ManTech MCIS Chief Growth Officer Yvonne Vervaeet Selected to Address WashingtonExec Women CEO Roundtable

HERNDON, Va., April 05, 2017 (GLOBE NEWSWIRE) -- Yvonne Vervaeet, Chief Growth Officer (CGO) of ManTech's (Nasdaq:MANT) Mission, Cyber & Intelligence Solutions Group (MCIS), will address the WashingtonExec Women CEO MasterMind roundtable on April 5. The Women CEO MasterMind group consists of 16 CEOs in the government sector who meet quarterly to discuss trends and opportunities to grow their business. Investment bankers, former CEOs, and other thought leaders have addressed the group in the past.

As CGO of MCIS, Vervaeet is responsible for driving and growing a full spectrum of technology and cyber security solutions across defense, intelligence, and federal civilian agencies. She will provide key practices to consider when hiring proposal and sales personnel. "Yvonne has a good deal of experience leading teams to success, and I'm sure her insight will be invaluable," said J.D. Kathuria, founder and CEO of WashingtonExec.

The Women CEO MasterMind roundtable will be held at the WashingtonExec headquarters in Vienna, VA, is an invite-only event.

About ManTech International Corporation

ManTech is a leading provider of innovative technologies and solutions for mission-critical national security programs for the intelligence community; the Departments of Defense, State, Homeland Security, Energy, and Justice, including the Federal Bureau of Investigation (FBI); the health and space communities; and other U.S. federal government customers. We provide support to critical national security programs for approximately 50 federal agencies through approximately 1,000 current contracts. ManTech's expertise includes command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR) solutions and services; cyber security; global logistics support; information technology (IT) modernization and sustainment; intelligence/counter-intelligence solutions and support; systems engineering; test and evaluation; environmental, range and sustainability services; and healthcare analytics and IT. ManTech supports major national missions, such as military readiness and wellness, terrorist threat detection, information security and border protection. Additional information on ManTech can be found at www.mantech.com.
