Renewable Energy Group to Participate in the 5th Annual ROTH Industrial Growth and Cleantech 1x1 Event

AMES, Iowa, Nov. 29, 2017 (GLOBE NEWSWIRE) -- Renewable Energy Group, Inc. (NASDAQ:REGI) today announced that management will participate in the 5th Annual ROTH Industrial Growth and Cleantech 1x1 Event on December 12, 2017 at the Lotte New York Palace Hotel.

The Company will host investor meetings throughout the day. Attendance at the conference is by invitation only for clients of ROTH Capital Markets. Interested investors should contact your ROTH sales representative to secure a meeting time.

About Renewable Energy Group

Renewable Energy Group, Inc. (NASDAQ:REGI) is a leading provider of cleaner, lower carbon intensity products and services. We are an international producer of biomass-based diesel, a developer of renewable chemicals and are North America's largest producer of advanced biofuel. REG utilizes an integrated procurement, distribution, and logistics network to convert natural fats, oils, greases, and sugars into lower carbon intensity products. With 14 active biorefineries, a feedstock processing facility, research and development capabilities and a diverse and growing intellectual property portfolio, REG is committed to being a long-term leader in bio-based fuel and chemicals.
