

Corporate Governance report 2017

London, United Kingdom

Since Cavotec is a Swiss Company listed on the NASDAQ OMX in Stockholm, the corporate governance of Cavotec is based on Swiss and Swedish rules and regulations, such as the Swiss Code of Obligations (the "CO") and the Swedish Code of Corporate Governance (Sw. Svensk kod för bolagsstyrning) (the "Code").

The Swedish code of corporate governance

The Code applies to all Swedish companies with shares listed on a regulated market in Sweden, and shall be fully applied at the first annual shareholders' meeting held during the year following market listing. The Company, although being a Swiss company, has decided to apply the Code, but need not follow all rules in the Code, but has options for selecting alternative solutions which it may deem to better suit its circumstances, provided that any non-compliances and the alternative solution are described and the reasons explained in the corporate governance report.

The Company has applied the Code from the time the shares have been listed on NASDAQ OMX Stockholm in October 2011. However, since it is a Swiss company subject to Swiss rules and regulations there are some deviations from the Code. Deviations that the Company is aware of have, as far as possible, been explained in the Company's corporate governance report.

Cavotec Corporate Governance structure

Shareholders' meetings

General

Shareholders' rights to resolve on company matters are exercised at shareholders' meetings. An ordinary shareholders' meeting is to be held yearly within six months following the close of the business year. It is called by the Board of Directors or, if necessary, by the auditors. Extraordinary shareholders' meetings may be called by the Board of Directors, the liquidators or the auditors as often as necessary to safeguard the interests of the Company. Shareholders' meetings are held at the domicile of the Company or at such other place as the Board of Directors shall determine. Since the Company is listed in Stockholm, the Board of Directors has the ambition to, as far as possible and as long as in compliance with Swiss rules and regulations and if no public deed issued by a Swiss notary is needed, to hold shareholders' meetings in Sweden. The shareholders' meetings, deviating from the Code, will be held in English and information and material will be available in English only. This is in accordance with an exemption granted by the Swedish Financial Supervisory Authority. The minutes from shareholders' meetings will be published on the Company's website.

Right to attend shareholders' meetings

All shareholders who are registered directly in Euroclear Sweden's and SIX Switzerland's share registers on March 20, 2017 and who notify the Company of their intention to attend the shareholders' meeting at the latest by the date specified in the convening letter, shall be entitled to attend the shareholders' meeting and vote according to the number of shares they hold. Shareholders may attend shareholders' meetings in person or through a proxy. Shareholders may usually register for shareholders' meetings in several different ways, which are described in the Notice of Meeting.

Notice of shareholders' meetings and shareholder initiatives

Notice of a shareholders' meeting is given by means of a publication in the Swiss Commercial Gazette or by letter to the shareholders of record as well as through a press release. Between the day of the publication or the mailing of the notice and the day of the meeting there must be a time period of not less than 20 calendar days. The notice of the shareholders' meeting must indicate the agenda and the motions. The notice will also be published on the Company's website.

Stating the purpose of the meeting and the agenda to be submitted, one or more shareholders representing at least ten per cent of the share capital may request the Board of Directors, in writing to call an extraordinary shareholders' meeting. In such case, the Board of Directors must call a shareholders' meeting within two weeks.

Nomination Process

The process for the nomination of Board members for Cavotec was revised in 2011 following the move from the NZX in New Zealand to NASDAQ OMX in Sweden. The objective has been to apply the Code, while still respecting Swiss laws and regulations applicable to a Swiss company. The ultimate goal has been to adopt a Nomination Process that is open and transparent to all shareholders and stakeholders.

The Nomination Committee was appointed on April 22, 2016 in accordance to the Articles of Association of the company. Please note, that while the Nomination Committee in a Swiss company is appointed by the Board of Directors, the composition of the Cavotec Nomination Committee will follow the recommendations of the Swedish Corporate Governance Code.

From April 23, 2016 the Nomination Committee members are Henrik Blomquist (representative for Bure Equity), Fabio Cannavale (representative for Nomina SA), Peter Brandel (representative for Management & Founder Shareholders) and Per Colleen (representative for 4AP-fonden). As Chairman of Cavotec SA, Stefan Widegren will be invited to Nomination Committee meetings.

In October 2016 the Committee began preparing a proposal for the Board of Directors to be submitted to the Ordinary General Meeting. An evaluation of the work performed by the Board was completed in February 2017, a new evaluation is scheduled for 2018.

On October 28, 2016 the Nomination Committee had a meeting to discuss various proposals with major shareholders, (representing more than 40 per cent of the votes), and among other topics also discussed the proposals for the future composition of the Board of Directors. The Nomination Committee proposes that the Board of Directors shall comprise of nine members.

After having received the support and approval by the Board on February 22, 2017 for its final proposal the Nomination Committee defined its final proposal as follows:

According to Art.13 of the current Articles of Association, as well as according to Art.3 of the Federal Ordinance on Excessive Compensation, the directors are elected each year to hold office until the following annual shareholders' meeting. Directors may be re-elected.

It is proposed that the Ordinary General Meeting in Lugano is to be chaired by Stefan Widegren.

Fabio Cannavale, Erik Lautmann, Heléne Mellquist, Ottonel Popesco, Helena Thrap-Olsen, Patrik Tigerschiöld and Stefan Widegren will stand for re-election. Leena Essén and Nicola Gerber will not stand for re-election.

The Nomination Committee proposes that Fabio Cannavale, Erik Lautmann, Heléne Mellquist, Ottonel Popesco, Helena Thrap-Olsen, Patrik Tigerschiöld and Stefan Widegren to be re-elected as Directors for a further one-year term of office expiring at the Ordinary General Meeting to be held in 2018.

