NEW YORK, Aug. 30, 2016 (GLOBE NEWSWIRE) -- WisdomTree Investments, Inc. (NASDAQ:WETF), an exchange-traded fund ("ETF") and exchange-traded product ("ETP") sponsor and asset manager, today announced that it was named to Forbes'® List of "America's 50 Most Trustworthy Financial Companies" for 2016.

The list is developed for *Forbes* by MSCI ESG Research. The independent research firm conducts an independent survey and assessment that measures the accounting and governance behaviors of nearly 700 publicly-traded North American financial companies with market caps of \$250 million or greater, for the year ending December 31, 2015. The financial companies are ranked on the following factors as indicators of a company's credibility: high-risk events, revenue and expense recognition methods, SEC actions and bankruptcy risk. Companies on this list also scored above a 5 out of 10 against criteria established by MSCI ESG to track governance considerations.

"We are honored to have been named to Forbes'® 2016 List of 'America's 50 Most Trustworthy Financial Companies,'" said Jonathan Steinberg, WisdomTree CEO and President.
