Belden Receives Canadian and U.S. Antitrust Approvals for Pending Acquisition of Miranda Technologies

St. Louis, Missouri - July 18, 2012 - Belden Inc. (NYSE: BDC), a global leader in signal transmission solutions for mission critical applications, today announced that it has received approval from the Canadian Competition Bureau for its proposed acquisition of Miranda Technologies and that the review period under the U.S. Hart-Scott-Rodino Antitrust Improvements Act has expired. The transaction has now gained all required regulatory approvals. Miranda shareholders are urged to tender their shares to the Belden Offer in return for \$17.00 per share in cash before it expires at 8:00 p.m. EDT on July 24, 2012.

The full details of the Belden Offer are contained in the take-over bid circular of Belden CDT (Canada) Inc. and directors' circular of the Miranda board of directors. Copies of the take-over bid circular and the directors' circular are available online at www.sedar.com. Miranda shareholders are encouraged to read both documents carefully and in their entirety.

Computershare Investor Services Inc. is the depository for the Belden Offer. Shareholders can obtain copies of the take-over bid circular and related materials at no charge from the depository toll-free at 1-800-564-6253 or by email at corporateactions@computershare.com. The information agent for the Belden Offer is Georgeson Shareholder Communications Canada Inc. Inquiries should be directed to the information agent toll-free at 1-866-598-9684 or by email at askus@georgeson.com. Additional copies of these documents may also be obtained on request from the information agent.
