars, set-top boxes, and A/V receivers from the top names in premium audio including Aerix, Anthem, Arcam, Definitive Technology, DISH TV, Elite, Integra, Fusion Research, Klipsch, MartinLogan, McIntosh, Onkyo, Paradigm, Phorus, Pioneer, Polk Audio, Rotel, Sonus faber, Soundcast, SVS Sound, THIEL Audio and Wren Sound.

### **Safe Harbor Statement**

This press release contains forward-looking statements, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve risks and uncertainties that could cause actual results to differ significantly from those projected, particularly with respect to the availability, features and benefits of DTS Play-Fi enabled wireless speakers with Works with Amazon Alexa functionality. Material factors that may cause results to differ from the statements made include the plans or operations relating to the businesses of Xperi Corporation (the "Company"); market or industry conditions; changes in patent laws, regulation or enforcement, or other factors that might affect the Company's ability to protect or realize the value of its intellectual property; the expiration of license agreements and the cessation of related royalty income; the failure, inability or refusal of licensees to pay royalties; initiation, delays, setbacks or losses relating to the Company's intellectual property or intellectual property litigations, or invalidation or limitation of key patents; fluctuations in operating results due to the timing of new license agreements and royalties, or due to legal costs; the risk of a decline in demand for semiconductors and products utilizing our audio and imaging technologies; failure by the industry to use technologies covered by the Company's patents; the expiration of the Company's patents; the Company's ability to successfully complete and integrate acquisitions of businesses; the risk of loss of, or decreases in production orders from, customers of acquired businesses; financial and regulatory risks associated with the international nature of the Company's businesses; failure of the Company's products to achieve technological feasibility or profitability; failure to successfully commercialize the Company's products; changes in demand for the products of the Company's customers; limited opportunities to license technologies due to high concentration in applicable markets for such technologies; the impact of competing technologies on the demand for the Company's technologies; failure to realize the anticipated benefits of the Company's recent acquisition of DTS, Inc., including as a result of integrating the business of DTS; pricing trends, including the Company's ability to achieve economies of scale; the expected amount and timing of cost savings and operating synergies; and other developments in the markets in which the Company operates, as well as management's response to any of the aforementioned factors. You are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date of this release.

The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and elsewhere, including the Risk Factors included in the Company's recent reports on Form 10-K and Form 10-Q and other documents of the Company on file with the Securities and Exchange Commission (the "SEC"). The Company's SEC filings are available publicly on the SEC's website at [www.sec.gov](http://www.sec.gov). Any forward-looking statements made or incorporated by reference herein are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by the Company will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company or its business or operations. Except to the extent required by applicable law, the Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.
