**PROXY STATEMENT**

---

**INFORMATION CONCERNING VOTING AND SOLICITATION**

This Proxy Statement is being furnished to you in connection with the solicitation by the Board of Directors of CafePress Inc., a Delaware corporation, or the Board, of proxies to be used at our 2015 Annual Meeting of Stockholders and any adjournments or postponements thereof. Our 2015 Annual Meeting of Stockholders will be held at the offices of Frost, Brown Todd LLC, 400 West Market Street, Louisville, Kentucky 40202, beginning at 2:00 p.m., Eastern Time on May 15, 2015. This Proxy Statement and the accompanying form of proxy card are being mailed to stockholders on or about April 17, 2015.

References to “the Company,” “we,” “us” or “our” throughout this Proxy Statement mean CafePress Inc.

**Appointment of Proxy Holders**

The Board asks you to appoint Fred E. Durham III and Rusty Hensley as your proxy holders to vote your shares at the 2015 Annual Meeting of Stockholders. You may make this appointment by voting the enclosed proxy card using one of the voting methods described below.

If appointed by you, the proxy holders will vote your shares as you direct on the matters described in this Proxy Statement. In the absence of your direction, they will vote your shares as recommended by the Board.

Unless you otherwise indicate on the proxy card, you also authorize your proxy holders to vote your shares on any matters not known by the Board at the time this Proxy Statement was printed and which, under our bylaws, may be properly presented for action at the Annual Meeting of Stockholders.

**Who Can Vote**

Only stockholders who owned shares of our common stock at the close of business on March 26, 2015, the record date for the Annual Meeting of Stockholders, can vote at the Annual Meeting of Stockholders. As of the close of business on March 26, 2015, we had 17,563,188 shares of common stock outstanding and entitled to vote. Each holder of common stock is entitled to one vote for each share held as of March 26, 2015. There is no cumulative voting in the election of directors.

**How You Can Vote**

*You may vote your shares in one of several ways, depending upon how you own your shares.*

- *Voting by Mail* . You may vote by proxy by dating, signing and returning your proxy card in the enclosed postage-prepaid return envelope. Sign your name exactly as it appears on the proxy. The Board recommends that you vote by mail, as it is not practical for most stockholders to attend the Annual Meeting of Stockholders. Giving a proxy will not affect your right to vote your shares if you attend the Annual Meeting of Stockholders and want to vote in person. Stockholders who hold shares beneficially in street name may provide voting instructions by mail by completing, signing and dating the voting instruction forms provided by their brokers, banks or other nominees.
- *Voting by Telephone* . Stockholders of record may submit proxies by following the telephone voting instructions on their proxy cards. Most stockholders who hold shares beneficially in street name may provide voting instructions by telephone by calling the number specified on the voting instruction form

provided by their brokers, banks or nominees. Please check the voting instruction form for telephone voting availability. Please be aware that if you submit voting instructions by telephone, you may incur costs such as telephone access charges for which you will be responsible. The telephone voting facilities will close at 11:59 p.m., Eastern Daylight Time, the day before the meeting date.

- *By Internet* . Stockholders of record may submit proxies by following the Internet voting instructions on their proxy cards. Most stockholders who hold shares beneficially in street name may provide voting instructions by accessing the website specified on the voting instruction form provided by their brokers, banks or nominees. Please check the voting instruction form for Internet voting availability. Please be aware that if you vote over the Internet, you may incur costs such as Internet access charges for which you will be responsible. The Internet voting facilities will close at 11:59 p.m., Eastern Daylight Time, the day before the meeting date.

Regardless of how you own your shares, if you are a stockholder of record, you may vote by attending the Annual Meeting of Stockholders at the offices of Frost Brown Todd LLC, 400 West Market Street, Louisville, Kentucky 40202, beginning at 2:00 p.m., Eastern Time on May 15, 2015. Even if you plan to attend the Annual Meeting of Stockholders, we recommend that you also submit your proxy or vote by telephone or the Internet so that your vote will be counted if you later decide not to attend the Annual Meeting of Stockholders.

If you vote via the Internet, by telephone or return a proxy card by mail, but do not select a voting preference, the persons who are authorized on the proxy card and through the Internet and telephone voting facilities to vote your shares will vote:

- **FOR** the nominees for Class III director; and
- **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2015.

