## American Water Goes Digital with New Investor Relations App

*Investors can download the free AWK mobile app at Apple's App store and Google Play*

VOORHEES, N.J.--(BUSINESS WIRE)-- American Water Works Company, Inc. (NYSE:AWK) has launched an investor relations app for iPhone, iPad and Android mobile devices. The app is available for free at Apple's App Store for the iPhone and iPad at <http://www.amwater.com/awkappforapple>, and also at Google Play for Android mobile devices at <http://www.amwater.com/awkappforandroid>.

"Recognizing the growing importance of mobile technology to all investors, American Water launched this application to help ensure that our shareholders have instant access to our corporate and stock information in a convenient, easy format that keeps pace with their schedules," said Susan Story, Senior Vice President and Chief Financial Officer.

Edward Vallejo, Vice President of Investor Relations, said, "We are proud to be the first water utility to offer investors a direct path through their mobile devices to the most pertinent information surrounding our IR activities, including our latest news releases, SEC filings, audio casts, and presentations."

American Water's investor relations app, which is powered by the IRapp™, allows users to navigate the company's investor relations materials as well as receive a stock quote and other important stock information. Features in the app include recent press releases and SEC filings as well as other company information, videos, webcasts and audio recordings of conference calls as well as investor presentations from the company. Sharing functionality via email, Twitter and Facebook is available as well as the ability for investors to be notified when new information is posted to the company's IR app.

More information and links to download the apps are available on the [Investor Relations](#) page of the company's website, [www.amwater.com](http://www.amwater.com).
