

News Release

Ashland increases prices on Arofene and Isogrip adhesives in the Americas

DUBLIN, OHIO, April 3, 2017 – Ashland is increasing prices \$0.12 per pound for Arofene™ products and \$0.16 per pound for Isogrip™ products in the Americas. The changes are effective April 15 or as contracts allow, and apply to all grades and packaging types.

The changes reflect evolving market conditions and increasing raw material costs. The increases will allow Ashland to continue to provide its customers with the premium level services they currently receive.

About Ashland

Ashland Global Holdings Inc. (NYSE: ASH) is a premier, global specialty chemicals company serving customers in a wide range of consumer and industrial markets, including adhesives, architectural coatings, automotive, construction, energy, food and beverage, personal care and pharmaceutical. At Ashland, we are more than 6,000 passionate, tenacious solvers – from renowned scientists and research chemists to talented engineers and plant operators – who thrive on developing practical, innovative and elegant solutions to complex problems for customers in more than 100 countries. Ashland also maintains a controlling interest in Valvoline Inc. (NYSE: VVV), a premium consumer-branded lubricant supplier. Visit ashland.com to learn more.
