

ASHLAND GLOBAL HOLDINGS INC.
ENVIRONMENTAL, HEALTH, SAFETY, and QUALITY COMMITTEE CHARTER

Effective January 25, 2018

I. Purpose

Ashland Global Holdings Inc. (“Company”) is committed to operating our businesses safely and responsibly and in compliance with all regulations. The Company is committed to protecting the health and safety of its employees and the public and sustaining the quality of the environment for future generations. Ashland is also committed to producing and providing safe and quality products for our customers. The primary responsibility for assuring the Company’s compliance with applicable environmental, health, safety and product safety laws and regulations is vested in the operating management of the Company. The Company’s Board of Directors (“Board”) believes that the Company must continuously earn the trust and confidence of its employees, customers, shareholders and neighboring communities and other stakeholders in its commitment to operating safely and responsibly. In order to monitor such compliance and performance, as well as EHS and Quality issues affecting the Company, the Board has established the Environmental, Health, Safety and Quality Committee (“Committee”). The Committee is appointed by the Board to review and oversee the Company’s EHS, Quality, and Compliance policies, programs and practices and any EHS, quality, or compliance issues that affect, or could affect, the Company’s employees, customers, shareholders, and neighboring communities.

II. Organization

A. Membership

The Committee is composed of three or more directors of which at least two-thirds of the members are independent directors, as determined by the Board. The Board elects the members of the Committee upon the recommendation of the Governance and Nominating Committee of the Board at the annual organization meeting of the Board for terms of one year, or until their successors are duly elected and qualified. Members shall serve at the pleasure of the Board. Unless a Chairman of the Committee is elected by the full Board, the members may designate a Chairman by majority vote of the full membership of the Committee.

B. Meetings

The Committee shall meet four times a year and at such other times as required, upon the call of the Chairman of the Committee or the Chairman of the Board. A majority of the members of the Committee shall constitute a quorum.

III. Responsibilities and Authorities

1. Oversee, review and receive updates on the Company's EHS, Quality, and compliance policies, programs, practices, and audits and any issues, as well as its competitors' activities, and industry best practices.

2. Oversee and review regulatory, environmental, and health and safety trends, issues and concerns which affect or could affect the Company's EHS practices, including the Company's overall environmental compliance, remediation and sustainability efforts related to operations, products and services.

3. Oversee and review product safety and quality trends, issues and concerns which affect or could affect the Company's product safety or quality practices, including the Company's overall efforts related to product safety and quality.

4. Oversee, review and receive updates on the Company's policies regarding EHS, and Quality compliance and business continuity risks.

5. Report to the Board regularly concerning implementation of policies and assist the Board in assuring compliance with and implementation of these policies to improve the Company's EHS and Quality practices, or to further the interests of the Company's employees, customers, shareholders, or neighboring communities.

The Committee shall have the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate.

The Committee shall have authority to obtain advice and assistance from legal, accounting or other outside advisors.

The Committee shall report its actions and recommendations to the Board after each Committee meeting and shall conduct and present to the Board an annual performance evaluation of the Committee. The Committee shall review at least annually the adequacy of this charter with the Governance and Nominating Committee of the Board and recommend any proposed changes to the Board for approval.