### Revocation of Proxies

Stockholders can revoke their proxies at any time before they are exercised in any of three ways:

- by voting in person at the Annual Meeting of Stockholders;
- by submitting written notice of revocation to the Secretary prior to the Annual Meeting of Stockholders; or
- by submitting another properly executed proxy of a later date prior to the Annual Meeting of Stockholders.

### Required Vote

Directors are elected by a plurality vote, which means that the two (2) nominees for Class III director receiving the most affirmative votes will be elected. However, if the majority of the votes cast for a director are marked “withheld,” and notwithstanding the valid election of such director, our bylaws provide that such director will voluntarily tender his or her resignation for the Board’s consideration. If such director’s resignation is accepted by the Board, then the Board, in its sole discretion, may fill the resulting vacancy in accordance with our bylaws, and taking into account the recommendation of the nominating and corporate governance committee. All other matters submitted for stockholder approval require the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote.

A quorum, which is a majority of the outstanding shares as of March 26, 2015, must be present to hold the Annual Meeting of Stockholders. A quorum is calculated based on the number of shares represented by the stockholders attending in person and by their proxy holders. If you indicate an abstention as your voting preference, your shares will be counted toward a quorum but they will not be voted on the matter.

---

## Table of Contents

Abstentions on any matters are treated as shares present or represented and entitled to vote on that matter and have the same effect as a vote against such matter.

If your shares are held in street name and you do not instruct your broker on how to vote your shares, your broker, in its discretion, may either leave your shares unvoted or vote your shares on routine matters. Only Proposal 2 (ratifying the appointment of our independent registered public accounting firm) is considered a routine matter. Proposal 1 (election of directors) is not considered a routine matter, and without your instruction, your broker cannot vote your shares. If your broker returns a proxy card but does not vote your shares, this results in a “broker non-vote.” Broker non-votes will be counted as present for the purpose of determining a quorum. However, as brokers do not have discretionary authority to vote on Proposal 1, broker non-votes will not be counted for the purpose of determining the number of votes cast on Proposal 1.

### Solicitation of Proxies

We will pay the cost of printing and mailing proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and other employees by personal interview, telephone or facsimile. No additional compensation will be paid to these persons for solicitation. At this time we have not engaged a proxy solicitor. If we do engage a proxy solicitor we will pay the customary costs associated with such engagement. We will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of our common stock.

### Important

**Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope, or vote by telephone or via the Internet so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting of Stockholders.**

**PROPOSAL 1**  
**ELECTION OF DIRECTORS**

**Directors and Nominees**

Our bylaws provide for a board of directors consisting of not fewer than five (5) nor more than eight (8) members with the authorized number of directors set from time to time by resolution of the Board. The authorized number of directors is currently set at six (6).

The Board is divided into three classes: Class I, Class II and Class III. The members of each class of directors serve staggered three-year terms:

- Our Class I directors are Fred E. Durham III and Patrick J. Connolly and their terms will expire at the annual meeting of stockholders to be held in 2016.
- Our Class II directors are Brad W. Buss and Douglas M. Leone and their terms will expire at the annual meeting of stockholders to be held in 2017.
- Our Class III directors are Diane M. Irvine and Michael Dearing and their terms will expire at the Annual Meeting of Stockholders.

The Board, upon the recommendation of the nominating and corporate governance committee, selected Kenneth McBride and Anthony C. Allen as nominees for election as Class III directors at the Annual Meeting of Stockholders. Accordingly, two (2) Class III directors will be elected at the Annual Meeting of Stockholders to serve until the annual meeting of stockholders to be held in 2018 or until their successors are elected and qualified. The proxies given to the proxy holders will be voted or not voted as directed and, if no direction is given, will be voted FOR the two (2) nominees. If any nominee is unable or declines to serve as director at the time of the Annual Meeting of Stockholders, an event not now anticipated, proxies will be voted for any nominee designated by the Board to fill the vacancy.

