## ManTech Earns CMMI® Maturity Level 4 for Development

HERNDON, Va., March 14, 2018 (GLOBE NEWSWIRE) -- ManTech (Nasdaq:MANT) today announced that it has been appraised at Level 4 for Development of the CMMI Institute's Capability Maturity Model Integration (CMMI). The appraisal was performed by Cyber Solutions, Inc.

 Bonnie Cook, Executive Vice  
President, Operations, ManTech

"Reaching CMMI Maturity Level 4 is a major accomplishment that sets us apart from our competition."

The CMMI credential is required by the majority of U.S. defense and other government agencies to ensure the highest standards for IT and software development. CMMI Maturity Level 4 for Development is focused on quantitative project management involving advanced statistical analysis and prediction of key project performance goals.

"Reaching CMMI Maturity Level 4 is a major accomplishment that sets us apart from our competition," said Bonnie Cook, Executive Vice President, Operations for ManTech's Mission Solutions & Services (MSS) Group. "This was very much a team effort that spanned over twelve months of learning, collecting and analyzing data, training, and auditing."

The Marine Corps Intelligence, Surveillance and Reconnaissance Enterprise (MCISRE) Accelerator and Defense Medical information Exchange (DMIX) Data Exchange Services (DES) projects participated in the appraisal.
