

## CACI Appoints Dr. Lani Kass as Corporate Strategic Advisor

### *Former Senior Policy Advisor to Chairman, Joint Chiefs of Staff*

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE:CACI](http://NYSE:CACI)) announced today that it has appointed Dr. Lani Kass as Corporate Strategic Advisor and Senior Vice President. In this role, Dr. Kass will lead corporate efforts to advance CACI's presence in the U.S. national security market, support the development and evolution of CACI corporate strategy, and support the development and expansion of key client relationships. Dr. Kass will also lead CACI's participation in the annual Asymmetric Threats symposia that the company has co-sponsored since 2008.

Prior to joining CACI, Dr. Kass served as Senior Policy Advisor to the Office of the Chairman of the Joint Chiefs of Staff, where she was responsible for high-level assessment and analysis supporting the development and execution of integrated strategies, programs, and plans essential to America's security. Her foresight, expertise, and cross-cultural multi-lingual skills played a key part in successful interactions and international negotiations with Russia, China, and NATO.

Before joining the Office of the Chairman, Joint Chiefs of Staff, Dr. Kass was the Assistant to the Chief of Staff of the U.S. Air Force and served as Director of the Cyber Task Force. In this role, she developed the intellectual concepts that led to the establishment of the U.S. Cyber Command, the government's lead organization for developing and implementing national cyber strategy. Her career highlights also include being the first woman to serve as Professor of Military Strategy and Operations at the National War College, National Defense University, where she educated the nation's senior-most strategic leaders.

"CACI is an outstanding partner to its Department of Defense and federal civilian government clients," Dr. Kass said, "The company has an excellent track record of innovating to support national security and America's warfighters. I look forward to becoming a member of CACI's leadership and supporting their strategy for growth and success."

According to President of U.S. Operations Dan Allen, "Lani Kass will be a terrific asset to CACI. In addition to helping us develop our corporate strategy in a number of important areas, from promoting our core capabilities to fostering client relationships, she will ensure our plans are fully aligned with our clients' needs and evolve with their missions."

CACI President and Chief Executive Officer Paul Cofoni said, "CACI's strategic hire of Lani Kass adds another highly talented and superbly credentialed individual to our leadership team. She brings unparalleled experience in national security strategy and policy, and will help us continually enhance our focus on the high-priority, mission-critical needs of the U.S. government."

Celebrating our 50th year in business, CACI sustains an exceptional record of success by providing professional services and IT solutions needed to prevail in the areas of defense, intelligence, homeland security, and IT modernization and government transformation. We deliver enterprise IT and network services; data, information, and knowledge management services; business system solutions; logistics and material readiness; C4ISR solutions; cyber solutions; integrated security and intelligence solutions; and program management and SETA support services. CACI solutions help federal clients provide for national security, improve communications and collaboration, secure information systems and networks, enhance data collection and analysis, and increase efficiency and mission effectiveness. A member of the Fortune 1000 Largest Companies and the Russell 2000 index, CACI provides dynamic careers for approximately 14,300 employees working in over 120 offices in the U.S. and Europe.
