WisdomTree Cross-Lists 8 Additional ETFs on Bolsa Mexicana de Valores

Company Continues to Expand Global Footprint in Latin America

NEW YORK, Dec. 08, 2017 (GLOBE NEWSWIRE) -- WisdomTree Investments, Inc. (Nasdaq:WETF), an exchange-traded fund ("ETF") and exchange-traded product ("ETP") sponsor and asset manager, today announced that eight additional WisdomTree ETFs have been listed on the Mexican Stock Exchange, Bolsa Mexicana de Valores (BMV), S.A.B. de C.V. All eight ETFs are listed in the special international section of the BMV, the Sistema Internacional de Cotizaciones ("SIC"). SIC makes it possible for certain institutional investors to trade foreign securities in Mexico. Securities listed on the SIC are not publicly offered in Mexico.

"In Mexico, we continue to see increased interest in ETFs, given the structural benefits and convenient exposure to important asset classes. We are pleased to cross-list eight additional ETFs on the Bolsa Mexicana de Valores, offering greater exposure to U.S. and international developed and emerging markets," said Jonathan Steinberg, WisdomTree CEO and President.

A total of 51 WisdomTree strategies are now listed on the Bolsa Mexicana de Valores, including 41 U.S.-listed ETFs and 10 UCITS ETFs. The newly listed and previously listed ETFs are shown below.