The names of the nominees, which have been nominated by the Board upon the recommendation of the nominating and corporate governance committee, and certain biographical information about the nominees, including the director's business experience, director positions held currently or at any time during the last five (5) years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the nominating and corporate governance committee to recommend that the nominee should continue to serve on the Board, are set forth below.

*Kenneth McBride* has served as the Chief Executive Officer of Stamps.com (NASDAQ: STMP) since August 2001. Stamps.com is a provider of internet-based mailing and shipping solutions. Since 1999, Mr. McBride has held various executive positions at Stamps.com, including as its President and CEO from August 2001 until January 2012, as Chief Financial Officer from August 2000 to January 2004, and as Senior Director and Vice President of Finance from April 1999 to October 2000. Mr. McBride has also been Chairman of the board of directors of Stamps.com since January 2012. From August 2012 through January 2014, Mr. McBride served on the board of directors of LegalZoom.com, Inc., an online service providing legal services, where he also served as the chairman of the audit committee, and as a member of the compensation committee. Mr. McBride holds a bachelor's degree, with honors, and a master's degree, in Electrical Engineering from Stanford University. Mr. McBride also holds an M.B.A. from the Graduate School of Business at Stanford University.

We believe that Mr. McBride's experience as the chief executive of a public internet commerce company, along with his finance background and audit committee experience, will provide valuable insight for our board of directors.

*Anthony C. Allen* has served as the Chief Financial Officer and Vice President of Sypris Solutions, Inc. (NASDAQ: SYPR) since January 2015, where he had previously been Vice President, Treasurer and Assistant Secretary since December 2004, and held various other financial positions at Sypris and its predecessor since

## Table of Contents

1986. Sypris is a diversified provider of outsourced services and specialty products based in Louisville, Kentucky. Mr. Allen holds a bachelor's degree in Business Administration from Eastern Kentucky University and an M.B.A. from Bellarmine University. He is also a certified public accountant in the state of Kentucky.

We believe that Mr. Allen's extensive finance experience at a public company and accounting background and qualifications will provide our board with valuable insight.

### Vote Required

The two (2) nominees for Class III director receiving the highest number of affirmative votes will be elected as Class III directors. However, if the majority of the votes cast for a director are marked "withheld" and notwithstanding the valid election of such director, our bylaws provide that such director will voluntarily tender his or her resignation for the Board's consideration. If such director's resignation is accepted by the Board, then the Board, in its sole discretion, may fill the resulting vacancy in accordance with our bylaws and taking into account the recommendation of the nominating and corporate governance committee. Unless marked to the contrary, proxies received will be voted "FOR" the nominees.

**The Board recommends a vote FOR the election of the nominees set forth above as Class III directors of CafePress.**

**CORPORATE GOVERNANCE**

**Board Composition**

The Board is currently composed of six (6) members. The Board and its committees met throughout the year on a set schedule, held special meetings, and acted by unanimous written consent from time to time as appropriate. The Board held eight (8) meetings during 2014. Each director attended at least 75% of the total aggregate of the regularly scheduled and special meetings held by the Board and the committees on which such director served during his or her tenure in 2014. Our non-management directors meet in regularly scheduled sessions without the presence of management in executive sessions. The chairman of the Board presides over each such Executive Session. We do not have a policy regarding directors' attendance at the Annual Meeting of Stockholders, however, we encourage our directors to attend. This will be our third annual meeting following our initial public offering.

**Director Independence**

Our Corporate Governance Guidelines provide that a majority of our directors will be independent. Based on the review and recommendation by the nominating and corporate governance committee, the Board has determined that Brad W. Buss, Patrick J. Connolly, Michael Dearing, Diane M. Irvine and Douglas M. Leone, representing a majority of our directors in 2014 were "independent directors" as defined under NASDAQ rules. The Board has also determined that, if elected, Kenneth McBride and Anthony C. Allen would also be "independent directors" as defined under NASDAQ rules, along with each current director that will continue to serve in 2015, other than Fred E. Durham III, our Chairman and Chief Executive Officer.

