### **EnCana Corporation**

EnCana is one of the world's leading independent oil and gas companies with an enterprise value of approximately C\$30 billion. EnCana is North America's largest independent natural gas producer and gas storage operator. Ninety percent of the company's assets are in four key North American growth platforms. EnCana is the largest producer and landholder in Western Canada and is a key player in Canada's emerging offshore East Coast basins. Through its U.S. subsidiaries, EnCana is one of the largest gas explorers and producers in the Rocky Mountain states and has a strong position in the deepwater Gulf of Mexico. The company has two key high potential international growth platforms: through its international subsidiaries, EnCana is the largest private sector oil producer in Ecuador and is the operator of a large oil discovery in the U.K. central North Sea. The company also conducts high upside potential New Ventures exploration in other parts of the world. EnCana is driven to be the industry's high performance benchmark in production cost, per-share growth and value creation for shareholders. EnCana common shares trade on the Toronto and New York stock exchanges under the symbol ECA.
