## ManTech Wins Multi-Million Dollar Contract to Provide Integrated Management and Business Support Services to the U.S. Air Force

HERNDON, Va., July 27, 2017 (GLOBE NEWSWIRE) -- The U.S. Air Force has awarded ManTech International Corporation (Nasdaq:MANT) a multi-million dollar contract to provide Integrated Management and Business Support Services (IMBSS). The 10-year contract represents new business for ManTech, and was won from a large, longstanding incumbent. Business support and network IT services will be provided as part of this contract.

"ManTech has been a trusted partner of the United States Air Force security community for more than 30 years," said L. William Varner, president of ManTech's Mission, Cyber & Intelligence Solutions Group. "ManTech's proven ability to provide professional security management, operations and risk management services led the Air Force to expand our relationship to provide business support services to the security community."

### About ManTech International Corporation

ManTech provides innovative technologies and solutions for mission-critical national security programs for the intelligence community; the departments of Defense, State, Homeland Security, Health and Human Services, Veteran Affairs and Justice, including the Federal Bureau of Investigation (FBI); the health and space community; and other U.S. government customers. ManTech's expertise includes cybersecurity; software and systems development; enterprise information technology; multi-discipline intelligence; command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR); program protection and mission assurance; systems engineering; supply chain management and logistics; test and evaluation (T&E); training; and management consulting. Additional information on ManTech can be found at [www.mantech.com](http://www.mantech.com).
