## ICA to delay reporting its Unaudited Second Quarter 2016 Earnings Report

July 27, 2016, Mexico City – Empresas ICA, S.AB. de C.V. (BMV and NYSE: ICA), announced today that it will delay reporting its unaudited second quarter 2016 results.

The Company will publish its unaudited second quarter 2016 earnings report by the end of August 2016, in accordance with Article 45 of the General Provisions Applicable to Issuers of Securities and Other Securities Market Participants. The Company has decided to extend the publication date of its financial reports because it is primarily focused on the operational and financial restructure process and has been required to devote a substantial portion of its personnel and administrative resources, including the personnel of its accounting and financial reporting organization, to matters relating to its restructure.

In this regard, the company will focus on publishing its unaudited second quarter 2016 earnings report no later than August 25, 2016.

*This press release contains projections or other forward-looking statements related to ICA that reflect ICA's current expectations or beliefs concerning future events. Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. These factors include cancellations of significant construction projects included in backlog, material changes in the performance or terms of our concessions, additional costs incurred in projects under construction, failure to comply with covenants contained in our debt agreements, developments in legal proceedings, unanticipated increases in financing and other costs or the inability to obtain additional debt or equity financing on attractive terms, changes to our liquidity, economic and political conditions and government policies in Mexico or elsewhere, changes in capital markets in general that may affect policies or attitudes towards lending to Mexico or Mexican companies, changes in inflation rates, exchange rates, regulatory developments, customer demand, competition and tax and other laws affecting ICA's businesses and other factors set forth in ICA's most recent filing on Form 20-F and in any filing or submission ICA has made with the SEC subsequent to its most recent filing on Form 20-F. All forward-looking statements are based on information available to ICA on the date hereof, and ICA assumes no obligation to update such statements.*
