

Global Capacity Wins Contract with European International Carrier

CHICAGO, Nov 23, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- Global Capacity, Inc. (OTC Bulletin Board: CGSY), the world's leading telecommunications information and logistics company, today announced that it has signed a major agreement with a large European international Carrier to supply network optimisation consultancy and novation services.

"Global Capacity is uniquely placed with our strong information base and automated systems to enable us to achieve significant revenue and cost reduction benefit to customers across the globe," said Nigel Meacham, Managing Director of Information Systems for Global Capacity. "Our demonstrated ability to help customers reduce the cost and improve the efficiency of their access networks has never been more important than right now in this economic environment, and we are delighted to include this major carrier in an increasing list of customers who place their trust in us to help them achieve their cost reduction objectives."

Global Capacity leverages a one of a kind global information base of telecom supply and pricing data to enable clients to reduce cost, improve efficiency, and simplify operations of their access networks globally. The Company goes to market with two product lines: Strategic Sourcing Solutions; Software as a Service including the "GCPrice" web-based tool and Optimization Solutions.
