

## **Ascent Solar to Present at the 31st Annual Raymond James Institutional Investor Conference**

THORNTON, Colo., Mar 04, 2010 (BUSINESS WIRE) -- Ascent Solar Technologies, Inc. (NASDAQ:[ASTI](#)), a developer of flexible thin-film photovoltaic modules, today announced the company will present to the investment community at the 31<sup>st</sup> Annual Raymond James Institutional Investor Conference on March 10, 2010 at 1:40 PM EDT. The event is being held at the JW Marriott Grande Lakes, Orlando, Florida.

Investors interested in additional information regarding Ascent Solar at this event should contact Brian Blackman at 720-872-5107 or [bblackman@ascentsolar.com](mailto:bblackman@ascentsolar.com).

About Ascent Solar Technologies:

Ascent Solar Technologies, Inc. is a developer of thin-film photovoltaic modules with substrate materials that can be more flexible and affordable than most traditional solar panels. Ascent Solar modules can be directly integrated into standard building materials, space applications, consumer electronics for portable power or configured as stand-alone modules for large scale terrestrial deployment. Ascent Solar is headquartered in Thornton, Colorado. For more information, go to [www.AscentSolar.com](http://www.AscentSolar.com).

### *Forward Looking Statements*

Statements in this press release that are not statements of historical or current fact constitute "forward-looking statements." Such forward-looking statements involve known and unknown risks, uncertainties and other unknown factors that could cause the Company's actual operating results to be materially different from any historical results or from any future results expressed or implied by such forward-looking statements. In addition to statements that explicitly describe these risks and uncertainties, readers are urged to consider statements that contain terms such as "believes," "belief," "expects," "expect," "intends," "intend," "anticipate," "anticipates," "plans," "plan," to be uncertain and forward-looking. The forward-looking statements contained herein are also subject generally to other risks and uncertainties that are described from time to time in the Company's filings with the Securities and Exchange Commission.