**Board Leadership Structure**

The Board determined as part of our corporate governance principles that one of our independent directors should serve as a lead director at any time when the title of chairman is held by an employee director or there is no current chairman. The Board has determined that Douglas M. Leone qualifies as an independent director under NASDAQ rules. Accordingly, the Board has appointed Mr. Leone as our lead independent director. Mr. Leone presides over periodic meetings of our independent directors and oversees the function of the Board and committees, among other responsibilities when the chairman, Fred E. Durham III, an employee director, is unable to participate or is not present in such meetings.

**Board Committees**

We have established an audit committee, a compensation committee and a nominating and corporate governance committee. We believe that the composition of our audit committee, compensation committee and nominating and corporate governance committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of the Sarbanes-Oxley Act of 2002, the current rules of NASDAQ and SEC rules and regulations. We intend to comply with future requirements as they become applicable to us. The Board has approved a charter for each of these committees, which can be found on our website at [www.cafepressinc.com](http://www.cafepressinc.com). Each committee has the composition and responsibilities described below.

*Audit committee*

Our audit committee also oversees the audit efforts of our independent registered public accounting firm and takes actions as it deems necessary to satisfy itself that the accountants are independent of management. Our audit committee is also responsible for monitoring the integrity of our consolidated financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters.

The Board has determined that each member of the audit committee qualifies as an independent member, as defined by NASDAQ rules, and qualifies as a financial expert, as defined by the rules promulgated by the SEC.

In addition, our compensation committee approves the compensation for our executive officers, establishes and modifies the terms and conditions of employment of our executive officers and administers our stock option plans.

The Board has determined that each member of the compensation committee qualifies as an independent member, as defined by NASDAQ rules, a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, or the Internal Revenue Code.

### Role of the Board in Risk Oversight

One of the key functions of the Board is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, the Board is responsible for monitoring and assessing strategic risk exposure, and our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The audit committee also has the responsibility to issue guidelines and policies to govern the process by which risk assessment and management is undertaken, monitor compliance with legal and regulatory requirements, and oversee the performance of our internal audit function. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our compensation committee assesses and monitors whether any of our compensation policies and programs have the potential to encourage excessive risk-taking.

### Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee is or has in the past served as an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the Board or compensation committee of any entity that has one or more executive officers serving on the board of directors or compensation committee.

### Director Nominations

The Board nominates directors for election at each Annual Meeting of Stockholders and appoints new directors to fill vacancies when they arise. The nominating and corporate governance committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board for nomination or appointment.

*Director Criteria*. The nominating and corporate governance committee has a policy regarding consideration of director candidates recommended by stockholders. The nominating and corporate governance committee reviews suggestions for director candidates recommended by stockholders and considers such candidates for recommendation based upon an appropriate balance of knowledge, experience and capability. In addition to considering an appropriate balance of knowledge, experience and capability, the Board has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The nominating and corporate governance committee selects candidates for director based on their character, judgment, diversity of experience, business acumen, and his or her willingness and ability to devote sufficient time to effectively carry out his or her duties as a director. The nominating and corporate governance committee believes it appropriate for at least one, and, preferably, multiple, members of the Board to meet the criteria for an “audit committee financial expert” as defined by SEC rules, and for a majority of the members of the Board to meet the definition of “independent director” under the rules of the NASDAQ. The nominating and corporate governance committee also believes it appropriate for certain key members of our management to participate as members of the Board.

Prior to each annual meeting of stockholders, the nominating and corporate governance committee identifies nominees first by reviewing the current directors whose term expires at the annual meeting of stockholders and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate’s prior service as a director, and the needs of the Board with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the nominating and corporate governance committee determines not to nominate the director, or a vacancy is created on the Board as a result of a resignation, an increase in the size of the Board or other event, the nominating and corporate governance committee will consider various candidates for Board membership,

*Stockholder Nominees* . In addition, our bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board at our annual meeting of stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to CafePress' Secretary and otherwise comply with the provisions of our bylaws. To be timely, our bylaws provide that we must have received the stockholder's notice not more than 120 days nor less than 90 days prior to the anniversary of the date our proxy statement was provided to stockholders in connection with previous year's annual meeting. However, if we did not hold an annual meeting in the prior year or if the date of the annual meeting is more than 30 days before or after the anniversary date of the prior year's annual meeting, we must receive the stockholder's notice by the close of business on the later of 90 days prior to the annual meeting and the 10th day after the day we provided such public disclosure of the meeting date. Information required by the bylaws to be in the notice include the name and contact information for the candidate and the person making the nomination and other information about the nominee that must be disclosed in proxy solicitations under Section 14 of the Securities Exchange Act of 1934 and the related rules and regulations under that Section. We received no director nominees from our stockholders.

