Horizon Pharma plc Named One of the Best Workplaces in Health Care by Great Place to Work® and Fortune Magazine

DUBLIN, Ireland, April 12, 2017 (GLOBE NEWSWIRE) -- Horizon Pharma plc (NASDAQ:HZNP), a biopharmaceutical company focused on improving patients' lives by identifying, developing, acquiring and commercializing differentiated and accessible medicines that address unmet medical needs, today announced that it has been selected as one of the country's "[Best Workplaces in Health Care](#)" by Great Place to Work® and Fortune Magazine. Horizon is ranked seventh on the list.

"It is an honor to be nationally recognized as one of the Best Workplaces in Health Care," said Timothy P. Walbert, chairman, president and chief executive officer, Horizon Pharma plc. "At Horizon, we strive to help people live better lives and that starts with our employees. This award is more than recognition. It is validation that the company culture we've worked hard to build and maintain deeply resonates with our employees in the meaningful work they do each and every day."

The Best Workplaces in Health Care is one of a series of rankings by Great Place to Work and Fortune based on employee survey feedback from Great Place to Work-Certified™ organizations. About The Best Workplaces in Health Care

Published by Great Place to Work and Fortune, the Best Workplaces in Health Care rankings are based on feedback from more than 87,000 employees at Great Place to Work-Certified organizations in health care, including the biotechnology and pharmaceutical sector. Employees completed an anonymous Trust Index® survey, answering questions about how frequently they experience the building blocks of a great workplace. Employees rated leadership strength and integrity, pride in their work and organization, and the quality of relationships with co-workers, among other factors. Results from the survey are highly reliable, having a 95 percent confidence level and a margin of error of 5 percent or less.

Earning a place on this list indicates a company has distinguished itself from peers by creating a Great Place to Work For All™. Rankings reward organizations where not only the majority of their employees experience a great place to work, but these experiences are highly consistent regardless of who people are or what they do within the organization. Results are considered based on the complexity of the employee population and relative to peer performance.
