## **Amarin to Report Fourth Quarter and Full Year 2017 Results and Host Conference Call on February 27th, 2018**

BEDMINSTER, N.J. and DUBLIN, Ireland, Feb. 20, 2018 (GLOBE NEWSWIRE) -- Amarin Corporation plc (NASDAQ:AMRN), a biopharmaceutical company focused on the commercialization and development of therapeutics to improve cardiovascular health, today announced that it will host a conference call with members of Amarin senior management to discuss the company's fourth quarter and full year 2017 financial results and provide an operational update on Tuesday, Feb. 27 at 7:30 a.m. ET. The conference call will follow the anticipated release of the company's financial results earlier that day.

### **Event Details:**

The conference call can be heard live on the investor relations section of the company's website at [www.amarincorp.com](http://www.amarincorp.com), or via telephone by dialing 877-407-8033 within the United States or 201-689-8033 from outside the United States. A replay of the call will be made available for a period of two weeks following the conference call. To hear a replay of the call, dial 877-481-4010. A replay of the call will also be available through the company's website shortly after the call. For both dial-in numbers please use PIN: 25598.

### **To Ask Questions:**

During the teleconference, following prepared remarks, management will respond to questions from investors and analysts, subject to time limitations. Participants in the live teleconference will be provided an opportunity to ask questions. Investors may also e-mail their questions to [investor.relations@amarincorp.com](mailto:investor.relations@amarincorp.com). E-mail questions will be accepted until 4:00 p.m. ET on Monday, Feb. 26, 2018.

### **About Amarin**

Amarin Corporation plc is a biopharmaceutical company focused on the commercialization and development of therapeutics to improve cardiovascular health. Amarin's product development program leverages its extensive experience in lipid science and the potential therapeutic benefits of polyunsaturated fatty acids. Vascepa<sup>®</sup> (icosapent ethyl), Amarin's first FDA-approved product, is a highly-pure, omega-3 fatty acid product available by prescription. For more information about Vascepa visit [www.vascepa.com](http://www.vascepa.com). For more information about Amarin visit [www.amarincorp.com](http://www.amarincorp.com).

### **Availability of Other Information About Amarin**

Investors and others should note that Amarin communicates with its investors and the public using the company website (<http://www.amarincorp.com>), the investor relations website (<http://investor.amarincorp.com/>), including but not limited to investor presentations and investor FAQs, Securities and Exchange Commission filings, press releases, public conference calls and webcasts. The information that Amarin posts on these channels and websites could be deemed to be material information. As a result, Amarin encourages investors, the media, and others interested in Amarin to review the information that is posted on these channels, including the investor relations website, on a regular basis. This list of channels may be updated from time to time on Amarin's investor relations website and may include social media channels. The contents of Amarin's website or these channels, or any other website that may be accessed from its website or these channels, shall not be deemed incorporated by reference in any filing under the Securities Act of 1933.