Stockholder nominations must be made in accordance with the procedures outlined in, and include the information required by, our bylaws and must be addressed to 6901 A Riverport Drive, Louisville, Kentucky 40258, Attn: Secretary. You can obtain a copy of our bylaws by writing to the Secretary at this address.

### Communications with the Board

The Board recommends that stockholders initiate communications with the Board, or any committee of the Board in writing to the attention of our Secretary to 6901 A Riverport Drive, Louisville, Kentucky 40258. This process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner. The Board has instructed our Secretary to review such correspondence and, at his discretion, not to forward items if he deems them to be of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration.

### Corporate Governance Principles and Practices

We believe our corporate governance initiatives comply with the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC adopted thereunder. In addition, we believe our corporate governance initiatives comply with the rules of The NASDAQ Stock Market.

The Board adopted a code of business conduct that applies to each of our directors, officers and employees. The code addresses various topics, including:

- compliance with laws, rules and regulations, including the Foreign Corrupt Practices Act;
- conflicts of interest;
- insider trading;
- corporate opportunities;
- competition and fair dealing;
- equal employment and working conditions;
- record keeping;

- confidentiality;
- giving and accepting gifts;
- compensation or reimbursement to customers;
- protection and proper use of company assets; and
- payments to government personnel and political contributions.

The Board also has adopted a code of ethics for senior financial officers applicable to our Chief Executive Officer, Chief Financial Officer, controller and other key management employees addressing ethical issues. The code of business conduct and the code of ethics each are posted on our website under Corporate Governance. The code of business conduct and the code of ethics can only be amended by the approval of a majority of the Board. Any waiver to the code of business conduct for an executive officer or director or any waiver of the code of ethics may only be granted by the Board or our nominating and corporate governance committee and must be timely disclosed as required by applicable law. We also have implemented whistleblower procedures that establish formal protocols for receiving and handling complaints from employees. Any concerns regarding accounting or auditing matters reported under these procedures will be communicated promptly to our audit committee.

COMPENSATION OF DIRECTORS

*Retainers* . Our non-employee directors receive an annual retainer of \$30,000, prorated for partial service in any year and paid in cash or restricted stock units at the election of the Board. Members of our audit committee, compensation committee and nominating and corporate governance committee, other than the chairpersons of those committees, receive an additional annual retainer of \$10,000, \$5,750 and \$2,500, respectively. The chairpersons of our audit committee, compensation committee and nominating and corporate governance committee each receive an additional annual retainer of \$22,000, \$10,000 and \$7,500, respectively and the individual acting as Lead Director receives an additional \$10,000 annually. For 2015, we anticipate that retainers paid to our non-employee directors will be in the form of restricted stock units granted under our Amended and Restated 2012 Stock Incentive Plan, or the 2012 Stock Plan, or in cash, at the direction of each director. Stock units granted in lieu of cash retainers give each non-employee director the right to acquire a number of shares of our common stock equal to the prorated amount of the director’s aggregate retainer divided by the fair market value of one share of our common stock, as determined under the 2012 Stock Plan. Cash retainers, if elected, would be paid in arrears at the end of each quarter for service during the previous quarter.

*Stock Compensation*. Nondiscretionary, automatic grants of nonstatutory stock options are made to outside directors. Any outside director who first joins the Board is automatically granted an initial nonstatutory option to purchase a number of shares of our common stock equal to the quotient of \$140,000 divided by the fair value of one share of our common stock as of the date of grant, as determined by our compensation committee, based upon the valuation method we use for our financial reporting. The initial option vests and becomes exercisable over four years such that 1/4th of the shares subject to the option vest and become exercisable on the first anniversary of the date of grant and the remaining 3/4th vest and become exercisable over a three-year period in equal monthly installments. The initial option becomes fully vested if the director is not re-elected after standing for re-election at the end of his or her term. On the first business day after each of our regularly scheduled annual meeting of stockholders, each continuing outside director is automatically granted restricted stock units equal to the quotient of \$70,000 divided by the fair market value of one share of our common stock as of the date of grant, provided that the outside director has served on the Board for at least six (6) months. Each grant vests on the first anniversary of the date of grant, or immediately prior to the next regular annual meeting of stockholders following the date of grant if the meeting occurs prior to the first anniversary date.

**CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

In addition to the compensation arrangements with directors and executive officers described elsewhere in this proxy statement, the following is a description of each transaction since January 1, 2014 and each currently proposed transaction in which:

- we have been or are to be a participant;
- the amount involved exceeds or will exceed \$120,000; and
- any of our directors, executive officers or beneficial holders of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals (other than tenants or employees), had or will have a direct or indirect material interest.

**Indemnification Agreements**

We have entered into indemnification agreements with each of our current directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

**Related Party Transactions**

In connection with the acquisition of Logo'd Softwear, Inc., we entered into a lease agreement with a limited liability company that is owned by the seller of Logo'd Softwear, Inc. As the seller was our employee through May, 2013, the lease agreement is considered to be a related party transaction. The lease term is from April 1, 2012 through March 31, 2027 and management believes its terms to be consistent with local market terms and conditions. As of December 31, 2014, we are obligated to pay a total of \$1.3 million in future rent under the lease agreement. Since July 31, 2013, we have had the right to terminate the lease for any reason by giving the landlord 180 days advance written notice. In connection with the sale of the Groups business asset in March 2015, this lease was transferred to Logo Sportswear, Inc. and is no longer an obligation of the Company.

In November 2014, we sold our business assets for InvitationBox.com to Phoenix Online LLC, a related party.

**Procedures for Approval of Related Party Transactions**

Our Related Person Transactions Policy provides for approval by the audit committee of the Board of transactions with our company valued at or more than \$120,000 in which any director, officer, 5% or greater stockholder or certain related persons or entities has a direct or indirect material interest. In approving or rejecting any such proposal, the audit committee will consider all relevant facts and circumstances reasonably available to them.

**EXECUTIVE COMPENSATION**

**Compensation Decisions and the Role of the Compensation Committee**

The compensation committee of the Board is currently comprised of two independent, non-employee directors, Douglas M. Leone and Patrick J. Connolly. Our compensation committee is responsible for the executive compensation programs for our executive officers and reports to the Board on its discussions, decisions and other actions. Typically, our Chief Executive Officer and Chief Financial Officer make recommendations to our compensation committee, attend committee meetings and are involved in the determination of compensation for our executive officers, provided, however, that neither our Chief Executive Officer nor our Chief Financial Officer makes recommendations as to their own compensation. Our Chief Executive Officer and Chief Financial Officer make recommendations to our compensation committee regarding short- and long-term compensation for our executive officers based on our results, an individual executive officer's contribution toward these results and performance toward goal achievement. Our compensation committee then reviews the recommendations and other data and approves each executive officer's total compensation, as well as each individual compensation component. Our compensation committee's decisions are based on its assessment of the performance of our company and each individual executive officer, as well as other factors, such as prevailing industry trends.

In making decisions on salaries, bonuses and equity in 2014, management and our compensation committee retained the services of Radford Surveys + Consulting, or Radford, to provide the following services:

- assess and provide recommendations with respect to the list of peer companies against which we benchmark our executive compensation;
- brief our compensation committee on current compensation market trends; and
- assist our compensation committee in developing a competitive executive compensation program to reinforce our long-term strategic goals.

**Narrative to 2014 Summary Compensation Table**

The primary components of compensation for (1) our Chief Executive Officer, (2) Bob Marino, our former Chief Executive Officer, and (3) our two other most highly compensated executive officers in fiscal year 2014, whom we refer to in this Proxy Statement as the named executive officers, were base salary, cash incentive compensation, severance and equity-based compensation. In addition, the compensation for our former Chief Executive Officer included severance payment in accordance with the terms of his agreement. We do not have a policy on the division of compensation between the primary components.

