## Points Named As One of Canada's Top Small & Medium Employers For a Third Consecutive Year

*Canada's Top 100 Employers again recognizes Toronto-based Points  
for its rich culture and collaborative work environment*

TORONTO, April 13, 2018 – [Points](#) (TSX:PTS) (Nasdaq:PCOM), the global leader in powering loyalty commerce, today announced that it has again been recognized as one of Canada's Top Small and Medium Employers by Canada's Top 100 Employers at Mediacorp Canada Inc. This marks the third consecutive year that Points has received the honour and follows its recent recognition as one of the best Workplaces for Women in Canada in 2018.

Now in its 5th year, Canada's Top Small & Medium Employers is an editorial competition that recognizes the small and medium enterprises (SMEs) with the nation's best workplaces and forward-thinking human resources policies. Employers are compared to other organizations in their industry to determine which offer the most progressive and forward-thinking programs. The annual competition is open to any employer with its head office or principal place of business in Canada. Employers must have less than 500 employees worldwide, including employees at affiliates, and be a commercial, for-profit enterprise.

"We are immensely proud of this national recognition, along with many other great SMEs in Canada who value a culture of excellence," said Inez Murdoch, Chief People Officer at Points. "Each and everyday we do all that we can to foster an exceptional work culture that attracts a talented and productive group of people. We're proud of our culture, our exceptional employees and collaborative team dynamic across the business."

Since its inception in 2000, Points has grown from a technology start-up to a global industry leader developing best-in-class loyalty technology and partnering with over 50 of the world's largest loyalty brands. Points actively seeks to promote an innovative and engaging work atmosphere, giving employees the freedom to think big with the resources to make things happen.

"For most working Canadians, it really is like finding the Holy Grail," says Richard Yerema, Managing Editor of the Canada's Top 100 Employers project at Mediacorp Canada Inc. "These employers offer fun, interesting, engaged workplaces where you can still get benefits like good maternity top-up or a decent retirement savings plan. It's an attractive combination for employees looking to get the best of both worlds."
