

ICA Awarded La Unidad Bridge Construction Project in the State of Campeche.

April 10, 2017, Mexico City – Empresas ICA, S.A.B. de C.V. (BMV: ICA), announced today that on April 7, 2017 the consortium formed by ICA Constructora de Infraestructura, S.A. de C.V. (ICA's subsidiary), Calzada Construcciones, S.A. de C.V. and Construcciones y Dragados del Sureste, S.A. de C.V. was awarded a Ps. \$1'119,655,874.04 plus VAT contract by the Secretaría de Desarrollo Urbano, Obras Públicas e Infraestructura of the state of Campeche (SEDUOPI) for the construction of the vehicular bridge "La Unidad" which will connect Carmen Island to Aguada Island through federal road 180 in the state of Campeche, Mexico.

This press release contains projections or other forward-looking statements related to ICA that reflect ICA's current expectations or beliefs concerning future events. Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. These factors include cancellations of significant construction projects included in backlog, material changes in the performance or terms of our concessions, additional costs incurred in projects under construction, failure to comply with covenants contained in our debt agreements, developments in legal proceedings, unanticipated increases in financing and other costs or the inability to obtain additional debt or equity financing on attractive terms, changes to our liquidity, economic and political conditions and government policies in Mexico or elsewhere, changes in capital markets in general that may affect policies or attitudes towards lending to Mexico or Mexican companies, changes in inflation rates, exchange rates, regulatory developments, customer demand, competition and tax and other laws affecting ICA's businesses and other factors set forth in ICA's most recent filing on Form 20-F and in any filing or submission ICA has made with the SEC subsequent to its most recent filing on Form 20-F. All forward-looking statements are based on information available to ICA on the date hereof, and ICA assumes no obligation to update such statements.

Empresas ICA, S.A.B. de C.V., carries out large-scale civil and industrial construction projects and operates a portfolio of long-term assets, including airports, toll roads, water systems, and real estate. Founded in 1947, ICA is listed on the Mexican and New York Stock exchanges. For more information, visit ir.ica.mx.
