

CDI IT Solutions Announces Agreement with Politec Global IT Services

PHILADELPHIA, Feb 13, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- CDI IT Solutions ("CDI"), a division of engineering and IT outsourcing leader CDI Corp. (NYSE: CDI), today announced that the company has entered into a teaming agreement with Politec Global IT Services ("Politec") to enhance delivery capabilities provided to CDI's current client base and prospective clients.

The agreement with Politec, a Brazil-based IT services provider with technology support centers located worldwide, will provide CDI with the opportunity to expand its high-quality, low-cost application development and management delivery capabilities beyond the U.S. In leveraging Politec's low-cost, near-shore and offshore application development and maintenance support centers, CDI's services can be delivered in any combination that best meets the client's support requirements.

"We are excited about this new agreement with Politec and confident that our combined experience and dedicated approach to client satisfaction will result in high-quality hybrid application outsourcing support models," said Mark Balawejder, SVP of Outsourcing at CDI IT Solutions. "This new relationship will enhance our broad range of services with the enhanced cost and delivery advantages of worldwide talent sourcing."

"Most organizations and leading analysts are beginning to see the value that IT companies like Politec have been providing in Latin America for years," added Peter Albers, CEO of Politec USA Corp. "This alliance with CDI will further enhance that value. Our two companies complement each other and are well-positioned to deliver a solid alternative to the traditional outsourcing players."
