AMSC to Host Conference Call to Detail Strategic Relationship With BASF

Company to Host Conference Call at 10:00 am on March 10

DEVENS, Mass., March 08, 2016 (GLOBE NEWSWIRE) -- AMSC (NASDAQ:AMSC), a global solutions provider serving wind and power grid industry leaders, announced today that AMSC management plans to host an investor conference call beginning at 10:00 am Eastern Time on Thursday, March 10, 2016. On this call, AMSC management will discuss the business and financial impact of the strategic relationship with BASF that AMSC and BASF jointly announced earlier this morning.

Those who wish to listen to the live or archived conference call webcast should visit the "Investors" section of the company's website at <http://www.amsc.com/investors>. The live call can also be accessed by dialing 785-830-1926 and using conference ID 1314390.

About AMSC (NASDAQ: AMSC)

AMSC generates the ideas, technologies and solutions that meet the world's demand for smarter, cleaner ... better energy. Through its Windtec™ Solutions, AMSC provides wind turbine electronic controls and systems, designs and engineering services that reduce the cost of wind energy. Through its Gridtec™ Solutions, AMSC provides the engineering planning services and advanced grid systems that optimize network reliability, efficiency and performance. The company's solutions are now powering gigawatts of renewable energy globally and are enhancing the performance and reliability of power networks in more than a dozen countries. Founded in 1987, AMSC is headquartered near Boston, Massachusetts with operations in Asia, Australia, Europe and North America. For more information, please visit www.amsc.com.

AMSC, Windtec and Gridtec are trademarks or registered trademarks of American Superconductor Corporation. All other brand names, product names, trademarks or service marks belong to their respective holders.