*Base Salary*

With regard to base salary, each named executive officer entered into an at-will employment agreement or offer letter with us at the time of his or her hire that provides for his or her initial base salary, and the Board reviews the base salaries annually. All compensation terms in the offer letters other than standard employee benefits have since been superseded.

*Cash Incentive Compensation*

With regard to cash incentive compensation, each member of our senior management team was eligible to receive cash awards under our 2014 cash bonus plan upon achievement of certain financial goals. For 2014, the financial goals for our Chief Executive Officer and Chief Financial Officer were based 40% on consolidated revenue, 30% on EBITDA, 15% based on mobile business and 15% based on business to business (B2B) growth. Financial goals for our other named executive officers were based on a combination of the foregoing Company results and business unit-specific targets. More specifically, the named executive officers were eligible, for each full quarter during their employment, to receive a bonus in an amount equal to a percentage of their base salary if

## Table of Contents

a threshold level of the financial goals were satisfied (“% threshold”) up to specific percentages of their base salary if the financial goals were met (“% target”) or if the financial goals were exceeded, subject to a maximum (“% max”) as follows:

<u>Name</u>	<u>Threshold</u>	<u>Target</u>	<u>Max</u>
Fred E. Durham III, Chief Executive Officer	48%	60%	72%
Bob Marino, former Chief Executive Officer	48%	60%	72%
Garett Jackson, Chief Financial Officer	20%	40%	48%
Sumant Sridharan, President until January 1, 2015	22%	35%	42%

For the year ended December 31, 2014, our named executive officers did not receive cash bonus payments under the 2014 Cash Bonus Plan since none of the threshold targets were obtained.

Additionally, in February 2015, our Compensation Committee approved a 2015 Cash Bonus Plan, whereby our executive officers and certain other non-executive officers, may be eligible to receive a cash bonus. Payouts under this plan for named executive officers will be expressed as a percentage of their base salary in the event the Company achieves certain EBITDA goals. The 2015 Cash Bonus Plan is incorporated by reference as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2014.

### *Equity-Based Compensation*

With regard to equity-based compensation, our compensation committee meets periodically to discuss and review the level of equity-based compensation, and to decide whether additional option grants are necessary. For additional information regarding equity awards held by the named executive officers, please see the table entitled “2014 Outstanding Equity Awards at Fiscal Year-End.”

Finally, the named executive officers also have change in control and severance agreements as described below under “Employment Agreements and Change in Control Arrangements.”

- (1) Consists of options or RSUs. The value of the equity awards is based on the fair value of the award as of the grant date calculated in accordance with Accounting Standards Codification 718, Stock Compensation (ASC 718), excluding any estimate of future forfeitures. Our assumptions with respect to the calculation of these values are set forth in “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Critical accounting policies and estimates—Stock-Based Compensation Expense” included in our Annual Report on Form 10-K for fiscal year ended December 31, 2014. Regardless of the value on the grant date, the actual value that may be recognized by the executive officers will depend on the market value of our common stock on a date in the future when a stock option is exercised.

### Employment Agreements and Change in Control Arrangements

#### 2014

In 2014, each of our named executive officers entered into our Form of Amended and Restated Change of Control Agreement for Senior Management, or the 2014 CIC Agreement, which provides that if the executive officer's employment is terminated by us without cause or the executive officer is constructively terminated on or following a change in control and he signs and does not revoke a release of claims with us, then he is entitled to: a lump sum payment equal to 12 months of his annual base salary in effect on his termination date and:

- as to options granted prior to the later of March 21, 2014 or, if applicable, the executive's 2014 hire date, accelerated vesting as to the greater of (a) the number of shares that would accelerate as provided in any existing option agreement(s) or (b) 50% of the unvested shares as of the termination date; and
- as to options and stock units granted on or after the later of March 21, 2014 or, if applicable, the executive's 2014 hire date, accelerated vesting as to 50% of the unvested shares as of the termination date.

