SECTION 14(f) OF THE SECURITIES EXCHANGE ACT OF 1934 AND RULE 14f-1 PROMULGATED THEREUNDER

This information statement is being provided for informational purposes only. No vote or other action of the stockholders of BTHC VI, Inc. is required in connection with this information statement. No proxies are being solicited and you are requested not to send a proxy to us.

INTRODUCTION

This statement pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") is being circulated to the shareholders of record as of May 23, 2007 of BTHC VI, Inc., a Delaware corporation (the "Registrant"), in connection with the transaction described more fully below, which will result in a change of control of the Registrant. The Registrant is a reporting company pursuant to the Exchange Act.

PROPOSED CHANGE IN CONTROL TRANSACTION

On May 24, 2007, the Registrant entered into an Agreement and Plan of Merger (the "Merger Agreement") with B-VI Acquisition Corp., a Delaware corporation and wholly owned subsidiary of the Registrant ("Sub"), and Athersys, Inc., a Delaware corporation ("Athersys"). Athersys is a biopharmaceutical company engaged in the discovery and development of therapeutic product candidates designed to extend and enhance the quality of human life.

Pursuant to the terms of the Merger Agreement, the Registrant will acquire all of the outstanding capital stock of Athersys through a merger of Athersys with Sub, with Athersys as the surviving corporation following the consummation of the Merger. The term "Company," when referring to forward-looking or prospective statements herein that speak as to dates and events following the Merger, means the Registrant and Athersys on a combined basis.

The below description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 10.1 to the Registrant's current report on Form 8-K filed on May 24, 2007, incorporated by reference herein.

Pursuant to the terms of the Merger Agreement, Athersys stockholders will receive 0.0358493 shares of common stock of the Registrant ("Common Stock") for each share of Athersys common stock owned prior to the Merger, and an aggregate of approximately 3.2 million shares of Common Stock will be issued to Athersys common stockholders. After giving effect to a 1-for-1.67 reverse stock split that will take effect prior to the consummation of the Merger, existing stockholders of the Registrant hold approximately 300,000 shares of Common Stock after consummation of the Merger. The completion of the Merger is subject to customary and other closing conditions, including, among others, (i) Athersys stockholders approving the Merger Agreement, (ii) all shares of Athersys preferred stock being converted into Athersys common stock prior to the Merger, (iii) Athersys having completed its due diligence review of the Registrant to its sole satisfaction, and (iv) the Registrant completing an equity financing contemporaneously with the consummation of the Merger (the "Equity Financing").

The Merger Agreement provides that Timothy P. Halter, the sole officer and director of the Registrant, will resign all his positions with the Registrant immediately prior to the closing of the Merger, and certain of the individuals who are the directors and officers of Athersys immediately prior to the closing

of the Merger, as well as certain other individuals as directed by Athersys, will be elected as the directors and officers, respectively, of the Registrant as of the closing of the Merger.

The closing of such transactions contemplated by the Merger Agreement and the effectiveness of the Merger are anticipated to occur within 10 days of the date hereof. However, there can be no assurances that the transactions contemplated under the Merger Agreement will be consummated, as the Merger Agreement may be terminated pursuant to the provisions thereof.

PRIOR CHANGE IN CONTROL

In September 1999, Ballantrae Healthcare LLC (and affiliated limited liability companies including BTHC VI, LLC, collectively, "Ballantrae"), was organized for the purpose of operating nursing homes throughout the United States. On March 28, 2003, Ballantrae filed a petition for reorganization under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court, Northern District of Texas (the "Bankruptcy Court"). On November 29, 2004, the Bankruptcy Court approved the First Amended Joint Plan of Reorganization of Ballantrae and its creditors (the "Bankruptcy Plan"). On April 11, 2006, pursuant to the Bankruptcy Plan, BTHC VI, LLC was merged into BTHC VI, Inc., a Delaware corporation.

Halter Financial Group, L.P. ("HFG") participated with Ballantrae and their creditors in structuring the Bankruptcy Plan. As part of the Bankruptcy Plan, HFG provided \$76,500 to be used to pay professional fees associated with the Bankruptcy Plan confirmation process. HFG was granted an option to be repaid through the issuance of equity securities in 17 of the reorganized Ballantrae entities, including the Registrant. HFG exercised the option, and as provided in the Plan, 70% of the Registrant's then-outstanding common stock, or 350,000 shares, were issued to HFG, in satisfaction of HFG's administrative claims. The remaining 30% of the Registrant's then-outstanding common stock, or 150,000 shares, were issued to 499 holders of administrative and tax claims and unsecured debt. The 500,000 shares (the "Plan Shares") were issued pursuant to

