Intermolecular To Report Second Quarter Fiscal 2016 Financial Results on August 4, 2016

SAN JOSE, Calif., July 14, 2016 /PRNewswire/ -- Intermolecular, Inc. (NASDAQ: IMI) today announced it will release its financial results for the second quarter of 2016 on Thursday, August 4, 2016 after the close of the market. In conjunction with the release, Intermolecular will host a conference call and simultaneous audio-only webcast at 2:00 p.m. Pacific Time with Bruce McWilliams, president and chief executive officer, and Rick Neely, senior vice president and chief financial officer.

To participate via telephone, the toll free dial-in number is (877) 251-1860; international callers should dial (224) 357-2386. Please dial in 10 minutes prior to the scheduled conference call time. A live and archived audio only webcast will be available on Intermolecular's website at <http://ir.intermolecular.com> for up to 30 days after the call.

About Intermolecular, Inc.

Intermolecular® is the trusted partner for advanced materials innovation. Advanced materials are at the core of innovation in the 21st century for a wide range of industries including semiconductors, consumer electronics, automotive and aerospace. With its substantial materials expertise; accelerated learning and experimentation platform; and information and analytics infrastructure, Intermolecular has a ten-year track record helping leading companies accelerate and de-risk materials innovation.
