Omega Protein to Present at the 12th Annual BMO Farm to Market Conference

HOUSTON, May 9, 2017 /PRNewswire/ -- Omega Protein Corporation (NYSE:OME), a nutritional product company and a leading integrated provider of specialty oils and specialty protein products, announced today Bret Scholtes, President and Chief Executive Officer, and Andrew Johannesen, Executive Vice President and Chief Financial Officer, will present at the BMO Capital Markets 12th Annual Farm to Market Conference on Thursday, May 18, 2017 at 4:10 p.m. Eastern time in New York, NY.

The audio portion of the presentation will be webcast live, and a replay will be available until Thursday, June 1, 2017 on the investor relations section of Omega Protein's website at <http://ir.omegaprotein.com>.

About Omega Protein Corporation

Omega Protein Corporation (NYSE: OME) is a century old nutritional product company that develops, produces and delivers healthy products throughout the world to improve the nutritional integrity of foods, dietary supplements and animal feeds. Omega Protein's mission is to help people lead healthier lives with better nutrition through sustainably sourced ingredients such as highly-refined specialty oils, specialty protein products and nutraceuticals.

The Company operates seven manufacturing facilities located in the United States, Canada and Europe. The Company also operates more than 30 vessels to harvest menhaden, a fish abundantly found in the Atlantic Ocean and Gulf of Mexico.