For purposes of the 2014 CIC Agreement, the following definitions apply:

- The term "cause" is defined as (a) conviction of any felony or any misdemeanor where imprisonment is imposed, (b) the commission of any act of fraud, embezzlement or dishonesty with respect to the Company, (c) any unauthorized use or disclosure of confidential information or trade secrets, (d) willful misconduct or gross negligence in the commission of duties or (e) repeated, unexcused absences.
- The term "change in control" is defined as (a) a merger, consolidation or other corporate reorganization of CafePress if the persons who were not stockholders prior to the reorganization own 50% or more of the voting power of the company or a parent corporation after the reorganization, (b) a liquidation or sale of all or substantially all of CafePress' assets and (c) the acquisition by any individual or entity of enough CafePress shares to deem such individual or entity a beneficial owner of 50% or more of the voting power CafePress. The term "change in control", however, does not include a change in the state of CafePress' incorporation, the formation of a holding company that is owned in substantially the same proportions by the persons who held CafePress' shares immediately before the transaction or an initial or secondary public offering of our stock or debt.
- The term "constructive termination" is defined as voluntary resignation within 60 days of a (a) material change in position which materially reduces duties, but not a mere change in title or reporting responsibilities, (b) material reduction in base salary except where such change applies to all similarly situated officers or employees across the successor corporation or (c) change in place of employment more than 50 miles from the individual's current place of employment, provided that in each case the change was effected without the written concurrence of the officer and the change is not remedied within 30 days after written notice from the officer. The term "constructive termination" does not include a mere change in title, change in the person to whom the officer reports or the occurrence of a mere change in control or change in corporate status.

Additionally under the terms of the 2014 CIC Agreement, in the event of a change in control of CafePress where the acquirer does not assume or otherwise cash out the unvested options and stock units held by such executive, 50% of the unvested shares covered by such awards will accelerate immediately prior to the closing of the change in control. The Form of Amended and Restated Change in Control Agreement for Senior Management is attached as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2013.

**REPORT OF THE AUDIT COMMITTEE**

*The following report of the audit committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing by CafePress under the Securities Act of 1933 or the Securities Exchange Act of 1934.*

The audit committee provides assistance to the Board in fulfilling its legal and fiduciary obligations in matters involving CafePress' accounting, auditing, financial reporting, internal control and legal compliance functions by approving the services performed by CafePress' independent accountants and reviewing their reports regarding CafePress' accounting practices and systems of internal accounting controls as set forth in a written charter adopted by the Board. CafePress' management is responsible for preparing CafePress' financial statements and the independent registered public accountants are responsible for auditing those financial statements. The audit committee is responsible for overseeing the conduct of these activities by CafePress' management and the independent registered public accountants.

In this context, the audit committee has met and held discussions with management and the independent registered public accountants. Management represented to the audit committee that CafePress' consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accountants.

The audit committee has discussed with the independent registered public accountants, matters required to be discussed by the statement on Auditing Standards No. 16 (Communications with Audit Committees). In addition, the independent registered public accountants provided to the audit committee the written disclosures required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committees Concerning Independence) and the audit committee and the independent registered public accountants have discussed such accountants' independence from CafePress and its management, including the matters in those written disclosures. Additionally, the audit committee considered whether the provision of non-audit services was compatible with maintaining such accountants' independence. The audit committee has discussed with management the procedures for selection of consultants and the related competitive bidding practices and fully considered whether those services provided by the independent registered public accountants are compatible with maintaining such accountant independence.

The audit committee has discussed with CafePress' internal and independent registered public accountants, with and without management present, their evaluations of CafePress' internal accounting controls and the overall quality of CafePress' financial reporting.

In reliance on the reviews and discussions with management and the independent registered public accountants referred to above, the audit committee recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in CafePress' Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the SEC.

*Respectfully submitted on April 13, 2015, by the members of the audit committee of the Board:*

Mr. Brad W. Buss, Chairman  
Ms. Diane M. Irvine  
Mr. Michael Dearing

### STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding CafePress stock but who share the same address, we have adopted a procedure approved by the SEC called “householding.” Under this procedure, certain stockholders of record who have the same address and last name will receive only one copy of our proxy materials until such time as one or more of these stockholders notifies us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you receive a single set of proxy materials as a result of householding, and you would like to have separate copies of our annual report or proxy statement mailed to you, please submit a request to 6901 A Riverport Drive, Louisville, Kentucky 40258, Attention: Investor Relations, or call 650-655-3000, and we will promptly send you what you have requested.
