

## CACI Chairman Dr. J.P. (Jack) London Selected as 2010 Washington Business Hall of Fame Laureate

### Honor Recognizes Executives Who Have Demonstrated Business Excellence, Innovative Leadership, and Community Involvement

Arlington, VA, May 25, 2010 - CACI International Inc ([NYSE:CACI](#)) announced today that CACI Chairman of the Board Dr. J.P. (Jack) London has been chosen for induction as a laureate into the Washington Business Hall of Fame at its annual gala to be held on November 30, 2010. The honor is a lifetime achievement award for executives who have made a major impact on the Greater Washington Region by demonstrating business excellence, visionary, innovative leadership, and community involvement throughout their professional lives. The laureates are selected annually by a committee comprised of members of the Hall's three founding organizations: The Greater Washington Board of Trade, [Junior Achievement of the National Capital Area](#), and [The Washingtonian](#).

Dr. London's selection recognizes his achievement in growing CACI from a small consulting firm into a worldwide professional services and IT company serving vital national needs. A market visionary, Dr. London was the architect of CACI strategies that continually positioned the company for growth in rapidly changing business climates, while also helping to expand the region's IT capabilities. London's creation and leadership of a robust mergers and acquisition program brought more than 45 acquisitions to CACI, strengthening the company's capabilities in managed networks and integrated security and intelligence solutions, and helping to grow revenue from \$1.6 million in 1972, the year London joined CACI, to nearly \$3 billion in revenue today. Dr. London's leadership in developing CACI's reputation for its culture of ethics and integrity is known throughout the industry.

Joining Dr. London as fellow laureates inducted into the 2010 Hall of Fame are distinguished Greater Washington business leaders [Theodore "Ted" J. Leonsis](#), Majority Owner of the Washington Capitals; [Debra L. Lee](#), Chairman and Chief Executive Officer of BET Networks; [John G. Laytham](#), President of Clyde's Restaurant Group; and [Gerald T. Halpin](#), Founder, President and CEO, Chairman of the Board of Directors, WEST\*GROUP.

Commenting on his award, Dr. London said, "I am honored to receive this most prestigious recognition on behalf of everyone at CACI. I am quite proud of the fact that CACI has such a fine record of loyal and dedicated service to America's national security, its armed forces, intelligence agencies and the many vital operations of our government. CACI people and our management team are truly special. They are the reason for the company's growth and success. With our company headquarters and so many of our key operations located here in the Greater Washington Region, it is very gratifying to join such a distinguished group of fellow Washingtonians who have clearly made a positive impact on business in this area."

CACI President and CEO Paul Cofoni noted, "Jack London has long been a strong and dynamic business leader for all of us at CACI and for the entire government contracting community. We congratulate him for this latest recognition as an inductee into the Washington Business Hall of Fame. We look forward to Jack's continuing contributions to our company's growth and to the support we provide our customers."

CACI provides professional services and IT solutions needed to prevail in the defense, intelligence, homeland security, and federal civilian government arenas. We deliver enterprise IT and network services; data, information, and knowledge management services; business system solutions; logistics and material readiness; C4ISR integration services; cyber solutions; integrated security and intelligence solutions; and program management and SETA support services. CACI services and solutions help our federal clients provide for national security, improve communications and collaboration, secure the integrity of information systems and networks, enhance data collection and analysis, and increase efficiency and mission effectiveness. CACI is a member of the Fortune 1000 Largest Companies and the Russell 2000 index. CACI provides dynamic careers for approximately 13,100 employees working in over 120 offices in the U.S. and Europe.
