*Second Consecutive Year Company Receives Top Honors*

NEW YORK, Dec. 16, 2016 (GLOBE NEWSWIRE) -- WisdomTree Investments, Inc. (NASDAQ:WETF), an exchange-traded fund ("ETF") and exchange-traded product ("ETP") sponsor and asset manager, announced today it has earned first place in its category of firms with 100 to 499 employees on *Pensions & Investments'* "Best Places to Work in Money Management" list for 2016. This is the second consecutive year the firm has received top honors.

*Pensions & Investments*, the global news source of money management, partnered with Best Companies Group, an independent research firm specializing in identifying great places to work, to conduct a two-part survey of employers and their employees. The combined scores determined the top companies.

WisdomTree also recently earned a coveted spot on *Crain's* "Best Places to Work in New York City" list for 2016. The survey identifies and honors New York City's best employers. This is the second consecutive year WisdomTree has been recognized by *Crain's*.

"We are honored to receive these prestigious industry and regional awards for the second year in a row. Our employees are our greatest asset and these recognitions are a testament to their talent and accomplishments. Our team's commitment to a culture of excellence has enabled our extraordinary growth and success in our first ten years and we look forward to continuing to build on that success in the decade ahead," said WisdomTree CEO and President Jonathan Steinberg.