Section 1145 of the Bankruptcy Code. As further consideration for the issuance of the 350,000 Plan Shares to HFG, the Bankruptcy Plan required HFG to assist the Registrant in identifying a potential merger or acquisition candidate. HFG is responsible for the payment of the Registrant's operating expenses and HFG is obligated to provide the Registrant with consulting services at no cost to the Registrant, including assisting the Registrant with formulating the structure of any proposed merger or acquisition. Additionally, HFG is responsible for paying the Registrant's expenses incurred in consummating a merger or acquisition. The Registrant remains subject to the jurisdiction of the Bankruptcy Court until it consummates a merger or acquisition. Pursuant to the confirmation order, if the Registrant does not consummate a business combination prior to June 20, 2008, the Plan Shares will be deemed canceled, and the discharge and injunction provisions of the confirmation order, as they pertain to the Registrant, will be deemed dissolved without further order of the Bankruptcy Court. If the Registrant timely consummates a merger or acquisition, the Registrant will have met the requirements of the Bankruptcy Plan and the discharge and injunction provisions granted to the Registrant under the confirmation order will continue to be effective. On February 15, 2006, HFG transferred its 350,000 Plan Shares to Halter Financial Investments L.P., a Texas limited partnership controlled by Timothy P. Halter ("HFI"). Timothy P. Halter is the sole officer, director and shareholder of HFG and an officer and member of Halter Financial Investments GP, LLC, general partner of HFI. Mr. Halter currently serves as the Registrant's President, Chief Executive Officer, Chief Financial Officer and sole director.

CHANGE IN MAJORITY OF DIRECTORS

The Merger Agreement provides that Timothy P. Halter, the sole officer and director of the Registrant, will resign all his positions with the Registrant immediately prior to the closing of the Merger, and certain of the individuals who are the directors of Athersys immediately prior to the closing of the Merger, as well as certain other individuals as directed by Athersys, will be elected as the directors of the Registrant as of the closing of the Merger. Accordingly, the following changes to the Company's directors will occur:

- o Mr. Timothy P. Halter shall resign as President, Chief Executive Officer and Chief Financial Officer and as the sole director of the Registrant.

- o Mr. Gil Van Bokkelen, currently a member of the board of directors and Chief Executive Officer of Athersys, shall be elected as a member of the

board of directors of the Registrant, and shall also be appointed the Chief Executive Officer of the Registrant.

o John J. Harrington, Ph.D., currently a member of the board of directors of Athersys, shall be elected a member of the board of directors of the Registrant.

o George M. Milne, Ph.D. currently a member of the board of directors of Athersys, shall be elected a member of the board of directors of the Registrant . o William C. Mulligan currently a member of the board of directors of Athersys, shall be elected a member of the board of directors of the Registrant.

o Jordan S. Davis shall be elected a member of the board of directors of the Registrant.

o Floyd D. Loop, M.D. shall be elected a member of the board of directors of the Registrant.

VOTING SECURITIES

The Registrant's common stock is the only class of equity security that is currently outstanding and entitled to vote at a meeting of its stockholders. Each share of common stock entitles its holder to one (1) vote. As of May 23, 2007, there were 500,000 shares of the Registrant's common stock issued and outstanding.

CURRENT DIRECTORS AND OFFICERS

The following table sets forth the name, positions and age of the Registrant's current executive officer and director. All directors serve until the next annual meeting of stockholders or until their successors are elected and qualified. Officers are elected by the board of directors and their terms of office are, except to the extent governed by an employment contract, at the discretion of the board of directors.

Name	Age	Positions
----- Timothy P. Halter	----- 40	----- President, Chief Executive Officer, Chief Financial Officer, and Director

Timothy P. Halter - Since 1995, Mr. Halter has been the president and the sole stockholder of Halter Financial Group, Inc., a Dallas, Texas based consulting firm specializing in the area of mergers, acquisitions and corporate finance. In September 2005, Mr. Halter and other minority partners formed HFI. HFI conducts no business operations. Mr. Halter currently serves as a director of DXP Enterprises, Inc., a public corporation (NASDAQ: DXPE), and is an officer and director of Point Acquisition Corporation, a Nevada corporation; Nevstar Corporation, a Nevada corporation; Marketing Acquisition Corporation, a Nevada corporation; BTHC VII, Inc., BTHC VIII, Inc., and BTHCX, Inc., each a Delaware corporation. Each of the afore-referenced companies is current in the filing of their periodic reports with the SEC. Except for DXP Enterprises, each of the afore-referenced companies for which Mr. Halter acts as an officer and director may be deemed shell corporations.

Committees of the Board of Directors

The Registrant currently does not have standing audit, nominating or compensation committees of the Board or committees performing similar functions because the Registrant has no meaningful operations and no employees. These functions are currently performed by the Board as a whole. The Registrant does not have an audit committee charter or nominating committee charter.

Following the Merger, the Company plans to establish audit, compensation and any other appropriate committees.

Audit Committee and Audit Committee Financial Expert

Currently, the Registrant is not a "listed company" under SEC rules and is therefore not required to have an audit committee comprised of independent directors. The Registrant's board of directors has determined that its members do not include a person who is an "audit committee financial expert" within the meaning of the rules and regulations of the SEC. The Registrant's board of directors has determined that Mr. Halter is able to read and understand fundamental financial statements and has substantial business experience that results in his financial sophistication. Accordingly, the board of directors believes that its current member has the sufficient knowledge and experience necessary to fulfill the duties and obligations that an audit committee would have.

