

The SCO Group Releases Update to Popular FranklinCovey iPhone(R) Application

-- --FC Tasks(TM), exclusively marketed by FranklinCovey Products(R) ranked as high as #13 on iTunes paid productivity applications

LONDON, Utah, May 21, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- The SCO Group, Inc., (Pink Sheets: SCOXQ) a leading provider of UNIX(R) software technology and provider of mobility solutions, today announced that it has released an update to its popular iPhone and iPod Touch(R) productivity application, FC Tasks, which is marketed exclusively by FranklinCovey Products. FC Tasks by FranklinCovey is an easy-to-use, feature-rich task management tool that incorporates proven FranklinCovey planning methodology. FC Tasks quickly manages daily personal and professional tasks from an iPhone and iPod Touch with this app developed by the world leaders in time management. FC Tasks, which is sold on Apple's iTunes store and is available for download on iPhone and iPod devices, is currently ranked #25 on the Apple store for paid productivity apps and has been in the top 50 for 12 weeks and has reached as high as #13.

"FC Tasks is an excellent and easy mobile application for organizing a chaotic life," said Jeff Hunsaker, president and chief operating officer, SCO Operations. "We are pleased with the momentum we are starting to see on Apple's iTunes store and the great feedback from FC Task customers. Our technologies will enhance the communication experience of iPhone and iPod Touch users," said Hunsaker.

The new release of FC Tasks includes the ability to create recurring tasks, complete and forward tasks, delegate via email and many other features for better ease of use. A demonstration video of the product is available for viewing at:
