About CombiMatrix Corporation

CombiMatrix Corporation provides best-in-class molecular diagnostic solutions and comprehensive clinical support to foster the highest quality in patient care. CombiMatrix specializes in pre-implantation genetic diagnostics and screening, prenatal diagnosis, miscarriage analysis and pediatric developmental disorders, offering DNA-based testing for the detection of genetic abnormalities beyond what can be identified through traditional methodologies. Our testing focuses on advanced technologies, including single nucleotide polymorphism ("SNP") chromosomal microarray analysis ("CMA"), next generation sequencing ("NGS"), fluorescent in situ hybridization ("FISH") and high resolution karyotyping. Additional information about CombiMatrix is available at www.combimatrix.com or by calling (800) 710-0624.
