About Ubiquiti Networks

Ubiquiti Networks is a next-generation communications technology company that designs and manufactures proprietary technologies. Since 2005, Ubiquiti's products and solutions have bridged the digital divide between emerging and developed markets by fundamentally changing the economics of deploying high performance networking solutions in underserved and underpenetrated markets globally. Our technology platforms AirMax, UniFi and AirVision, focus on delivering industry-leading performance, compelling price-performing characteristics and an unparalleled user experience. Ubiquiti has reduced high product and network deployment costs and other business model inefficiencies to enable rapid market adoption of their products and solutions in emerging markets.