The Registrant determined not to establish a nominating committee at this time in view of changes in the composition of the board of directors that will occur at the closing of the Merger. Previously, nominations were determined by the members of the then-existing board of directors.

Compliance With Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires the Registrant's executive officers and directors, and persons who own more than 10% of the Registrant's

common stock to file reports regarding ownership of and transactions in the Registrant's securities with the Securities and Exchange Commissioner and to provide us with copies of those filings. Based solely on the Registrant's review of the copies received by or a written representation from certain reporting persons, the Registrant believes that as of May 24, 2007, all eligible persons are in compliance with the requirements of Section 16(a).

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between the Registrant's board of directors and the board of directors or compensation committee of any other company, nor has any interlocking relationship existed in the past.

Executive Compensation of Registrant

The following table sets forth the compensation of the Registrant's executive officers during the last three fiscal years. The current management and oversight of the Registrant requires less than four hours per month. As the Registrant's sole officer and director is engaged in other full-time income producing activities, the Registrant's sole officer or director has not received any compensation from the Registrant.

Director Independence

After closing the Merger, the Company's Board of Directors will review at least annually the independence of each director. During these reviews, the Company's Board of Directors will consider transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such transactions or relationships are inconsistent with a determination that the director was independent. The Board of Directors will conduct its annual review of director independence and to determine if any transactions or relationships exist that would disqualify any of the individuals who then served as a director under the rules of the NASDAQ Stock Market, or require disclosure under SEC rules. Currently, Athersys has two members of management who also serve on the Board of Directors, Dr. Van Bokkelen, who is also Athersys' Chairman and Chief Executive Officer, and Dr. Harrington, who is Athersys' Chief Scientific Officer and Executive Vice President. Incentive Plans

Upon the close of the Merger, it is anticipated that Athersys' existing stock option plans and most of its outstanding options will be terminated. However, pursuant to the terms of the Merger Agreement, the Registrant has agreed to assume certain options granted to former employees, directors and consultants of Athersys. On April 9, 2007, the Registrant's board of directors approved and recommended to its stockholders for adoption a new long term incentive plan, which authorizes the Registrant's board of directors, or a committee thereof, to provide equity-based compensation in the form of stock options, stock appreciation rights restricted stock, restricted stock units, performance shares and units, and other stock-based awards, which will be used to attract and retain qualified employees, directors and consultants. Equity awards will be granted from time to time under the guidance and approval of the Registrant's board of directors or its compensation or similar committee, when one is established. Total awards under this plan would be limited to 3,035,000 shares of Common Stock.

PRINCIPAL STOCKHOLDERS BEFORE THE MERGER

Prior to the Merger, the Registrant plans to implement a 1-for-1.67 reverse split of the outstanding shares of the Registrant's common stock (the "Reverse Split"). The following table sets forth certain information with respect to the beneficial ownership of the Registrant's capital stock immediately before and after the effectuation of the Reverse Split by:

- o each stockholder known by the Registrant to be the beneficial owner of more than 5% of the Registrant's outstanding securities prior to and after the closing of the transactions contemplated by the Reverse Split;
- o each current director of the Registrant;
- o each of the named executive officers of the Registrant listed in the Registrant's Annual Report on Form 10-K for the year ended December 31, 2006; and

PRINCIPAL STOCKHOLDERS AFTER THE MERGER

The following table sets forth information on the estimated beneficial ownership of Registrant's Common Stock after the Merger based on the current beneficial ownership of Athersys' common stock by the individuals who are expected to be the executive officers and directors of the Registrant after the consummation of the Merger, as of May 23, 2007 and assuming the close of the Merger and the Equity Financing on June 5, 2007. Beneficial ownership is determined according to rules of the SEC governing the determination of beneficial ownership of securities. A person is deemed to be a beneficial owner of any securities for which that person has a right to acquire beneficial ownership within 60 days. The table below contains the following assumptions:

o Athersys' outstanding 10% secured convertible promissory notes will automatically convert into 530,685 shares of Registrant's Common Stock upon consummation of the Equity Financing. Since the holders of the 10% secured convertible promissory notes are entitled to convert accrued interest, the number of shares as set forth below is subject to change based on the timing of the closing of the Merger and the Equity Financing.

o Athersys' outstanding 5% unsecured convertible promissory notes will automatically convert into 1,883,848 shares of Registrant's Common Stock upon consummation of the Equity Financing. Since the holders of Athersys' outstanding 5% unsecured convertible promissory notes are entitled to convert accrued interest, the number of shares as set forth below is subject to change based on the timing of the closing of the Merger and the Equity Financing.

Mr. Davis is a managing member of Radius Venture Partners II, LLC, which is the general partner of Radius Venture Partners II, L.P., and a managing member of Radius Venture Partners III, LLC, which is the general partner of Radius Venture Partners III, L.P. and Radius Venture Partners III QP, L.P., and therefore may be deemed to beneficially own the securities held by Radius entities, although Mr. Davis disclaims such beneficial ownership except to the extent of his pecuniary interest therein.
