ManTech Wins \$200 Million DARPA STO Multi-Year IDIQ Award

ManTech to Support DARPA STO Scientific, Engineering and Technical Assistance Program

HERNDON, Va., Aug. 01, 2017 (GLOBE NEWSWIRE) -- The Defense Advanced Research Projects Agency (DARPA) Strategic Technologies Office (STO) has awarded ManTech International Corporation (Nasdaq:MANT) a multi-year award IDIQ contract with a total ceiling value of \$200 million to provide support for DARPA's Scientific, Engineering, and Technical Assistance program.

"DARPA STO is central to the nation's C4ISR capabilities, which strengthen America's fighting edge," said Daniel Keefe, president and chief operating officer of ManTech's Mission Solutions & Services Group. "ManTech will continue its support of DARPA with some of the best scientists, engineers, operational analysts, and financial experts in the country."

ManTech will provide comprehensive management of tasks of DARPA's cornerstone program for developing technologies used by the U.S. military.

About ManTech International Corporation

ManTech provides innovative technologies and solutions for mission-critical national security programs for the intelligence community; the departments of Defense, State, Homeland Security, Health and Human Services, Veteran Affairs and Justice, including the Federal Bureau of Investigation (FBI); the health and space community; and other U.S. government customers. ManTech's expertise includes cybersecurity; software and systems development; enterprise information technology; multi-discipline intelligence; command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR); program protection and mission assurance; systems engineering; supply chain management and logistics; test and evaluation (T&E); training; and management consulting. Additional information on ManTech can be found at www.mantech.com.

Statements in this press release that do not directly and exclusively relate to historical facts constitute "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks, uncertainties and other factors, many of which are outside of our control, and could cause actual results to differ materially from those we anticipate.
