**Additional Questions**

- 1. Will Bob Evans’ retail brands coexist in conjunction with Michael Foods’ retail brands?**  
We both have strong brands that have meaningful value in the marketplace. No brand decisions have been made yet and we do not expect to make those decisions until after close.
- 2. Where will frozen retail products fall in terms of management structure?**  
No decisions have been made regarding reporting structures. The integration team will be charged with determining the optimal reporting structure.
- 3. After closing, how long will integrations and separations of the businesses take?**  
It is too early in the process to have any information about timeframes. The integration team will work together to develop a comprehensive integration plan, which will include integration milestones and corresponding timeframes.
- 4. Does this change the size of the Michael Foods and Bob Evans businesses?**  
No decisions have been made regarding how both businesses will be structured upon close. The integration team will be charged with determining the optimal structure.
- 5. Will this impact our fiscal 2018 targets?**  
It is too early to tell. For now, we need to focus on delivering the plan we have developed.
