Proofpoint Wins Best Fraud Prevention with Email Fraud Defense and Best SME Solution for Proofpoint Essentials at SC Awards Europe 2017

Cybersecurity leader recognised for email fraud prevention and its SME solution, Proofpoint Essentials

LONDON, June 12, 2017 (GLOBE NEWSWIRE) -- [Proofpoint, Inc.](#) (NASDAQ:PFPT), a leading next-generation security and compliance company, today announced the 2017 SC Media Awards Europe recently recognised two of its solutions for Best Fraud Prevention and Best SME solution. The announcement was made Tuesday, 6th June at the awards presentation held at Old Billingsgate, London .

Proofpoint's award-winning technologies included [Proofpoint Email Fraud Defense](#), which protects organisations from advanced email threats including business email compromise (BEC) and targeted phishing. [Proofpoint Essentials](#) was also recognised for providing SMEs with a cloud-based enterprise security solution, which includes enhanced security with spam and phishing detection and policy, enforced encryption and data loss prevention.

"Fraud continues to be a problem for nearly all organisations. The security risks and challenges facing private and public sector companies these days are constant and complex. Proofpoint rises above its competitors, fending off the many potentially devastating attacks," said Tony Morbin, Editor in Chief, SC Magazine UK.

"As a winner in the Best SME Security Solution and Best Fraud Prevention categories, Proofpoint stands out for its innovative approach to protecting businesses against the ever-changing threat landscape. This is a significant achievement and one that shows Proofpoint's dedication to improving the IT security industry as a whole," he added.

The SC Awards Europe are well known as one of the most prestigious awards for information technology (IT) security professionals and products. The awards recognise the best solutions, services and professionals that work around the clock to defend against the constantly shifting threat landscape in today's marketplace.

"Organisations worldwide rely on Proofpoint to safeguard how they work across email, mobile and social media channels," said Ryan Kalember, senior vice president of Cybersecurity Strategy for Proofpoint. "Being recognised at the recent SC Awards is a welcomed acknowledgement of our commitment to innovation when it comes to advanced cybersecurity protection for businesses of all sizes."