The Nomination Committee furthermore proposes to elect Stefan Widegren as Chairman of the Board of Directors.

With respect to the requirements in the Code that a majority of the directors elected by the shareholders' meeting are to be independent of the company and its executive management and that at least two of this majority also are to be independent in relation to the company's major shareholders, the Nomination Committee has carried out the following assessment:

Fabio Cannavale, Helena Thrap-Olsen, Heléne Mellquist, Erik Lautmann and Patrik Tigerschiöld are all independent of the company and its executive management.

Helena Thrap-Olsen, Heléne Mellquist and Erik Lautmann are all also independent in relation to the company's major shareholders.

The Nomination Committee therefore concludes that all requirements of director independence as set out in the Code are met.

Shareholders representing more than 40 per cent of the votes support the above mentioned proposals made by the Nomination Committee.

Finally, and in accordance to Art. 7 of the Federal Ordinance on Excessive Compensation and with the Internal Regulations, the Nomination Committee proposes to elect the following Board members to be part of the Remuneration Committee for the year 2017/2018:

Erik Lautmann, Helena Thrap-Olsen and Patrik Tigerschiöld.

With respect to the requirements in the Code that all members of the Remuneration Committee, apart from the chairman of the Remuneration Committee, are to be independent of the company and its executive management, the Nomination Committee has come to the conclusion that all candidates proposed by the Board of Directors are independent of the company and its executive management.

External auditor

At the Ordinary General Meeting 2017 the Nomination Committee will also propose to appoint PricewaterhouseCoopers SA, Lugano, as the independent auditor of the company until the Ordinary General Meeting 2018. Daniel Ketterer is the auditor in charge. He took over this function for the 2011 business year.

As a matter of policy, the Audit Committee meets with the PwC engagement partner without the presence of Management at least once every year. Further, the Committee reviews the annual audit plan, as prepared by the external auditors, including the adequacy of the scopes of the audits proposed for the principal locations and the proposed audit fees. Group Key Management

The composition of the Group Key Management is set out in the section "Senior Management Team" (SMT).

Cavotec's operational structure is reasonably flat in order to ensure that the Group's operations and decision-making processes are efficient and responsive. Strategic, Group-related operations are the responsibility of the CEO with the support of the CFO & IR, COOs and the SMT. All material decisions within the day-to-day operations of the Company are taken by the CEO.

Due to the inherent international character of the Group, the Managing Directors of local Cavotec companies – who are close to their customers, suppliers and staff in their respective time zones, cultural environment and geographical area – take day-to-day operational decisions. Managing Directors report to their respective COOs, who in turn report to the CEO. The Chairman, the CEO and CFO & IR all work out of Cavotec's corporate office in Switzerland. Cavotec has also located to the corporate office its functions for Corporate Communications, ERP & Logistics, Finance, Human Resources, Investor Relations, Sales & Marketing and other special advisory roles.

Senior Management Committee – SMT

The SMT is selected by the CEO and consists of seven members, combining Cavotec's senior operational and corporate functions.

The SMT fulfills the Group Management role – empowered by the CEO – and ensures efficient implementation of strategic decisions into Cavotec's global organisation and leads local management on key operational issues. The SMT defines and implements operational strategy, policies, technical and commercial developments, as well as new acquisitions in line with targets set by the Cavotec's Board of Directors.

In 2016, the CEO has decided to receive his matching incentive for the plan 2013 in the form of shares i.e. 4,272 shares (when the shares were received the value of the share was SEK 23.31 and the exchange rate was SEK 1= EUR 0.1076).

Remuneration levels for Senior Executives

To ensure strong cohesion across the Group, some 15 years ago Cavotec introduced a system under which bonuses (STIP) for SMT members, Managing Directors and other Senior Executives are determined by overall, consolidated Group results. This “one bottom line” policy works well and has been instrumental to the Group becoming a genuinely global player.

Incentive plan for Senior Executives

Cavotec’s Board of Directors has reviewed current remuneration practices in order to retain and attract talented Senior Executives as well as aligning Senior Executives’ and shareholders’ interests. As a result of the review, the Board of Directors recommended a share based long-term incentive plan with performance requirements, which was introduced in 2012 (LTIP 2012). The LTIP 2012 was approved by Cavotec’s Ordinary General Meeting (OGM) in May 2012 and was subscribed to for over 90% by the selected management. This plan was successfully closed in 2015. Identical plans (LTIP 2013, 2014, 2015 and 2016) have been approved by the OGM in their respective years. The LTIP 2017 has been approved by the Board in February 2017. It will not be presented to the OGM 2017, since it will not require any new emission of shares.

Internal Control System (ICS)

The Company has not established a separate department for internal control. This task is performed by Audit Committee of the Board of Directors and the Board of Directors. Moreover, at Group level each Managing Director of a legal entity together with the legal and/or operational entity’s finance department and the Director of Internal audit – reporting to the Chairman – is responsible for ensuring that the necessary controls are performed along with adequate monitoring.

Internal controls comprise the control of the Company’s and Group’s organisation, procedures and remedial measures. The objective is to ensure reliable and correct financial reporting, and to ensure that the Company’s and Group’s financial reports are prepared in accordance with law and applicable accounting standards and that other requirements are complied with. The internal control system is also intended to monitor compliance with the Company’s and Group’s policies, principles and instructions. In addition, the control system monitors security for the Company assets and monitors that the Company’s resources are exploited in a cost-effective and adequate manner. Internal control also involves following up on the implemented information and business system, and risk analysis.
