## **NewLink Genetics to Participate in Upcoming Investor Conferences**

AMES, Iowa, Aug. 29, 2017 (GLOBE NEWSWIRE) -- [NewLink Genetics Corporation](#) (NASDAQ:NLNK) today announced that it will participate in the following investor conferences in September:

- | Baird Global Healthcare Conference on September 7 at 1:25pm ET in New York City
- | Cantor Fitzgerald Global Healthcare Conference on September 25 at 4:10pm ET in New York City

A live webcast of both conference presentations will be on the Company's website at [www.newlinkgenetics.com](http://www.newlinkgenetics.com) in the "Investors & Media" section under "Events and Presentations."

### **About NewLink Genetics Corporation**

NewLink Genetics is a late-stage biopharmaceutical company focusing on discovering, developing and commercializing novel immuno-oncology product candidates to improve the lives of patients with cancer. NewLink Genetics' IDO pathway inhibitors are designed to harness multiple components of the immune system to combat cancer. Indoximod is being evaluated in combination with treatment regimens including PD-1 checkpoint blockade, cancer vaccines, and chemotherapy across multiple indications such as melanoma, prostate cancer, acute myeloid leukemia, and pancreatic cancer.
